PROXY STATEMENT

GENERAL

We are providing these proxy materials in connection with the solicitation of proxies by our Board of Directors, or Board, to be voted at our 2005 Annual Meeting of Stockholders, or Annual Meeting. You are cordially invited to attend the Annual Meeting, which will be held on Friday, May 20, 2005, at 2:00 p.m., local time, at our corporate headquarters, located at 600 Citadel Drive, Commerce, California 90040. The approximate mailing date of this proxy statement, notice and the accompanying proxy is April 20, 2005. (Throughout this proxy statement, we refer to Smart & Final Inc. and its subsidiaries collectively as the Company, we, our and us.)

Proxy Information

We will vote the shares of our common stock represented by a properly signed proxy that we receive before or at the Annual Meeting in accordance with the specifications made on the proxy. Proxies that we receive with no specification will be voted, as recommended by our Board, to: (i) elect the eight nominees for director named in this proxy statement; and (ii) approve our Long-Term Equity Compensation Plan for Non-Employee Directors, as described herein.

You may revoke your proxy at any time before it is voted at the Annual Meeting. You may revoke your proxy by giving written notice of such revocation to the Secretary at our corporate headquarters, located at 600 Citadel Drive, Commerce, California 90040. You may also give notice by filing a properly executed proxy bearing a later date or by voting in person at the Annual Meeting.

Under the rules of the New York Stock Exchange, Inc., or NYSE, if you hold your shares through a bank or broker, your broker is permitted to vote your shares for the election of directors even when your broker does not receive instructions from you.

Record Date and Voting

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

If you are a stockholder of record at the close of business on March 24, 2005, you are entitled to one vote, for each share of our common stock you hold, on each matter submitted to a vote of stockholders. As of March 24, 2005, there were 30,970,833 shares of our common stock, par value \$0.01 per share, outstanding.

Holdings of a majority of the voting interest of our common stock, present in person or by proxy, will constitute a quorum for the holding of the Annual Meeting for the election of directors. The inspectors of election we appoint will tabulate the votes cast in person or by proxy at the Annual Meeting. The inspectors of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote by the inspectors of election with respect to that matter.

You may either vote for or withhold your vote for each of the directors identified below. The eight director nominees receiving the greatest number of votes will be elected to our Board. If you mark your vote withheld or you do not vote in the election (including abstentions and broker non-votes), this will have no impact on the election of directors, because these votes will not be included in the total number of votes present at the Annual Meeting.

On the proposal to approve our Long-Term Equity Compensation Plan for Non-Employee Directors, votes may be cast for or against, or may be withheld from voting on this proposal. The affirmative vote of a majority of all outstanding shares of our common stock entitled to vote at the Annual Meeting will be required for approval of the Smart & Final Inc. Long-Term Equity Compensation Plan for Non-Employee Directors. Abstentions and brokers' non-votes are counted in determining the number of votes present at the meeting, and therefore will have the same effect as a vote against this proposal.

ITEM 1 ELECTION OF DIRECTORS

At last year's Annual Meeting of stockholders held on May 19, 2004, the proposal to declassify our Board and to provide for a one year term of service for each director beginning in 2005 was approved. At the Board meeting held on February 15, 2005, one of our directors affiliated with Casino Guichard-Perrachon, S.A., a publicly traded French joint stock limited liability company, which together with its affiliates own 57.1% of our common stock (Casino Guichard-Perrachon, S.A. and its affiliates are referred to throughout this proxy statement collectively as Groupe Casino), represented he was acting for all of the Groupe Casino affiliated directors and that Groupe Casino wanted to reduce the size of our Board from eleven members to eight members, as allowed under our Amended and Restated Bylaws. The stated reasons were to increase the efficient operation of the Board and to reduce costs by reducing the aggregate fees and expenses paid to members of our Board. This reduction of the size of our Board was to be effective as of the election of our directors at the Annual Meeting. The Groupe Casino director said that in order to accomplish the reduction in the size of our Board, one non-independent director, Mr. Couvreur, and two independent directors, Messrs. Gold and Plaskett, would not be nominated to stand for re-election at the Annual Meeting.

Thereafter, on March 22, 2005, Groupe Casino informed us of its intention to nominate two persons who had not previously served on our Board, to serve as replacements for its two remaining current representatives on our Board. Groupe Casino recommended Messrs. Pascal Announ and Thierry Bourgeron for election to our Board in place of current Board members, Messrs. Bouchut and Hernu. The Corporate Governance Committee reviewed the biographies and either the Committee, or an individual member of the Committee to which the task was delegated, interviewed the new nominees proposed by Groupe Casino. The Board authorized, by unanimous written consent, the nomination of Messrs. Announ and Bourgeron for election to our Board at the Annual Meeting.

The Board proposed that, at our Annual Meeting the eight individuals listed below be elected to hold office until the 2006 Annual Meeting of Stockholders and until their successors have been duly elected and qualified. Six of the nominees listed below are currently serving on our Board; and two nominees, Messrs. Announ and Bourgeron have not previously served on our Board. Additionally, Mr. Watson was appointed to serve on the Board and the Audit Committee in May 2004; this is the first time he will be standing for election to our Board.

Unless properly instructed otherwise, the proxy holders intend to vote for the election of all eight nominees. It is not anticipated that any of the nominees will decline or be unable to serve as a director. However, if that should occur, the proxy holders will vote the proxies in their discretion for any nominee designated by our present Board.

The following table sets forth, as of March 31, 2005, information concerning each person nominated for election as a director:

CORPORATE GOVERNANCE

Governance Guidelines

We have in place long-standing policies and practices of good corporate governance. During fiscal 2004, our Board adopted Guidelines for Corporate Governance that outline the responsibilities of the Board, as well as qualifications for directors to serve on the Board. We have a Code of Ethics that was amended in February 2005, to ensure compliance with the Sarbanes-Oxley Act of 2002 and the listing standards of the NYSE. Our Code of Ethics applies to our Chief Executive Officer, our Chief Financial Officer and our Chief Accounting Officer, as well as to other employees of our company, and complies with the requirements imposed by the Sarbanes-Oxley Act of 2002 and the rules issued thereunder for codes of conduct applicable to such officers. Our Board has reviewed and will continue to evaluate its role and responsibilities with respect to the new legislative and other governance requirements. All of our corporate governance materials, including our Code of Ethics, our Guidelines for Corporate Governance and all of our committee charters are available for public viewing on our Internet web site at <http://www.smartandfinal.com>, Investor Information, under the Governance tab. In addition, interested persons can obtain a copy of any of these materials by writing to, Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040.

Director Independence and Controlled Company Exemption

Our Board is currently composed of 11 directors, five of whom are independent under the NYSE listing standards. Our Chief Executive Officer is the only member of management currently serving as a director. For purposes of determining independence, we have adopted the following standards for director independence in compliance with the listing standards of the NYSE:

No director qualifies as independent unless the Board affirmatively determines that the director has no material relationship with us or any of our subsidiaries (directly or as a partner, stockholder or officer of an organization that has a relationship with us or any of our subsidiaries);

A director who is an employee or whose immediate family member is an executive officer of the Company or any of our subsidiaries is not independent until three years after the end of such employment relationship;

A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from us or any of our subsidiaries, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation;

A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, Ernst & Young LLP, our present external auditor; Arthur Andersen, our former external auditor; or a present or former internal auditor of the Company or any of our subsidiaries is not independent until three years after the end of the affiliation or the employment or auditing relationship;

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of our present executives or any of our subsidiaries' present executives serve on that company's compensation committee is not independent until three years after the end of such service or employment relationship;

A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, us or any of our subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent until three years after falling below such threshold; and

A director who is an employee or representative of a significant supplier of any Company business unit or legal entity is not independent unless we entered into our relationship with the supplier as a result of competitive purchasing practices.

