PROXY STATEMENT

for

ANNUAL MEETING OF STOCKHOLDERS

FEBRUARY 25, 2005

The Board of Directors of PriceSmart, Inc., a Delaware corporation (the "Company"), is soliciting the enclosed Proxy for use at the Annual Meeting of Stockholders of the Company to be held on February 25, 2005 (the "Annual Meeting"), and at any adjournments thereof. This Proxy Statement will be first sent to stockholders on or about January 28, 2005. You can submit your Proxy by mail or you may provide voting instructions for your shares by telephone or via the Internet. Instructions for voting by telephone, by using the Internet or by mail are described on the enclosed Proxy. Unless contrary instructions are indicated on the Proxy, all shares represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted for the election of the Board of Directors' nominees for directors, or for a substitute or substitutes in the event a nominee or nominees are unable to serve or decline to do so. As to any other business which may properly come before the Annual Meeting and be submitted to a vote of the stockholders, Proxies received by the Board of Directors will be voted in accordance with the best judgment of the holders thereof.

A Proxy may be revoked by written notice to the Secretary of the Company at any time prior to the Annual Meeting, by executing a later Proxy or by attending the Annual Meeting and voting in person.

The Company will bear the cost of solicitation of Proxies. In addition to the use of mails, Proxies may be solicited by personal interview, telephone, facsimile or e-mail, by officers, directors and other employees of the Company. The Company also will request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others to send or cause to be sent Proxy material to, and obtain Proxies from, such beneficial owners and will reimburse such holders for their reasonable expenses in so doing.

The Company's mailing address is 9740 Scranton Road, San Diego, California 92121.

Voting

Stockholders of record at the close of business on December 31, 2004 (the "Record Date") will be entitled to notice of and to vote at the Annual Meeting or any adjournments thereof.

As of December 31, 2004, 17,525,607 shares of the Company's common stock, \$.0001 par value per share ("Common Stock"), were outstanding, representing the only voting securities of the Company. Each share of Common Stock is entitled to one vote.

Edgar Filing: PRICESMART INC - Form DEF 14A

Votes cast by Proxy or in person at the Annual Meeting will be counted by the person appointed by the Company to act as Inspector of Election for the Annual Meeting. The Inspector of Election will treat shares represented by Proxies that reflect abstentions or include broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Because directors are elected by a plurality of the votes of the shares present in person or represented by Proxy at the Annual Meeting and entitled to vote on the election of directors, abstentions and broker non-votes do not constitute a vote for or against any nominee for the Board of Directors and thus will be disregarded in the calculation of votes cast for purposes of electing nominees to the Board of Directors. Any unmarked Proxies, including those submitted by brokers or nominees, will be voted in favor of the nominees for the Board of Directors, as indicated in the accompanying Proxy card.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors of the Company has nominated and recommends for election as directors the nine persons named herein to serve until the next Annual Meeting of Stockholders and until their respective successors shall have been duly elected and qualified. All of the nominees are presently directors of the Company, and following the Annual Meeting there will be no vacancies on the Board. Directors are elected by a plurality of the votes of the shares present in person or represented by Proxy at the Annual Meeting and entitled to vote on the election of directors. The enclosed Proxy will be voted in favor of the persons nominated unless otherwise indicated. If any of the nominees should be unable to serve or should decline to do so, the discretionary authority provided in the Proxy will be exercised by the present Board of Directors to vote for a substitute or substitutes. The Board of Directors does not believe at this time that any substitute nominee or nominees will be required. In the event that a nominee for director is proposed at the Annual Meeting, the enclosed proxy may be voted in favor of or against such nominee or any other nominee proposed by the Board of Directors.

Agreements Regarding Nomination of Directors

In June 2000, the Company acquired the 40% interest in its PSMT Caribe, Inc. subsidiary previously held by PSC, S.A. for 679,500 shares of Common Stock. The Company already owned the remaining 60% of PSMT Caribe. In connection with the Company's acquisition of the 40% minority interest in PSMT Caribe, the Company agreed to give PSC, S.A. opportunities to have representation on the boards of directors of PSMT Caribe and the Company. PSC, S.A. selected Edgar A. Zurcher as its designee to serve on the Company's Board of Directors.

In January 2002, the Company entered into a joint venture with Group Gigante, S.A. de C.V. ("Gigante") in Mexico, and Gigante purchased 15,000 shares of the Company's Series A Preferred Stock. In connection with the sale of the Series A Preferred Stock, the Company agreed to allow Gigante to nominate one director to the Company's Board of Directors so long as Gigante owns all of its shares of Series A Preferred Stock or all of the shares of Common Stock issuable upon conversion of such shares of Series A Preferred Stock. Gigante selected Angel Losada M. as its designee to serve on the Company's Board of Directors. On November 23, 2004, Gigante accepted the Company's offer to exchange shares of Common Stock valued for such purpose at \$10 per share for all outstanding shares of Series A Preferred Stock and accrued and unpaid dividends thereon. As of the date hereof, Gigante continues to own all of the shares of Common Stock it received in exchange for its Series A Preferred Stock.

