The distributions will be made from current income, supplemented by realized capital gains and, to the extent necessary, paid-in capital.

All amounts are U.S. dollars unless otherwise stated.

Aberdeen Australia Equity Fund, Inc.

Your Board's policy is to provide investors with a stable distribution rate. Each quarterly distribution will be paid out of current income, supplemented by realized capital gains and, to the extent necessary, paid-in capital.

The Fund is subject to U.S. corporate, tax and securities laws. Under U.S. tax accounting rules, the amount of distributable income for each fiscal period depends on the actual exchange rates during the entire year between the U.S. dollar and the currencies in which Fund assets are denominated and on the aggregate gains and losses realized by the Fund during the entire year.

Therefore, the exact amount of distributable income for each fiscal year can only be determined as of the end of the Fund's fiscal year, October 31. However, under the U.S. Investment Company Act of 1940, the Fund is required to indicate the source of each distribution to shareholders. This estimated distribution composition may vary from quarter to quarter because it may be materially impacted by future realized gains and losses on securities and fluctuations in the value of the currencies in which Fund assets are denominated.

The distributions for the fiscal year ended October 31, 2004 were comprised of 39% net investment income, 47% realized capital gains and 14% return of paid-in capital.

In January 2005, a Form 1099 DIV will be sent to shareholders, which will state the amount and composition of distributions and provide information with respect to their appropriate tax treatment for the 2004 calendar year.

Aberdeen Australia Equity Fund, Inc.

Dividend Reinvestment and Cash Purchase Plan

We invite you to participate in the Fund's Dividend Reinvestment and Cash Purchase Plan (the "Plan"), which allows you to automatically reinvest your distributions in shares of the Fund's common stock at favorable commission rates. Distributions made under the Plan are taxable to the same extent as are cash distributions. The Plan also enables you to make additional cash investments in shares of at least \$100, with a maximum of \$10,000 per month, with an aggregate annual limit of \$120,000. Under this arrangement, the Plan Agent will purchase shares for you on the American or Pacific Stock Exchanges or otherwise on the open market on or before the 15th day of each month.

Effective July 26, 2004, The Bank of New York became the Plan Agent, replacing EquiServe Trust Company, N.A. as Plan Agent. As a result of this transfer of services, certain fees associated with the Plan may have changed. Fees payable by Plan participants are more fully described under the heading "Other Information (Unaudited)" following the notes to the financial statements included in this report.

As a Participant in the Plan, you will have the convenience of:

Automatic reinvestment - the Plan Agent will automatically reinvest your distributions, allowing you to gradually grow your holdings in the Fund;

Lower cost - shares are purchased on your behalf under the Plan at low brokerage rates. Brokerage on share purchases is currently 2 cents per share;

Convenience - the Plan Agent will hold your shares in non-certificated form and will provide a detailed plan account statement of your holdings at the end of each distribution period.

To request a brochure containing information on the Plan, together with an enrollment form, please contact the Plan Agent, The Bank of New York, Shareholder Relations Department, P.O. Box 11258, Church Street Station, New York, NY 10286 or call toll free on 1-800-432-8224.

Notes to Financial Statements

Aberdeen Australia Equity Fund, Inc. (the Fund) is a closed-end, non-diversified management investment company incorporated in Maryland on September 30, 1985. The Fund's principal investment objective is long-term capital appreciation through investment primarily in equity securities of Australian companies listed on The Australian Stock Exchange. The Fund's secondary investment objective is current income. In order to comply with a rule adopted by the Securities and Exchange Commission under the Investment Company Act of 1940 regarding fund names, the Board of Directors has adopted an investment policy that, for as long as the name of the Fund remains Aberdeen Australia Equity Fund, Inc., it shall be the policy of the Fund normally to invest at least 80% of its net assets plus the amount of any borrowings for investment purposes, in equity securities, consisting of common stock, preferred stock and convertible stock, listed on The Australian Stock Exchange. This 80% investment policy is a non-fundamental policy of the Fund and may be changed by the Board of Directors upon 60 days prior written notice to shareholders.

Note 1. Accounting Policies

The following is a summary of significant accounting policies followed by the Fund in the preparation of its financial statements.

Basis of Presentation:

The financial statements of the Fund are prepared in accordance with accounting principles generally accepted in the United States of America, using the United States dollar as both the functional and reporting currency. However, the Australian dollar is the functional currency for Federal tax purposes (see Taxes below).

Securities Valuation:

The Fund's Board of Directors has adopted Pricing and Valuation Procedures (the Procedures) to be used in determining the value of the assets held by the Fund. In accordance with the Procedures, investments are stated at value. Investments for which market quotations are readily available are valued at the last trade price on the date of determination as obtained from a pricing source. If no such trade price is available, such investments are valued at the quoted bid price or the mean between the quoted bid and asked price on the date of determination as obtained from a pricing source.

Short-term securities which mature in more than 60 days are valued at current market quotations. Short-term securities which mature in 60 days or less are valued at amortized cost, which approximates market value.

Securities for which market quotations are not readily available (including investments which are subject to limitations as to their sale) are to be valued at fair value. As a general rule, whether or not the Fund is required to fair value price an asset is dependent on the ready availability of current market quotes or, even if readily available, the reliability of such quotes. Any assets for which market quotations are not readily available or for which

Aberdeen Australia Equity Fund, Inc.

Notes to Financial Statements (continued)

available prices are not reliable, shall be determined in a manner that most fairly reflects the asset's (or group of assets) fair value (*i.e.*, the amount that the Fund might reasonably expect to receive for the asset upon its current sale) on the valuation date, based on a consideration of all available information.

The Procedures provide that in certain instances, including without limitation, if there is a stale price for a portfolio security, in an emergency situation, or if a significant event occurs after the close of trading of a portfolio security, but before the calculation of the Fund's net asset value, the security may be valued at its fair value.

Repurchase Agreements:

In connection with transactions in repurchase agreements with United States financial institutions, it is the Fund's policy that its custodian or designated subcustodians under triparty repurchase agreements, as the case may be, take possession of the underlying collateral securities, the value of which exceeds the principal amount of the repurchase transaction, including accrued interest. To the extent that any repurchase transaction exceeds one business day, the value of the collateral is marked-to-market on a daily basis to ensure the adequacy of the collateral. If the seller defaults and the value of the collateral declines or if bankruptcy proceedings are commenced with respect to the seller of the security, realization of the collateral by the Fund may be delayed or limited.

Foreign Currency Translation:

Australian dollar (A\$) amounts are translated into United States dollars (US\$) on the following basis:

(i) market value of investment securities, other assets and liabilities at the exchange rates at the end of the reporting period; and

(ii) purchases and sales of investment securities, income and expenses at the rate of exchange prevailing on the respective dates of such transactions.

The Fund isolates that portion of the results of operations arising as a result of changes in the foreign exchange rates from the fluctuations arising from changes in the market prices of securities held at fiscal year end. Similarly, the Fund isolates the effect of changes in foreign exchange rates from the fluctuations arising from changes in the market prices of portfolio securities sold during the reporting period.

Net realized and unrealized foreign exchange gains (losses) include realized foreign exchange gains (losses) from sales and maturities of portfolio securities, sales of foreign currencies, currency gains (losses) realized between the trade and settlement dates on securities transactions, the difference between the amounts of dividends, interest and foreign withholding taxes recorded on the Fund's books and the US\$ equivalent amounts actually received or paid and changes in unrealized foreign exchange gains (losses) in the value of portfolio securities and other assets and liabilities arising as a result of changes in the

Aberdeen Australia Equity Fund, Inc.

Notes to Financial Statements (continued)

exchange rate. Accumulated net realized and unrealized foreign exchange gains (losses) shown in the composition of net assets at October 31, 2004 represent foreign exchange gains (losses) for book purposes that may not have been recognized for tax purposes.

Foreign security and currency transactions may involve certain considerations and risks not typically associated with those of domestic origin, including unanticipated movements in the value of the foreign currency relative to the US\$.

The exchange rate at October 31, 2004 was US\$0.75 to A\$1.00.

Securities Transactions and Net Investment Income:

Securities transactions are recorded on the trade date. Realized and unrealized gains (losses) from security and currency transactions are calculated on the identified cost basis. Dividend income is recorded on the ex-dividend date and interest income is recorded on an accrual basis. Expenses are recorded on an accrual basis.

Dividends and Distributions:

The Fund has a managed distribution policy of paying quarterly distributions at an annual rate, set once a year, that is a percentage of the rolling average of the Fund's prior four quarter-end net asset values. The Board of Directors has determined the initial rolling distribution rate to be 10%. This policy will be subject to regular review by the Fund's Board of Directors. The distributions will be made from current income, supplemented by realized capital gains and, to the extent necessary, paid-in capital.