The Board determined that Messrs. Crull, Gold, McLaughlin, Plaskett and Watson meet the aforementioned independence standards and that Messrs. Bouchut, Couvreur, Hernu, Ornstein, Roeder and Snollaerts do not meet the aforementioned independence standards. Messrs. Bouchut, Couvreur, and Hernu do not meet the independence standards because they are employees of Groupe Casino. Mr. Ornstein does not meet the independence standards because he is employed by Euris, S.A., which indirectly owns a controlling interest in Groupe Casino. (For a further discussion of Groupe Casino and its relationship to us, see Compensation Committee Interlocks and Insider Participation *Relationship between Smart & Final Inc. and Casino USA* below.) Mr. Roeder does not meet the aforementioned independence standards because he served as our Chief Executive Officer until May 2004. Mr. Snollaerts does not meet the independence standards because he is our current Chief Executive Officer.

If Messrs. Announ and Bourgeron are elected to the Board at the May 2005 Annual Meeting, it is anticipated that they will not meet the independence standards because they are both currently employees of Groupe Casino.

Section 303A.00 of the NYSE listing standards, to which we are subject, defines a Controlled Company as a company of which more than 50% of the voting power is held by an individual, a group or another company. We are a Controlled Company because 57.1% of our common stock is owned by Groupe Casino. As a Controlled Company, we are exempt from the NYSE requirement that we have a majority of independent directors, and from the requirements that our Corporate Governance Committee and Compensation Committee be composed entirely of independent directors. Pursuant to such exemption, our Board does not consist of a majority of independent directors, and our Corporate Governance and Compensation Committees are not composed solely of independent directors. (For a further discussion of the composition of our Corporate Governance Committee and our Compensation Committee, see Corporate Governance *Committees of the Board and Attendance at Meetings* below.)

Committees of the Board and Attendance at Meetings

We have established three standing committees of our Board, an Audit Committee, a Compensation Committee and a Corporate Governance Committee. Each of these committees reports to the full Board and the activities of each committee are therefore generally subject to the approval of the Board.

Audit Committee

The Audit Committee is currently comprised of Messrs. Plaskett (as Chairman), Crull, McLaughlin and Watson. At the May 2004 Board meeting, Mr. Watson was appointed to the Board and our Audit Committee. The Audit Committee operates under a written charter adopted by our Board. During fiscal 2004, our Board re-examined the Audit Committee's composition and confirmed that all members of the Audit Committee are independent within the meaning of the NYSE's listing standards. In addition, the Board determined that Mr. Plaskett, the Audit Committee chair, meets the U.S. Securities and Exchange Commission's, or SEC's, definition of an audit committee financial expert. Because our current Chairman is not a nominee for re-election to our Board, at the next regularly scheduled Board meeting after our Annual Meeting, the Board intends to appoint a new Chairman of the Audit Committee.

During fiscal 2004, there were four regular meetings and six telephonic meetings of the Audit Committee.

Corporate Governance Committee

The Corporate Governance Committee is currently comprised of Messrs. Roeder (as Chairman), Couvreur, Plaskett and Snollaerts. The Corporate Governance Committee operates under a written charter adopted by our Board. Of the current members of the Corporate Governance Committee, only Mr. Plaskett is independent of management. However, because we are a Controlled Company under the NYSE listing standards, our Corporate Governance Committee is not subject to the independence requirements set forth in the NYSE listing standards. (For a further discussion regarding the independence standards to which we are subject, see Corporate Governance *Director Independence and Controlled Company Exemption* above.)

Messrs. Couvreur and Plaskett are currently serving on our Corporate Governance Committee, but are not nominees for re-election. Therefore, at the next regularly scheduled Board meeting after our Annual Meeting, the Board intends to appoint additional director(s) to serve on the Corporate Governance Committee.

During fiscal 2004, there were four regular meetings and two telephonic meetings of the Corporate Governance Committee.

Compensation Committee

The Compensation Committee is currently comprised of Messrs. Crull (as Chairman), Couvreur, Gold, McLaughlin and Plaskett. Mr. Couvreur was appointed to the Compensation Committee effective September 2004. The Compensation Committee operates under a written charter

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

adopted by our Board. The current members of our Compensation Committee, with the exception of Mr. Couvreur, are independent directors. However, because we are a Controlled Company under the NYSE listing standards, we are not required to have a Compensation Committee composed entirely of independent directors. (For a further discussion regarding the independence standards to which we are subject, see Corporate Governance *Director Independence and Controlled Company Exemption* above.) Of the five directors that are not nominees for re-election, three directors, Messrs. Couvreur, Gold and Plaskett, are members of our Compensation Committee. Thus, at the next regularly scheduled Board meeting after our Annual Meeting, the Board intends to appoint additional director(s) to serve on the Compensation Committee.

During fiscal 2004, there were four regular meetings of the Compensation Committee.

Board Attendance

During fiscal 2004, our Board held five regular meetings. Each director, with the exception of Mr. Bouchut, attended at least 75% of the aggregate of (a) the total number of Board meetings and (b) the total number of committee meetings held by all committees of the Board on which such director served. We encourage our directors to attend the Annual Meeting. At the 2004 Annual Meeting of Stockholders, four of our 11 directors attended.

Communications with the Board of Directors

Stockholders who wish to communicate with members of the Board, including the independent directors individually or as a group, may send correspondence to them in care of Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040.

Report of the Audit Committee

The Audit Committee adopted a written charter in April 2001, which was revised and approved by our Board in December 2003 and again in February 2005. The most recent revised and approved Charter of the Audit Committee, or the Charter, is attached hereto as Appendix A. The Charter complies with the requirements of the SEC and the NYSE listing standards. The Audit Committee will continue to regularly review and assess the Charter to ensure continued compliance with these requirements. The Charter is also available for public viewing, on our Internet web site at <http://www.smartandfinal.com>, Investor Information, under the Governance tab. In addition, interested persons can obtain a copy of the Charter by writing to, Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040.

The functions of the Audit Committee include, among other things:

Oversight of our financial reporting process, compliance with legal and regulatory requirements, and our assessment, evaluation and reporting on the effectiveness of the Company's internal control over financial reporting pursuant to the requirements of Section 404 of the Sarbanes-Oxley Act of 2002;

Engagement of independent auditors and approval of auditor fees;

Review with the independent auditors of the scope and the planning of the annual examination of the Company's consolidated financial statements and internal control over financial reporting;

Review of the audited consolidated financial statements and reports on internal control over financial reporting with management and the independent auditors;

Review of the findings and recommendations of the independent and internal auditors, and management's response to the recommendations of the auditors;

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

Oversight of the independence and performance of internal and external auditors; and

Preparation of the Audit Committee Report.

During fiscal 2004, the Board examined the Audit Committee's composition and confirmed that each member of the Audit Committee is an independent director based on the NYSE listing standards, the SEC's independence requirements, and the Company's Governance Guidelines. In addition, the Board has determined that all members of the Audit Committee are financially literate and that Mr. Plaskett, the Chair of the Audit Committee, is a financial expert as defined by the SEC's rules and the NYSE listing standards.

