PROXY STATEMENT

2005 Annual Meeting of Shareholders

SOLICITATION OF PROXIES

This Proxy Statement (first mailed to shareholders on or about April 19, 2005) is furnished in connection with the solicitation of proxies by Citadel Broadcasting Corporation (the "Company") for use at the Company's 2005 Annual Meeting of Shareholders, to be held on Tuesday, May 24, 2005, at 8:30 a.m., local time, at the JPMorgan Chase Conference Centers, 277 Park Avenue, 18th Floor Room A, New York, NY 10017, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Each valid proxy received in time will be voted at the meeting according to the choice specified, if any. A proxy may be revoked at any time before the proxy is voted, as outlined below.

The Company's Annual Report on Form 10-K for the year ended December 31, 2004 accompanies this Proxy Statement but does not form a part of the proxy soliciting material.

If your shares of Common Stock are registered directly in your name on the records of EquiServe Trust Company, N.A., you are considered a shareholder of record and will receive your proxy soliciting material from the Company. If your shares are held through a broker, bank or other financial institution, you are considered the beneficial owner of shares held in street name and will receive your proxy soliciting material from your broker, bank or other institution. If you hold your shares in street name, you are generally entitled to provide voting instructions to the registered holder.

The shares of Common Stock represented by valid proxies that we receive in time for the Annual Meeting will be voted as specified in such proxies. Valid proxies include all properly executed, written proxy cards received pursuant to this solicitation that are not later revoked. Voting your proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. Executed but unvoted proxies will be voted:

FOR the election of the Board of Directors nominees for Class II directors;

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

FOR the amendment and restatement of the Citadel Broadcasting Corporation 2002 Long-Term Incentive Plan (the Plan) to (1) increase the number of shares of common stock available for issuance under the plan by 5,000,000 shares, (2) limit the availability of certain types of awards so as to comply with new Internal Revenue Code Section 409A, which provides new rules for the taxation of deferred compensation and (3) make certain technical changes to the plan to bring the plan into compliance with the new Section 409A; and

FOR the ratification of Deloitte & Touche LLP as the Company's independent accountants.

On February 24, 2005, the compensation committee of the Board of Directors approved a grant to Farid Suleman, our CEO, of options to purchase 450,000 shares of common stock, conditional on the approval by the shareholders of the amendment of the Plan.

If any other matters properly come before the Annual Meeting, the persons named on the proxies will, unless the shareholder otherwise specifies in the proxy, have the discretion to vote upon such matters in accordance with their best judgment.

VOTING SECURITIES

Citadel Broadcasting Corporation has one class of outstanding voting securities, Common Stock, par value \$0.01 per share. As of March 29, 2005, there were 122,624,155 shares of Common Stock outstanding, net of shares held in treasury. Only shareholders of record of Common Stock at the close of business on March 29, 2005, which the Board of Directors has fixed as the record date, are entitled to vote at the Annual Meeting.

Each share of Common Stock is entitled to one vote. The presence in person or by proxy of holders of a majority of the voting power of the shares of Common Stock outstanding entitled to vote at the meeting on the

record date will constitute a quorum, permitting the shareholders to elect directors and to take action on the amendment and restatement of the Citadel Broadcasting Corporation 2002 Long-Term Incentive Plan, the approval of the independent accountants and other business matters properly brought before this meeting.

The vote of a plurality of the shares of the Company's Common Stock present in person or by proxy at the meeting is required to elect each of the Class II director nominees. Abstentions and broker non-votes in connection with the election of directors have no effect on such election since directors are elected by a plurality of the votes cast at the meeting.

Other business matters, including the amendment and restatement of the Citadel Broadcasting Corporation 2002 Long-Term Incentive Plan and the approval of the independent auditors, will be approved if they receive a vote of the holders of a majority of the voting power of the shares of Common Stock entitled to vote at the meeting and constituting a quorum. Abstentions with respect to these other matters will be considered a vote against the proposal and broker non-votes will have no effect on such matters since these votes will not be considered present and entitled to vote for this purpose. Broker non-votes will, however, be considered as present for determining whether a quorum is present at the meeting. A broker non-vote occurs when the nominee of a beneficial owner with the power to vote on at least one matter does not vote on another matter because the nominee does not have the discretionary voting power and has not received instructions from the beneficial owner with respect to such matter.

VOTING BY PROXY

If a shareholder is a corporation or a partnership, a duly authorized person must sign the accompanying proxy card in the full corporate or partnership name. If the proxy card is signed pursuant to a power of attorney or by an executor, administrator, trustee or guardian, the signer's full title must be given and a certificate or other evidence of appointment must be furnished. If shares are owned jointly, each joint owner must sign the proxy card.

Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. In addition, the powers of the proxy holders will be suspended if you attend the meeting in person and vote, although attendance at the meeting will not by itself revoke a previously granted proxy.

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

FOR the election of the Board of Directors' nominees for Class II directors;

FOR the amendment and restatement of the Citadel Broadcasting Corporation 2002 Long-Term Incentive Plan to (1) increase the number of shares of common stock available for issuance under the plan by 5,000,000 shares, (2) limit the availability of certain types of awards so as to comply with new Internal Revenue Code Section 409A, which provides new rules for the taxation of deferred compensation and (3) make certain technical changes to the plan to bring the plan into compliance with the new Section 409A; and

FOR the ratification of Deloitte & Touche LLP as the Company's independent accountants.

Management is not aware of any matters, other than those specified above, that will be presented for action at the annual meeting, but if any other matters do properly come before the meeting, the proxy holders will vote as recommended by the Board of Directors, or, if no recommendation is given, in their own discretion.

As of March 29, 2005, Forstmann Little partnerships held approximately 62% of the combined voting power of the outstanding Common Stock. Accordingly, Forstmann Little partnerships will have sufficient voting power to elect all members of the Board of Directors and to control substantially all other actions that may come before the Annual Meeting.

Stockholder s Agreements

In June 2001, 15 employees (together with two entities controlled by an employee) were awarded the right to purchase, and actually purchased, shares of the Company's common stock. Mr. Taylor, one of the Company's executive officers, was among these 15 employees and purchased 88,785 shares of common stock for approximately \$6.76 per share. In addition, in February 2002, the Company agreed with Mr. Suleman that he would purchase \$4.0 million of shares of the Company's common stock in connection with his joining the Company in March 2002. Mr. Suleman paid for these shares in April 2002. Mr. Suleman purchased a total of 592,074 shares of common stock for approximately \$6.76 per share, which was not based on fair market value. In May 2003, Judith A. Ellis, the Company's Chief Operating Officer, was awarded the right to purchase, and actually purchased, a total of 48,899 shares of the Company's common stock for approximately \$10.23 per share. The price paid for these shares was based upon the estimated fair value of the shares on the date of purchase. These members of our management entered into stockholder s agreements relating to these shares of our common stock, which, among other things, restrict the transfer of the shares of common stock. The stockholder s agreements are substantially identical and are summarized below. As of March 29, 2005, the Company has an aggregate amount of 1,280,516 shares of common stock subject to stockholder s agreements.

The stockholder s agreements provide that the stockholder may participate proportionately in any sale by the Forstmann Little partnerships of their shares of the Company's common stock to a third party. In addition, the stockholder may, and may be required to (if determined by the Board of Directors), participate proportionately in a public offering of shares of common stock by the Forstmann Little partnerships, by selling the same percentage of his or her shares that the Forstmann Little partnerships are selling of their shares. If the Forstmann Little partnerships sell their common stock to a third party, the Forstmann Little partnerships may require the stockholder to sell a proportionate amount of his or her shares and, if stockholder approval of the transaction is required, to vote his or her shares in favor of the sale.

If a stockholder s employment is terminated, the Company has the option to purchase any unvested shares of common stock held by the stockholder. The purchase price for these shares is the stockholder s cost. If a stockholder engages in prohibited or competitive activities, or criminal acts, or grossly or willfully neglects his or her duties, we have the option to purchase any shares of common stock held by the stockholder. The purchase price for these shares is the lesser of the stockholder s cost or the book value per share.

If a stockholder s employment is terminated without cause, a stockholder may require the Company to purchase all, but not less than all, of the shares of common stock held by the stockholder. The purchase price for these shares is the stockholder s cost, except that in the case of the repurchase of vested shares from a stockholder terminated by reason of death, permanent disability or adjudicated incompetency, the purchase price is fair value.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) requires the Company s executive officers and directors and persons who own more than 10% of the Company s common stock to file reports of ownership and changes in ownership of the Company s common stock with the Securities and Exchange Commission (the SEC) and the New York Stock Exchange (the NYSE). Based solely on a review of copies of such reports and written representations from the reporting persons, the Company believes that during the year ended December 31, 2004, its executive officers, directors and greater than 10% stockholders filed on a timely basis all reports due under Section 16(a) of the Exchange Act, with two exceptions: Messrs. Checketts and Miles each made one late filing to reflect the granting of options to them in March 2004, in each case due to an unintentional administrative oversight.

CORPORATE GOVERNANCE

Companies listed on the NYSE must comply with certain standards regarding corporate governance, as codified in Section 303A of the Listed Company Manual of the NYSE, with some exceptions. A company of which more than 50% of the voting power is held by an individual, a group or another company need not comply with the requirements of Sections 303A.01 Independent Directors, 303A.04 Nominating/Corporate Governance Committee or 303A.05 Compensation Committee. Since four of the Company s shareholders, Forstmann Little & Co. Equity Partnership-VI, L.P., Forstmann Little & Co. Equity Partnership-VII, L.P., Forstmann Little & Co. Subordinated Debt and Equity Management Buyout Partnership-VII, L.P. and Forstmann Little & Co. Subordinated Debt and Equity Management Buyout Partnership-VIII, L.P., which are affiliates of each other, control 62% of the combined voting power of the Common Stock, the Company has elected to avail itself of the above exemptions from these three requirements. Accordingly, except in the case of Katherine Brown, David W. Checketts and Michael A. Miles, who are members of our audit committee, the Board has not affirmatively determined that the other directors qualify as independent under the NYSE s corporate governance rules, although we have determined that our Chairman and Chief Executive Officer, Farid Suleman, does not meet the definition of independent under either the NYSE s or SEC s rules.