On an annual basis, the Fund intends to distribute its net realized capital gains, if any, by way of a final distribution to be declared during the calendar quarter ending December 31. Dividends and distributions to shareholders are recorded on the ex-dividend date.

Income distributions and capital and currency gains distributions are determined in accordance with income tax regulations which may differ from accounting principles generally accepted in the United States of America. These differences are primarily due to differing treatments for foreign currencies.

Taxes:

For federal income and excise tax purposes, substantially all of the Fund's transactions are accounted for using the Australian dollar as the functional currency. Accordingly, only realized currency gains (losses) resulting from the repatriation of Australian dollars into United States dollars are recognized for U.S. tax purposes.

It is the Fund's policy to continue to meet the requirements of the United States Internal Revenue Code applicable to regulated investment companies and to distribute substantially all of its taxable net income and capital gains, if any, to shareholders. Therefore, no provision for

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form N-CSR

United States income taxes is required. Australia imposes a withholding tax of 15% on certain dividends and 10% on certain interest.

Aberdeen Australia Equity Fund, Inc.

Notes to Financial Statements (continued)

Securities Lending:

The Fund's investment policies permit the Fund to lend to banks and broker-dealers, portfolio securities with an aggregate market value of up to one-third of the Fund's total assets when it deems advisable. Pursuant to a securities lending agreement (Agreement) between the Fund and State Street Bank and Trust Company (State Street), any loans made under the Agreement must be secured by collateral (consisting of any combination of U.S. currency and securities issued or guaranteed by the U.S. government or its agencies, or irrevocable bank letters of credit) in an amount at least equal, on a daily marked-to-market basis, to 100% of the current market value of the securities loaned.

The Agreement also provides that the Fund may terminate the loans at any time and demand the return of the securities, and that the Fund will continue to receive all interest, dividends and other distributions obtained on any of the loaned securities and will continue to have voting rights with respect to the securities.

In the event the Fund lends its portfolio securities, the Fund may be exposed to counterparty risk, which may result in the delay in recovery of the loaned securities or possible loss of right in the collateral should the borrower become insolvent.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Note 2. Agreements

In December 2003, the Fund's Board of Directors approved the transfer by Aberdeen Asset Managers (C.I.) Limited (AAMCIL) to Aberdeen Asset Management Asia Limited (AAMAL) of the rights and obligations of AAMCIL under the management agreement and the advisory agreement with the Fund. Effective March 8, 2004, AAMAL became the investment manager of the Fund (the Investment Manager). Aberdeen Asset Management Limited (the Investment Adviser) serves as the investment adviser to the Fund pursuant to an advisory agreement. The Investment Manager and the Investment Adviser are direct or indirect wholly-owned subsidiaries, respectively, of Aberdeen Asset Management PLC.

The Investment Manager makes investment decisions on behalf of the Fund on the basis of recommendations and information furnished to it by the Investment Adviser, including the selection of and the placement of orders with brokers and dealers to execute portfolio transactions on behalf of the Fund.

The management agreement provides the Investment Manager with a fee, computed weekly and payable monthly, at the following annual rates: 1.10% of the Fund's average weekly Managed Assets up to \$50 million, 0.90% of Managed Assets between \$50 million and \$100 million and 0.70% of Managed Assets in excess of \$100 million. Managed Assets are defined in the management agreement as net assets plus the amount of any borrowings for investment purposes.

Aberdeen Australia Equity Fund, Inc.

Notes to Financial Statements (continued)

The Investment Manager pays fees to the Investment Adviser for its services rendered. AAMCIL, the Fund's investment manager through March 7, 2004 and AAMAL, the Fund's current investment manager, informed the Fund that it paid \$374,426 to the Investment Adviser during the year ended October 31, 2004.

During the year ended October 31, 2004, Prudential Investments LLC (Prudential) served as administrator to the Fund pursuant to an agreement which provided Prudential with a fee at the annual rate of the greater of \$25,000 or 0.05% of the Fund's average weekly net assets. Effective November 1, 2004, Aberdeen Asset Management Inc. (AAMI), an affiliate of the Fund's Investment Manager and Investment Adviser, became the Fund's administrator, pursuant to an agreement under which AAMI receives a fee at an annual rate equal to 0.04% of the Fund's average weekly net assets.

Under terms of an Investor Relations Services Agreement, AAMI serves as the Fund's investor relations services provider. This agreement provides AAMI with a monthly retainer fee of \$5,000 plus out-of-pocket expenses. During the year ended October 31, 2004, the Fund incurred fees of approximately \$60,000 for the services of AAMI. As of October 31, 2004, \$5,000 was due to AAMI. Investor relations fees and expenses in the Statement of Operations include certain out-of-pocket expenses.

Note 3. Portfolio Securities

Purchases and sales of investment securities, other than short-term investments, for the year ended October 31, 2004 aggregated \$37,279,094 and \$43,360,352, respectively.

As of October 31, 2004, the Fund had securities on loan with an aggregate market value of \$449,476. The Fund received \$507,725 in securities as collateral for securities on loan in accordance with the Fund's securities lending procedures. The collateral consisted of United States Treasury bonds and notes.

Note 4. Distributions and Tax Information

Distributions to shareholders, which are determined in accordance with federal income tax regulations and which may differ from generally accepted accounting principles, are recorded on the ex-dividend date. In order to present undistributed net investment income (loss) and accumulated net realized gains (losses) on the Statement of Assets and Liabilities in a way that more closely represents their tax character, certain adjustments have been made to paid-in capital in excess of par, undistributed net investment income (loss) and accumulated net realized gains (losses) on investments.

For the year ended October 31, 2004, the Fund decreased distributions in excess of net investment income by \$16,329, decreased accumulated net realized loss on investments by \$22,517 and increased accumulated realized foreign exchange losses by \$38,846. Net investment income, net realized gains and net assets were not affected by this change. These differences are primarily due to differing treatments for foreign currencies.

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form N-CSR

As of October 31, 2004, there were no distributable earnings.

For the year ended October 31, 2004, the tax character of total distributions paid was \$5,068,817 of ordinary income, \$6,088,832 of long-term capital gains and \$1,928,603 of

return of paid-in capital. For the year ended October 31, 2003, the tax character of total dividends paid was \$1,677,682 of ordinary income and \$1,174,365 of long-term capital gains.

The United States federal income tax basis of the Fund's investments and the net unrealized appreciation as of October 31, 2004 were as follows:

Tax				Net
Cost	Appreciation	(Depreciation)	Other Cost Basis Adjustment	Unrealized
Basis	Basis	Basis	Basis	Appreciation
\$ 137,016,709	\$ 39,066,612	\$ (2,623,989)	\$ (53,362)	\$ 36,389,261

The difference between book and tax basis is primarily attributable to deferred losses on foreign currency transactions and tax straddles.

Note 5. Capital

There are 20 million shares of \$0.01 par value common stock authorized. At October 31, 2004 there were 16,777,298 shares issued and outstanding.

On March 1, 2001, the Board of Directors approved a stock repurchase program. The stock repurchase program allows the Fund to repurchase up to 10% of its outstanding common stock in the open market during any 12 month period if and when the discount to net asset value is at least 10%. For fiscal years ended October 31, 2004 and October 31, 2003, the Fund repurchased and cancelled under this program 0 and 116,200 shares, respectively.

Based on filings with the Securities and Exchange Commission, on February 26, 2004, Bankgesellschaft Berlin (A.G.) was the beneficial owner of 5,374,949 shares of common stock. This number of shares represented approximately 32% of the outstanding shares of the Fund as of the date of this report.

Note 6. Distributions

The Board of Directors of the Fund declared on December 20, 2004 a quarterly distribution of \$0.25 per share, payable on January 14, 2005 to shareholders of record on December 31, 2004.

Note 7. Litigation

As previously reported to shareholders, Full Value Partners, L.P. (Full Value) filed a purported class action on behalf of the Fund's shareholders, in Newark, New Jersey federal court in March 2003 against both the Fund and its Board of Directors. Full Value sought injunctive relief enjoining (i) the effectuation of a then proposed tender offer, (ii) the enforcement of certain bylaw amendments, and (iii) the overturning of any wrongful election of directors of the Fund. The Fund and its Directors believed, and continue to believe, that the claims were without merit. On March 31, 2004, as part of a settlement agreement, Full Value's claims were dismissed with prejudice. Full Value determined that it would not proceed with the suit if the Fund agreed to pay Full Value's legal fees of approximately \$81,000. The Fund has paid such amount to Full Value, without any admission of liability, in order to avoid additional litigation expense. The Fund has been reimbursed by its insurance carrier for 90% of the amount it paid in this settlement. Thus, the amount of the litigation settlement in the Statement of Operations is \$8,100.