The Audit Committee has reviewed and discussed with management of the Company and Ernst & Young LLP (E&Y), the Company's independent auditing firm, the audited consolidated financial statements of the Company as of January 2, 2005 and for the fiscal year then ended (the Audited Financial Statements). The Audit Committee has also reviewed and discussed with management of the Company and E&Y (i) management's report on internal control over financial reporting as of January 2, 2005 and (ii) E&Y's audit report on management's assessment of the effectiveness of internal control over financial reporting as of January 2, 2005. In addition, the Audit Committee has discussed with E&Y the matters required to be discussed by the Statement on Auditing Standards No. 61 (*Communication with Audit Committees; Codification of Statements on Auditing Standards AU § 380*).

The Audit Committee received and reviewed the written disclosures and the letter from E&Y required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*). The Audit Committee has discussed with E&Y its independence from the Company. The Audit Committee additionally discussed with management of the Company and E&Y such other matters and received such assurances from them as it deemed appropriate.

Management is responsible for the Company's internal controls and the financial reporting process. The Audit Committee has reviewed the Company's programs aimed at strengthening the effectiveness of the Company's internal audit and disclosure control structure. The Audit Committee monitors the scope and adequacy of the Company's internal auditing program, reviewing staffing levels and steps taken to implement improvements to internal procedures and controls. Management is responsible for performing an assessment and evaluation of the Company's internal control over financial reporting and issuing a report on the effectiveness thereof. E&Y is responsible for performing an independent audit of the Company's financial statements and internal control over financial reporting in accordance with generally accepted auditing standards of the United States and issuing reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

Based on the above-described reviews and discussions and a review of the report of E&Y with respect to the Audited Financial Statements, and relying thereon, the Audit Committee recommended to the Company's Board the inclusion of the Audited Financial Statements in the Company's Annual Report on Form 10-K for the fiscal year ended January 2, 2005.

Report of the Corporate Governance Committee

The Corporate Governance Committee adopted a written charter, or the Charter, which was amended in February 2004 in compliance with the requirements of the Sarbanes-Oxley Act of 2002 and NYSE listing standards. The Charter will be reviewed and reassessed regularly to ensure continued compliance with these requirements. The Charter is available for public viewing, on our Internet web site at <http://www.smartandfinal.com>, Investor Information, under the Governance tab. In addition, interested persons can obtain a copy of the Corporate Governance Charter by writing to, Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040.

Because we have elected to be treated as a Controlled Company, our Corporate Governance Committee is not subject to the independence requirements set forth in the NYSE listing standards. Section 303A.00 of the NYSE listing standards defines a Controlled Company as a company of which more than 50% of the voting power is held by an individual, a group or another company. We are a Controlled Company because 57.1% of our common stock is owned by Groupe Casino. As a Controlled Company, we are exempt from the NYSE requirement that we have a majority of independent directors, and from the requirement that the Corporate Governance Committee be composed entirely of independent directors. Pursuant to such exemption, the Corporate Governance Committee is not composed solely of independent directors.

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

The functions of the Corporate Governance Committee include, among other things:

Seeking out, evaluating and recommending to our Board qualified candidates for nomination as directors on our Board;

Considering other matters pertaining to the size and composition of our Board and its committees;

Giving appropriate consideration to qualified individuals recommended by stockholders for nomination as directors, provided that such recommendations are accompanied by information sufficient to enable the Corporate Governance Committee to evaluate the qualifications of such individuals;

Responsibility for developing and recommending to our Board the corporate governance principles under which we operate; and

Making awards under our Non-Employee Director Stock Plan to members of the Board.

In considering individuals for nomination as directors, the Corporate Governance Committee typically solicits recommendations from its current directors and is authorized to engage third party advisors, including search firms, to assist in the identification and evaluation of candidates. For 2005, the Corporate Governance Committee, or an individual member to whom the task was delegated by the Committee, conducted interviews of the potential nominees for election as directors to our Board and reviewed the biographies of each such candidate. The Corporate Governance Committee agreed to the nominees proposed by the Groupe Casino directors. The Board ratified the nominees listed in the Proxy Statement. (For further information about these nominees, see Item 1 Election of Directors above.)

In evaluating potential candidates, the Corporate Governance Committee may consider such factors as it deems appropriate. These factors may include judgment, skill, diversity, integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. While the Corporate Governance Committee has not established any specific minimum qualifications for director nominees, the Corporate Governance Committee believes that demonstrated leadership, as well as significant years of service, in an area of endeavor such as business, law, public service, related industry or academia, is a desirable qualification for service as a director of the Company.

Any stockholder may make recommendations to the Corporate Governance Committee for membership on the Board by sending a written statement of the qualifications of the recommended individual to, Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040. Such recommendations should be received no later than 60 days before the anniversary of last year's Annual Meeting, nor no earlier than 90 days before the anniversary of last year's Annual Meeting. In accordance with Article III, Section 2 of our Amended and Restated Bylaws, certain criteria must be included with the stockholder's notice. Our Amended and Restated Bylaws were attached as Appendix B to our Proxy Statement filed with the SEC on April 16, 2004 and may be accessed through our Internet web site at <http://www.smartandfinal.com>, Investor Information, under the SEC tab. The Corporate Governance Committee will evaluate candidates recommended by stockholders on the same basis as they evaluate other candidates, including the following criteria:

Directors should be of the highest ethical character and share values that reflect positively on themselves and the Company;

Directors should have reputations, both personal and professional, consistent with the image and reputation of the Company; and

Directors should be highly accomplished in their respective fields, with superior credentials and recognition.

The fact that a proposed director nominee meets all of the above criteria will not obligate the Corporate Governance Committee to recommend the candidate to the Board, and will not obligate the Board to nominate or recommend the candidate for director in our proxy materials.

Report of the Compensation Committee

The Compensation Committee operates under a written charter adopted by our Board. The Charter of the Compensation Committee, or the Charter, complies with the requirements of the SEC and the NYSE listing standards. The Charter will be reviewed and reassessed regularly to ensure continued compliance with these requirements. The Charter is available for public viewing on our Internet web site at <http://www.smartandfinal.com>, Investor Information, under the Governance tab. In addition, interested persons can obtain a copy of the Charter by writing to, Corporate Secretary, Smart & Final Inc., 600 Citadel Drive, Commerce, California 90040.

Because we have elected to be treated as a Controlled Company, our Compensation Committee is not subject to the independence requirements set forth in the NYSE listing standards. Section 303A.00 of the NYSE listing standards defines a Controlled Company as a company of which more than 50% of the voting power is held by an individual, a group or another company. We are a Controlled Company because 57.1% of our common stock is owned by Groupe Casino. As a Controlled Company, we are exempt from the NYSE requirement that we have a majority of independent directors, and from the requirement that the Compensation Committee be composed entirely of independent directors. Pursuant to such exemption, the Compensation Committee is not composed solely of independent directors.

The functions of the Compensation Committee include, among other things:

Approving salary practices and base salary amounts for our executive personnel;

Approving the structure of and determining awards under the annual incentive bonus plan for our executive officers and under our Long-Term Equity Compensation Plan; and

Approving the strategy and structure of our other employee plans and benefits, and making recommendations to our Board with respect to base salary and incentive compensation for our Chief Executive Officer.

The Compensation Committee's basic philosophy is to provide competitive levels of compensation to motivate, retain and attract management. This philosophy includes providing incentives linked to the Company's financial performance, enhanced stockholder value and personal performance. This philosophy applies to compensation for all of our management, including our Chief Executive Officer.