The Company has undertaken a review of its corporate governance policies and taken the following measures to comply with the rules and regulations of the SEC and NYSE regarding corporate governance practices:

Adopted governance guidelines for the Board of Directors.

Adopted procedures for our non-management directors to meet in executive sessions.

Adopted a Code of Business Conduct and Ethics that is applicable to all of our directors, officers and employees.

Adopted a Code of Ethics that is applicable to our principal executive officer and senior financial and accounting officers.

Adopted a policy on reporting of improper financial practices to address accounting or auditing concerns.

Adopted an Audit Committee Charter, incorporating all of the applicable requirements of Sarbanes-Oxley and the related regulations.

Adopted a procedure for handling complaints regarding accounting matters.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

Adopted a Securities Trading Policy to ensure that persons subject to the reporting requirements of Section 16 of the Exchange Act will be able to comply with all applicable filing requirements in a timely manner.

In addition, the Board established a compensation committee on February 24, 2005. The Board has not yet adopted a charter for this committee. If the Board does adopt a charter, the Company intends to make the charter available to the public on the Company's website.

The Company's Corporate Governance Guidelines, Code of Business Conduct and Ethics and Code of Ethics for Principal Executive and Senior Financial and Accounting Officers, as well as the Audit Committee Charter are available on the Company's website at www.citadelbroadcasting.com.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In June 2001, the Company was capitalized by four partnerships affiliated with Forstmann Little & Co. and members of the Company's management to acquire Citadel Communications Corporation, which was then a publicly owned company. The Company financed the acquisition by issuing its common stock to the Forstmann Little partnerships and members of management, by incurring indebtedness under a new credit facility and by issuing an aggregate of \$500 million of subordinated debentures to two of the Forstmann Little partnerships. These partnerships immediately distributed the subordinated debentures to their respective limited partners. The subordinated debentures were general senior subordinated obligations, were not subject to mandatory redemption and were to mature in three equal annual installments beginning June 26, 2012, with the final payment due on June 26, 2014. The debentures bore interest at a fixed rate of 6% payable semi-annually in June and December each year. The balance of debentures outstanding at December 31, 2003 was \$500 million. On February 18, 2004, the Company prepaid all of the outstanding subordinated debentures with the net proceeds from the offering by the Company of 9,630,000 shares of common stock and the issuance of \$330.0 million of convertible subordinated notes.

Each of the four Forstmann Little partnerships has a contractual right, for so long as it holds any shares of the Company's common stock, to designate a nominee for election to the Company's Board of Directors, and the Company is obligated to solicit proxies in favor of each of these four nominees and to use reasonable efforts to cause each of these four nominees to be elected.

The Company has also granted to the Forstmann Little partnerships six demand rights to cause the Company to file a registration statement under the Securities Act covering resales of all shares of common stock held by the Forstmann Little partnerships, and to cause the registration statement to become effective. The registration rights agreement also grants piggyback registration rights permitting the Forstmann Little partnerships to include their registrable securities in a registration of securities by the Company. Under the agreement, the Company will pay the expenses of these registrations.

The Company reimburses Forstmann Little & Co. and its affiliates for expenses paid on the Company's behalf and receives reimbursements from Forstmann Little & Co. for expenses paid on its behalf, including travel and related expenses, and office and other miscellaneous expenses. For the year ended December 31, 2004, the Company reimbursed Forstmann Little & Co. and its affiliates a net amount of approximately \$1.7 million. Forstmann Little & Co. also provides use of office space to certain of the Company's executive officers and employees at no cost.

FL Aviation Corp., an affiliate of Forstmann Little & Co., operates and maintains the Company's corporate aircraft at cost. In connection therewith, the Company reimburses all costs incurred by FL Aviation Corp. in operating the aircraft.

The Company's Chairman and Chief Executive Officer, Farid Suleman, is a special limited partner of Forstmann Little & Co. Mr. Suleman was paid approximately \$1.1 million in 2004 for providing advice and consulting services to Forstmann Little & Co. as a special limited partner. Mr. Suleman has the right to invest in Forstmann Little & Co. portfolio investments from time to time. Mr. Suleman has informed us that he has not invested in the Forstmann Little partnerships' investments.

Theodore J. Forstmann is the senior partner of, and Gordon A. Holmes is a general partner of, Forstmann Little & Co. Messrs. Forstmann and Holmes serve as members of the Company's Board of Directors. Michael A. Miles and J. Anthony Forstmann are special limited partners of

Forstmann Little & Co. Mr. Miles also serves

on the Forstmann Little advisory board and, as such, has an economic interest in the Forstmann Little partnerships. Mr. Miles is also an investor in certain affiliated partnerships of Forstmann Little & Co., which gives him an economic interest in certain portfolio investments, including the Company. J. Anthony Forstmann is the brother of Theodore J. Forstmann. Sandra J. Horbach is a limited partner of Forstmann Little & Co. Mr. Checketts serves as a director of McLeodUSA Incorporated and IMG Worldwide Holdings, Inc., each of whose stock is controlled by certain affiliated partnerships of Forstmann Little & Co. On January 31, 2005, Mr. Theodore Forstmann made a loan in the principal amount of \$3.5 million to Sports Capital Partners, LLC, an entity controlled by Mr. Checketts. The loan matures on June 30, 2005, at which time, at Mr. Forstmann's option, the loan must be either repaid in its entirety or converted to an equity interest in Sports Capital Partners, LLC.

On February 18, 2004, the Company completed a public offering of 29,630,000 shares of its common stock at \$19.00 per share, including 9,630,000 primary shares sold by the Company and 20,000,000 shares sold by certain of the Company's stockholders. The 20,000,000 shares included 19,856,626 and 18,338 shares of common stock sold by Forstmann Little & Co. and its affiliates and Randy Taylor, one of the Company's executive officers, respectively.

Randy L. Taylor, one of the Company's executive officers, has been indebted to the Company since June 2001 under a promissory note which bears an annual interest rate of 5.02%. This note is full recourse against Mr. Taylor. This note was delivered to the Company by Mr. Taylor in partial payment for his purchase of the Company's common stock. The promissory note was secured by the 88,785 shares of common stock to which it relates. On February 18, 2004, Mr. Taylor repaid \$304,466 of his note using proceeds of the sale of 18,338 shares of common stock, and in July 2004, Mr. Taylor repaid an additional \$75,000. Based on the closing price of the Company's common stock on the NYSE on December 31, 2004 of \$16.18 per share, the remaining 70,447 shares of common stock were valued at \$1,139,832. To the extent Mr. Taylor sells any common stock, the note requires that the net proceeds he receives, after taxes, be used to reduce the outstanding balance under his note. The highest amount outstanding under Mr. Taylor's note since January 1, 2004 was \$426,800.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During the year ended December 31, 2004, the Board of Directors met four times. The Board of Directors has a standing audit committee which currently has three members. During 2004, each director attended at least 50% of the total number of meetings of the Board of Directors and meetings of the audit committee, if the director served on such committee.

During the year ended December 31, 2004, the Company did not have any other standing committees of the Board. Although the Company had not established formal nominating/governance or compensation committees, Theodore Forstmann, Sandra J. Horbach and Farid Suleman have from time to time acted as an ad hoc committee for the purpose of identifying and recruiting qualified Board members consistent with the principals and director qualifications set forth in the Company's Corporate Governance Guidelines. The non-management members of the Board acted without a formal compensation committee in reviewing the terms of compensation of the Company's Chairman and CEO, Farid Suleman, for the year ended December 31, 2004. Meeting in executive session on February 24, 2005, the non-management members of the Board determined Mr. Suleman's bonus for the fiscal year ended December 31, 2004.

The Board established a compensation committee on February 24, 2005, consisting of Sandra J. Horbach (who will act as chairperson), Theodore J. Forstmann and Herbert J. Siegel. The Board intends to set forth the responsibilities of the compensation committee in a charter.

The Board has not designated a presiding director of executive sessions held on a regular basis by non-management directors. Instead, a presiding director is selected at the time of such sessions by the other non-management directors present.

Any interested party that wishes to communicate directly with the non-management directors may do so by writing to the following address:

Citadel Broadcasting Corporation

Attn: Non-Management Directors

7201 W. Lake Mead Blvd., Suite 400

Las Vegas, Nevada 89128

or by sending an email to the following address:

nonmanagementdirectors@citcomm.com

Communications will be distributed as appropriate to the Board depending upon the facts and circumstances outlined in the communication.

The Company does not have a policy regarding Board members' attendance at the annual meeting of shareholders.

The Audit Committee

The audit committee provides assistance to the Company's Board of Directors in fulfilling its legal and fiduciary obligations in matters involving the Company's accounting, auditing, financial reporting, internal control and legal compliance function. The audit committee also oversees the audit efforts of the Company's independent accountants and takes those actions it deems necessary to satisfy itself that the accountants are independent of management. The members of the audit committee are Michael A. Miles, David W. Checketts, and Katherine Brown.

The Board of Directors has determined that all of the directors of the audit committee qualify as independent directors under rules of the NYSE and the SEC. The Board of Directors made this determination after considering the following relationships and assessing the potential effect of these relationships on the independence of the named director:

Mr. Miles is a member of the Forstmann Little advisory board and an investor in certain affiliated partnerships of Forstmann Little & Co., which give him an economic interest in certain portfolio investments, including the Company.

Mr. Miles is a special limited partner of Forstmann Little & Co.