(the Fund) at October 31, 2004, the results of its operations for the year then ended, the changes in its net assets for each of the two years in the period then ended and the financial highlights for each of the five years in the period then ended, in conformity with accounting principles generally accepted in the United States of America. These financial statements and financial highlights (hereafter referred to as financial statements) are the responsibility of the Fund s management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits, which included confirmation of securities at October 31, 2004 by correspondence with the custodian, provide a reasonable basis for our opinion.

Federal Tax Information: Dividends and Distributions (Unaudited)

We are required by the Internal Revenue Code to advise you within 60 days of the Fund's fiscal year end (October 31, 2004) as to the federal income tax status of dividends paid by the Fund during such fiscal year.

The Fund has elected to give the benefit of foreign tax credits to its shareholders. Accordingly, shareholders who must report their gross income dividends and distributions in a federal income tax return will be entitled to a foreign tax credit or an itemized deduction in computing their United States income tax liability. It is generally more advantageous to claim a credit rather than take a deduction. For the fiscal year ended October 31, 2004 the Fund intends on passing through \$246,348 of ordinary income distributions as a foreign tax credit.

	<u>Gross Amount</u>	<u>Return of Paid-In Capital</u>	<u>Foreign Taxes Paid</u>	<u>Net Distributions Paid</u>
Foreign Source Income	0.315	0.115	(0.015)	0.415
United States Source:				
Income	0.002			0.002
Long-term capital gains	0.363			0.363
	<u>0.680</u>	<u>0.115</u>	<u>(0.015)</u>	<u>0.780</u>

The Fund intends to designate 41.96% of allowable ordinary income dividends as qualified for the reduced tax rate under The Jobs and Growth Tax Relief Reconciliation Act of 2003.

In January 2005, you will be advised on IRS Form 1099 DIV or substitute 1099 DIV as to the federal tax status of the dividends and distributions received by you in calendar year 2004.

Other Information (unaudited)

Dividend Reinvestment and Cash Purchase Plan. Shareholders may elect to have all distributions automatically reinvested in Fund shares pursuant to the Fund's Dividend Reinvestment and Cash Purchase Plan (the "Plan"). Generally, shareholders who do not participate in the Plan will receive distributions in cash paid by check in United States dollars mailed directly to the shareholders of record (or if the shares are held in street or other nominee name, then to the nominee) by the Plan Agent. A shareholder whose shares are held by a broker or nominee that is unable to participate in the Plan may request to have his shares re-registered in his own name to participate in the Plan.

Effective July 26, 2004, The Bank of New York became the Plan Agent, replacing EquiServe Trust Company, N.A. as the Plan Agent. The Plan Agent serves as agent for the shareholders in administering the Plan. Distributions payable to Plan participants will be promptly invested. If the Fund declares a distribution payable in stock to shareholders who are not Plan participants, then Plan participants will receive that distribution in newly issued shares of the Fund's common stock on identical terms and conditions.

In every other case, Plan participants will receive shares on the following basis: if on payable date, the market price of the Fund's common stock plus any applicable brokerage commission is equal to or exceeds the net asset value per share, Plan participants will receive newly-issued shares of the Fund's common stock valued at the greater of net asset value per share or 95% of the then-current market price. If, on the other hand, the net asset value per share plus any brokerage commission exceeds the market price at such time, the Plan Agent will buy shares of common stock in the open market. If the market price plus any applicable brokerage commission, exceeds net asset value per share as last determined before the Plan Agent has completed its purchases, the Plan Agent will suspend making open market purchases and shall invest the balance available in newly-issued shares valued at the greater of the net asset value or 95% of the then-current market value. All reinvestments are in full and fractional shares carried to four decimal places.

As a result of the transfer of services from EquiServe Trust Company, N.A. to The Bank of New York, certain fees associated with the Plan may have changed. Fees payable by Plan participants are described below.

There is no direct charge to participants for reinvesting distributions, except for brokerage commissions. The Plan Agent's fees for the handling of the reinvestment of distributions are paid by the Fund. There will be no brokerage commissions charged with respect to shares issued directly by the Fund. However, each participant will pay a pro-rata share of brokerage commissions incurred with respect to the Plan Agent's open market purchases. Purchases and sales may be made through a broker affiliated with the Plan Agent. The automatic reinvestment of distributions does not relieve participants of any federal income tax that may be payable on such distributions.

The Plan also allows participants to make voluntary cash investments by sending additional funds by a check drawn on a U.S. bank, in U.S. dollars, payable to the Plan Agent.

Aberdeen Australia Equity Fund, Inc.

Other Information (Unaudited) (continued)

Additional voluntary cash investments must be in an amount of at least \$100 with a maximum of \$10,000 per month with an aggregate annual limit of \$120,000 for the purchases of shares on the open market. Voluntary cash investments will be invested on or before the 15th day of the month, and in no event more than 45 days after such date except where temporary curtailment or suspension of purchases is necessary to comply with applicable provisions of the federal securities laws. Cash investments may be commingled with the Funds held by the Plan Agent for other shareholders of the Fund, and the average price (including brokerage commissions) of all shares purchased by the Plan Agent will be the price per share allocated to each participant. In the event a participant's voluntary cash investment check is returned unpaid for any reason, the participant will be charged a \$20.00 return fee.

Participants in the Plan may withdraw some or all of their shares from the Plan upon written notice or pursuant to telephonic procedures established by the Plan Agent and will receive stock certificates for all full shares. The Plan Agent will convert any fractional shares to cash at the then current market price, less a sales fee, and send a check to the participant for the proceeds. The sales fee payable will be the lesser of \$10 or the net proceeds from the sale of the fractional shares. If the fees and commissions exceed the proceeds from the sale of a fractional share, participants will receive a transaction advice instead of a check. There is no sales fee in the case of issuance of a certificate for all full shares. If by giving proper notice to the Plan Agent, participants request cash, the Plan Agent will sell the shares and send the participant the proceeds less a sales fee of \$10 plus brokerage commissions of \$0.10 per share.

The Fund or the Plan Agent reserves the right to amend or terminate the Plan either in full or partially upon 90 days written notice to shareholders of the Fund.

All correspondence concerning the Plan should be directed to the Plan Agent, The Bank of New York, Shareholder Relations Department, P.O. Box 11258, Church Street Station, New York, NY 10286, or by calling 1-800-432-8224.

The Sarbanes-Oxley Act of 2002 (Act) and rules adopted by the Securities and Exchange Commission (SEC) require that the Audit Committee of each Fund pre-approve all audit services and non-audit services provided to the Fund by its independent accountant (Auditor¹ The Act and such SEC rules also require that the

¹ The term Auditor, as used in these procedures, means the firm engaged to provide the Fund with services listed in Appendix A.

Audit Committee of each Fund pre-approve all non-audit services provided by the Auditor to (i) the Fund's investment manager, (ii) the Fund's investment adviser, and (iii) any entity controlling, controlled by, or under common control with the investment manager or investment adviser that provides ongoing services to the Fund (entities in (i), (ii) and (iii), hereinafter "Service Affiliates"² if the engagement for such Service Affiliates relates directly to the operations and financial reporting of the Fund ("Covered Non-Audit Services"³)).

The following policies and procedures govern the ways in which the Audit Committee of each Fund will consider the pre-approval of audit and non-audit services that the Auditor provides to the Fund, and Covered Non-Audit services that the Auditor proposes to provide to Service Affiliates.⁴ These policies and procedures do not apply in the case of audit services that the Auditor provides to Service Affiliates, nor do they apply to any services that an audit firm other than the Auditor provides to such entities.

These policies and procedures comply with applicable legal requirements for pre-approval, and also provide a mechanism by which management of the Funds and Service Affiliates may request and secure pre-approval of audit and non-audit services in an orderly manner with minimal disruption to normal business operations.

The following policies and procedures are adopted by the Audit Committee of each Fund.

A. General

1. The Audit Committee must pre-approve all audit services and non-audit services that the Auditor provides to the Fund.
2. The Audit Committee must pre-approve any engagement of the Auditor to provide Covered Non-Audit Services to any Service Affiliate during the period of the Auditor's engagement to provide audit services to the Fund.

B. Pre-Approval of Audit Services to the Fund

1. The Audit Committee shall approve the engagement of the Fund's Auditor for each fiscal year (the "Engagement"). The approval of the Engagement shall not be delegated to a Designated Member. (See Section D below.) In approving the Engagement, the Audit Committee shall obtain, review and consider information concerning the proposed Auditor sufficient to enable the Audit Committee to make a reasonable evaluation of the Auditor's qualifications and independence. The Audit Committee also shall consider the Auditor's proposed fees for the Engagement, in light of the scope and nature of the audit services that the Fund will receive.
2. The Audit Committee shall report to the Fund's board of directors ("Board") regarding its approval of the Engagement and of the proposed fees for the Engagement, and the basis for such approval.