Executive Compensation

Generally, compensation for our executives consists of a base salary, an annual incentive bonus and an opportunity to receive stock options, stock appreciation rights or other performance-based compensation under our Long-Term Equity Compensation Plan.

Chief Executive Officer Compensation. The Compensation Committee has established a formal process for evaluating the Chief Executive Officer's performance. This process generally begins at the last scheduled Compensation Committee meeting of the fiscal year. This meeting is typically held in late November or early December. Since May 2004, Mr. Snollaerts has been the Company's Chief Executive Officer. Mr. Snollaerts' employment agreement establishes a minimum base salary of \$650,000. If our Board awards annual bonuses to our executive officers, then Mr. Snollaerts is entitled to a bonus commensurate to our other similarly situated executives. Mr. Snollaerts' target for his annual bonus is no less than 100% and no greater than 200% of his base salary for the year. (For a further discussion of Mr. Snollaerts' employment agreement with us, see *Executive Compensation Snollaerts Employment Agreement* below.)

Base Salaries. Base salaries for executive officers are reviewed annually. Executive salaries are designed to be competitive with salaries paid at other companies of comparable size and complexity in the retail and wholesale food distribution business. These salaries are also designed to be competitive with salaries paid in

other comparable businesses including, for example, certain non-food, multi-unit retail companies. The Compensation Committee uses these companies for comparative purposes because it believes that the Company competes with these companies in attracting and maintaining management. The Compensation Committee collects information on these companies from published industry surveys and from competitors proxy statements. It is the policy of the Compensation Committee to adjust salaries in a way that recognizes executive performance and responsibilities and enables us to attract and retain highly qualified executives. In fiscal 2004, executive base salaries (other than for the Chief Executive Officer) were increased an average of 5.69%, ranging from 3.57% to 8.33%, consistent with the Compensation Committee's policy objectives, and were at median levels among comparison companies.

Annual Incentive Bonus Plan. The Compensation Committee believes that the annual incentive bonus plan is an integral part of the overall compensation package offered to executive officers. The Compensation Committee specifically approves bonus amounts for executive officers. The Compensation Committee also determines the bonus amount for the Chief Executive Officer, consistent with the terms of his employment agreement. (See *Chief Executive Officer Compensation* above.) During fiscal 2000, the Compensation Committee decided to link the annual incentive bonus plan to specific financial objectives as a means of encouraging improvements in financial performance. These objectives range from our total financial performance, which is the only objective for determining the bonus awarded to our Chief Executive Officer, to performance of particular operating units. The objectives also include individual targets to help reach certain tactical objectives. In fiscal 2004, the bonuses awarded to executives, depending on the person's position, were based upon financial objectives and tactical objectives. These objectives were tied to our overall performance at the corporate, regional and divisional levels, as well as to specified personal objectives.

We determine actual bonus amounts after the fiscal year end. At that time, the Chief Executive Officer meets with the Compensation Committee to review the performance of executive officers (other than his performance) and presents his recommendations for their actual bonus amounts. For fiscal 2004, the Compensation Committee determined that management had met their financial profit objectives for continuing operations and as a result, approved the recommendations of the Chief Executive Officer for bonus awards. Actual bonuses to executive officers (other than the Chief Executive Officer, whose bonus was pursuant to his employment agreement) averaged approximately 68.3% of base salary and ranged from approximately 52.6% to 86%. (For a further discussion of compensation matters, see *Executive Compensation* below).

Director Compensation

During fiscal 2004, both cash payments and shares of our common stock were used to compensate each of our non-employee directors. Effective 2004, our non-employee directors were paid an annual cash fee of \$20,000. This annual fee is paid in quarterly installments in advance at the beginning of each calendar quarter. Our non-employee directors also received \$1,500 in cash for each Board meeting and each committee meeting attended, whether attendance was in person or telephonically. In addition, the Chairman of the Audit Committee, Mr. Plaskett, received an additional payment of \$10,000 per year and the Chairman of the Compensation Committee, Mr. Crull, received an additional payment of \$5,000 per year. The Chairman of our Corporate Governance Committee is also entitled to receive an additional payment of \$5,000 per year. During fiscal 2004, Mr. Roeder served as the Chairman of our Corporate Governance Committee, but he was not entitled to receive compensation for acting as the Chairman because he was our employee during fiscal 2004. We also reimburse our directors for the expenses they incur in attending meetings in person. Our directors that are also our employees are not compensated for their service as members of our Board or any committee of the Board.

In addition to the cash payments described above, our non-employee directors that are also not employed by Groupe Casino receive equity compensation under our Amended and Restated Non-Employee Director Stock Plan, or our 1996 Non-Employee Director Stock Plan. However, our 1996 Non-Employee Director Stock Plan expired on February 22, 2005, and thus in this proxy statement we are submitting for stockholder approval, a new Smart & Final Inc. Long-Term Equity Compensation Plan for Non-Employee Directors, a complete copy of which is attached hereto as Appendix B.

Under our 1996 Non-Employee Director Stock Plan, eligible directors received an automatic award of common stock on May 1st of each year valued at approximately \$20,000 on the date of the award. Each eligible director who was serving as a director on the award date received these shares. For purposes of our 1996 Non-Employee Director Stock Plan, an eligible non-employee director was an individual who, for at least three years prior to becoming a director: (i) was not our employee; and (ii) was not an employee of Groupe Casino. For the May 1, 2004 grant, Messrs. Crull, Gold, McLaughlin, and Plaskett were all eligible non-employee directors under the 1996 Non-Employee Director Stock Plan. Each of these individuals received 1,680 shares of common stock. Each share award is comprised of that number of shares equal to the quotient of \$20,000 divided by the fair market value of a share on the award date as defined in the 1996 Non-Employee Director Stock Plan. Cash is paid in lieu of fractional shares. Our directors must hold the shares awarded for at least six months after the award date. On May 18, 2004, the Board awarded Mr. Watson an initial grant of 22,500 stock options upon joining the Board and Messrs. Crull, Gold, McLaughlin, and Plaskett received a grant of 4,000 options.

At the July 2002 Annual Meeting, our stockholders approved an amendment to the 1996 Non-Employee Director Stock Plan, which provided that the number of shares available under the plan would increase each year by the number of shares from the 1996 Non-Employee Director Stock Plan that have been exercised and/or vested. In fiscal 2004, 66,000 stock options were exercised under the 1996 Non-Employee Director Stock Plan and it had 70,000 shares available for grant at the end of fiscal 2004. The 1996 Non-Employee Director Stock Plan expired on February 22, 2005 and no awards of shares were made under it in 2005. At the end of fiscal 2004, there were 239,000 unexercised options outstanding that have been granted to non-employee directors. Of these options, 38,500 will expire if not exercised on or before May 18, 2014; 36,000 will expire if not exercised on or before May 22, 2013; 72,000 will expire if not exercised on or before February 18, 2013; 20,000 will expire if not exercised on or before May 1, 2010; 22,500 will expire if not exercised on or before May 11, 2009; and 50,000 will expire if not exercised on or before May 4, 2009.