Controlled Company

Under the Nasdaq Stock Market's listing standards, a controlled company is a company of which more than 50% of the voting power is held by an individual, a group or another company. The Board of Directors has determined that the Company is a controlled company within the meaning of the Nasdaq Stock Market's listing standards. The basis for the Board of Directors' determination that the Company is a controlled company is the beneficial ownership by a Schedule 13D group comprised of The Price Group, San Diego Revitalization Corp., Robert Price and Sol Price (the "Price group") of approximately 53.8% of the Company's Common Stock. On January 18, 2005, members of the Price group filed a second amendment ("Amendment No. 2") to their jointly filed Schedule 13D. In Amendment No. 2, the members of the Price group reported that as of January 18, 2005 the Price group may be deemed to beneficially own, in the aggregate, the equivalent of 12,971,838 shares of Common Stock. The Company is not aware of any additional purchases of shares of the Company's Common Stock by members of the Price group since January 18, 2005. Based on approximately 24,111,712 shares outstanding as of January 24, 2005 (the last day of the \$7 exercise period for the Subscription Rights Offering), the Price group beneficially owns 53.8% of the Company's Common Stock, making the Company a controlled company. As a controlled company, the Company is exempt from certain Nasdaq listing standards.

Specifically, the Company is not required to have: 1) a board of directors comprised of a majority of independent directors; 2) a compensation committee comprised of independent directors; or 3) director nominees selected, or recommended for selection by the board of directors, by a majority of the independent directors or a nominating committee comprised of independent directors. The Company, however, is not exempt from the requirements to have an audit committee comprised of at least three independent directors and to hold regularly scheduled meetings in which only the independent directors are present.

Nominations Process

Because the Company qualifies as a controlled company, it currently does not have a board of directors consisting of a majority of independent directors, and the slate of nominees nominated and recommended by the Board of Directors is not comprised of a majority of independent directors. Further, due to its status as a controlled company, and in part as a result of the historically low turnover of its members, the Board of Directors has not established a nominating committee comprised solely of independent directors nor has it adopted a nominating committee charter. However, the Board of Directors has adopted a resolution approving certain procedures comprising a Nominations Process, a copy of which is available on the Company's website at www.pricemart.com. Among other things, the Nominations Process sets forth a procedure calling for director nominees to be recommended to the Board of Directors, for the Board's selection, by a majority of the independent directors. In light of the Company's status as a controlled company and the fact that all of the nominees for director named herein are incumbent directors, the Board approved the nomination of such nominees without a prior recommendation from a majority of the independent directors.

Under the Company's Corporate Governance Guidelines, the independent directors, in recommending to the Board of Directors candidates for election, and the Board, in approving (and, in the case of vacancies, appointing) such candidates, are required take into account many factors, including a candidate's ability to make independent analytical inquiries, general understanding of marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment, experience in the Company's industry and with relevant social policy concerns, understanding of the Company's business on a technical level, other board service and educational and professional background. Each candidate nominee must also possess fundamental qualities of intelligence, honesty, good judgment, high ethics and standards of integrity, fairness and responsibility. The independent directors and the Board of Directors evaluate each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend to the Board a director for re-election, the independent directors also are required to consider the director's past attendance at meetings and participation in and contributions to the activities of the Board. Notwithstanding the foregoing, there are no specific, minimum qualifications that a nominee must meet.

Under the Company's Nominations Process, the independent directors are required to give consideration to candidates recommended by any stockholder of the Company who has held the Company's Common Stock for at least one year and who holds a minimum of 1% of the Company's outstanding shares of Common Stock. The recommending stockholder must submit the following:

a detailed resume of the recommended candidate;

an explanation of the reasons why the stockholder believes the recommended candidate is qualified for service on the Corporation's Board;

such other information that would be required by the rules of the SEC to be included in a proxy statement;

the written consent of the recommended candidate;

Edgar Filing: PRICESMART INC - Form DEF 14A

a description of any arrangements or undertakings between the stockholder and the recommended candidate regarding the nomination; and

proof of the recommending stockholder's stock holdings in the Corporation.

Recommendations from stockholders which are received after the deadline set forth in the Company's most recent proxy statement for a stockholder proposal to be considered for inclusion in the Corporation's proxy statement for the next annual meeting likely will not be considered timely for consideration by the Committee for the following year's annual meeting. Recommendations received by stockholders will be processed and subject to the same criteria as other candidates recommended to the Board.

Board Meetings

The Company's Board of Directors held twelve meetings during fiscal 2004. Except for Mr. Losada (who resides in Mexico), no nominee for director who served as a director during the past year attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of committees of the Board of Directors on which he or she served.