Mr. Checketts serves as a director of McLeodUSA Incorporated and IMG Worldwide Holdings, Inc., each of whose stock is controlled by certain affiliated partnerships of Forstmann Little & Co.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

On January 31, 2005, Mr. Theodore Forstmann made a loan in the principal amount of \$3.5 million to Sports Capital Partners, LLC, an entity controlled by Mr. Checketts. The loan matures on June 30, 2005, at which time, at Mr. Forstmann's option, the loan must be either repaid in its entirety or converted to an equity interest in Sports Capital Partners, LLC.

The Board of Directors has determined that the relationships discussed above do not affect the independence of the named directors involved because neither director has made any commitment to the affiliated partnerships of Forstmann Little & Co. In the case of Mr. Miles, none of the rights of an advisory board or a special limited partner of Forstmann Little & Co. are contingent in any way on or affected by his continued service as a director or member of our audit committee nor do his duties as an advisory board member and special limited partner of Forstmann Little & Co. conflict with his duties as a member of the audit committee. In the case of Mr. Checketts, his duties as a member of the boards of a private company and of another public company affiliated with Forstmann Little & Co. do not conflict with his duties as a member of the audit committee, and neither the loan nor its terms of repayment are contingent in any way on Mr. Checketts' continued service as a member of the Board or audit committee of the Company. The Board of Directors is not aware of any other relationships involving the audit committee and the Company that required an assessment of materiality by the Board.

Each of the audit committee members is financially literate, as determined by the Company's Board in its business judgment. In addition, the Board of Directors has determined that Mr. Miles is an audit committee financial expert as defined under the applicable rules of the SEC.

During 2004, the audit committee held eight meetings, including four meetings to review quarterly results with the independent auditors. The Board of Directors has adopted a written audit committee charter. The charter is attached hereto as Appendix A and is also available on the Company's website at www.citadelbroadcasting.com or upon the request of the shareholder by writing to Randy L. Taylor, VP Finance and Secretary at 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, NV 89128.

The audit committee is primarily responsible for oversight of the integrity of the financial reporting process and financial statements of the Company. In general, the audit committee is responsible for the financial statements and disclosure matters, oversight of the Company's relationship with the independent accountants, oversight of the Company's internal audit function and oversight of compliance responsibilities. As part of these responsibilities, the audit committee, among other things:

appoints, retains and replaces the independent accountants for the Company;

reviews the compensation of and services performed by the independent accountants, including non-audit services (if any);

reviews and discusses the preparation of quarterly and annual financial reports with the Company's management and its independent accountants;

discusses with its independent accountants the matters required by SAS 61, *Codification of Standards on Auditing Standards* and evaluating the independence of the accountants in accordance with Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*;

reviews and discusses major issues regarding the Company's accounting principles with management and financial statement presentations and major issues as to the adequacy of the Company's internal controls;

reviews and discusses the initial adoption of, and all significant changes to, critical accounting policies and practices used by the Company with the independent accountants;

evaluates the qualifications, performance and independence of the auditors;

reviews the significant reports to management prepared by the internal auditing department and any management responses; and

reviews reports and disclosures of insider and affiliated party transactions.

Report of the Audit Committee

The audit committee reviewed and discussed with both management and its independent accountants all financial statements prior to their filing with the SEC. In connection with the December 31, 2004 financial statements, the audit committee (1) reviewed and discussed the audited

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

financial statements with management, including any significant transactions or issues; and (2) discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61, as amended. The audit committee also discussed with Deloitte & Touche LLP (D&T) their independence, including a consideration of the compatibility of non-audit services with such independence, and received from D&T written disclosures and the letter from D&T required by Independent Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. Based upon these reviews and discussions, the audit committee has recommended that the Board of Directors include the audited financial statements in the Company's Annual Report filed with the Securities and Exchange Commission on Form 10-K for the fiscal year ended December 31, 2004.

This report is respectfully submitted by the Audit Committee of the Board of Directors.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

The Company's Board of Directors did not have a compensation committee for the fiscal year ended December 31, 2004. For the fiscal year ended December 31, 2004, Theodore J. Forstmann, Sandra J. Horbach and Farid Suleman participated in deliberations concerning executive officer compensation, other than Mr. Suleman's compensation. The non-management members of the Board acted without a formal compensation committee in reviewing the terms of the compensation of the Company's Chairman and CEO, Farid Suleman. Mr. Suleman did not participate in deliberations regarding his compensation. None of the other Board members is either a current or former executive officer or employee of the Company or any of the Company's subsidiaries. Each of Theodore J. Forstmann and Gordon A. Holmes is a general partner in partnerships affiliated with the Forstmann Little partnerships.

Beginning in the fourth quarter of 2004, Charles P. Rose, Jr. and Herbert J. Siegel each received a quarterly payment of \$5,000 for their service as members of the Board, and Katherine Brown, David W. Checketts and Michael A. Miles each received a quarterly payment of \$7,500 for their service as members of the Board and its audit committee.

On October 25, 2002, the Company granted options to purchase 50,000 shares of the Company's common stock to directors who were neither executive officers nor a general partner of Forstmann Little & Co. The directors who received these options were David W. Checketts, J. Anthony Forstmann and Michael A. Miles. On February 28, 2003, the Company granted Charles P. Rose, Jr. options to purchase 50,000 shares of the Company's common stock. The exercise price of the options granted to Messrs. Checketts, Forstmann, Miles and Rose is \$16.00, which was based on the estimated fair market value of the underlying common stock on the date of grant. The options have a term of ten years and vest in four equal annual installments beginning on the first anniversary of the grant date, so long as the holder is a director of the Company on the applicable vesting date. On July 28, 2003, the Company granted options to purchase 50,000 shares of the Company's common stock to Herbert J. Siegel. The exercise price of Mr. Siegel's options was the initial public offering price of \$19.00 per share. On March 2, 2004, the Company granted options to purchase 10,000 shares of the Company's common stock to each of Messrs. Checketts and Miles at an exercise price of \$18.79, which is equal to the fair market value on the date of grant. On March 26, 2004, the Company granted options to purchase 400,000 shares of the Company's common stock to Farid Suleman at an exercise price of \$16.94, which represents fair market value on the date of grant. On September 29, 2004, the Company granted options to purchase 50,000 shares of the Company's common stock to Katherine Brown. The exercise price of Ms. Brown's options is \$12.71, which is equal to the fair market value on the date of grant.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements*Mr. Suleman's Employment Arrangements*

Farid Suleman joined the Company in March 2002. The following are the key terms of his employment pursuant to a letter, dated February 15, 2002, from Theodore J. Forstmann of Forstmann Little & Co. to Farid Suleman:

Mr. Suleman's annual salary is \$1 million per year and is subject to annual review and adjustment;

Mr. Suleman is eligible for an annual bonus of \$1 million, payable either in cash or in the form of warrants to purchase our common stock, at the option of the Board of Directors. The amount of the annual bonus is determined by the Board of Directors generally based on the Company's overall performance during the last fiscal year. If the bonus is paid in the form of warrants to purchase shares of the Company's common stock, the warrants will be valued, as determined by the Board of Directors, on the date of payment. The warrants will be fully vested at the time of payment and will have a ten-year term;

Mr. Suleman received options and purchased shares of common stock in connection with his appointment as Chief Executive Officer, as described below; and

Mr. Suleman is entitled to the Company's standard employee benefit package.

The Company granted to Mr. Suleman options to purchase 4,150,000 shares of the Company's common stock in connection with his becoming the Company's Chief Executive Officer. These options have a term of ten years and have a per share exercise price of \$3.50. The \$3.50 exercise price was determined by negotiations between the Company and Mr. Suleman and was not based on fair market value. Mr. Suleman may exercise the options for purposes of proportionately participating in the sale of shares of the Company's common stock by the Forstmann Little partnerships or in a change of control of the Company in which the Forstmann Little partnerships cease to own any shares of voting stock. Mr. Suleman's stock option agreement also provides that, if there is a sale of shares of the Company's common stock by the Forstmann Little partnerships or a change of control of the Company in which the Forstmann Little partnerships cease to own any shares of voting stock, Mr. Suleman may be required by the Company to proportionately exercise his options and participate in the sale of shares by the Forstmann Little partnerships.

Upon exercise of any of his options, Mr. Suleman is required to enter into a stockholder's agreement with the Company. The stockholder's agreement provides that Mr. Suleman may participate proportionately in any sale by the Forstmann Little partnerships of their shares of the Company's common stock to a third party. In addition, Mr. Suleman may, and may be required to (if determined by the Board of Directors), participate proportionately in a public offering of shares of common stock by the Forstmann Little partnerships, by selling the same percentage of his shares that the Forstmann Little partnerships are selling of their shares. If the Forstmann Little partnerships sell their common stock to a third party, the Forstmann Little partnerships may require Mr. Suleman to sell a proportionate amount of his shares and, if stockholder approval of the transaction is required, to vote his shares in favor of the sale.

The Company has the option to purchase, at their fair value, all of the shares of common stock purchased by Mr. Suleman upon exercise of his options after his termination of employment.

Report on Fiscal 2004 Executive Compensation

Because the Board of Directors did not have a compensation committee for the fiscal year ended December 31, 2004, the Board was responsible for determining the compensation of the Company's executive officers and generally reviewing the Company's employee compensation policies. The non-management members of the Board acted without a formal compensation committee in reviewing matters concerning compensation of the Company's Chief Executive Officer, Farid Suleman, during the year ended December 31, 2004. Mr. T. Forstmann and Ms. Horbach, together with Mr. Suleman, have acted as an ad hoc committee of the Board on matters concerning compensation of the Company's other executive officers. Mr. Suleman does not participate in Board discussions regarding his own compensation. Beginning with the year ending December 31, 2005, matters concerning Mr. Suleman's compensation and the compensation of other senior executives of the Company are expected to be acted upon by a compensation committee, which was formed on February 24, 2005.