We also have a Stock Incentive Plan, as amended, or Incentive Plan, which expired in June 2001 as to new grants. Our Board had a policy in place to the effect that any elected or appointed non-employee director serving prior to 1998 would receive an automatic grant of options to purchase 22,500 shares of our common stock under such Incentive Plan as of the date of initial appointment or election. The options were nonqualified stock options and had exercise prices equal to the fair market value of our common stock at the date of grant. In addition, these options have an exercise term of ten years after the date of grant and are subject to early termination in the event the option holder ceases to be a director, becomes permanently disabled or dies. One-third of these options become exercisable two years after the date of grant and each year thereafter, so that 100% would be exercisable four years after the date of grant. There are 40,000 unexercised options outstanding that have been granted to non-employee directors under our Incentive Plan. Of these options, 17,500 will expire if not exercised on or before June 18, 2006; and 22,500 will expire if not exercised on or before May 4, 2010.

We also have a Directors Deferred Compensation Plan, or Deferred Plan. This Deferred Plan allows our non-employee directors to defer on a pre-tax basis up to 100% of their cash fees (with a minimum annual deferral of \$2,500), as well as any shares of our common stock received as compensation for services as a director. Participation in the Deferred Plan is voluntary on an annual basis. Deferrals of cash amounts are credited to a special bookkeeping account in the non-employee director's name, and earnings on deferrals are indexed to certain investment fund options. Deferrals of shares of our common stock are held within the Deferred Plan, for the benefit of the deferring director's account and are not redeemable for cash. We pay all benefits and costs from our general assets. We have created a non-qualified grantor trust whose assets will be used to pay benefits and defray expenses; however, the assets of the trust are subject to the claims of our general creditors in the event of our insolvency or bankruptcy. In general, participants will receive benefits under the Deferred Plan after retirement. Benefits are paid in one lump-sum payment or a stream of five, ten or fifteen annual payments, depending on a director's pre-elected payment option. The Deferred Plan permits limited withdrawals prior to retirement. The Deferred Plan also provides additional death benefits in the event of death prior to retirement. During fiscal 2004, three directors participated in the Deferred Plan.

Compensation Plans

Stock Incentive Plan. The Incentive Plan authorized the issuance of options covering up to 2,450,000 shares of our common stock. The Incentive Plan expired in June 2001 as to new grants. Accordingly, no awards of stock were made under the Incentive Plan during fiscal 2004. As of March 31, 2005, there were 210,063 unexercised options outstanding under the Incentive Plan. These options will expire at varying dates on or before February 20, 2011, if not exercised before that date.

Long-Term Equity Compensation Plan. Under guidelines set by the Compensation Committee, incentive-based compensation constitutes a greater portion of executives' potential long-term pay. A portion of this incentive-based compensation is made through stock-based awards under the Long-Term Equity Compensation Plan. The primary objectives of this plan are to optimize our profitability and growth through incentives. These incentives are designed to be consistent with our goals, and to link the personal interests of plan participants to those of our stockholders.

At the May 2001 Annual Meeting, the stockholders approved an amendment to the Long-Term Equity Compensation Plan increasing the stock-based awards allowed under this plan from 2,470,000 shares to 3,600,000 shares of our common stock. The stockholders also extended the Long-Term Equity Compensation Plan's expiration date from December 31, 2006 to December 31, 2010. At the July 2002 Annual Meeting, the stockholders approved an amendment and restatement of the Long-Term Equity Compensation Plan that increased the stock-based awards allowed under this plan from 3,600,000 shares to 5,100,000 shares of our common stock. The amendment also provided that the number of shares available under the Long-Term Equity Compensation Plan would increase each year by the number of shares that were exercised and/or expired. In fiscal 2004, an additional 591,646 shares became available under the Long-Term Equity Compensation Plan based on the exercises of common stock and the vesting of restricted shares. These shares will be added back into the plan on May 30, 2005. At the end of fiscal 2004, the total stock-based awards available for grant under the Long-Term Equity Compensation Plan were 542,358 shares.

Certain Other Benefits. We provide health, welfare and pension benefits to the Company's executive officers. These benefits are also generally available to all of the Company's full-time employees. In addition, we provide certain perquisites to our executive officers including, depending upon the executive officer, reimbursement of tax preparation and/or financial planning expenses, club dues, moving expenses, car allowances, a supplemental executive retirement plan, life insurance policies, long-term disability plans and executive medical coverage.

Other Matters. The Compensation Committee has reviewed the compensation plans with regard to the deductibility limitation contained in Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code. The Compensation Committee has decided at present not to alter the compensation plans to comply with the deductibility requirements of Section 162(m) of the Code. The Compensation Committee will continue to review the issue and monitor whether the compensation plans should be amended in the future to meet the deductibility requirements of the Code. Our Long-Term Equity Compensation Plan provides that at all times when Code Section 162(m) is applicable, all awards granted under that plan shall comply with the requirements of Section 162(m) of the Code. However, the Compensation Committee may determine that such compliance is not desired with respect to any particular award.

Performance Graph

The graph below compares the cumulative total stockholder return on an investment of our common stock over a five year period with the cumulative total return on the Dow Jones Equity Market Index and the Dow Jones U.S. Food Retailers and Wholesalers Index over the same period. The graph assumes an initial investment of \$100 and the reinvestment of all dividends.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, or Exchange Act, requires our directors, executive officers and beneficial holders of more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and our other equity securities. Directors, executive officers and greater than 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such forms received by us, or written representation from certain reporting persons that no Form 5s were required for those persons, we believe that all reporting requirements under Section 16(a) of the Exchange Act for the 2004 fiscal year were met in a timely manner by our directors, executive officers and greater than 10% stockholders.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee generally makes decisions on compensation of our executive officers and our Chief Executive Officer. All such decisions relating to the compensation of executive officers are reviewed, and in fiscal 2004 were approved without change, by our full Board. During fiscal 2004, our Compensation Committee consisted of Messrs. Couvreur, Crull, Gold, McLaughlin and Plaskett. Mr. Couvreur was appointed to the Compensation Committee effective September 2004.

Relationship between Smart & Final Inc. and Casino USA. Groupe Casino, acting through Casino USA, acquired our then parent company in 1984. Groupe Casino owns 57.1% of the shares of our outstanding common stock. Our common stock does not have cumulative voting rights. Thus, the holders of shares having more than 50% of the voting power may elect all of our directors. The holders of the remaining shares would not be able to elect any directors.

Groupe Casino owns approximately 99% of the outstanding shares of Casino USA's capital stock. There is no agreement between Groupe Casino or Casino USA and any other party that would prevent either Groupe Casino or Casino USA from acquiring additional shares of our common stock or from disposing of shares of our common stock that it currently owns. Our Board includes individuals who are employees of Groupe Casino. These individuals are currently Messrs. Bouchut, Couvreur, Hernu and Ornstein. Prior to being appointed as our President and Chief Operating Officer in September 2003 and our Chief Executive Officer in May 2004, Mr. Snollaerts had been associated with Groupe Casino since 1985. In October 2001, Mr. Delolmo was appointed Senior Vice President of Business Development for our subsidiary, Smart & Final Stores. In December 2002, he became the Senior Vice President of Operations for Smart & Final Stores and in May 2004, he became the Senior Vice President of Operations for Smart & Final Inc. In addition, Mr. Delolmo is the President of Casino USA. Since his appointment as Senior Vice President for Smart & Final Stores in December 2002, Mr. Delolmo has devoted substantially all of his efforts to the Company.

