CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company subleases 74,000 square-feet in a building from Mykrolis Corporation, who in turn leases the building from a Trust of which Roger G. Little, Chairman of the Board, Chief Executive Officer and President of the Company, is sole trustee and principal beneficiary. The Company believes that the terms of the third-party sublease are commercially reasonable. The 1985 sublease originally was for a period of ten years, was extended for a five-year period expiring on November 30, 2000 and was further extended for a five-year period expiring on November 30, 2005. The agreement provides for minimum rental payments plus annual increases linked to the consumer price index. Rent expense under this sublease for the year ended December 31, 2004 was \$1,151,000. In connection with this sublease, the Company is invoiced and pays certain trust-related expenses, including building maintenance and insurance. The Company invoices the Trust on a monthly basis and the Trust reimburses the Company for all such costs. No amounts were due from the Trust as of December 31, 2004.

Also in conjunction with the acquisition of Bandwidth by the Company, SPI-Trust, a Trust of which Roger G. Little, Chairman of the Board, Chief Executive Officer and President of the Company, is sole trustee and principal beneficiary, purchased from Stratos (Bandwidth's former owner) the building that Bandwidth occupies in Hudson, New Hampshire for \$3.7 million. Subsequently, the Company entered into a lease for the building (90,000 square feet) with SPI-Trust whereby the Company will pay \$4.1 million to the SPI-Trust over an initial five year term expiring in 2008 with a Company option to extend for five years. In addition to the rent payments, the lease obligates the Company to keep on deposit with SPI-Trust the equivalent of three months rent (\$168,750 as of December 31, 2004.) The lease agreement does not provide for a transfer of ownership at any point. Interest costs were assumed at 7%. For the twelve months ended December 31, 2004, interest expense was approximately \$213,000.

Edward D. Gagnon, General Manager of the Company's subsidiary, Bandwidth Semiconductor, LLC, is a son-in-law of Roger G. Little, Chairman of the Board, Chief Executive Officer and President of the Company. For the year ended December 31, 2004, Mr. Gagnon received total cash compensation of \$136,558 plus incentive stock options for 25,000 shares of Spire Common Stock at an exercise price of \$4.32 per share.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

The Company has entered into a five-year employment agreement, effective as of January 1, 2002, with Roger G. Little, Chairman of the Board, Chief Executive Officer and President. For 2004 he received the following pursuant to the agreement: a base salary of \$216,300, payment in 2005 under an annual incentive bonus program of up to 50% of base salary (depending on attainment of specified performance goals), and payment under a long-term deferred compensation plan in the amount of \$250,000. For subsequent years, base salary will be no less than \$205,000; and payments under the annual incentive bonus program and long-term

deferred compensation plan will be determined annually. The agreement also provides for a Company vehicle for Mr. Little and for life insurance for which he may designate a beneficiary in the face amount of \$500,000. Further, the agreement provides for the payment of 12 months' base salary in the event he is terminated without cause or if he terminates the agreement for "good reason". The agreement also precludes Mr. Little from competing with the Company during his employment and for a period of one year thereafter, and from disclosing confidential information. On November 18, 2004, Amendment No. One to the Employment Agreement was executed entitling Mr. Little to paid vacations in accordance with the amended regular policy of the Company for the executive officers.

If Mr. Little's employment is terminated by the Company without cause or by Mr. Little for "good reason" within six months prior to a change-of-control or within one year thereafter, then in lieu of payment of 12 months' base salary, the Company shall pay Mr. Little in 24 monthly installments a cash severance amount equal to three times his average annual compensation, including base salary and bonuses.

Beginning on January 1, 2004 and continuing on each anniversary of the agreement, the agreement will be automatically extended for an additional year unless the parties have renegotiated the agreement or one of the parties has given the other party notice of non-renewal.

AUDIT COMMITTEE REPORT

Composition

The Audit Committee of the Board of Directors is currently composed of two directors, both of whom satisfy the independence standards for Audit Committee members under the rules of the Nasdaq National Market, and operates under a written charter. In November 2002, the Audit Committee adopted an amended Audit Committee Charter, a copy of which is attached as Appendix A to the Proxy Statement dated April 22, 2003. For 2004, the Committee was composed of Messrs. Henseler, *chairman* and Magliochetti. The Board intends to appoint a third member of the Audit Committee at the Board meeting following the Meeting in Lieu of Annual Meeting of Stockholders in May 2005.

Responsibilities

The responsibilities of the Audit Committee include engaging an accounting firm to serve as Spire's independent auditors. Management is responsible for Spire's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of Spire's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to oversee these processes and Spire's internal controls. The Audit Committee does not prepare or audit the Company's financial statements or certify their accuracy.

Review with Management and Independent Accountants

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that Spire's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, Codification of Statements on Auditing Standards, AU §380.

Edgar Filing: SPIRE CORP - Form DEF 14A

Spire's independent auditors also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee discussed with the independent auditors, Vitale, Caturano & Company, Ltd. (VCC), the firm's independence.

Summary

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management, and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Spire's Annual Report on Form 10-KSB for the year ended December 31, 2004, as filed with the Securities and Exchange Commission.

This report is submitted by the Audit Committee.

Audit-Related Fees were for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under *Audit Fees*. These services include accounting consultations and audit fees in connection with an acquisition and consultations concerning financial accounting and reporting standards.