Committees of the Board

The Audit Committee, which consists of Messrs. Janks and Krause and Ms. Hensley, oversees the Company's accounting and financial reporting processes and the audits of its financial statements. The Committee reviews the annual audits conducted by the Company's independent public accountants, reviews and evaluates internal accounting controls, is responsible for the selection of the Company's independent public accountants, and conducts such reviews and examinations as it deems necessary with respect to the practices and policies of, and the relationship between the Company and its independent public accountants. All committee members satisfy the definition of "independent director" as established in the Nasdaq Stock Market's listing standards and the rules promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, and the Board of Directors has determined that Mr. Janks qualifies as an "audit committee financial expert" within the meaning of the applicable SEC rules and regulations.

Compensation Committee. The Compensation Committee, which consists of Ms. Hensley and Messrs. Janks and Krause, held eight meetings during fiscal 2004. Each of the members of the Compensation Committee is an "independent director" within the meaning of the Nasdaq Stock Market's listing standards. The Compensation Committee reviews and approves the compensation program for the Company's executive officers. The Committee is authorized to evaluate and determine the compensation of the Corporation's Chief Executive Officer, and reviews and approves all such compensation for all other executive officers. The Committee also administers, interprets and makes grants under the Company's stock option plans.

Nominating Committee. The Nominating Committee, which consists of Ms. Hensley and Mr. Price, did not hold any meetings during fiscal 2004. The Nominating Committee may evaluate and recommend candidates to fill vacancies on the Board of Directors or any committee thereof, which vacancies may be created by the departure of any directors, or the expansion of the number of members of the Board. The Nominating Committee may also consider the slate of nominees to be presented for reelection at annual meetings of stockholders. As noted above, the Company is not required to nominate directors through a nominating committee comprised solely of independent directors or by action of a majority of the independent directors on the board because it is a "controlled company." Ms. Hensley satisfies the definition of "independent director" within the meaning of the Nasdaq Stock Market's listing standards, but Mr. Price does not.

Executive Committee. The Executive Committee, which consists of Messrs. Price and Janks, did not hold any meetings during fiscal 2004. The Executive Committee has all powers and rights necessary to exercise the full authority of the Board of Directors in the management of the business and affairs of the Company, except as provided in the Delaware General Corporation Law or the Bylaws of the Company.

Finance Committee. The Finance Committee, which consists of Messrs. Janks, Cahill, Krause and Price and Ms. Hensley, held five meetings during fiscal 2004. The Finance Committee reviews and makes recommendations with respect to (1) annual budgets, (2) investments, (3) financing arrangements and (4) the creation, incurrence, assumption or guaranty by the Company of any indebtedness, obligation or liability, except, in each case, for any such transactions entered into in the ordinary course of business of the Company.

Real Estate Committee. The Real Estate Committee, which consists of Messrs. Cahill, McGrory and Price, was established in November 2001 and held one meeting during fiscal 2004. The Real Estate Committee reviews

and approves the material terms (including the proposed site plan) upon which the Company leases and purchases the real estate on which the Company constructs and operates its warehouse club facilities.

Governance Committee. The Governance Committee, which consists of Mr. Krause and Ms. Hensley, was established in November 2003 and held three meetings during fiscal 2004. The Governance Committee assists the Board of Directors in establishing corporate governance guidelines and other policies and procedures pertaining to corporate governance matters, and assists the Board of Directors in evaluating potential nominees for director of the Company.

Compensation of the Directors

Each non-employee director receives \$20,000 per year for serving on the Board of Directors. In addition, non-employee directors who serve on committees of the Board of Directors (in a capacity other than chairman of a committee) receive \$500 for each meeting attended. The chairman of the Audit Committee receives \$35,000 per year and the chairmen of the other committees of the Board of Directors receive \$5,000 per year in addition to their other compensation as directors. Each director is eligible to receive stock grants and stock options pursuant to the Company's 1997 Stock Option Plan, 1998 Equity Participation Plan, 2001 Equity Participation Plan and 2002 Equity Participation Plan. Under the 1997 Stock Option Plan, the 2001 Equity Participation Plan or the 2002 Equity Participation Plan, as then in effect, non-employee directors are entitled to receive initial grants of non-qualified stock options to purchase 3,000 shares of Common Stock upon becoming directors and additional grants of options to purchase 1,000 shares of Common Stock on the date of each annual meeting of stockholders at which the director is re-elected to the Board. Non-employee directors joining the Board after July 1998 also are eligible to receive grants of non-qualified options under the 1998 Equity Participation Plan upon purchases of shares of Common Stock. For each such director who has purchased at least an aggregate of 500 shares of Common Stock on or after September 1, 1997, on the date such person purchases additional shares of Common Stock (other than upon the exercise of stock options), such person automatically will be granted a non-qualified stock option to purchase a number of shares of Common Stock equal to the difference between (1) three times the number of such shares of Common Stock actually purchased and (2) the number of shares of Common Stock subject to options previously granted to such director under the 1998 Equity Participation Plan. No director, however, may receive options under the 1998 Equity Participation Plan that are exercisable for more than 8,146 shares of Common Stock. The 1998 Equity Participation Plan further provides that each person who is initially elected to the Board after the adoption by the Board of the plan and who is an independent director at the time of such initial election automatically shall be granted on the date of such initial election the right to purchase 2,716 shares of Common Stock at a purchase price equal to the fair market value on the date the shares are purchased.