It is the policy of the Board to provide attractive compensation packages to the Company's executive officers to attract and retain individuals with the appropriate experience and skills, to motivate them to devote their full energies to our success, to reward them for their services and to align their interests with the interests of our stockholders. Considering all of the foregoing, our executive compensation packages currently consist primarily of base salaries, annual cash bonuses and stock options.

Determinations as to appropriate base salaries of our executive officers are largely subjective and do not depend upon the application of a particular formula or the use of designated benchmarks. In general, the level of base salary is intended to provide appropriate base pay to our

executive officers, taking into account the competitive employment market for comparable positions, each individual's historical contribution to our

success, each individual's unique value and the recommendations of Mr. Suleman. In establishing base salaries for our executive officers in 2004, our Board considered numerous factors, including a subjective assessment of each individual's performance, the nature of the individual's responsibilities, the individual's contributions and importance to us, the individual's historical compensation and the nature and extent of the individual's other forms of compensation. We anticipate that future determinations of base salary made by the Board will be based on similar factors.

Cash bonuses are generally based on the achievement of specific financial and operating objectives such as targeted results for EBITDA and free cash flow. Each executive officer is assigned a target bonus, which is generally expressed as a percentage of base salary. Target bonuses vary in relation to each individual's responsibilities. Cash bonuses are paid based on the achievement of individual objectives considered along with our performance as a whole. In certain cases, bonuses have been guaranteed based on the compensation package negotiated at the time of employment. All of our executive officers are participants in the bonus program.

We also use stock options as a means of long-term incentive compensation. The Board determines the number of stock options granted to our executive officers and other employees on an individual, discretionary basis based on the recommendation of Mr. Suleman.

All compensation to our CEO, Farid Suleman, in 2004 was made pursuant to the terms of compensation arrangements negotiated on our behalf by Theodore Forstmann and Sandra Horbach at the time Mr. Suleman joined us in 2002. In 2004, this payment included a base salary of \$943,750 and a year-end bonus of \$750,000. In addition, on March 26, 2004, we granted Mr. Suleman an option to purchase 400,000 shares of our common stock. These options vest in quarterly installments annually, beginning on March 26, 2005. Further, when Mr. Suleman became our CEO in 2002, we granted him an option to purchase 4,150,000 shares of our common stock. Twenty-five percent of these options were immediately exercisable, an additional 25% of the options became exercisable on March 4, 2003, 2004 and 2005. Mr. Suleman received no other compensation from us in 2004, and, accordingly, the Board took no other action with respect to Mr. Suleman's compensation during the year.

Section 162(m) of the Internal Revenue Code generally provides that publicly held corporations will only be able to deduct, for federal income tax purposes, compensation paid to its named executive officers in excess of \$1,000,000 per year if it is paid pursuant to qualified performance-based compensation plans approved by our stockholders. Compensation as defined under Section 162(m) includes, among other things, base salary, incentive compensation and income attributable to stock option transactions. The Board's primary objective in designing and administering our compensation policies is to support and encourage the achievement of our long-term strategic goals and to enhance stockholder value. When consistent with this compensation philosophy, the Board also intends to structure its compensation programs such that compensation paid thereunder will be tax deductible by us to the maximum extent possible. The Board intends to consider, on a case-by-case basis, how Section 162(m) will affect our compensation plans and contractual and discretionary compensation but reserves the right to pay compensation that is not deductible under Section 162(m).

This report is respectfully submitted by the Board of Directors.

PROPOSAL 1 ELECTION OF CLASS II DIRECTORS

The Company's Board of Directors is currently composed of ten directors.

The Company's amended and restated certificate of incorporation provides for a classified Board of Directors consisting of three classes. Each class consists, as nearly as possible, of one-third of the total number of directors constituting the entire Board. The term of the initial Class I directors terminated on the date of the 2004 annual meeting of shareholders; the term of the initial Class II directors will terminate on the date of the 2005 annual meeting of shareholders; and the term of the initial Class III directors will terminate on the date of the 2006 annual meeting of shareholders.

Beginning in 2004, at each annual meeting of shareholders, successors to the class of directors whose term expires at that annual meeting will be elected for a three-year term and until their respective successors are elected and qualified. A director may only be removed with cause by the affirmative vote of the holders of a majority of the outstanding shares of capital stock entitled to vote in the election of directors, voting together as a single class. Each of the four Forstmann Little partnerships has a contractual right, for so long as it holds any shares of our Common Stock, to designate a nominee for election to the Company's Board of Directors, and the Company is obligated to solicit proxies in favor of each of these four nominees and to use reasonable efforts to cause each of these four nominees to be elected. The nominees of the Forstmann Little partnerships are Theodore J. Forstmann, Sandra J. Horbach, Gordon A. Holmes and J. Anthony Forstmann, of whom only Sandra J. Horbach and Gordon A. Holmes are Class II directors whose terms of office will terminate on the date of the 2005 annual meeting of shareholders and are accordingly standing for re-election at the meeting.

Nominees

Upon the recommendation of the Board of Directors, the following four directors listed in the table below are nominated for election to serve as Class II directors for a term of three years and until their respective successors are elected and qualified. If any of the nominees are unable to serve or refuse to serve as directors, an event which the Board does not anticipate, the proxies will be voted in favor of such other person(s), if any, as the Board of Directors may designate. A plurality of the votes cast at the Annual Meeting will elect each Class II director. Shareholders may not grant a proxy for a greater number of persons than four, which is the number of nominees identified herein.

**PROPOSAL 2 APPROVAL OF THE AMENDMENT AND RESTATEMENT OF
THE 2002 LONG-TERM INCENTIVE PLAN**

The Board of Directors recommends that you vote FOR the approval of the amendment and restatement of the Citadel Broadcasting Corporation 2002 Long-Term Incentive Plan (the Plan) described in this Proposal 2.

The following is a summary of the key amendments to the Plan as well as a summary of the overall Plan, as proposed to be amended. The statements made herein concerning terms and provisions of the Plan are summaries and do not purport to be a complete recitation of the Plan provisions. Such statements are qualified in their entirety by express reference to the full text of the Plan. A copy of the Plan, as proposed to be amended and restated, is attached hereto as *Appendix B* and is incorporated by reference herein. Copies of the Plan, as proposed to be amended and restated, also are available by writing or telephoning us at the following address: Corporate Secretary, City Center West, Suite 400, 7201 West Lake Mead Blvd., Las Vegas, Nevada 89128, (702) 804-5200.

Description of Proposal

At the meeting, you will be asked to approve an amendment and restatement of our Plan which would (1) increase by 5,000,000 the number of shares of our common stock reserved for issuance under the Plan, (2) limit the availability of certain types of awards so as to comply with new Section 409A (Section 409A) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code), which provides new rules for the taxation of deferred compensation and (3) make certain technical changes to the Plan to bring the Plan into compliance with Section 409A.

Increase in number of shares reserved for issuance. As currently in effect, 5,000,000 shares of common stock have been reserved for issuance in connection with the grant of options and other awards under the Plan. As of March 31, 2005, the Company has granted options to purchase substantially all of the shares of common stock available for issuance under the Plan. On April 11, 2005, the closing price of the Company's common stock as reported on the NYSE was \$13.98. The Plan is intended to promote the long-term interest of the Company by aligning employee financial interests with long-term stockholder value.

On February 24, 2005, the compensation committee of the Board of Directors approved a grant to Farid Suleman, our CEO, of options to purchase 450,000 shares of common stock, conditional on the approval by the shareholders of the amendment of the Plan.

The Board of Directors believes that the additional 5,000,000 shares will allow us to continue our long-term incentive program and to achieve the purpose of the Plan over its 10-year term. Generally, we expect to award stock options under the Plan at levels based upon criteria that are comparable to the levels and criteria used in connection with past grants under the Plan. The Board of Directors believes that the proposed increase in the number of shares available for issuance under the Plan is necessary to continue the effectiveness of the Plan in attracting, motivating and retaining outside directors, officers and key employees with appropriate experience and ability to increase the grantees' alignment of interest with the Company's stockholders. Should the stockholders approve the proposed amendment to the Plan, the total number of shares of our common stock available for future grants under the Plan would be approximately 5 million shares, not including shares underlying outstanding grants.

Compliance with Section 409A. The amendments to limit the availability of certain awards and to make technical modifications to the Plan are intended to avoid classification of awards under the Plan as deferred compensation within the meaning of Section 409A. These modifications will enable the Board to continue to use the Plan for incentive-based compensation and also will allow the Board to utilize the Plan more

effectively to make tax-efficient compensation awards.

Summary of the Plan, as Proposed to be Amended and Restated

The Board of Directors has approved the proposed amendment and restatement of the Plan, subject to shareholder approval.

Purpose of the Plan. The Plan was originally adopted to strengthen the Company and our subsidiaries by providing an incentive to our employees, officers, consultants and directors and thereby encouraging them to devote their abilities and industry to the success of the Company's business enterprise. Our Board of Directors believes that our growth is dependent upon our ability to attract, employ and retain executives, directors and employees of outstanding ability who will dedicate their maximum productive efforts toward the advancement of the Company. The Board has found that incentive awards granted to employees and directors have been highly effective in recruiting and retaining competent personnel. The growing competition among companies for capable managers and directors makes it necessary for us to maintain a strong and competitive incentive program.

Eligibility and Participation. Employees (including future employees who have received a formal written offer of employment), officers, consultants, independent contractors and directors of the Company and our subsidiaries generally will be eligible to receive incentive stock options and other stock awards to purchase up to the aggregate number of shares of common stock authorized for issuance under the Plan. In making its selection and in determining the form and amount of awards, the Board or committee may give consideration to the functions and responsibilities of the eligible person, his or her past, present and potential contributions to the Company and such other factors as the Board or committee deems relevant.

Awards under the Plan. Awards under the Plan may be in the form of any one or more of the following: (i) incentive stock options qualifying under Section 422 of the Internal Revenue Code and non-qualified stock options; (ii) stock appreciation rights; (iii) performance awards; (iv) restricted stock and (v) phantom shares.