Certain Transactions between Smart & Final Inc. and Casino USA. Together with Casino USA, we are party to a 1991 intercompany agreement, or the Intercompany Agreement. Under this agreement we provide various administrative services for Casino USA and Casino USA in turn provides various administrative services for us. Neither Casino USA nor the Company are obligated to use such services. The costs of these services include the estimated allocable costs of management and other employees performing the services, computer system resources, allocable overhead and out-of-pocket expenses. Cost, for purposes of management and employees, is based on an estimated allocation of time based on a study of the actual time spent in past periods. Any fees for such services cannot exceed \$100,000 in any three-month period without the written consent of the user of such services. The Intercompany Agreement also provides that Casino USA will not, and will cause its affiliates that it controls or any corporation of which either holds more than 5% of the capital stock not to, engage in our business. The initial term of the Intercompany Agreement was two years. The term has been renewed from time to time as provided in the agreement.

Since 1986, we have performed a variety of services for Casino USA and its former subsidiary as part of the Intercompany Agreement. These services include accounting, human resources and systems development

services. The cost of these services has been charged to the benefited affiliated company. We charged Casino USA approximately \$333,000 for fiscal 2004. For fiscal 2005, we have agreed to continue to provide these administrative services to Casino USA at our cost. It is anticipated that the levels of future services will not vary significantly from the fiscal 2004 charges.

We are a party to a tax sharing arrangement with Casino USA. This agreement covers income tax obligations for the State of California. Under the terms of this arrangement, we make tax sharing payments to or receive tax sharing benefits from Casino USA. Payments are based upon pre-tax income for financial reporting purposes adjusted for certain agreed upon items. In fiscal 2004, we made tax sharing payments to Casino USA aggregating \$2,792,000.

In November 2001, we entered into an \$87,100,000 Operating Lease Agreement, or the Lease Agreement. Several financial institutions and Casino USA are all participants in the Lease Agreement. As of January 2, 2005, Casino USA's share of participation in the Lease Agreement was \$33,100,000.

Our Senior Vice President of Operations, Mr. Delolmo, has an expatriate compensation agreement with Casino USA, in which he is reimbursed for housing expenses, school expenses, personal travel to and from France and the tax gross-up for these reimbursable expenses. As an accommodation to Casino USA, these expenses are initially paid to Mr. Delolmo by us, but we are reimbursed by Casino USA within thirty (30) days. In fiscal 2004, Mr. Delolmo was paid a total of \$250,354 in expatriate expenses (including \$107,288 in tax gross-up). We have been reimbursed for all of these expenses by Casino USA.

In August 2003, we entered into an Expatriate Compensation Agreement with Mr. Snollaerts and Casino USA, for which he is reimbursed for housing expenses, school expenses, personal travel to and from France and the tax gross-up for these reimbursable expenses. (For a further discussion of Mr. Snollaerts' compensation agreements with us, see *Executive Compensation Snollaerts Employment Agreement* below.) Under this agreement, Casino USA will reimburse us each month for the expatriate expenses paid to Mr. Snollaerts during the term of his employment with us. However, during the first twelve months of the term (August 2003 to August 2004), we were responsible for up to \$150,000 of Mr. Snollaerts' expatriate expenses. In fiscal 2003, we paid approximately \$110,000 of Mr. Snollaerts' expatriate expenses under this agreement and in fiscal 2004, we paid approximately \$40,000 in Mr. Snollaerts' expatriate expenses. Thus, we have now fulfilled our responsibility to Casino USA to pay for the first \$150,000 of Mr. Snollaerts' expatriate expenses.

(For a further discussion of Mr. Snollaerts' expatriate compensation agreement with us, see *Executive Compensation Snollaerts Employment Agreement* below.) Not included in Mr. Delolmo's compensation is the amount of expatriate expenses he was paid by Casino USA. (For a further discussion of Mr. Delolmo's expatriate compensation, see *Compensation Committee Interlocks and Insider Participation Certain Transactions between Smart & Final Inc. and Casino USA* above.) In accordance with the Roeder Employment Agreement, in 2002 Mr. Roeder received additional compensation and a personal tax gross-up of \$619,866. Option Grants Table. The table below summarizes options granted during fiscal 2004 to the Named Executive Officers:

Etienne Snollaerts	150,000	25.9%	\$ 12.89	2/17/14	\$ 728,650
Ross E. Roeder	100,000	17.3%	\$ 12.89	2/17/14	\$ 424,103
André Delolmo	30,000	5.2%	\$ 12.89	2/17/14	\$ 145,730
Richard N. Phegley	20,000	3.5%	\$ 12.89	2/17/14	\$ 97,153
Zeke Duge	20,000	3.5%	\$ 12.89	2/17/14	\$ 97,153
Donald G. Alvarado	20,000	3.5%	\$ 12.89	2/17/14	\$ 97,153

- (1) Options granted are nonqualified stock options granted under our Long-Term Equity Compensation Plan, and may be exercised for up to ten years after the date of the grant. These options are subject to early termination in the event the option holder ceases to be an employee, becomes permanently disabled or dies. No option can be granted at an option price of less than the fair market value of our common stock at the time the option is granted. For the grants made in 2004, one-third of the options become exercisable two years after the date of grant and each year thereafter so that 100% are exercisable four years after the date of grant. Unvested options will vest immediately upon a change in control.
- (2) We used the Black-Scholes model of option valuation to determine the present values at the grant dates. We do not advocate or necessarily agree that the Black-Scholes model can properly determine the value of an option. Calculations for Messrs. Snollaerts, Roeder, Delolmo, Phegley and Alvarado are based on the following assumptions: individual option terms of up to ten years, volatility of 39.11%, no dividends, and interest rates of 2.75% each for Messrs. Snollaerts, Delolmo, Phegley, Duge and Alvarado and 2.29% for Mr. Roeder, which corresponds to the weighted average of the ten year Treasury note rates with a maturity date corresponding to the option term for each of the grants. The real value of the options in this table depends upon the actual performance of our common stock during the applicable period and also upon the date the options are exercised.

Aggregated Option Exercises Table. The following table summarizes option exercises during fiscal 2004, and the number of all options and the value of all in-the-money options held at the end of fiscal 2004, by the Named Executive Officers.

- (1) Based on the market value of the underlying securities at the fiscal year end closing price of \$14.39 per share on January 2, 2005, less the exercise price.
- (2) Mr. Roeder's options include 12,500 shares of exercisable options for his service to us prior to fiscal 1999 as a non-employee director. These 12,500 options were exercised on March 3, 2005.

Equity Compensation Plans. The table below contains certain information relating to our equity compensation plans as of January 2, 2005, our most recently completed fiscal year.

EQUITY COMPENSATION PLAN INFORMATION

<u>Plan Category</u>	<u>Number of securities to be issued upon exercise of outstanding options, warrants and rights</u>	<u>Weighted-average exercise price of outstanding options, warrants and rights</u>	<u>Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))</u>
	(a)	(b)	(c)
Equity compensation plans approved by stockholders:			
Stock Incentive Plan	263,930	\$ 11.51	-0-
Long Term Equity Compensation Plan	3,771,292	\$ 9.07	542,358(1)
1996 Non-Employee Director Stock Plan	239,000(2)	\$ 7.79	70,000(3)
Total	4,272,222	\$ 9.15	612,358

- (1) These shares are also available for grant as restricted stock awards, stock appreciation rights and other stock-based incentives.
- (2) Each option provides for a term of ten years and reflects an exercise price equal to the fair market value of our common stock as of the date of grant thereof. For the remaining options granted on May 11, 1999 and May 1, 2000, one-third became exercisable two years after the date of grant and each year thereafter, so that 100% are exercisable four years after the date of grant.
- (3) These shares were available for award in fiscal 2004 to our directors that are not employed with Groupe Casino, including an annual formula grant on May 1 and grants of restricted stock and stock options. The number of shares awarded pursuant to the annual formula grant is equal to the quotient of \$20,000 divided by the fair market value of our common stock on the date of award. The 1996 Non-Employee Director Stock Plan expired on February 22, 2005, and thus no shares were awarded from this plan in 2005. This proxy statement contains a proposal requesting our stockholders to approve a new Smart & Final Inc. Long-Term Equity Compensation Plan for Non-Employee Directors which would allow us to award equity compensation to our non-employee directors commencing on May 20, 2005.