Directors also receive reimbursement for travel expenses incurred in connection with their duties as directors.

The Retirement Plan of PriceSmart, Inc.

In 1998, the Company established a retirement plan. The retirement plan is designed to be a qualified plan under applicable provisions of The Internal Code of 1986, as amended, covering all employees who have completed one year of service, as defined in the retirement plan. Each

year, participants may contribute up to 15% of their pre-tax annual compensation (as defined in the retirement plan) up to the maximum allowable by The Internal Revenue Code of 1986, as amended. Participants may also contribute amounts representing distributions from other qualified plans. The Company makes a matching contribution equal to 100% of the

participant's elective deferral up to an annual maximum of 4% of base compensation that a participant contributes to the plan. Although the Company has not expressed any intent to do so, the Company has the right under the retirement plan to discontinue its contributions at any time and to terminate the retirement plan, subject to the provisions of Employee Retirement Income Security Act of 1974, as amended.

All participants in the retirement plan are fully vested in their voluntary contributions and earnings thereon. Vesting in the remainder of a participant's account is based upon his or her years of service with the Company, Price Enterprises, Costco, The Price Company and certain affiliated parties. A participant is 50% vested after the completion of two years of service and 100% vested after the completion of his or her third year of service. A participant becomes fully vested in his or her entire account upon retirement due to permanent disability, attainment of age 65 or death. In the event of a termination of the retirement plan by the Company, participants will become fully vested in their accounts.

1997 PriceSmart Stock Option Plan

In August 1997, the Company adopted the 1997 Stock Option Plan of PriceSmart, Inc. (the 1997 Plan). The 1997 Plan was approved by Price Enterprises as sole stockholder of the Company as of August 7, 1997. The principal purposes of the 1997 Plan are to provide incentives for officers, employees and consultants of the Company and its subsidiaries through the granting of options, thereby stimulating their personal and active interest in the Company's development and financial success, and inducing them to remain in the Company's employ. In addition to options granted to officers, employees or consultants, the 1997 Plan provides for formula grants of options to the Company's independent non-employee directors.

The 1997 Plan provides for option grants covering up to 700,000 shares of Common Stock. As of November 30, 2004, options to purchase an aggregate of 639,269 shares of Common Stock at prices ranging from \$6.19 to \$20.00 per share had been granted under the 1997 Plan (not including shares subject to options that have been cancelled), and 60,731 shares remained available for future grant under the 1997 Plan.

1998 Equity Participation Plan

In July 1998, the Board of Directors adopted the 1998 Equity Participation Plan of PriceSmart, Inc. (the 1998 Plan). The 1998 Plan was subsequently approved by our stockholders at the 1999 Annual Meeting of Stockholders. The principal purposes of the 1998 Plan are to provide incentives for the Company's directors, officers, employees and consultants and its subsidiaries through the granting of options, restricted stock and other awards, thereby stimulating their personal and active interest in the Company's development and financial success, and inducing them to remain in the Company's employ.

The 1998 Plan provides that the Compensation Committee of the Board of Directors or a subcommittee thereof may grant or issue incentive stock options, non-qualified stock options, stock purchase rights, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, performance awards, stock payments and other stock related benefits, or any combination thereof. Under the stock purchase feature of the 1998 Plan, the Compensation Committee may grant to any consultant or employee the right to purchase shares of Common Stock (stock purchase rights), under the 1998 Plan from time to time, in such amounts and subject to such terms and conditions as the committee may determine, and, at the discretion of the Committee, such determinations may include determining categories of employees and the number of shares to be made available to employees in each such category. The 1998 Plan further provides that each independent director as of the date of the adoption by the Board of the 1998 Plan automatically shall be granted, on the date of such adoption, a stock purchase right to purchase a number of shares of Common Stock equal to the difference between (1) 2,716 shares of Common Stock and (2) the number of shares of Common Stock purchased by such independent director since September 1, 1997 (other than purchases pursuant to the exercise of an option granted pursuant to any stock option plan of the Company). A person who is initially elected to the Board of Directors after the adoption by the Board of Directors of the 1998 Plan and who is an independent director at the time of such initial election

automatically shall be granted a stock purchase right to purchase 2,716 shares of Common Stock on the date of such initial election. The purchase price for shares of Common Stock purchased pursuant to any stock purchase right granted under the 1998 Plan shall be no less than the fair market value of such Common Stock as of the date of purchase.