All cash proceeds from the exercise of options will constitute general funds of the Company. It is not presently possible to determine the dollar value of award payments that may be made, or the individuals who may be selected for such awards, in the future under the Plan. Stock option grants under the Plan made during the fiscal year ended December 31, 2004 to the Chief Executive Officer and each of other the named executive officers are shown in the Summary Compensation Table and the table titled Option Grants in Last Fiscal Year, contained in this Proxy Statement. Options granted during the fiscal year ended December 31, 2004 to all executive officers as a group represented an aggregate of 555,000 shares, to all employees (excluding executive officers) as a group represented an aggregate of 1,565,000 shares and to all directors who are not executive officers as a group represented an aggregate of 70,000 shares.

Shares Subject to the Plan. As currently in effect, 5,000,000 shares of common stock have been reserved for issuance in connection with the grant of options, subject to adjustment in the event of a stock split, recapitalization or other similar change affecting the common stock. As amended and restated, the number of shares reserved for issuance would be 10,000,000, subject to adjustment in the event of a stock split, recapitalization or other similar change affecting the common stock and including shares reserved for issuance upon exercise of options previously granted. As of March 31, 2005, the Company has granted options to purchase substantially all of the shares of common stock available for issuance under the Plan.

Upon the granting of an option or award, the number of shares available for granting of further options and awards will be reduced. Whenever any outstanding option or award or portion thereof expires, is canceled, is settled in cash or is otherwise terminated for any reason without having been exercised or payment having been made in respect of the entire option or award, the shares allocable to the expired, canceled, settled or otherwise terminated portion of the option or award may again be the subject of options or awards granted under the Plan.

Stock Options and Terms. The stock options granted under the Plan have an exercise price that is no less than the common stock's fair market value at the date of grant. The stock options generally vest ratably over a four-year period commencing one year after the date of grant. They generally expire on the tenth anniversary of the date of grant. The outstanding options granted under the Plan have exercise prices ranging from \$3.50 to \$20.20 and expiration dates from March 4, 2012 to February 24, 2015.

The number of shares of common stock that may be granted and the timing of grants to eligible persons under the Plan is subject to the discretion of the Board of Directors or a committee of the Board that administers the Plan, if any. The Board or committee will determine, among other things, the persons to whom options will be granted, the types of options granted, the number of shares subject to options and the exercise price.

As currently in effect, the exercise price of all incentive stock options granted must be at least equal to 100% of the fair market value of the common stock on the date of grant (110% in the case of incentive options granted to stockholders who own more than 10% of the outstanding common stock) as determined by the Board or committee or as otherwise set forth in the Plan.

The Board or committee also determines the term of each option, the restrictions or limitations thereof and the manner in which each option may be exercised. Options granted under the Plan will expire not later than the tenth anniversary of the date of grant (the fifth anniversary in the case of incentive options granted to stockholders who own more than 10% of the outstanding common stock), except that upon the death of the optionee prior to the expiration of the option, an option may be exercised for up to one year following the date of the optionee's death. Each option generally will become exercisable in such installments and at such times as may be designated by the Board or committee. The Plan provides that the Board or committee may provide for the exercise of an option by a variety of methods, including payment in cash or shares of common stock or a combination of cash and shares of common stock. To the extent not exercised, installments will accumulate and be exercisable, in whole or in part, at any time after becoming exercisable, but not later than the date the option expires. The committee may accelerate the exercisability of any option or portion thereof at any time.

We are proposing to amend the Plan to eliminate the Company's ability to (1) permit an option holder to defer the issuance of shares upon the exercise of a non-qualified option, (2) to require that the exercise price of all options granted must be at least equal to 100% of the fair market value of the common stock on the date of grant (110% in the case of incentive options granted to stockholders who own more than 10% of the outstanding common stock) as determined by the Board or committee or as otherwise set forth in the Plan and (3) to clarify that it is the Company's intent that no option granted under the Plan shall be treated as a payment of deferred compensation for purposes of Section 409A and that any ambiguities in construction be interpreted to effectuate such intent.

Stock Appreciation Rights. The Board or committee may in its discretion, grant stock appreciation rights in accordance with the Plan, the terms and conditions of which will be set forth in an agreement with the grantee.

We are proposing to amend the Plan to provide that the Board or committee may grant stock appreciation rights only if the Company's stock is traded on an established securities market. In addition, under the Plan as proposed to be amended no stock appreciation right would be issued unless the exercise price of such right is at least the fair market value of the underlying shares on the date of grant and the right does not provide for the deferral of compensation other than deferral of recognition of income until the exercise of the right. Further, we are proposing to amend the Plan so that stock appreciation rights may only be settled in shares of our common stock. Finally, we are proposing to amend the Plan to clarify that it is the Company's intent that no stock appreciation right granted under the Plan shall be treated as a payment of deferred compensation for purposes of Section 409A and that any ambiguities in construction be interpreted to effectuate such intent.

Restricted Stock. The Board or committee may grant awards to eligible individuals of restricted stock, which will be evidenced by an agreement between the Company and the grantee. Each agreement will contain such restrictions, terms and conditions as the Board or committee may, in its discretion, determine and (without limiting the generality of the foregoing) such agreements may require that an appropriate legend be placed on share certificates. Awards of restricted stock will be subject to the terms and provisions set forth in the Plan.

We are proposing to amend the Plan to clarify that it is the Company's intent that no restricted stock granted under the Plan shall be treated as a payment of deferred compensation for purposes of Section 409A and that any ambiguities in construction be interpreted to effectuate such intent.

Performance Awards. The Board or committee, in its discretion, may grant performance awards to eligible individuals, the terms and conditions of which shall be set forth in an agreement between the Company and the grantee. Performance units may be denominated in shares or a specified dollar amount and, contingent upon the attainment of specified performance objectives within the performance cycle, represent the right to receive payment as provided in the Plan. Each agreement will specify the number of performance units to which it relates, the performance objectives which must be satisfied in order for the performance units to vest and the performance cycle within which such performance objectives must be satisfied.

We are proposing to amend the Plan to provide that payment to grantees in respect of vested performance units shall be made as soon as practicable after the last day of the performance cycle to which such award relates, but in no event after the fifteenth day of the third month following the end of the taxable year of the Company in which the applicable performance objective is obtained. We are also proposing to amend the Plan to clarify that it is the Company's intent that no performance award granted under the Plan shall be treated as a payment of deferred compensation for purposes of Section 409A and that any ambiguities in construction be interpreted to effectuate such intent.

Other share-based awards. The Board or committee may grant a share award to any eligible individual on such terms and conditions as the Board or committee may determine in its sole discretion. Share awards may be made as additional compensation for services rendered by the eligible individual or may be in lieu of cash or other compensation to which the eligible individual is entitled from the Company.

We are proposing to amend the Plan to provide that the Board or committee may only grant share awards if the Board or committee determines in good faith that such awards will not be treated as deferred compensation for purposes of Section 409A. Additionally, we are proposing to amend the Plan to clarify that it is the Company's intent that no share award be treated as the payment of deferred compensation for purposes of Section 409A and that any ambiguities in construction be interpreted to effectuate such intent.

Phantom stock awards. The Board or committee may, in its discretion, grant shares of phantom stock to any eligible individuals. Such phantom stock will be subject to the terms and conditions established by the Board or committee and set forth in the applicable agreement. Upon the vesting of a phantom stock award, the grantee will be entitled to receive a cash payment in respect of each share of phantom stock which shall be equal to the fair market value of a share as of the date the phantom stock award was granted, or such other date as determined by the Board or committee at the time the phantom stock award was granted. The Board or committee may, at the time a phantom stock award is granted, provide a limitation on the amount payable in respect of each share of phantom stock. In lieu of a cash payment, the Board or committee may settle phantom stock awards with shares having a fair market value equal to the cash payment to which the grantee has become entitled.

We are proposing to amend the Plan to provide that all payments with respect to phantom stock awards shall be made no later than the fifteenth day of the third month following the end of the taxable year of the Company in which the phantom stock award vests. Additionally, we are proposing to amend the Plan to clarify that it is the Company's intent that no phantom stock award be treated as the payment of deferred compensation for the purposes of Section 409A and that any ambiguities in construction be interpreted to effectuate such intent.

Effect of Certain Transactions. The Board or committee may, at the time an option or award is granted or at any time thereafter, determine the effect of a Change in Control (as defined in the Plan) on the option or award. In addition, in the event of (a) the liquidation or dissolution of the Company or (b) a merger or consolidation of the Company (a Transaction), the Plan and the options and awards issued thereunder will continue in effect in accordance with their respective terms, except that following a Transaction either (i) each outstanding option or award will be treated as provided for in the agreement entered into in connection with the Transaction or (ii) if not so provided in such agreement, each optionee and grantee will be entitled to receive in respect of each share subject to any outstanding options or awards, as the case may be, upon exercise of any option or payment or transfer in respect of any award, the same number and kind of stock, securities, cash,

property or other consideration that each holder of a share was entitled to receive in the Transaction in respect of a share; provided, however, that such stock, securities, cash, property, or other consideration will remain subject to all of the conditions, restrictions and performance criteria which were applicable to the options and awards prior to such Transaction.

Plan Amendment and Termination. The Plan may be amended, suspended or terminated at any time by the Board of Directors, but no amendment that would increase the maximum number of shares that may be subjected to options or that may be awarded to a person or that would modify requirements as to eligibility for participation in the Plan will be effective without approval of the stockholders, in accordance with the Internal Revenue Code; and no material revision will be effective without stockholder approval in accordance with the regulations of the SEC and NYSE. No amendment to the Plan may, without the consent of the option holder, alter or impair any option previously granted under the Plan. The Plan will remain in effect until all shares of common stock reserved for issuance have been purchased, except that no awards may be granted under the Plan later than ten years after its effective date of June 4, 2002.

