Item 2.02 Results of Operations and Financial Condition.

On April 19, 2005, Smart & Final Inc. issued a News Release announcing the results of operations for the quarter ended March 27, 2005.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under and Off-Balance Sheet Arrangement.

The Company has a five-year operating lease arrangement (Lease Agreement) with a group of lenders, which provides financing for certain store and distribution center properties of the Company. The Lease Agreement contains certain financial covenants, including a covenant which restricts quarterly capital expenditures to not exceed \$12.5 million. During the first quarter 2005, the Company s capital expenditures were \$12.9 million.

As a result at March 27, 2005, the Company had an event of default under the Lease Agreement. The Company has proposed to the lenders under the Lease Agreement that all of the financial covenants under the Lease Agreement be amended to be the same as those under the Company s Amended Senior Credit Facility, which was entered into in November 2004. The Amended Senior Credit Facility has an annual capital expenditure covenant limitation of \$60.0 million with no quarterly limitation. The proposed amendment of the Lease Agreement would also contain a waiver of non-compliance as of March 27, 2005.

The Company believes that such an amendment to the Lease Agreement will be secured prior to the filing of the Quarterly Report on Form 10-Q for the first quarter 2005. Pending the amendment to the Lease Agreement, the Company s obligation under the Lease Agreement, totaling \$86.6 million, has been classified as a current liability in the consolidated balance sheet as of March 27, 2005 included in the Company s News Release dated April 19, 2005. The caption *Current maturities of long-term debt and capital leases* includes \$53.5 million of debt under the Lease Agreement with the remaining \$33.1 million included in the *Notes payable to affiliate* caption.