Tax Fees were for professional services rendered for federal, state and international tax compliance, tax advice and tax planning.

All Other Fees were for services other than the services reported above and include agreed-upon procedures in 2004.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services.

Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with the pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors of Spire Corporation has engaged Vitale, Caturano & Company, Ltd. (VCC) as the Company's independent public accountants for the current fiscal year. They have served as accountants for the Company since January 7, 2004.

As the Company's independent public accountants, VCC was engaged to conduct quarterly reviews of the Company; to conduct an audit of the financial statements of the Company for the full year 2004; and to prepare the federal and state tax returns of the Company for the year ended December 31, 2004. The Audit Committee has selected VCC to audit the Company's books and records for the fiscal year ending December 31, 2005. Representatives of VCC are expected to attend the Meeting in order to respond to questions from stockholders and will have the opportunity to make a statement.

COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors is composed of two independent directors, as defined by the Securities and Exchange Commission rules, and operates under a written charter, a copy which is attached as Appendix B to the Proxy Statement dated April 22, 2003. For 2004, the Committee was composed of Messrs. Mayer, *chairman*, and Redmond.

PROXIES AND VOTING AT THE MEETING

Each signed and returned proxy will be voted in accordance with any instructions of the stockholder(s) executing the proxy. A proxy signed without instructions will be voted in accordance with the Board's recommendations. If a stockholder attends the Meeting and votes in person, his or her proxy will not be counted. A signed proxy may be revoked at any time before it is exercised, either in person or by giving written notice of revocation to the Clerk of the Company at the address on the first page of this Proxy Statement.

Each share of Common Stock is entitled to one vote on all matters submitted to the stockholders for approval. No vote may be taken unless a quorum (*i.e.*, a majority of the Common Stock issued, outstanding, and entitled to vote) is present at the Meeting in person or by proxy. The seven nominees for election as directors at the Meeting who receive the greatest number of votes properly cast for the election of directors shall be elected the directors of the Company. Broker non-votes are counted for purposes of determining the presence of a quorum, but are not counted for purposes of determining the result of any vote. Abstentions are counted in determining the presence of a quorum and, therefore, have the effect of a vote against a proposal (by raising the number of affirmative votes required to constitute a majority of the quorum).

The Board has fixed March 31, 2005, as the record date for determining the stockholders entitled to vote at the Meeting. On that date there were 6,856,616 shares of Common Stock issued, outstanding, and entitled to vote. Each share is entitled to one vote.

OTHER MATTERS

The Board knows of no other matters that may come before the Meeting. If any other matters should properly come before the Meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their judgment on such matters. Such discretionary authority is conferred by the proxy.

All costs of this solicitation, which is being made principally by mail, but which may be supplemented by telephone or personal contacts by the Company's directors, officers, and employees without additional compensation, will be borne by the Company. Brokers will be requested to forward proxy soliciting material to the beneficial owners of the stock held in such brokers' names, and the Company will reimburse them for their expenses incurred in complying with the Company's request.

In the Company's filings with the SEC, information is sometimes incorporated by reference. This means that the Company is referring you to information that has previously been filed with the SEC, so the information should be considered as part of the filing you are reading. Based on SEC regulations, the Audit Committee Report specifically is not incorporated by reference into any other filings with the SEC.

The Company's policy is to encourage its Board members to attend the Annual Meeting of Stockholders, and all of the members standing for re-election attended the Special Meeting in Lieu of the 2004 Annual Meeting of Stockholders.

STOCKHOLDER PROPOSALS 2006 ANNUAL MEETING

In order to be considered for presentation at the 2006 Annual Meeting of Stockholders, and to be included in the proxy statement and form of proxy for that meeting, stockholder proposals must be received by the Company at its corporate offices in Bedford, Massachusetts, no later than December 14, 2005.

Independent directors will consider any director nominees you recommend in writing for the 2006 Annual Meeting if the Clerk receives notice by December 14, 2005, and you are a stockholder of record on the day you provide notice of your recommendation or nomination to the Company and on the record date for determining stockholders entitled to notice of the meeting and to vote. You may also nominate an individual for election as a director at the 2006 Annual Meeting.

In either event, your notice must include the following information for each person you are recommending or nominating for election as a director:

the name, age, business address and residence address of the person;

the principal occupation or employment of the person;

the number of shares of Spire Common Stock which the person owns beneficially or of record; and

Edgar Filing: SPIRE CORP - Form DEF 14A

any other information relating to the person that must be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Exchange Act and its rules and regulations.

In addition, your notice must include the following information about you:

your name and record address;

the number of shares of Spire Common Stock that you own beneficially or of record;

a description of all arrangements or understandings between you and each proposed nominee and any other person or persons, including their names, pursuant to which the nomination is to be made;

a representation that you intend to appear in person or by proxy at the meeting to nominate the person or persons named in your notice; and

any other information about you that must be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Exchange Act and its rules and regulations.

The notice must include written consent by each proposed nominee to being named as a nominee and to serve as a director if elected. No person will be eligible for election as a director of Spire unless recommended by a majority of independent directors and nominated by the Board or nominated in accordance with the procedures set forth above.

By Order of the Board of Directors,

Michael W. O Dougherty, *Clerk*