The table below sets forth estimated annual pension benefits under the Smart & Final Pension Plan, or our Pension Plan, on a straight life annuity basis for representative years of service as defined in our Pension Plan. - (1) Amounts shown are for employees hired on January 1, 2005 and assume retirement at age 65 after employment for the indicated number of years. Estimated annual retirement benefits are based on the Pension Plan in effect on January 1, 2005 and assume that no other offsets or grandfathered benefits are applied.
- (2) The maximum compensation that can be included in the determination of the retirement benefit is \$210,000 for 2005. This limit is adjusted annually for cost-of-living. For purposes of this illustration, it is assumed to remain at \$210,000 for all future years.

Pension Plan. We maintain our Pension Plan for the benefit of our Smart & Final Stores employees who meet certain age and service requirements. Our Pension Plan is designed to provide benefits in the event of normal, early or disability retirement, or in the event of death. Our Smart & Final Stores employees who are covered by a collective bargaining agreement are not covered by our Pension Plan. The benefits are calculated on the basis of the participant's years of service, and the participant's qualifying average pay. The minimum benefits for certain qualifying participants are at least equal to the accrued benefit they would have received under our prior pension plan. The qualifying average pay on which benefits are based includes bonuses, overtime and other compensation but does not include amounts to be paid under our Pension Plan or any other employee benefit plan. A participant becomes 100% vested in the retirement benefit at the end of the fifth year of service. Under our Pension Plan, at the end of fiscal 2004, Messrs. Snollaerts, Roeder, Delolmo, Phegley, Duge and Alvarado had credited approximately two, six, five, eight, four and 17 actual years of service, respectively, and would have been entitled to minimum annual benefits of approximately \$4,050, \$12,060, \$10,050, \$15,998, \$8,050 and \$38,944 respectively.

401(k) Savings Plan. Our 401(k) Savings Plan is a defined contribution plan. It is intended to satisfy the tax qualification requirements of Section 401(k) of the Code. All of our employees who meet certain age and service requirements are eligible to participate in our 401(k) Savings Plan. For fiscal 2004, the Pension Plan allowed participants to contribute up to 75% of their compensation, or \$13,000, whichever was lower. In fiscal 2001, we increased our match from 25% to 33% of each dollar contributed up to 6% of each participant's eligible compensation; however, our employees who are covered by a collective bargaining agreement do not receive the Company match, but are eligible to participate in the 401(k) Savings Plan. In addition, in fiscal 2001, we made a discretionary 8% match with respect to contributions made in fiscal 2000. This discretionary match was made to adjust that year's match from 25% to 33%. Participants' contributions to our 401(k) Savings Plan, which are

deemed to be our contributions for tax purposes, are deducted from the participants' compensation prior to the calculation of federal and state income taxes. This decreases the amount of a participant's taxable compensation.

Participants are currently entitled to direct their contributions to one or more of thirteen investment options. A participant may not withdraw any of its account balance in our 401(k) Savings Plan prior to termination of employment or attainment of age 70, whichever occurs earlier; the only exceptions are qualified financial hardships and loans. Distribution of a participant's account balance, if less than \$5,000, will generally be made in a lump sum payment in the year following the termination of employment. Distribution of a participant's account balance in excess of \$5,000 will be made in accordance with the participant's election following the termination of employment. A participant's contributions to our 401(k) Savings Plan will vest immediately. Twenty-five percent (25%) of our contributions on behalf of a participant will vest each year beginning after the second year of the participant's service with us. Contributions we make on behalf of a participant are 100% vested after five years of service with us.

Supplemental Executive Retirement Plan. Since 1998, we have provided a Supplemental Executive Retirement Plan, or SERP, to certain key executives and other highly compensated employees. The SERP provides for a single life annuity to be payable monthly commencing at age 65 or upon the participant's early retirement or disability as those terms are defined in the SERP document. A participant may be entitled to receive benefits under the SERP in the event of a change in control. In addition, in the event the participant dies prior to his or her retirement, disability or termination of employment, his or her survivor also be entitled to receive benefits under the SERP. The amount of the annuity benefit is determined by multiplying the standard benefit percentage assigned to each participant according to his or her title and position by the average of the final five calendar years of a participant's compensation. Our Board selects the participants in the SERP. A third party administrator administers the SERP. At the end of fiscal 2004, there were 22 participants in the SERP, including members of our executive management. None of the participants received benefits from the SERP in fiscal 2004.

Deferred Compensation Plan. We also have a Supplemental Deferred Compensation Plan, or Supplemental Deferred Plan. Under the Supplemental Deferred Plan our employees who earned annual base compensation of at least \$90,000 in 2004 are eligible to defer pre-tax up to 100% of their base compensation and cash bonus. There is a \$2,500 minimum annual deferral requirement under the terms of the Supplemental Deferred Plan. Eligible employees may also defer shares of restricted stock. Participation is voluntary on an annual basis. Deferrals are credited to a special bookkeeping account in the participant's name, and earnings on deferrals are indexed to certain investment fund options. We pay all benefits and costs from our general assets. We have created a non-qualified grantor trust whose assets will be used to pay benefits and defray expenses; however, the assets of the trust are subject to the claims of our general creditors in the event of our insolvency or bankruptcy. In general, participants will receive benefits under the Supplemental Deferred Plan after retirement. Benefits are paid in one lump-sum payment or a stream of five, ten or fifteen annual payments, depending on a participant's pre-elected payment option. The Supplemental Deferred Plan permits limited withdrawals prior to retirement. In addition to the general death benefits provided to all of our employees, the Supplemental Deferred Plan provides its own death benefits in the event of the death, prior to retirement, of a participating employee.

Executive Severance Agreement. Our officers and certain designated officers of our subsidiaries are eligible to participate in the 2004 Executive Severance Plan, as amended, or our Executive Severance Plan, which became effective January 1, 2004 and replaced the 2001 Executive Severance Plan which was in place for fiscal years 2001, 2002 and 2003. This Executive Severance Plan provides a minimum severance of 12 months base salary, or a month's base salary for each year of service, whichever is greater. Severance is not available to executives who are terminated for cause or who voluntarily terminate their employment. All of the welfare benefits received by an officer during employment are continued during the severance period. Following a change of control, the executives can resign for "good reason" and be eligible for the benefits available under the Executive Severance Plan. "Good reason" is defined as a reduction in duties and/or compensation, or being asked to relocate. Our Compensation Committee selects participants in the Executive Severance Plan. At the end of fiscal 2004 there were 17 participants in our Executive Severance Plan. During fiscal 2004, two former executives received benefits from the Executive Severance Plan for a combined total of \$542,114.