² Service Affiliates are listed in Appendix D.

³ Examples of types of non-audit services that may be provided to the Fund or a Service Affiliate are listed in Appendix B. **Note that** applicable law also prohibits the provision of certain services by the Auditor to entities in the fund complex. The fund complex includes Service Affiliates and other entities. These prohibited services are listed in Appendix C. Fund Complex Entities are also listed in Appendix C.

⁴ Unless otherwise indicated by the context, the term "non-audit services" herein includes non-audit services for the Fund as well as Covered Non-Audit Services for a Service Affiliate.

3. Unless otherwise in accordance with applicable law, the Engagement, in any event, shall require that the Auditor be selected by the vote, cast in person, of a majority of the members of the Board who are not interested persons of the Fund (as defined in Section 2(a)(19) of the Investment Company Act of 1940) (Independent Directors).
- C. Pre-Approval of Non-Audit Services to the Fund and to Service Affiliates by Types or Categories of Services
1. The Audit Committee may pre-approve the provision of types or categories of non-audit services for the Fund and Covered Non-Audit Services for its Service Affiliates pursuant to this Section C.
 2. Annually, at such time as the Audit Committee considers the Engagement of the Auditor, management of the Fund and of the Service Affiliates, in consultation with the Auditor, shall provide to the Audit Committee, for its consideration and action, the following: (a) a list of those types of non-audit services, if any, that the Fund expects to request from the Auditor during the fiscal year; and (b) a list of those types of Covered Non-Audit Services that Service Affiliates expect to request from the Auditor during the fiscal year.
 3. The lists submitted to the Audit Committee shall describe the types of non-audit services in reasonable detail and shall include an estimated budget (or budgeted range) of fees where possible and such other information as the Audit Committee may request.
 4. Standard for Pre-Approval The Audit Committee, after appropriate consideration of such information as it deems relevant, may pre-approve a non-audit service that is not a prohibited service (see Appendix C) if it specifically finds that the provision of such service is consistent with, and will not impair, the ongoing independence of the Auditor. In connection with any such pre-approval, the Audit Committee may set such limits on fees and other conditions as it believes to be appropriate.
 5. The Audit Committee's pre-approval of the types of non-audit services submitted pursuant to this Section C shall constitute authorization for management of the Fund to utilize the Auditor for the types of non-audit services so pre-approved, if needed or desired during the fiscal year, subject to such conditions as may have been set by the Audit Committee.
 6. Fund management will distribute a list of the types of non-audit services pre-approved by the Audit Committee pursuant to this Section C to management of the Service Affiliates and the appropriate partners of the Auditor. Periodically, the Auditor will discuss with the Audit Committee those non-audit services that have been or are being provided pursuant to this Section C.
- D. Pre-Approval of Non-Audit Services to the Fund and to Service Affiliates Project-by-Project Basis
1. Non-audit services may be pre-approved on a project-by-project basis pursuant to this Section D, subject to the Standard for Pre-Approval in Section C.
 2. The Audit Committee, from time to time, may, by resolution, designate one or more of its members who are Independent Directors (each a Designated Member) to consider, on the Audit Committee's behalf, (i) any non-audit services proposed to be provided to the Fund that have not been pre-approved in accordance with these Procedures, (ii) any Covered Non-Audit Services proposed to be provided to any Service Affiliate, that have not been pre-approved in accordance with these Procedures and (iii) any proposed material change in the nature or cost of any non-audit service, including any Covered Non-Audit Service, previously approved. The authority delegated to the Designated Member shall be subject to such conditions as the Audit Committee may specify by resolution from time to time.

3. Management of the Fund or of the relevant Service Affiliate, in consultation with the Auditor, may submit either to the Audit Committee or to a Designated Member for its consideration and action, a pre-approval request identifying one or more non-audit service projects for the Fund or Covered Non-Audit Service projects for a Service Affiliate, as well as any material changes proposed in a service that has been pre-approved. Any request so submitted shall describe the project or projects in reasonable detail and shall include an estimated budget (or budgeted range) of fees and such other information as the Audit Committee or Designated Member shall request. For any material change in the nature or cost of a pre-approved service, the request shall also describe reasons why the change is requested. The Audit Committee or Designated Member, as applicable, shall review the request subject to the Standard for Review in Section C.

4. The Audit Committee or Designated Member, as applicable, will review the requested non-audit service or proposed material change in such service in light of the Standard for Pre-Approval in Section C. If the review is by a Designated Member, such Designated Member will either:
 - (a) pre-approve, pre-approve subject to conditions, or disapprove any such requested service, or any proposed material change in such service, whether to the Fund or to a Service Affiliate; or

 - (b) refer such matter to the full Audit Committee for its consideration and action.

In considering any requested non-audit service or proposed material change in such service, the Designated Member shall take into account any restrictions placed by the Audit Committee on his pre-approval authority.

5. The Designated Member's pre-approval (or pre-approval subject to conditions) of a requested non-audit service or proposed material change in service pursuant to this Section D shall constitute authorization for the management of the Fund or the Service Affiliate, as the case may be, to utilize the Auditor for the non-audit service so pre-approved. Any action by the Designated Member in approving a requested non-audit service shall be presented for ratification by the Audit Committee not later than at its next regularly scheduled meeting.
- E. Covered Non-Audit Services Provided to Covered Entities Pursuant to Waiver

Note: It is generally expected that non-prohibited non-audit services, even when they do not involve significant fees, will be pre-approved in accordance with Section C or D.

1. The Act provides a limited exception to the requirement that non-audit services (that are not prohibited services) must be pre-approved. This exception is designed to prevent the disqualification of the Auditor due to a minor oversight and is to be used only rarely and only if each of the following conditions is satisfied:
 - (a) The aggregate fees and costs of all non-audit services (including Covered Non-Audit Services) that, but for the limited exception provided by this Section E, would require pre-approval by the Audit Committee constitutes no more than five percent of the total fees and costs paid by the Fund and Service Affiliates to the Auditor during the fiscal year during which such non-audit services are provided;

- (b) At the time of the engagement for such services, the Fund did not recognize that the services were non-audit services that required pre-approval; and
- (c) Each such service is (i) brought promptly to the attention of the Audit Committee, (ii) is approved prior to the completion of the audit by the Audit Committee or a Designated Member, in accordance with the Standard for Pre-Approval set forth in Section C and (iii) is approved based upon a determination that the service is eligible for the waiver provided by this Section E.

F. Amendment; Annual Review

- 1. The Audit Committee may amend these procedures from time to time.
- 2. These procedures shall be reviewed periodically, as needed, by the Audit Committee.

G. Recordkeeping

- 1. The Fund shall maintain a written record of all decisions made by the Audit Committee or by a Designated Member pursuant to these procedures, together with appropriate supporting material.
- 2. In connection with the approval of any non-audit service pursuant to the *de minimis* exception provided in Section E of these procedures, a record shall be made indicating that each of the conditions for this exception has been satisfied.
- 3. A copy of these Procedures and of any amendments to these Procedures shall be maintained and preserved permanently in an easily accessible place. The written records referred to in paragraph 1 and 2 of this Section G shall be maintained and preserved for six years from the end of the fiscal year in which the actions recorded were taken, for at least the first two years in an easily accessible location.

Item 7 Disclosure of Proxy Voting Policies and Procedures for Closed-End Management Investment Companies.

Pursuant to the Registrant's Proxy Voting Policy and Procedures, the Registrant has delegated responsibility for its proxy voting to its Investment Manager and Investment Adviser, provided that the Registrant's Board has the opportunity to periodically review the Investment Manager's and Investment Adviser's proxy voting policies and material amendments thereto. The Registrant's Board of Directors most recently ratified the proxy voting policies of the Investment Manager and Investment Adviser in September 2003. The Registrant's Proxy Voting Policy and Procedures, and the policies of the Registrant's Investment Manager and Investment Adviser, are currently under review for possible revision.

The proxy voting policies of the Registrant and its Investment Manager and Investment Adviser appear below:-

Proxy Voting Policies and Procedures of the Registrant

I. Statement of Policy

The following are general proxy voting policies and procedures (Policies and Procedures) adopted by the Aberdeen investment companies that are registered with the U.S. Securities and Exchange Commission (SEC) under the Investment Company Act of 1940, as amended (1940 Act), (Funds) and each a Fund by the Boards of Directors (Boards) which oversee the Funds with respect to voting securities held by the Funds. These Policies and Procedures are adopted to ensure compliance with Rule 30b1-4 of the 1940 Act and other applicable obligations of the Funds under the rules and regulations of the SEC and interpretations of its staff (Staff). It is the policy of the Funds to seek to assure that proxies received by each Fund are voted in the best interest of each Fund's stockholders.