Under the 1998 Plan, the Compensation Committee may in its discretion allow payment, in whole or in part, through the delivery of a full recourse, limited recourse or non-recourse (as determined by the committee) promissory note bearing interest (at no less than such rate as shall then preclude the imputation of interest under The Internal Revenue Code of 1986, as amended) and payable upon such terms as may be prescribed by the Compensation Committee or the Board of Directors. The Compensation Committee may prescribe the form of such promissory note and the security to be given for such note. However, Common Stock may not be purchased pursuant to a stock purchase right by delivery of a promissory note or by a loan from the Company when or where such loan or other extension of credit is prohibited by law or by any agreement to which the Company is a party. Notwithstanding the foregoing, the Company ceased extending new loans (or modifying existing loans) to any director or Executive Officer effective as of July 30, 2002.

The 1998 Plan provides for awards covering up to 700,000 shares of Common Stock. As of November 30, 2004, options to purchase an aggregate of 320,088 shares of Common Stock at prices ranging from \$6.19 to \$20.00 per share had been granted under the 1998 Equity Participation Plan (not including shares subject to options that have been cancelled), 80,421 shares of Common Stock had been issued under the stock purchase provisions of the Equity Participation 1998 Plan, and 299,491 shares remained available for future grant under the 1998 Equity Participation Plan.

2001 Equity Participation Plan

In November 2001, the Board of Directors adopted the 2001 Equity Participation Plan of PriceSmart, Inc. (the 2001 Plan). The 2001 Plan was subsequently approved by the Company's stockholders at the 2002 Annual Meeting of Stockholders. The principal purposes of the 2001 Plan are to provide incentives for the Company's officers, employees and consultants and its subsidiaries through the granting of awards, thereby stimulating their personal and active interest in the Company's development and financial success, and inducing them to remain in the Company's employ. In addition to awards granted to officers, employees or consultants, the 2001 Plan provides for formula grants of options to the Company's independent non-employee directors.

The 2001 Plan provides that the Compensation Committee of the Board of Directors or a subcommittee thereof may grant or issue incentive stock options, non-qualified stock options, stock purchase rights, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, performance awards, stock payments and other stock related benefits, or any combination thereof. Under the stock purchase feature of the 2001 Plan, the Compensation Committee may grant to any employee, independent director or consultant stock purchase rights under the 2001 Plan from time to time, in such amounts and subject to such terms and conditions as the Committee may determine, and, at the discretion of the Committee, such determinations may include determining categories of employees and the number of shares to be made available to employees in each such category. The purchase price for shares of Common Stock purchased pursuant to any stock purchase right granted under the 2001 Plan shall be no less than the fair market value of such Common Stock as of the date of purchase.

Under the 2001 Plan, the Compensation Committee may in its discretion allow payment, in whole or in part, through the delivery of a full recourse, limited recourse or nonrecourse (as determined by the Committee) promissory note bearing interest (at no less than such rate as shall then preclude the imputation of interest under The Internal Revenue Code of 1986, as amended) and payable upon such terms as may be prescribed by the Compensation Committee or the Board of Directors. The Compensation Committee may prescribe the form of such promissory note and the security to be given for such note. However, Common Stock may not be purchased pursuant to a stock purchase right by delivery of a promissory note or by a loan from the Company when or

where such loan or other extension of credit is prohibited by law or by any agreement to which the Company is a party. Notwithstanding the foregoing, the Company has ceased extending new loans (or modifying existing loans) to any director or executive officer effective as of July 30, 2002.

The 2001 Plan provides for awards covering up to 350,000 shares of Common Stock. As of November 30, 2004, options to purchase an aggregate of 305,100 shares of Common Stock at prices ranging from \$6.13 to \$20.00 per share had been granted under the 2001 Plan (not including shares subject to options that have been cancelled), no shares of Common Stock had been issued under the stock purchase provisions of the 2001 Plan, and 44,900 shares remained available for future grant under the 2001 Plan.

2002 Equity Participation Plan

In November 2002, the Board of Directors adopted the 2002 Equity Participation Plan of PriceSmart, Inc. (the 2002 Plan). The 2002 Plan was subsequently approved by our stockholders at the 2003 Annual Meeting of Stockholders. The principal purposes of the 2002 Plan are to provide incentives for officers, employees and consultants of the Company and its subsidiaries through the granting of awards, thereby stimulating their personal and active interest in the Company's development and financial success, and inducing them to remain in the Company's employ. In addition to awards granted to officers, employees or consultants, the 2002 Plan provides for formula grants of options to the Company's independent non-employee directors.

The 2002 Plan provides that the Compensation Committee of the Board of Directors or a subcommittee thereof may grant or issue incentive stock options, non-qualified stock options, stock purchase rights, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, performance awards, stock payments and other stock related benefits, or any combination thereof. Under the stock purchase feature of the 2002 Plan, the Compensation Committee may grant to any employee, independent director or consultant stock purchase rights under the 2002 Plan from time to time, in such amounts and subject to such terms and conditions as the Committee may determine, and, at the discretion of the Committee, such determinations may include determining categories of employees and the number of shares to be made available to employees in each such category. The purchase price for shares of Common Stock purchased pursuant to any stock purchase right granted under the 2002 Participation Plan shall be no less than the fair market value of such Common Stock as of the date of purchase.

