**Item 1.01. Entry into a Material Definitive Agreement.**

On March 2, 2005, PriceSmart, Inc. (the Company) entered into a Memorandum of Understanding to effectuate a settlement in the consolidated securities litigation entitled *In re PriceSmart, Inc. Securities Litigation*, Master File No. 03 CV 2260 JAH (BLM), pending in the United States District Court for the Southern District of California. This lawsuit is an alleged class action against the Company and certain of its former officers, filed on behalf of a purported class of persons who purchased the Company's common stock during a certain class period.

Under the settlement, which is subject to Court approval, the sum of \$2,350,000 shall be paid to plaintiffs (said sum to be inclusive of plaintiffs attorneys' fees, in an amount to be determined by the Court), in exchange for a release of claims and a dismissal of the complaint. It is anticipated that the Company's insurance carrier will fund approximately 80% of the settlement payment.

The lawsuit relates to the Company's restatement of financial statements in late 2003. The settlement was entered into to avoid the expense and disruption of protracted litigation and does not constitute an admission of liability by the Company or its former officers. The Company has previously announced the settlement of a separate federal court securities lawsuit and a state court shareholder derivative lawsuit, both of which similarly related to such restatement. The settlement of this third lawsuit brings to a conclusion all such litigation.