⁵ Currently, the only Funds are closed-end funds consisting of Aberdeen Australia Equity Fund, Inc. (IAF), Aberdeen Asia-Pacific Income Fund, Inc. (FAX), and Aberdeen Global Income Fund, Inc. (FCO). These Policies and Procedures will only be implemented by the Funds

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form N-CSR

to the extent that they invest in voting securities. At this time, FAX and FCO invest only in fixed income, or non-voting, securities. Each Fund will file a disclosure report to the extent required by law.

II. Definitions

A. Best interest of Fund stockholders - means stockholders' best economic interest over the long term, *i.e.*, the common interest that all stockholders have in seeing the value of a common investment increase over time. Stockholders may have differing political or social interests, but their best economic interest is generally uniform.

B. Conflict of interest - means circumstances when a proxy vote presents a conflict between the interests of Fund stockholders, on the one hand, and those of the Fund's investment manager,⁶ investment adviser,⁷ principal underwriter, or an affiliated person of the Fund, its Manager, Adviser, or principal underwriter, on the other, in how proxies are voted. In practical terms, these circumstances generally would arise when a Fund's Manager or Adviser knowingly does business with a particular proxy issuer or closely affiliated entity, and may appear to have a material conflict between its own interests and the interests of stockholders in how proxies of that issuer are voted. A conflict might exist in circumstances when the Fund's Manager or Adviser has actual knowledge of a material business arrangement between a particular proxy issuer (or closely affiliated entity) and the parent company or a corporate affiliate of the Fund's Manager or Adviser. The Funds believe that a conflict of interest generally would not arise merely because a proxy issuer has a material business arrangement with a Fund's principal underwriter, or with an affiliated person of the principal underwriter or the Funds (other than a Fund's Manager or Adviser or their respective parent company), because (1) each Fund's Manager or Adviser will generally make proxy voting decisions for the Fund under the delegation arrangements described below; (2) each Fund's principal underwriter is not affiliated with its Manager or Adviser and will not have any input into the Manager's or Adviser's proxy voting decisions for the Fund; (3) other affiliated persons of the principal underwriter or the Fund (other than the Fund's Manager or Adviser) likewise will not have any input into proxy voting decisions for the Fund; and (4) each Fund's Manager or Adviser is unlikely to be aware of, or have any interest in, any business arrangement between the proxy issuer and the Fund's principal underwriter, or between the proxy issuer and an affiliated person of the principal underwriter or the Fund.

III. Delegation of Responsibility for Proxy Voting

A. Each Fund's Board annually evaluates its Fund's contract with its Manager and Adviser, and decides whether to renew the contract. This process gives each Fund an annual opportunity to ensure that its Manager's and Adviser's investment philosophy is generally consistent with its investment objectives and the best economic interests of its stockholders.

B. Because the investment philosophy of each Fund's Manager and Adviser is generally consistent with the investment objectives of the Fund and the best economic interests of Fund stockholders, investment decisions for each Fund should generally be consistent with its Manager's and Adviser's philosophy. In proxy voting decisions, as in other investment decisions, each Fund's Manager or Adviser is in the best position to determine whether a particular proxy proposal is consistent with its philosophy, and therefore generally consistent with the investment objectives of the Fund and the best economic interests of Fund stockholders.

C. Accordingly, each Fund has chosen to delegate all responsibility for proxy voting to its Manager and Adviser, provided that each Fund's Board has the opportunity to periodically review and approve their proxy voting policies and any material amendments (and that the policies contains provisions to address any conflicts of interest as described

⁶ Aberdeen Asset Management Asia Limited serves as investment manager (Manager) to each Fund.

⁷ Aberdeen Asset Management Limited serves as investment adviser (Adviser) to each Fund.

below). The Trade Processing Department of the Manager will serve as the Proxy Administrator and will take responsibility for ensuring, among other things, that the vote for each proxy is cast in accordance with the proxy voting policies and procedures of the Manager and the Adviser. A Proxy Committee of the Adviser will take responsibility for determining whether and how to vote each proxy, whether a conflict of interest exists, and how such conflicts are to be resolved in accordance with the proxy voting policies and procedures of the Manager and the Adviser. Under this delegation, the Manager and Adviser may vote, abstain from voting, or take no action on proxies for a Fund in any manner consistent with the Manager's and Adviser's proxy voting policies (subject to provisions for addressing conflicts of interest). Each Fund may revoke all or part of such delegation at any time by a vote of its Board. In the event that a Fund revokes the delegation of proxy voting responsibility to its Manager and Adviser, the Fund will assume full responsibility for ensuring that proxies are voted in the best interest of its stockholders, and will promptly notify stockholders of the revocation. Thereafter, such Fund will vote proxies of portfolio securities consistently with the policies of its Manager and Adviser, or develop its own basis for voting on particular matters.

D. This delegation generally applies to all proxy voting matters on which each Fund may vote, such as corporate governance matters (including changes in the state of incorporation, mergers and other corporate restructurings, and anti-takeover provisions such as staggered boards, poison pills, and supermajority provisions); changes to capital structure, including increases and decreases of capital and preferred stock issuance; stock option plans and other management compensation issues; and social and corporate responsibility issues. This delegation permits the Manager and Adviser to vote (or abstain from voting or take no action on) proxies relating to matters that may affect substantially the rights or privileges of the holders of securities to be voted, and to vote based on the Adviser's decisions or on provisions of the Manager's and Adviser's proxy policies that may support or give weight to the views of management of a portfolio company.

IV. Conflicts of Interest

A. Each Fund recognizes that in unusual circumstances, a conflict of interest in how proxies are voted may appear to exist, such as when its Manager or Adviser knowingly does business with a particular proxy issuer or closely affiliated entity or has actual knowledge of a material business arrangement between a particular proxy issuer or closely affiliated entity, and the adviser's parent or an affiliated subsidiary.

B. In those circumstances, to avoid any appearance concerns, each Fund believes it is appropriate for its Manager or Adviser to follow an alternative voting procedure rather than to vote proxies in the Manager's or Adviser's sole discretion. Some examples of acceptable alternative voting procedures for resolving conflicts of interest include the following:

(1) Causing the proxies to be echo voted or mirror voted in the same proportion as the votes of other proxy holders that are not Fund stockholders;

(2) Causing the proxies to be voted in accordance with the recommendations of an independent service provider that the Manager or Adviser may use to assist it in voting proxies;

(3) Notifying a Fund's Board, a designated Board committee or a representative of either, of the conflict of interest and seeking a waiver of the conflict to permit the Manager or Adviser to vote the proxies as it chooses under its usual policy; or

(4) Forwarding the proxies to a Fund's Board, a designated Board committee or a representative of either, so that the Board, the committee or the representative may vote the proxies itself.

C. Each Fund generally delegates all responsibility for resolving conflicts of interest to the Fund's Adviser, provided that the Adviser's proxy voting policy (as approved by the Fund's Board) includes acceptable alternative voting procedures for resolving material conflicts of interest, such as the procedures described above. Under this delegation, the Adviser may resolve conflicts of interest in any reasonable manner consistent with the alternative voting procedures described in its proxy voting policy. Each Fund may revoke all or part of this delegation at any time by a vote of its Board. In the event that a Fund revokes the delegation of responsibility for resolving conflicts of interest to the Adviser, the Fund will seek to resolve any conflicts of interest in the best interest of stockholders. In doing so, the Fund may follow any of the procedures described in Paragraph III.B., above.

V. Disclosure of Policy or Description/Proxy Voting Record

A. Each Fund, unless it invests exclusively in non-voting securities, will disclose its proxy voting policy or a description of it (and its Manager's and Adviser's proxy voting policy, or a description of them), in the Fund's annual report on Form N-CSR (beginning with the first annual report filed on or after July 1, 2003). The Fund will disclose that this proxy voting policy or a description of it (and the Manager's and Adviser's proxy voting policy or a description) is available without charge, upon request, (1) by calling, toll-free, 1-800-522-5465; and (2) on the SEC's website at <http://www.sec.gov>. Upon any request for a proxy voting policy or description of it, the policy or the description (or a copy of the most recent annual report containing the policy or description) will be sent by first-class mail or other equally prompt delivery method within three business days of receipt of the request.