Under the 2002 Plan, the Compensation Committee may in its discretion allow payment, in whole or in part, through the delivery of a full recourse, limited recourse or non-recourse (as determined by the Committee) promissory note bearing interest (at no less than such rate as shall then preclude the imputation of interest under The Internal Revenue Code of 1986, as amended) and payable upon such terms as may be prescribed by the Compensation Committee or the Board of Directors. The Compensation Committee may prescribe the form of such promissory note and the security to be given for such note. However, Common Stock may not be purchased pursuant to a stock purchase right by delivery of a promissory note or by a loan from the Company when or where such loan or other extension of credit is prohibited by law or by any agreement to which the Company is a party. Notwithstanding the foregoing, the Company has ceased extending new loans (or modifying existing loans) to any director or executive officer effective as of July 30, 2002.

The 2002 Plan provides for awards covering up to 250,000 shares of Common Stock. As of November 30, 2004, options to purchase an aggregate of 226,884 shares of Common Stock at prices ranging from \$6.19 to \$20.00 per share had been granted under the 2002 Plan (not including shares subject to options that have been cancelled), no shares of Common Stock had been issued under the stock purchase provisions of the 2002 Plan, and 23,116 shares remained available for future grant under the 2002 Plan.

Compensation Committee Membership, Interlocks and Insider Participation

Edgar Filing: PRICESMART INC - Form DEF 14A

During fiscal year 2004, the Company's Compensation Committee consisted of Ms. Hensley and Messrs. Janks and Krause. There were no insider participations nor compensation committee interlocks among the members of the committee during fiscal year 2004. At all times during fiscal year 2004, the committee has been comprised solely of independent, non-employee directors.

Compensation Committee Report on Executive Compensation

The Compensation Committee reviews and approves the compensation program for the Company's executive officers. The committee is authorized to determine the compensation (including annual base salaries and bonuses) of the Chief Executive Officer, President, Chief Financial Officer and other Executive Vice Presidents of the Company (the Executive Officers). The committee also administers the Company's compensation plans, including the Company's stock option plans and the granting of options and any other awards thereunder.

General Compensation Philosophy

The Company's executive compensation policies are designed to meet the following objectives: (1) to attract and retain talented executives; (2) to reward individual achievement appropriately; and (3) to enhance the financial performance of the Company, and thus stockholder value, by significantly aligning the financial interests of the Company's executives with those of its stockholders. To accomplish these objectives the Company's executive compensation program may include: (A) annual base salaries; (B) cash bonuses; and (C) stock option grants and a stock purchase program aligned with stock option grants.

Executive Officers also participate in other benefit plans available to employees generally, including the Company's Retirement Plan and a medical plan.

Annual Base Salaries and Bonuses

The committee determines compensation for executive officers other than the Chief Executive Officer after taking into account the recommendations of the Chief Executive Officer together with such factors as job complexity, level of responsibility, how the position relates to the Company's long-term strategic goals, and the particular individual's skills, experience, background and performance. Prior to July 15, 2004, the committee made such recommendations to the Company's Board of Directors, for its approval. While there are no pre-established weightings given to these factors, particular importance is placed on attracting and retaining quality individuals in order to establish and secure an effective executive team for the Company. The Company's annual executive bonus program is intended to reward the Company's Executive Officers for individual achievement in supporting the fulfillment of corporate objectives.

During the past fiscal year the committee did not approve increases to the annual base salaries of the Company's Executive Officers, but did approve bonuses as follows: Executive Vice President and Chief Operating Officer (William J. Naylon), \$33,550; Executive Vice President and General Counsel (Robert M. Gans), \$44,800; Executive Vice President Merchandising (Thomas D. Martin), \$51,200; Executive Vice President Construction and Private Label Merchandising (Brud E. Drachman), \$7,840; and Executive Vice President Information Technology and Logistics (Edward Oats), \$6,040.

Stock Options

The long-term incentive aspect of the Company's executive compensation program is realized primarily by the granting of stock options. Stock option awards are viewed as a particularly effective tool to attract experienced and talented employees and to encourage their long-term quality performance with the Company. Because the value of the stock option is dependent upon stock performance, the stock option program directly aligns employee compensation with the interests of the Company's stockholders.

Stock options generally are granted at a price equal to the fair market value of a share of Common Stock as of the date of committee approval of the grant. Stock options generally are exercisable at the rate of 20% per year or, for grants issued during the past fiscal year at the rate of 33% per year, thereby providing an incentive for the grantee to remain with the Company. In making option grants, the committee considers the recommendations of senior management, the duties and responsibilities of the employee, the anticipated future performance of the

employee and that individual's ability to impact positively the achievement of the Company's objectives. During the past fiscal year, the committee authorized new stock option grants for Messrs. Laparte, Heffner, Naylor, Gans, Martin, Drachman, Oats and Hildebrandt.