Certain United States Federal Income Tax Consequences under the Plan. The following is a brief description of certain federal income tax consequences to the Company and recipients of awards under the Plan. This description is based on the Internal Revenue Code, the Treasury regulations promulgated thereunder, judicial authority, published administrative positions of the Internal Revenue Service and other applicable authorities, all as in effect on the date of this Proxy Statement, and all of which are subject to change, possibly on a retroactive basis.

Stock Options. With respect to incentive stock options, generally the option holder is not taxed and the Company is not entitled to a deduction on either the grant or the exercise of an incentive stock option, so long as the requirements of Section 422 of the Internal Revenue Code continue to be met. If the option holder meets the employment requirements and does not dispose of the shares of common stock acquired upon exercise of an incentive stock option until at least (1) one year after transfer of the shares pursuant to the exercise of the option and (2) two years after the date the option was granted, gain or loss realized on sale of the shares will be treated as long term capital gain or loss. However, the excess of fair market value of the shares of stock as of the date of exercise over the exercise price is a tax preference item for the purposes of determining the option holder's alternative minimum tax. If the shares are disposed of before those periods expire, which is called a disqualifying disposition, the option holder will be required to recognize ordinary income in an amount equal to the lesser of (1) the excess, if any, of the fair market value of the common stock on the date of exercise over the exercise price or (2) if the disposition is a taxable sale or exchange, the amount of gain realized. The Company will not be entitled to a deduction as a result of the grant of an incentive stock option, the exercise of an incentive stock option, or the sale of incentive stock option shares after exercise unless there has been a disqualifying disposition of the shares. Upon a disqualifying disposition, the Company will generally be entitled, at the same time, to a deduction equal to the amount of ordinary income recognized by such person.

Non-Qualified Stock Options. The grant of non-qualified stock options under the Plan will not result in the recognition of any taxable income by the participants. A participant will recognize income on the date of exercise of the non-qualified stock option equal to the difference between (i) the fair market value on the date the shares were acquired, and (ii) the exercise price (equal to the fair market value of the Company's stock on the date of grant) of the option. The tax basis of these shares for purposes of a subsequent sale includes the option price paid and the ordinary income reported on exercise of the option; the holding period of these shares begins on the day following the date of exercise. The income reportable on exercise of the option by an employee is subject to federal and state income and employment tax withholding.

Generally, the Company will be entitled to a deduction in the amount reportable as compensation income by the participant on the exercise of a non-qualified stock option.

Stock Appreciation Rights. The holder of a stock appreciation right is entitled to receive shares of the Company's stock in an amount equal to the excess of the fair market value of the Company's stock on the date of exercise over the strike price (equal to the fair market value of the Company's stock on the date of grant) of the stock appreciation right. The recipient will recognize taxable income equal to the fair market value of the shares received on the date of exercise. The basis of any shares received will be equal to the fair market value of the shares on the date of exercise and the holding period of the shares will begin on the day after the date of exercise. Generally, the Company will be entitled to a corresponding deduction in an amount equal to the compensation income recognized by the holder.

Restricted Stock Grants. Restricted stock granted under the Plan generally will not be taxed to the recipient, nor deductible by the Company, at the time of grant unless the recipient makes an election under Section 83(b) of the Internal Revenue Code (a Section 83(b) Election). If the recipient does not make a Section 83(b) Election, then on the date the restrictions lapse and the shares become transferable or not subject to a substantial risk of forfeiture, the recipient recognizes ordinary income equal to the excess of the fair market value of the shares on that date over the purchase price paid for the stock, if any. If the recipient does make a Section 83(b) Election, then the recipient recognizes ordinary income equal to the excess of the fair market value of the shares on the date of the grant over the purchase price of the stock (if any). The recipient's tax basis for the shares includes the amount paid for the shares and the ordinary income recognized. Generally, the Company will be entitled to a deduction in an amount equal to the compensation income recognized by the recipient (i) in the case where the recipient does not make a Section 83(b) Election, at the time that the shares are no longer subject to a substantial risk of forfeiture or (ii) in the case where the recipient makes a Section 83(b) Election, on the date of grant.

Performance Units. A holder of performance units is entitled to receive cash or Company shares, contingent on the attainment of specified performance goals. The holder generally will recognize compensation income in an amount equal to the cash or the fair market value of the Company shares on the date of payment. Generally, the Company will be entitled to a corresponding deduction in an amount equal to the compensation income recognized by the holder.

Performance Shares. The Board or committee may grant awards of performance shares of the Company's stock that vest upon the grantee's obtaining certain performance objectives established by the Board or committee. The receipt of such performance shares generally should be treated in the same manner as the receipt of restricted stock, described above.

Phantom Stock. A holder of phantom stock will recognize compensation income on the date that the phantom shares vest in an amount equal to the amount of cash payable to the holder. Generally, the Company will be entitled to a corresponding deduction in an amount equal to the compensation income recognized by the holder.

Limits on Deductibility. Awards made under the Plan may provide for accelerated vesting in the event of a change of control of the Company. If such a provision becomes effective, certain amounts with respect to benefits derived may be characterized as parachute payments under provisions of the Internal Revenue Code. If such provisions are applicable, an employee will be subject to a 20% excise tax on any excess parachute payment pursuant to Internal Revenue Code Section 4999 and the Company will be denied a deduction with respect to such excess parachute payment pursuant to Internal Revenue Code Section 280G. An employee generally is deemed to have received a parachute payment if such employee receives compensation that (1) is contingent upon a change in the ownership or control of the Company and (2) exceeds, in the aggregate, an amount equal to three times the employee's base amount. The base amount generally is the average of the annual compensation of such employee for the five years preceding the change in ownership or control. An excess parachute payment with respect to any employee is the excess of the total parachute payments to such person over such person's base amount.

In addition, compensation in excess of \$1 million (including amounts treated as compensation as described above) paid to the Company's Chief Executive Officer (or person acting in that capacity) and the Company's four most highly paid individuals will not be deductible unless the compensation is payable on the achievement of certain performance goals or meets certain other exceptions under Section 162(m) of the Internal Revenue Code.

Section 409A. Newly enacted Section 409A imposes a number of limitations on deferred compensation plans, including limitations on compensation programs such as the Plan. It provides for an interest charge and an additional tax of twenty percent on the receipt of deferred compensation if those limitations are not observed. Section 409A applies to compensation deferred after December 31, 2004 (which includes compensation that vests after that date). The Company believes that none of the Options previously granted under the Plan constitute deferred compensation within the meaning of Section 409A. In addition, the Company believes that none of the awards eligible to be granted under the Plan on a prospective basis will constitute deferred compensation within the meaning of the Internal Revenue Code. Therefore, the Company believes that none of the grants and awards under the Plan will be subject to the interest charge and additional tax described above. However, because there are a number of uncertainties in the interpretation of Section 409A and only very limited guidance has been issued under the section, there can be no assurance that the Internal Revenue Service or a court would agree with these conclusions.

The discussion set forth above is intended only as a summary and does not purport to be a complete enumeration or analysis of all potential tax effects relevant to recipients of awards under the Plan. Accordingly, all award recipients are advised to consult their own tax advisors concerning the federal, state, local and foreign income and other tax considerations relating to such awards and rights thereunder.

Pre-Approval Policies and Procedures

The audit committee has adopted policies and procedures requiring audit committee review and approval in advance of all particular engagements for services provided by the Company's independent auditors. Prior to rendering any audit and non-audit professional services, Deloitte & Touche discusses such services with the audit committee, and the committee pre-approves the scope of such services and the related estimated fees. The scope of all audit and non-audit services rendered by Deloitte & Touche during the year ended December 31, 2004 were pre-approved by the audit committee.

During the approval process, the audit committee considers the impact of the scope of services and the related fees on the independence of the auditor. The services and fees must be deemed compatible with the maintenance of the auditor's independence, including compliance with the SEC rules and regulations.

SUBMISSION OF SHAREHOLDER PROPOSALS

It is anticipated that the 2006 annual meeting of shareholders of the Company will be held in May 2006. Any shareholders who intend to present proposals at the 2006 annual meeting of shareholders, and who wish to have such proposals included in the Company's Proxy Statement for the 2006 annual meeting, must ensure that such proposals are received by the Secretary of the Company not later than December 20, 2005. Such proposals must meet the requirements set forth in the rules and regulations of the SEC in order to be eligible for inclusion in the Company's 2006 proxy solicitation material. Any proposals should be sent to the Secretary, Citadel Broadcasting Corporation, 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, Nevada 89128.

In addition, the Company's by-laws provide that shareholders seeking to bring business before an annual meeting of shareholders or to nominate candidates for election as directors at an annual meeting of shareholders, must provide timely notice thereof in writing to the Secretary of the Company. To be timely, a shareholder's notice generally must be delivered to or mailed and received at the principal executive office of the Company, not less than 45 days nor more than 75 days prior to the first anniversary of the date on which the Company first mailed its proxy materials for the preceding year's annual meeting of the shareholders. However, if the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, to be timely, notice must be delivered not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which the public announcement of the date of such meeting is first made. To be in proper written form, the notice must contain certain information concerning the nominee and the shareholder submitting the nomination. These provisions may preclude stockholders from bringing matters before an annual meeting of the shareholders or from making nominations for directors at an annual meeting of shareholders.

OTHER MATTERS

The expenses of printing and mailing proxy material, including expenses involved in forwarding materials to beneficial owners of stock, will be paid by the Company. No solicitation other than by mail is contemplated. The Company will reimburse brokers, banks, institutions and others holding Common Stock as nominees for their expenses in sending proxy solicitation material to the beneficial owners of such Common Stock and obtaining their proxies.