B. Proxy Voting Policies and Procedures of the Registrant's Investment Manager and Investment Adviser

ABERDEEN U.S. REGISTERED ADVISERS

PROXY VOTING POLICIES AND PROCEDURES

The following are proxy voting policies and procedures (Policies and Procedures) adopted by affiliated investment advisers registered with the U.S. Securities and Exchange Commission (SEC) under the Investment Advisers Act of 1940, as amended (Advisers Act), that are subsidiaries of Aberdeen Asset Management PLC (AAM); including, specifically, Aberdeen Asset Managers (C.I.) Limited, a Channel Islands corporation (Aberdeen Jersey); Aberdeen Asset Management Limited, an Australian corporation (Aberdeen AU); Aberdeen Fund Managers Inc. (d/b/a Aberdeen Asset Management Inc.), a Delaware corporation (Aberdeen FL), and Aberdeen Asset Management Asia Limited, a Singapore corporation (Aberdeen Singapore) (collectively referred to herein as Aberdeen Advisers and each an Aberdeen Adviser) (collectively with AAM, Aberdeen⁸ Pursuant to a Memorandum of Understanding (MOU), Aberdeen Singapore and Aberdeen Asset Managers Ltd (Aberdeen UK), a non-U.S. registered adviser, provide portfolio management resources to certain U.S. funds or clients of Aberdeen FL which include substantive advice on voting proxies for certain equity securities. In addition, Aberdeen Singapore and Aberdeen UK have entered into a similar MOU with Aberdeen Jersey and Aberdeen AU under which either entity may also provide substantive advice on proxy voting to certain U.S. funds or clients of Aberdeen Jersey and Aberdeen AU. To the extent that Aberdeen UK provides advisory services to any clients of Aberdeen FL or to U.S. clients of Aberdeen Jersey or Aberdeen AU, Aberdeen UK will follow these Policies and Procedures as part of providing such advisory services. These Policies and Procedures are adopted to ensure compliance by the Aberdeen Advisers with Rule 206(4)-6 under the Advisers Act and other applicable fiduciary obligations under rules and regulations of the SEC and interpretations of its staff with respect to proxies for voting securities held by client portfolios.

Clients may consist of investment companies registered under the Investment Company Act of 1940, as amended (1940 Act) (Funds and each a Fund), and other U.S. residents as well as non-U.S. registered funds or clients. Any Aberdeen Adviser located in the United States follows these Policies and Procedures for each of its respective clients as required under the Advisers Act and other applicable law, unless expressly directed by a client in writing to refrain from voting that client's proxies or to vote in accordance with the client's proxy voting policies and procedures. Aberdeen Advisers located outside the U.S. may provide proxy voting services to their non-U.S. based clients in accordance with the jurisdiction in which the client is located. Aberdeen Advisers who advise or subadvise the Funds follow both these Policies and Procedures and the proxy voting policies and procedures adopted by the Funds and their Boards of Directors.

⁸ These Policies and Procedures address proxy voting considerations under U.S. law and regulation and do not address the laws or requirements of other jurisdictions.

I. Definitions

- A. **Best interest of clients** . Clients' best economic interests over the long term that is, the common interest that all clients share in seeing the value of a common investment increase over time. Clients may have differing political or social interests, but their best economic interest is generally uniform.
- B. **Material conflict of interest** . Circumstances when an Aberdeen Adviser or any member of senior management, portfolio manager or portfolio analyst knowingly does business with a particular proxy issuer or closely affiliated entity, which may appear to create a material conflict between the interests of the Aberdeen Adviser and the interests of its clients in how proxies of that issuer are voted. A material conflict of interest might also exist in unusual circumstances when Aberdeen has actual knowledge of a material business arrangement between a particular proxy issuer or closely affiliated entity and an affiliate of an Aberdeen Adviser.

II. General Voting Policies

- A. **Client's Best Interest**. These Policies and Procedures are designed and implemented in a way that is reasonably expected to ensure that proxies are voted in the best interests of clients. Proxies are voted with the aim of furthering the best economic interests of clients, promoting high levels of corporate governance and adequate disclosure of company policies, activities and returns, including fair and equal treatment of stockholders.
- B. **Shareholder Activism**. Aberdeen Advisers seek to develop relationships with the management of portfolio companies to encourage transparency and improvements in the treatment of employees, owners and stakeholders. Thus, Aberdeen Advisers may engage in dialogue with the management of portfolio companies with respect to pending proxy voting issues.
- C. **Case-by-Case Basis**. These Policies and Procedures are guidelines. Each vote is ultimately cast on a case-by-case basis, taking into consideration the contractual obligations under the advisory agreement or comparable document, and all other relevant facts and circumstances at the time of the vote. Aberdeen Advisers may cast proxy votes in favor of management proposals or seek to change the views of management, considering specific issues as they arise on their merits. Aberdeen Advisers may also join with other investment managers in seeking to submit a shareholder proposal to a company or to oppose a proposal submitted by the company. Such action may be based on fundamental, social, environmental or human rights grounds.
- D. **Individualized**. These Policies and Procedures are tailored to suit Aberdeen's advisory business and the types of securities portfolios Aberdeen Advisers manage. To the extent that clients (e.g., investment companies, corporations, pension plans) have adopted their own procedures, Aberdeen Advisers may vote the same securities differently depending upon clients' directions.
- E. **Material Conflicts of Interest**. Material conflicts are resolved in the best interest of clients. When a material conflict of interest between an Aberdeen Adviser and its respective client(s) is identified, the Aberdeen Adviser will choose among the procedures set forth in Section IV.B.2. below, to resolve such conflict.

F Limitations. The circumstances under which Aberdeen may take a limited role in voting proxies, include the following:

1. **No Responsibility.** Aberdeen Advisers will not vote proxies for client accounts in which the client contract specifies that Aberdeen will not vote. Under such circumstances, the clients' custodians are instructed to mail proxy material directly to such clients.
2. **Limited Value.** Aberdeen Advisers may abstain from voting a client proxy if the effect on shareholders' economic interests or the value of the portfolio holding is indeterminable or insignificant. Aberdeen Advisers may also abstain from voting the proxies of portfolio companies held in their passively managed funds. Proxies with respect to securities that have been sold before the date of the shareholders meeting and are no longer held by a client generally will not be voted.
3. **Unjustifiable Costs.** Aberdeen may abstain from voting a client proxy for cost reasons (e.g., non-U.S. securities).
4. **Securities Lending Arrangements.** If voting securities are part of a securities lending program, Aberdeen may be unable to vote while the securities are on loan.
5. **Share Blocking.** Certain jurisdictions may impose share blocking restrictions at various times which may prevent Aberdeen from exercising its voting authority.
6. **Special Considerations.** Aberdeen's responsibilities for voting proxies are determined generally by its obligations under each advisory contract or similar document. If a client requests in writing that an Aberdeen Adviser vote its proxy in a manner inconsistent with these Policies and Procedures, Aberdeen may follow the client's direction or may request that the client vote the proxy directly.

G. Sources of Information. Aberdeen may conduct research internally and/or use the resources of an independent research consultant. Aberdeen may consider legislative materials, studies of corporate governance and other proxy voting issues, and/or analyses of shareholder and management proposals by a certain sector of companies, e.g., Fortune 500 companies.

H. Subadvisers. To the extent that an Aberdeen Adviser may rely on subadvisers, whether affiliated or unaffiliated, to manage any client portfolio on a discretionary basis, the Aberdeen Adviser will delegate responsibility for voting proxies to the subadviser. However, such subadvisers will be required either to follow these Policies and Procedures or to demonstrate that their proxy voting policies and procedures are consistent with these Policies and Procedures or otherwise implemented in the best interests of Aberdeen clients.

I. Availability of Policies and Procedures. Aberdeen Advisers will provide clients with a copy of these Policies and Procedures, as revised from time to time, upon request.

J. Disclosure of Vote. As disclosed in Part II of each Aberdeen Adviser's Form ADV, a client may obtain information on how its proxies were voted by requesting such information from its Aberdeen Adviser. Aberdeen Advisers do not generally disclose client proxy votes to third parties, other than as required for Funds, unless specifically requested, in writing, by the client.

III. Specific Voting Policies

A. General Philosophy.

Support existing management on votes on the financial statements of a company and the election of the Board of Directors;

Vote for the acceptance of the accounts unless there are grounds to suspect that either the accounts as presented or audit procedures used, do not present an accurate picture of company results; and

Support routine issues such as the appointment of independent auditors, allocation of income and the declaration of stock (scrip) dividend proposals provided there is a cash alternative.

B. Anti-takeover Measures. Aberdeen Advisers vote on anti-takeover measures on a case-by-case basis taking into consideration such factors as the long-term financial performance of the target company relative to its industry competition. Key measures of performance will include the growth rates for sales, operating income, net income and total shareholder returns. Other factors which will be considered include margin analysis, cash flow and debt levels.