Chief Executive Officer Compensation

Robert E. Price, who as of November 30, 2004 beneficially owns 48.0% of the Company's Common Stock, assumed the position of Interim Chief Executive Officer of the Company effective April 1, 2003. Mr. Price serves in that capacity without receiving any salary or other monetary compensation from the Company.

Omnibus Budget Reconciliation Act Implications for Executive Compensation

It is the responsibility of the Board (or the Compensation Committee) to address the issues raised by the tax laws which limit the deductibility of executive compensation in excess of \$1,000,000 unless the compensation is performance based. In this regard, a determination must be made as to whether any actions with respect to this limit should be taken by the Company. At this time, it is not anticipated that any executive officer will receive compensation in excess of this limit. Nevertheless, the Company has sought to comply with the requirements of Section 162(m) of the Code, so that awards granted under the 1998 Plan, the 2001 Plan and the 2002 Plan qualify as incentive based compensation that will not count against the \$1,000,000 limit on deductibility. Such compliance includes seeking stockholder approval of the 1998 Plan at the 1999 Annual Meeting of Stockholders, the 2001 Plan at the 2002 Annual Meeting of Stockholders and the 2002 Plan at the 2003 Annual Meeting of Stockholders. Additional action will be taken if it is warranted in the future.

Summary

The committee believes that the above-described cash compensation program and long-term incentives (in the form of stock option awards and stock purchase rights) provide appropriate alignment of the long-term interests of the Company's Executive Officers, the Company and its stockholders.

The committee discussed with the Company's independent auditors the overall scope and plan of their audit. The committee meets with the independent auditors, with and without our management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

Relationships with the Price Group. In February 2004, the Company entered into an agreement with The Price Group which provided the Company with up to \$10.0 million of purchase order financing. Directors Robert E. Price, James F. Cahill, Murray L. Galinson and Jack McGrory are managers of The Price Group and collectively own more than 80% of that entity. The agreement allowed The Price Group to place a lien on merchandise inventories in the United States as security for such financing. Interest accrued at a rate of 1% per month. In July 2004, this agreement was amended to increase the funds available from The Price Group by \$5.0 million (to a total of \$15.0 million) for purchase order financing. This additional funding was secured by our pledge of shares of the Company's wholly owned Panamanian subsidiary, PriceSmart Real Estate Panama, S.A. In October 2004, in connection with the Financial Program announced by the Company on September 3, 2004, the amounts owed under this agreement were converted to 1,948,227 shares of Common Stock.

In May 2004, the Company entered into another agreement with The Price Group to sell the real estate and improvements owned by the Company in Santiago, Dominican Republic. The purchase price was to be the fair market value of the property and improvements as determined by an independent appraiser. Under the terms of the agreement, The Price Group made an initial payment of \$5.0 million, with the balance to be paid upon closing, and if the closing did not occur for any reason, the initial payment would be returned to The Price Group, plus accrued interest at the rate of 8% per annum. The agreement was subject to several contingencies, including the right of each party to terminate the agreement after receipt of the final appraisal report, and the approval by the Board of the final terms of the agreement. This agreement was to terminate on August 31, 2004. However, on August 30, 2004, this agreement was extended for an additional 90 days, until November 30, 2004. This sale did not proceed, and in October 2004, in connection with the Financial Program, the amounts owed by the Company to The Price Group under this agreement were converted to 648,973 shares of Common Stock and the agreement was terminated.

In August 2004, the Company entered into a \$25.0 million bridge loan with the Price Group. This loan accrued interest at 8% per annum. In October 2004, in connection with the Financial Program, the Price Group received 3,164,726 shares of Common Stock, through the conversion of the \$25.0 million bridge loan, together with accrued and unpaid interest.

Pursuant to the Company's Financial Program, if upon expiration of the \$7 subscription period of our rights offering the Company has not received at least \$25 million in proceeds from the rights offering, The Price Group has agreed to purchase from the Company the number of shares of the Company's Common Stock equal to the shortfall, if any, divided by \$8, at a price of \$8 per share. Concurrent with this purchase of Common Stock by The Price Group, the Company will grant The Price Group a non-transferable put option giving The Price Group the right, at its election, to require the Company to purchase at any time during the thirty (30) days following the end of the rights offering subscription period a number of shares equal to the lesser of (i) the dollar amount raised by the Company from the exercise of rights upon the conclusion of the \$8 subscription period divided by \$8, and (ii) the number of shares purchased by The Price Group upon the conclusion of the \$8 subscription period, in each case at a price of \$8 per share. The Company has agreed to register with the SEC for resale the shares of Common Stock issuable in connection with the purchase by The Price Group upon the conclusion of the \$7 subscription period, if any. If the rights offering is 0% subscribed upon expiration of the \$7 subscription period, this purchase by The Price Group will require the issuance of 3,125,000 shares of Common Stock.