Eligible beneficial shareholders who share a single address may have received a notification that only one copy of the Annual Report and Proxy Statement will be sent to that address unless the broker, bank, institutions or other nominee that provided the notification received contrary instructions from any beneficial shareholder at that address. This practice, known as *householding*, is designed to reduce printing and mailing costs. However, if a beneficial shareholder at such an address wishes to receive a separate Annual Report or Proxy Statement this year or in the future, the shareholder may contact the Secretary of Citadel Broadcasting Corporation at (720) 804-5200 or at 7201 West Lake Mead Boulevard, Suite 400, Las Vegas, Nevada 89128. Eligible registered shareholders receiving multiple copies of these documents can request *householding* by contacting the Company in the same manner. Persons holding shares through a bank, broker, institutions or other nominee can request *householding* by contacting the nominee.

2.7. A Change in Control shall mean the occurrence of any of the following:

Section 13(d) or 14(d) of the Exchange Act), other than any of the Forstmann Little Partnerships or any of their Affiliates, immediately after which such Person has Beneficial Ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than fifty percent (50%) of the then-outstanding Shares or the combined voting power of the Company's then-outstanding Voting Securities; PROVIDED, HOWEVER, that in determining whether a Change in Control has occurred pursuant to this Section 2.7(a), the acquisition of Shares or Voting Securities in a Non-Control Acquisition (as hereinafter defined) shall not constitute a Change in Control. A Non-Control Acquisition shall mean an acquisition by (i) an employee benefit plan (or a trust forming a part thereof) maintained by (A) the Company or (B) any corporation or other Person the majority of the voting power, voting equity securities or equity interest of which is owned, directly or indirectly, by the Company (for purposes of this definition, a Related Entity), (ii) the Company or any Related Entity, or (iii) any Person in connection with a Non-Control Transaction (as hereinafter defined);

(b) The individuals who, as of immediately following the completion of the Initial Public Offering, are members of the Board (the Incumbent Board), cease for any reason to constitute at least a majority of the members of the Board or, following a Merger (as hereinafter defined), the board of directors of (x) the corporation resulting from such Merger (the Surviving Corporation), if fifty percent (50%) or more of the combined voting power of the then-outstanding voting securities of the Surviving Corporation is not Beneficially Owned, directly or indirectly, by another Person (a Parent Corporation) or (y) if there is one or more than one Parent Corporation, the ultimate Parent Corporation; PROVIDED, HOWEVER, that, if the election, or nomination for election by the Company's common stockholders, of any new director was approved by a vote of at least two-thirds of the Incumbent Board, such new director shall, for purposes of the Plan, be considered a member of the Incumbent Board; and PROVIDED, FURTHER, HOWEVER, that no individual shall be considered a member of the Incumbent Board if such individual initially assumed office as a result of an actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board (a Proxy Contest), including by reason of any agreement intended to avoid or settle any Proxy Contest; or

(c) The consummation of:

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the Subject Person) acquired Beneficial Ownership of more than the permitted amount of the then outstanding Shares or Voting Securities as a result of the acquisition of Shares or Voting Securities by the Company which, by reducing the number of Shares or Voting Securities then outstanding, increases the proportional number of shares Beneficially Owned by the Subject Persons; PROVIDED that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Shares or Voting Securities by the Company and, after such share acquisition by the Company, the Subject Person becomes the Beneficial Owner of any additional Shares or Voting Securities and such Beneficial Ownership increases the percentage of the then outstanding Shares or Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

If an Eligible Individual's employment is terminated by the Company without Cause prior to the date of a Change in Control, but the Eligible Individual reasonably demonstrates that the termination (A) was at the request of a third party that has indicated an intention or taken steps reasonably calculated to effect a Change in Control or (B) otherwise arose in connection with, or in anticipation of, a Change in Control that has been threatened or proposed, such termination shall be deemed to have occurred after such Change in Control for purposes of the Plan, so long as such Change in Control shall actually have occurred.

(b) In connection with the granting of a Performance Unit denominated in dollars, the number of Shares shall be reduced by an amount equal to the quotient of (i) the dollar amount in which the Performance Unit is denominated, divided by (ii) the Fair Market Value of a Share on the date the Performance Unit is granted.

4.3. Whenever any outstanding Option or Award or portion thereof, expires, is canceled, is settled in cash (including the settlement of tax withholding obligations using Shares) or is otherwise terminated for any reason without having been exercised or payment having been made in respect of the entire Option or Award, the Shares allocable to the expired, canceled, settled or otherwise terminated portion of the Option or Award may again be the subject of Options or Awards granted hereunder.

4.4. In no event may more than fifty thousand (50,000) Shares be issued upon the exercise of Incentive Stock Options granted under the Plan.

5. OPTION GRANTS FOR ELIGIBLE INDIVIDUALS.

Incentive Stock Options may be granted only to Eligible Individuals who are employees of the Company or any Subsidiary.

5.2. **EXERCISE PRICE.** The purchase price or the manner in which the exercise price is to be determined for Shares under each Option shall be determined by the Committee and set forth in the Agreement; PROVIDED, HOWEVER, that the exercise price per Share under each Option shall not be less than 100% of the Fair Market Value of a Share on the date the Option is granted (110% in the case of an Incentive Stock Option granted to a Ten-Percent Stockholder) .

5.3. **MAXIMUM DURATION.** Options granted hereunder shall be for such term as the Committee shall determine, provided that an Incentive Stock Option shall not be exercisable after the expiration of ten (10) years from the date it is granted (five (5) years in the case of an Incentive Stock Option granted to a Ten-Percent Stockholder) and a Nonqualified Stock Option shall not be exercisable after the expiration of ten (10) years from the date it is granted; PROVIDED, HOWEVER, that unless the Committee provides otherwise, an Option (other than an Incentive Stock Option) may, upon the death of the Optionee prior to the expiration of the Option, be exercised for up to one (1) year following the date of the Optionee's death even if such period extends beyond ten (10) years from the date the Option is granted. The Committee may, subsequent to the granting of any Option, extend the term thereof, but in no event shall the term as so extended exceed the maximum term provided for in the preceding sentence.

5.4. **VESTING.** Each Option shall become exercisable in such installments (which need not be equal) and at such times as may be designated by the Committee and set forth in the Agreement. To the extent not exercised, installments shall accumulate and be exercisable, in whole or in part, at any time after becoming exercisable, but not later than the date the Option expires. The Committee may accelerate the exercisability of any Option or portion thereof at any time.

5.5. LIMITATIONS ON INCENTIVE STOCK OPTIONS. To the extent that the aggregate Fair Market Value (determined as of the date of the grant) of Shares with respect to which Incentive Stock Options granted under the Plan and incentive stock options (within the meaning of Section 422 of the Code) granted under all other plans of the Company or its Subsidiaries (in either case determined without regard to this Section 5.5) are exercisable by an Optionee for the first time during any calendar year exceeds \$100,000, such Incentive Stock Options shall be treated as Nonqualified Stock Options. Notwithstanding the foregoing, the Committee may set forth in the Agreement evidencing an Option (other than an Incentive Stock Option) at the time of grant or thereafter, that the Option may be transferred to members of the Optionee's immediate family, to trusts solely for the benefit of such immediate family members and to partnerships in which such family members and/or trusts are the only partners, and for purposes of this Plan, a transferee of an Option shall be deemed to be the Optionee. For this purpose, immediate family means the Optionee's spouse, parents, children, stepchildren and grandchildren and the spouses of such parents, children, stepchildren and grandchildren. If requested by the Committee, the Optionee shall deliver the Agreement evidencing the Option to the Secretary of the Company who shall endorse thereon a notation fractional Option and rounded to the Option to the Secretary of the Company who shall endorse thereon of such exercise and return such Agreement to the Optionee. 6. STOCK APPRECIATION RIGHTS.

Provided the Company's stock is traded on an established securities market, the Committee may in its discretion grant Stock Appreciation Rights in accordance with the Plan, the terms and conditions of which shall be set forth in an Agreement.

6.1. EXERCISE PRICE. No Stock Appreciation Right may be issued unless (a) the exercise price of the Stock Appreciation Right may never be less than the Fair Market Value of the underlying Shares on the date of grant and (b) the Stock Appreciation Right does not provide for the deferral of compensation other than deferral of recognition of income until the exercise of the Stock Appreciation Right.

6.2. **TERMS OF STOCK APPRECIATION RIGHTS.** Stock Appreciation Rights shall contain such terms and conditions as to exercisability, vesting and duration as the Committee shall determine, but in no event shall they have a term of greater than ten (10) years; PROVIDED, HOWEVER, that the Committee may provide that a Stock Appreciation Right may, upon the death of the Grantee, be exercised for up to one (1) year following the date of the Grantee's death even if such period extends beyond ten (10) years from the date the Stock Appreciation Right is granted. Upon exercise of a Stock Appreciation Right, the Grantee shall be entitled to receive a distribution of Shares having a Fair Market Value equal to an amount determined by multiplying (a) the excess of the Fair Market Value of a Share on the date of exercise of such Stock Appreciation Right over the Fair Market Value of a Share on the date the Stock Appreciation Right was granted, by (b) the number of Shares as to which the Stock Appreciation Right is being exercised. If requested by the Committee, the Grantee shall deliver the Agreement evidencing the Stock Appreciation Right being exercised and the Agreement evidencing any related Option to the Secretary of the Company who shall endorse thereon a notation of such exercise and return such Agreement to the Grantee.

6.5. **FORM OF PAYMENT.** Payment of the amount determined under Sections 6.2 shall be made solely in whole Shares in a number determined at their Fair Market Value on the date of exercise of the Stock Appreciation Right. If the amount payable in Shares results in a fractional Share, no payment shall be made for the fractional Share.

6.6. **COMPLIANCE WITH SECTION 409A.** It is the Company's intent that no Stock Appreciation Right shall be treated as a payment of deferred compensation for purposes of Section 409A of the Code and that any ambiguities in construction be interpreted to effectuate such intent.