C. Proxy Contests for Control. Aberdeen Advisers vote on proxy contests for control on a case-by-case basis taking into consideration such factors as long-term financial performance of the target company relative to its industry, management's track record, background to the proxy contest, qualifications of director nominees, evaluation of what each side is offering shareholders as well as the likelihood that the proposed objectives and goals can be met, and stock ownership positions.

D. Contested Elections. Aberdeen Advisers vote on contested elections on a case-by-case basis taking into consideration such factors as the qualifications of all director nominees. Aberdeen Advisers also consider the independence of board and key committee members and the corporate governance practices of the company.

E. Executive compensation proposals. Aberdeen Advisers consider such proposals on a case-by-case basis taking into consideration such factors as executive pay and spending perquisites, particularly in conjunction with sub-par performance and employee layoffs.

F. Shareholder Proposals. Aberdeen Advisers consider such proposals on a case-by-case basis. Aberdeen Advisers support those proposals which will improve the company's corporate governance or business profile at a reasonable cost, but may oppose proposals which result in significant cost being incurred with little or no benefit to the company or its shareholders.

IV. Proxy Voting Procedures

This section applies to each Aberdeen Adviser except to the extent that certain procedures are identified as applicable only to a specific Aberdeen Adviser.

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form N-CSR

A. Obtain Proxy. Registered owners of record, *e.g.*, trustees or custodian banks, that receive proxy materials from the issuer or its information agent, are instructed to sign physical proxy cards in blank and forward directly to the relevant Aberdeen Adviser's proxy administrator (PA). Proxies may also be delivered electronically by custodians using proxy services such as ProxyEdge. Each proxy received is matched to the securities to be voted.

B. Material Conflicts of Interest.

1. Identify the existence of any material conflicts of interest relating to the securities to be voted or the issue at hand. Portfolio managers and research analysts (Analysts) and senior management of each Aberdeen Adviser have an affirmative duty to disclose to the relevant proxy committees any personal conflicts such as officer or director positions held by them, their spouses or close relatives in the portfolio company or attempts by the portfolio company to exert influence over such person with respect to their vote. Conflicts based on business relationships or dealings of affiliates of any Aberdeen Adviser will only be considered to the extent that the Aberdeen Adviser has actual knowledge of such business relationships.

2. When a material conflict of interest between an Aberdeen Adviser's interests and its clients' interests appears to exist, the Aberdeen Adviser may choose among the following options to eliminate such conflict: (1) vote in accordance with these Policies and Procedures if it involves little or no discretion; (2) vote as recommended by a third party service if the Aberdeen Adviser utilizes such a service; (3) echo vote or mirror vote the proxies in the same proportion as the votes of other proxy holders that are not Aberdeen clients; (4) if possible, erect information barriers around the person or persons making voting decisions sufficient to insulate the decision from the conflict; (5) if practical, notify affected clients of the conflict of interest and seek a waiver of the conflict; or (6) if agreed upon in writing with the client, forward the proxies to affected clients allowing them to vote their own proxies.

C. Analysts. The PA for each Aberdeen Adviser will ensure that each proxy statement is directed to the appropriate Analyst. If a third party recommendation service has been retained, the relevant PA will forward the proxy statement to the Analyst with the recommendation highlighted. The Analyst will determine whether to vote as recommended by the service provider or to recommend an alternative and shall advise the PA. The Analyst may consult with the PA as necessary. If the Analyst recommends voting against the third party recommendation, he or she is responsible for documenting the reasons for such recommendation and that no conflict of interest influenced such recommendation. If no third party recommendation service is utilized or if no recommendation is provided, the Analyst is responsible for documenting the rationale for his or her vote recommendation.

D. Vote. The following describes the breakdown of responsibilities between the PA and the Proxy Committee (PC) of each Aberdeen Adviser in voting portfolio securities and the extent to which the Aberdeen Advisers rely on third party service providers.

1. Aberdeen FL

The PA for Aberdeen FL (PA-FL), who resides in Ft. Lauderdale, and the PA for Aberdeen UK (PA-UK), which is part of the Trade Processing Department resident in Aberdeen, Scotland, are responsible for ensuring that votes for Aberdeen FL clients are cast and cast in accordance with these Policies and Procedures. The PA-FL and the PA-UK are identified more specifically on Appendix A1. The PA-FL is primarily responsible for administering proxy votes for the Phoenix funds which are sub-advised by Aberdeen FL.

Responsibility for considering the substantive issues relating to any vote and for deciding how shares will be voted resides with the relevant Analyst whether located in Aberdeen FL, Aberdeen UK or Aberdeen Singapore. Under Aberdeen-FL's MOU with Aberdeen Singapore, the relevant Analyst for Far East equity securities will generally reside in Aberdeen Singapore.

In the event that a material conflict of interest is identified by any Analyst, whether in Aberdeen FL, Aberdeen UK or Aberdeen Singapore, decisions on how to vote will be referred to the Aberdeen FL proxy committee (PC-FL/UK). Under Aberdeen FL s MOU with Aberdeen UK, the PC-FL/UK is headquartered in Glasgow, Scotland, and includes the Chief Investment Officer or Deputy Chief Investment Officer, the head of the Socially Responsible Investing (SRI) Team and a member of the Compliance team, who are more specifically identified on Appendix A1. The PC-FL/UK meets as needed to consider material conflicts of interest or any other items raising unique issues. If the PC-FL/UK determines that there is no material conflict of interest, the vote recommendation will be forwarded to the appropriate proxy administrator, either the PA-FL or PA-UK. If a material conflict of interest is identified, the PC-FL/UK will follow the conflict of interest procedures set forth in Section IV.B.2., above.

Aberdeen FL has engaged ProxyEdge, a third party service provider, to cast votes electronically for certain clients and to maintain records of such votes electronically.⁹ Votes for some of the wrap accounts are handled manually and hard copies of any manual votes cast are maintained in the Florida office of Aberdeen FL. Pursuant to the MOU, Aberdeen UK votes proxies for certain U.S. clients of Aberdeen FL. Aberdeen UK has engaged Institutional Shareholder Services (ISS), a third party service provider, to provide (1) notification of impending votes; (2) research into non-routine votes, including shareholder resolutions; (3) voting recommendations which may be viewed on-line; and (4) web-based voting. In the absence of any material conflict of interest, Aberdeen FL may either vote in accordance with the ISS recommendation or decline to follow the ISS recommendation based on its own view of the agenda item provided that decisions to vote contrary to the ISS recommendation are documented as set forth in Section IV.C., above. For clients on the ISS system, votes are automatically entered in accordance with ISS recommendations unless the PA-UK expressly changes the vote prior to the voting deadline with appropriate analyst documentation. In the event of a material conflict of interest, Aberdeen FL will follow the procedures outlined in Section IV.B.2., above.

2. Aberdeen Jersey, Aberdeen AU and Aberdeen Singapore

Aberdeen Jersey and Aberdeen AU are responsible for voting proxies for the Funds. The PA for Aberdeen Jersey and Aberdeen AU (PA-Jersey) is the Trade Processing Department in Jersey, Channel Islands, members of which are more specifically identified on Appendix A2. The PA-Jersey is responsible for ensuring that votes are cast and cast in accordance with these Policies and Procedures. The PA-Jersey uses ProxyEdge to electronically cast votes for the Funds and to maintain electronic records of the votes cast.

Responsibility for considering the substantive issues relating to any Fund vote and for deciding how the shares will be voted resides with relevant equity and/or fixed income Analyst. Pursuant to the MOU among Aberdeen Jersey, Aberdeen AU and Aberdeen UK, the relevant Analyst may be a member of the Fund portfolio management team in London, England. In the event that a material conflict of interest is identified, decisions on how to vote will be referred to the proxy committee (PC-AU) located in Aberdeen AU. The PC-AU includes the Heads of Equity and Fixed Income Portfolio Management and the Compliance Officer, who are more specifically identified on Appendix A2. The PC-AU meets as needed to consider a material conflict of interest or any other items raising unique issues. If the PC-AU determines there is no material conflict of interest, the vote

⁹ The Phoenix Funds, sub-advised by Aberdeen FL, require electronic voting through ProxyEdge. Custodians for certain other clients also provide the PA-FL with access to ProxyEdge.

recommendation will be forwarded to the PA-Jersey to be cast. If a material conflict of interest is identified, the PC-AU will follow the conflict of interest procedures set forth in Section IV.B.2., above, and in the Aberdeen Funds Proxy Voting Policy and Procedures.

Aberdeen Singapore currently provides advice to Aberdeen Jersey and Aberdeen AU only with respect to fixed income securities. In the event that Aberdeen Singapore later provides advice to either Aberdeen Jersey and Aberdeen AU with respect to equity securities, Aberdeen Singapore may designate its own PA and PC. At present, a member of the PC-AU already serves as an Aberdeen Singapore Analyst and this member will serve on the Aberdeen Singapore PC with respect to proxy voting advice rendered to Aberdeen Jersey and Aberdeen AU to the extent such a committee may be necessary.