Relationship with Price Legacy. Collectively, Sol Price, Robert E. Price and parties affiliated with them, including The Price Group, beneficially own an aggregate of approximately 37.6% of the Price Legacy Common Stock prior to the sale of Price Legacy in December 2004. James F. Cahill, Murray L. Galinson and Jack McGrory, directors of our company, beneficially owned approximately 16.4%, 16.1% and 15.9%, respectively, of the Price Legacy Common Stock, including shares that may have been deemed to be beneficially owned by Sol Price and Robert E. Price. In addition, until December 2004, each was a director of Price Legacy and Jack McGrory served as Chairman, President and Chief Executive Officer of Price Legacy.

On March 26, 2004, the Company moved into its new headquarters located in San Diego, California. Prior to this move, the Company leased office space from Price Legacy to house its headquarters. In April 2004, the Company received \$500,000 from its then landlord, Price Legacy, as an incentive to terminate early the lease of its headquarters. For the fiscal years ended August 31, 2004, 2003 and 2002, the Company paid Price Legacy \$209,000, \$388,000 and \$332,000 in rent, respectively.

On November 5, 2004, the Company entered into a short-term loan agreement for \$3.0 million for a period of 90 days at a rate of 5% with The Price Group, LLC. This short-term loan was repaid on January 10, 2005.

Use of Private Plane. From time to time during fiscal 2004, members of the Company's management used a private plane owned in part by PFD Ivanhoe, Inc. to travel to business meetings in Central America and the Caribbean. The Price Group owns 100% of the stock of PFD Ivanhoe, and Sol Price and James F. Cahill are officers of PFD Ivanhoe. The Price Group's members include Sol Price, Robert E. Price, James F. Cahill, Murray Galinson and Jack McGrory. Prior to March 2003, when the Company used the plane, the Company reimbursed PFD Ivanhoe for a portion of a fixed management fee and additional expenses PFD Ivanhoe incurred based on the number of hours flown, and also reimbursed PFD Ivanhoe for direct charges associated with use of the plane, including landing fees, international fees and catering. Since March 2003, the Company has reimbursed PFD Ivanhoe based on the amounts the passengers would have paid if they had flown a commercial airline if one or more of the passengers is a member of The Price Group (including Robert E. Price). If the passengers are solely Company personnel, then the Company reimburses PFD Ivanhoe for a portion of the fixed management fee and additional expenses PFD Ivanhoe incurred as a result of the hours flown, including direct charges associated with the use of the plane, landing fees, catering and international fees. During fiscal years 2004, 2003 and 2002, the Company paid PFD Ivanhoe \$86,000, \$137,483 and \$555,000 to cover the costs associated with the Company's use of the plane, respectively.

Put Option Agreement. On December 15, 2003, the Company entered into an agreement with a trust affiliated with Sol Price, giving the Company the right to sell all or a portion of specified real property to the trust at any time on or prior to August 31, 2004 at a price equal to the Company's net book value for the respective properties and upon other commercially reasonable terms. The specified real property covers both the land and building at nine warehouse club locations. As of August 31, 2004, the net book value of this real property was

approximately \$54.9 million with approximately \$29.9 million of encumbrances (including \$5.1 million received as an advance payment for one of these properties). ANNEX A

AUDIT COMMITTEE CHARTER

(Amended and Restated)

This Audit Committee Charter has been adopted by the Board of Directors (the **Board**) of PriceSmart, Inc. (the **Company**).

I. Purpose

The purpose of the Audit Committee (the **Committee**) is to oversee the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company's bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

Notwithstanding the foregoing, the Committee's responsibilities are limited to oversight. Management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements as well as the Company's financial reporting process, accounting policies, internal audit function, internal accounting controls and disclosure controls and procedures. The independent auditor is responsible for performing an audit of the Company's annual financial statements, expressing an opinion as to the conformity of such annual financial statements with generally accepted accounting principles and reviewing the Company's quarterly financial statements. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosure are complete and accurate and in accordance with generally accepted accounting principles and applicable laws, rules and regulations. Each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts (including the Company's internal auditor (or others responsible for the internal audit function, including contracted non-employee or audit or accounting firms engaged to provide internal audit services) (the **internal auditor**) and the Company's independent auditor) from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Further, auditing literature, particularly Statement of Accounting Standards No. 71, defines the term **review** to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term **review** as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

II. Membership

Edgar Filing: PRICESMART INC - Form DEF 14A

The Committee shall consist of at least three members of the Board; provided, that if at any time there is a vacancy on the Committee and the remaining members meet all membership requirements, then the Committee may consist of two members until the earlier of the Company's next annual stockholders meeting or one year from the occurrence of the vacancy. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at a subsequent meeting. If the Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Committee must be informed of each non-audit service provided by the independent auditor.