If a Grantee shall fail to execute the Agreement evidencing a Restricted Stock Award, or any documents which the Committee may require within the time period prescribed by the Committee at the time the Award is granted, the Award shall be null and void. At the discretion of the Committee, Shares issued in connection with a Restricted Stock Award shall be deposited

together with the stock powers with an escrow agent (which may be the Company) designated by

the Committee. Unless the Committee determines otherwise and as set forth in the Agreement, upon delivery of the Shares to the escrow agent, the Grantee shall have all of the rights of a stockholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions paid or made with respect to the Shares.

7.3. **NON-TRANSFERABILITY.** Until all restrictions upon the shares of Restricted Stock awarded to a Grantee shall have lapsed in the manner set forth in Section 7.4, such Shares shall not be sold, transferred or otherwise disposed of and shall not be pledged or otherwise hypothecated.

7.4. **LAPSE OF RESTRICTIONS.** Restrictions upon Shares of Restricted Stock awarded hereunder shall lapse at such time or times and on such terms and conditions as the Committee may determine. The Agreement evidencing the Award shall set forth any such restrictions.

7.6. **COMPLIANCE WITH SECTION 409A.** It is the Company's intent that Restricted Stock shall not be treated as a payment of deferred compensation for purposes of Section 409A of the Code and that any ambiguities in construction be interpreted to effectuate such intent.

If a Grantee shall fail to execute the Agreement evidencing an Award of Performance Shares, the appropriate blank stock powers and, in the discretion of the Committee, an escrow agreement and any other documents which the Committee may require within the time period prescribed by the Committee at the time the Award is granted, the Award shall be null and void. (c) DETERMINATION OF PERFORMANCE. Prior to the vesting, payment, settlement or lapsing of any restrictions with respect to any Performance Award that is intended to constitute

B-12

8.4. NON-TRANSFERABILITY. Until the vesting of Performance Units or the lapsing of any restrictions on Performance Shares, as the case may be, such Performance Units or Performance Shares shall not be sold, transferred or otherwise disposed of and shall not be pledged or otherwise hypothecated.

8.5. COMPLIANCE WITH SECTION 409A. It is the Company's intent that no Performance Unit be treated as a grant of deferred compensation for the purposes of Section 409A of the Code and that all ambiguities in construction be interpreted to effectuate such intent.

9. OTHER SHARE-BASED AWARDS.

9.1. SHARE AWARDS. The Committee may grant a Share Award to any Eligible Individual on such terms and conditions as the Committee may determine in its sole discretion provided that the Committee determines in good faith that such awards will not be treated as deferred compensation for purposes of Section 409A. Share Awards may be made as additional compensation for services rendered by the Eligible Individual or may be in lieu of cash or other compensation to which the Eligible Individual is entitled from the Company.

The Committee may, at the time a Phantom Stock Award is granted, provide a limitation on the amount payable in respect of each share of Phantom Stock. In lieu of a cash payment, the Committee may settle Phantom Stock Awards with Shares having a Fair Market Value equal to the cash payment to which the Grantee has become entitled. All payments with respect to Phantom Stock Awards shall be made no later than the fifteenth day of the third month following the end of the taxable year of the Company in which the Phantom Stock Award vests.

(c) COMPLIANCE WITH SECTION 409A. It is the Company's intent that no Share Award or Phantom Stock Award be treated as the payment of deferred compensation for the purposes of Section 409A of the Code and that any ambiguities in construction be interpreted to effectuate such intent.

10. EFFECT OF A TERMINATION OF EMPLOYMENT.

Edgar Filing: CITADEL BROADCASTING CORP - Form DEF 14A

Any provisions inconsistent with such Rule shall be inoperative and shall not affect the validity of the Plan.

(b) Unless otherwise expressly stated in the relevant Agreement, each Option, Stock Appreciation Right and Performance Award granted under the Plan is intended to be Performance-Based Compensation. The Committee shall not have the ability to exercise any discretion, and shall not exercise any discretion otherwise authorized hereunder with respect to such Options or Awards if the ability to exercise such discretion or the exercise of such discretion itself would cause the compensation attributable to such Options or Awards to fail to qualify as Performance-Based Compensation.

(c) To the extent that any legal requirement of Section 16 of the Exchange Act or Section 162(m) of the Code as set forth in the Plan ceases to be required under Section 16 of the Exchange Act or Section 162(m) of the Code, that Plan provision shall cease to apply.

(a) no such amendment, modification, suspension or termination shall impair or adversely alter any Options or Awards theretofore granted under the Plan, except with the consent of the Optionee or Grantee, nor shall any amendment, modification, suspension or termination deprive any Optionee or Grantee of any Shares which he or she may have acquired through or as a result of the Plan; and

B-15

(b) to the extent necessary under any applicable law, regulation or exchange requirement no amendment shall be effective unless approved by the stockholders of the Company in accordance with applicable law, regulation or exchange requirement.

15.2. MODIFICATION OF OPTIONS AND AWARDS. Subject to Section 12, no modification of an Option or Award shall adversely alter or impair any rights or obligations under the Option or Award without the consent of the Optionee or Grantee, as the case may be.

16. NON-EXCLUSIVITY OF THE PLAN.

The adoption of the Plan by the Board shall not be construed as amending, modifying or rescinding any previously approved incentive arrangement or as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

17. LIMITATION OF LIABILITY.

As illustrative of the limitations of liability of the Company, but not intended to be exhaustive thereof, nothing in the Plan shall be construed to:

- (a) give any person any right to be granted an Option or Award other than at the sole discretion of the Committee;
- (b) give any person any rights whatsoever with respect to Shares except as specifically provided in the Plan;
- (c) limit in any way the right of the Company or any Subsidiary to terminate the employment of any person at any time; or
- (d) be evidence of any agreement or understanding, expressed or implied, that the Company will employ any person at any particular rate of compensation or for any particular period of time.

18. REGULATIONS AND OTHER APPROVALS; GOVERNING LAW.

18.1. Except as to matters of federal law, the Plan and the rights of all persons claiming hereunder shall be construed and determined in accordance with the laws of the State of Delaware without giving effect to conflicts of laws principles thereof.

18.2. The obligation of the Company to sell or deliver Shares with respect to Options and Awards granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by

governmental agencies as may be deemed necessary or appropriate by the Committee.

18.3. The Board may make such changes as may be necessary or appropriate to comply with the rules and regulations of any government authority, or to obtain for Eligible Individuals granted Incentive Stock Options the tax benefits under the applicable provisions of the Code and regulations promulgated thereunder.

18.4. Each Option and Award is subject to the requirement that, if at any time the Committee determines, in its discretion, that the listing, registration or qualification of Shares issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Option or Award or the issuance of Shares, no Options or Awards shall be granted or payment made or Shares issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions as acceptable to the Committee.

B-16

18.5. Notwithstanding anything contained in the Plan or any Agreement to the contrary, in the event that the disposition of Shares acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act of 1933, as amended (the Securities Act), and is not otherwise exempt from such registration, such Shares shall be restricted against transfer to the extent required by the Securities Act and Rule 144 or other regulations thereunder. The Committee may require any individual receiving Shares pursuant to an Option or Award granted under the Plan, as a condition precedent to receipt of such Shares, to represent and warrant to the Company in writing that the Shares acquired by such individual are acquired without a view to any distribution thereof and will not be sold or transferred other than pursuant to an effective registration thereof under said Act or pursuant to an exemption applicable under the Securities Act or the rules and regulations promulgated thereunder. The certificates evidencing any of such Shares shall be appropriately amended or have an appropriate legend placed thereon to reflect their status as restricted securities as aforesaid.

19. MISCELLANEOUS.

19.1. MULTIPLE AGREEMENTS. The terms of each Option or Award may differ from other Options or Awards granted under the Plan at the same time, or at some other time. The Committee may also grant more than one Option or Award to a given Eligible Individual during the term of the Plan, either in addition to, or in substitution for, one or more Options or Awards previously granted to that Eligible Individual.

19.2. WITHHOLDING OF TAXES.

(a) At such times as an Optionee or Grantee recognizes wages in connection with the receipt of Shares or cash hereunder (a Taxable Event), the Optionee or Grantee shall pay to the Company an amount equal to the federal, state and local income taxes, employment taxes and other amounts as may be required by law to be withheld by the Company in connection with the Taxable Event (the Withholding Taxes). The Company shall have the right to deduct from any payment of cash to an Optionee or Grantee an amount equal to the Withholding Taxes in satisfaction of the obligation to pay Withholding Taxes. The Committee may provide in the Agreement at the time of grant, or at any time thereafter, that the Optionee or Grantee, in satisfaction of the obligation to pay Withholding Taxes, may elect to have withheld a portion of the Shares then issuable to him or her having an aggregate Fair Market Value equal to the Withholding Taxes.

(b) If an Optionee makes a disposition, within the meaning of Section 424(c) of the Code and regulations promulgated thereunder, of any Share or Shares issued to such Optionee pursuant to the exercise of an Incentive Stock Option within the two-year period commencing on the day after the date of the grant or within the one-year period commencing on the day after the date of transfer of such Share or Shares to the Optionee pursuant to such exercise, the Optionee shall, within ten (10) days of such disposition, notify the Company thereof, by delivery of written notice to the Company at its principal executive office.

19.3. EFFECTIVE DATE. The effective date of this Plan shall be as determined by the Board, subject only to the approval by the holders of a majority of the securities of the Company entitled to vote thereon, in accordance with applicable law, within twelve (12) months of the adoption of the Plan by the Board.

19.4. POST-TRANSITION PERIOD. Following the Transition Period, any Option, Stock Appreciation Right or Performance Award granted under the Plan which is intended to be Performance-Based Compensation, shall be subject to the approval of the material terms of the Plan by a majority of the shareholders of the Company in accordance with Section 162(m) of the Code and the regulations promulgated thereunder.