E. Review. Each PA is responsible for ensuring that proxy materials are received in a timely manner and reconciled against holdings on the record date of client accounts over which the Aberdeen Adviser has voting authority to ensure that all shares held on the record date, and for which a voting obligation exists, are voted.

V. Documentation, Recordkeeping and Reporting Requirements

A. Documentation. The Aberdeen PAs are responsible for:

1. Implementing and updating these Policies and Procedures;
2. Overseeing the proxy voting process;
3. Consulting with portfolio managers/analysts for the relevant portfolio security; and
4. Maintaining manual proxy voting records, if any, and overseeing and reviewing voting execution and recordkeeping by third party providers such as ISS and ProxyEdge.

B. RecordKeeping.

1. Each Aberdeen Adviser maintains or procures the maintenance of records of all proxies it has voted. As permitted by Rule 204-2(c), electronic proxy statements and the record of each vote cast by each client account of Aberdeen FL will be maintained by either ISS and Proxy Edge, depending on the client account. Similarly, electronic proxy statements and the record of each vote cast by each U.S. client account of Aberdeen Jersey will be maintained by Proxy Edge.¹⁰ Aberdeen FL shall obtain and maintain undertakings from both ISS and Proxy Edge to provide it with copies of proxy voting records and other documents relating to its clients' votes promptly upon request. Aberdeen Jersey shall obtain and maintain an undertaking from Proxy Edge to provide it with copies of proxy voting records and other documents relating to votes for its U.S. clients promptly upon request. Aberdeen Advisers, ISS and Proxy Edge may rely on the SEC's EDGAR system to keep records of certain proxy statements if the proxy statements are maintained by issuers on that system (*e.g.*, large U.S.-based issuers).

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form N-CSR

2. As required by Rule 204-2(c), such records will also include: (a) a copy of the Policies and Procedures; (b) a copy of any document created by the Aberdeen Adviser that was material to making a decision on how to vote proxies on behalf of a client or that

¹⁰ A Fund's proxy voting record must be filed with the SEC on Form N-PX. Form N-PX must be completed and signed in the manner required, containing a fund's proxy voting record for the most recent twelve-month period ended June 30 (beginning August 31, 2004). If an Aberdeen Adviser delegates this reporting responsibility to a third party service provider such as ISS or Proxy Edge, it will ensure that the third party service provider files Form N-PX accordingly.

memorializes the basis for that decision; and (c) each written client request for proxy voting records and the Aberdeen Adviser's written response to any (written or oral) client request for such records.

3. Duration. Proxy voting books and records will be maintained in an easily accessible place for a period of five years, the first two in an appropriate office of the Aberdeen Adviser.

C. Reporting. Aberdeen FL will initially inform clients of these Policies and Procedures and how a client may learn of the voting record for client's securities through disclosure of its full policies and procedures in Part II of its Form ADV. Aberdeen Jersey, Aberdeen AU and Aberdeen Singapore will initially inform clients of these Policies and Procedures by summary disclosure in Part II of their respective Forms ADV. Upon receipt of a client's request for more information, Aberdeen FL, Aberdeen Jersey, Aberdeen AU and Aberdeen Singapore will provide to the client a copy of these Policies and Procedures and/or, in accordance with the client's stated requirements, how the client's proxies were voted during the period requested subsequent to the adoption of these Policies and Procedures. Such periodic reports, other than those required for the Funds, will not be made available to third parties absent the express written request of the client. However, to the extent that any Aberdeen Adviser may serve as a subadviser to another adviser to a Client, such Aberdeen Adviser will be deemed to be authorized to provide proxy voting records on such Client accounts to such other adviser.

D. Review of Policies and Procedures. These Policies and Procedures will be subject to review on a periodic basis as deemed appropriate by the Aberdeen Advisers.

Item 10 Submission of Matters to a Vote of Security Holders

On December 9, 2004, the Fund's Board of Directors adopted policies by which shareholders may recommend nominees to the Fund's Board. These policies are set forth in their entirety below:

Aberdeen Australia Equity Fund, Inc.

Policies for Consideration of Board Member Candidates submitted by Fund Stockholders

(Adopted as of December 9, 2004)

Pursuant to the Charter of the Nominating and Corporate Governance Committee (the Committee) of Aberdeen Australia Equity Fund, Inc. (the Fund), the Committee is charged with evaluating the qualifications of candidates to serve on the Fund's Board of Directors (Board) and with making nominations for members of the Board. These Policies shall apply to the Committee's consideration of Board member candidates submitted by Fund stockholders.

Nominations from Stockholders

While the Committee is solely responsible for evaluating and nominating candidates to serve on the Board, the Committee may consider nominations from stockholders of the Fund. Each eligible stockholder or stockholder group may submit no more than one candidate each calendar year.

preceding calendar year, by the nominating stockholder or any member of a nominating stockholder group;

- (4) Neither the candidate nor any immediate family member of the candidate is permitted to have accepted directly or indirectly, during the calendar year of the submission or during the immediately preceding calendar year, any consulting, advisory, or other compensatory fee from the nominating stockholder or any member of a nominating stockholder group or any affiliate of any such stockholder or any such member;

¹¹ The terms "immediate family member" and "control" shall be interpreted in accordance with the federal securities laws.

- (5) The candidate may not be an executive officer or director (or person performing similar functions) of the nominating stockholder or any member of the nominating stockholder group, or of an affiliate of such stockholder or any such member;
- (6) The candidate may not control the nominating stockholder or any member of the nominating stockholder group (or, in the case of a stockholder or member that is a fund, an interested person of such stockholder or member as defined by Section 2(a)(19) of the Investment Company Act of 1940, as amended); and
- (7) A stockholder or stockholder group may not submit for consideration a candidate who has previously been considered by the Committee.

B. In order for the Committee to consider a stockholder submission for an independent director, the following requirements must be satisfied regarding the stockholder or stockholder group submitting the candidate:

- (1) The Committee only will consider stockholder submissions that are received during the period from August 1 through September 30 of the year prior to the meeting of stockholders at which the director is to be elected (Stockholders Meeting);
- (2) Any stockholder or stockholder group submitting a proposed candidate must beneficially own, either individually or in the aggregate, more than 5% of the Fund s shares of common stock. The shares used for purposes of calculating this ownership must have been held continuously for at least two years as of the date of the submission of the candidate. In addition, such securities must continue to be held through the date of the Stockholders Meeting. The nominating stockholder or stockholder group must also bear the economic risk of the investment; and
- (3) The nominating stockholder or each member of the nominating stockholder group must meet the requirements set out in Rule 13d-1(b) or (c) of the Securities Exchange Act of 1934 to file on Schedule 13G. The nominating stockholder or the nominating stockholder group must have reported its beneficial ownership on Schedule 13G or Schedule 13D, before or on the date of the stockholder submission;

C. A stockholder or stockholder group submitting to the Committee a proposed candidate for independent director must substantiate compliance with the above requirements at the time of such submission. Any submission must be directed to the attention of the Fund s Secretary, who will forward such submission to the Committee. This submission must include:

- (8) A statement as to whether or not, during the past ten years, the nominating stockholder or any member of the nominating stockholder group, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) and, if so, the dates, the nature of the conviction, the name or other disposition of the case; and whether the individual has been involved in any other legal proceedings during the last five years, as specified in Item 401(f) of Regulation S-K. When the nominating stockholder or any member of the nominating stockholder group is a general or limited partnership, syndicate or other group, the foregoing information must be provided with respect to (i) each partner of the general partnership; (ii) each partner who is, or functions as, a general partner of the limited partnership; (iii) each member of the syndicate or group; and (iv) each person controlling the partner or member. D. It shall be in the Committee's sole discretion whether to seek corrections of a deficient submission or to exclude a candidate from consideration.

2. Interested Director Candidates

A. In order for the Committee to consider a stockholder submission for an interested director, that is, a candidate who is an interested person of the Fund as defined by Section 2(a)(19) of the Investment Company Act of 1940, as amended, the following requirements must be satisfied regarding the candidate:

- (1) The candidate must satisfy all qualifications provided herein for an interested director, in the Fund's organizational documents, and in the Fund's Nominating and Corporate Governance Committee Charter;
- (2) The Committee only will consider stockholder submissions that are received during the period from August 1 through September 30 of the year prior to the Stockholders' Meeting; and
- (3) Any stockholder or stockholder group submitting a proposed candidate must beneficially own, either individually or in the aggregate, more than 5% of the Fund's shares of common stock.