Snollaerts Employment Agreement. Effective August 4, 2003, we entered into an employment agreement with Mr. Snollaerts to serve as our Chief Operating Officer. Thereafter on May 17, 2004, this agreement was amended and restated as Mr. Snollaerts assumed his duties as our President and Chief Executive Officer. The term of Mr. Snollaerts' amended and restated employment agreement is for three years from May 17, 2004 through May 17, 2007. We may extend his agreement for another three year period from May 17, 2007, if we give notice to Mr. Snollaerts no earlier than May 1, 2006, nor later than May 31, 2006.

Mr. Snollaerts' initial base salary is \$650,000. His base salary is to be reviewed annually in accordance with our executive merit pay policy; however, his base salary cannot be decreased below \$650,000. In addition, if our Board awards annual bonuses generally, then Mr. Snollaerts is entitled to an annual bonus. The target for his annual bonus, while he is acting as our Chief Executive Officer, is no less than 100% and no greater than 200% of his base salary for that year. Any bonus awarded for a partial year of service will be prorated. The target for his annual bonus while he was acting as our Chief Operating Officer, from January 1 through May 19, 2004, was not less than 75%, nor more than 150% of his annual salary for the period. We may change Mr. Snollaerts' annual bonus plan provided that such changes are applicable to all of our executives generally. Both Mr. Snollaerts' base salary and annual bonus are determined at the sole discretion of the Compensation Committee. During fiscal 2004, Mr. Snollaerts received a total of \$611,721 in base salary and a bonus of \$975,000. In 2003, his base salary was \$322,116 and his bonus was \$206,250. The payment of Mr. Snollaerts' 2003 bonus was offset by his initial bonus of \$100,000, paid in August 2003, in accordance with his employment agreement. Mr. Snollaerts also has the opportunity to earn long-term incentive awards and to participate in our qualified retirement plans, group term life insurance, comprehensive health and major medical insurance, short and long-term disability and all other benefits and perquisites in which our other executives and employees are eligible to participate. This includes an automobile allowance, gas card, automobile insurance, retiree medical coverage and financial planning services. He is also entitled to a minimum of five weeks paid vacation per year, capped at ten weeks. Mr. Snollaerts' severance benefits are all pursuant to our Executive Severance Plan. If there is a change in control, Mr. Snollaerts' benefits will also be pursuant to the Executive Severance Plan; however, if he accepts a position with Groupe Casino within six months of his termination, then he will not receive any benefits under our Executive Severance Plan.

Contemporaneously with his employment agreement, we entered into an Expatriate Compensation Agreement with Mr. Snollaerts and Casino USA, or Expatriate Agreement. The Expatriate Agreement provides for Mr. Snollaerts to be compensated up to \$10,000 per month for housing expenses, \$15,000 per year, per child, for school expenses and a maximum of \$40,000 per year for personal travel to and from France. The Expatriate Agreement further provides that he shall receive a tax gross up on the compensation he receives thereunder. On a monthly basis, Casino USA will reimburse us for the expatriate compensation we pay to Mr. Snollaerts (subject to the limitations described above), including all tax gross up payments. However, Casino USA did not reimburse us for the first \$150,000 we paid to Mr. Snollaerts during the first twelve months of his employment with us. In fiscal 2004, we paid Mr. Snollaerts \$291,498 pursuant to his expatriate agreement. Of this amount, \$40,049 was not reimbursed to us by Casino USA. In fiscal 2003, we paid Mr. Snollaerts a total of \$109,951 pursuant to the terms of his expatriate agreement, none of which was reimbursed to us by Casino USA.

On February 17, 2004, Mr. Snollaerts received a grant of 60,000 shares of restricted stock that will vest if certain performance standards are met, or no later than February 17, 2009. On September 16, 2003, Mr. Snollaerts received a grant of 100,000 options, at the market price, from our Long-Term Equity Compensation Plan. This grant has a ten year term and one-third of the grant vests on September 16 in each of 2005, 2006 and 2007.

Roeder Employment Agreement. In early 1999, we entered into an employment agreement with Mr. Roeder. Under the terms of the initial agreement, Mr. Roeder agreed to serve as our Chairman and Chief Executive Officer, or CEO, through December 31, 2001. In May 2001 and again in February 2004, the agreement was amended to extend the term of Mr. Roeder's employment as our CEO until May 2004. For one year thereafter or approximately until the Annual Meeting, he will serve as our non-executive Chairman of the Board and senior advisor, or Non-Executive Chairman and Senior Advisor Term.

During his CEO term, Mr. Roeder's base salary was determined from time to time by our Board, but pursuant to his agreement, his salary could not be less than \$600,000 per year on an annualized basis. Once increased, his base salary could not be decreased. During fiscal 2004 while he served as our CEO until May 2004, Mr. Roeder's annual base salary was \$700,000. Mr. Roeder's employment agreement also provided that he had the opportunity to earn an annual cash bonus while serving as our CEO. The minimum target annual bonus was at least 100% of Mr. Roeder's annual base salary. His bonus payment was subject to the meeting of financial targets. Mr. Roeder received a bonus of \$743,750 for fiscal 2004 (paid in 2005). Of the \$743,750, \$306,250 was for his service as our CEO from January to May 2004, the remaining \$437,500 was for his service as our Non-Executive Chairman and Senior Advisor, in accordance with his amended employment agreement. In March of 2004, Mr. Roeder also received a special one-time bonus payment in the amount of \$300,000 for his assistance with Mr. Snollaerts' transition as the new CEO. Mr. Roeder also earned long-term incentive awards of 100,000 options, granted on February 17, 2004 at an exercise price of \$12.89. These options will expire, if not exercised on or before February 17, 2014. During fiscal 2004, Mr. Roeder also had the opportunity to earn long-term incentive awards and to participate in our qualified retirement plans, group term life insurance, comprehensive health and major medical insurance, short and long-term disability and all other benefits and perquisites in which our other executives and employees are eligible to participate. This includes participation in our SERP in an amount not less than \$125,000 per year, an automobile allowance, retiree medical coverage and financial planning services. Mr. Roeder is also entitled to certain tax gross-up benefits relating to his bonus and restricted stock awards, which are discussed in greater detail below.

During the Non-Executive Chairman and Senior Advisor Term (from approximately May 2004 through May 2005), Mr. Roeder's annual base salary will be \$350,000 per year on an annualized basis, and Mr. Roeder shall receive 50% of the bonus paid to our CEO during such period, prorated in 2004 and again in 2005 in proportion to the respective duration of his service as Non-Executive Chairman and Senior Advisor during such years. During the Non-Executive Chairman and Senior Advisor Term, Mr. Roeder will continue to receive all of the benefits that he was receiving as our CEO. We may, but are not obligated to, grant to Mr. Roeder restricted stock and/or stock options during the Non-Executive Chairman and Senior Advisor Term. If we terminate Mr. Roeder's service as Non-Executive Chairman and Senior Advisor, other than for cause or Mr. Roeder's voluntary resignation, Mr. Roeder will be entitled to all payments and benefits to which he would have been entitled as our CEO under the employment agreement, had he continued to serve as our CEO throughout the one-year period following the end of his term as our CEO.

In the event we terminate Mr. Roeder's employment without cause or if Mr. Roeder terminates his agreement with us for good reason, Mr. Roeder is entitled to receive his then current monthly base salary for a severance period of 24 months. However, if Mr. Roeder's employment or service is terminated during 2005, then the payment of his base salary shall continue for a severance period of 12 months. Mr. Roeder would also receive a monthly amount equal to his annual bonus target for our last fiscal year completed prior to the date of termination divided by 12. In addition, Mr. Roeder would continue to receive payment for continuation of his and his spouse's medical insurance coverage through COBRA for a period equal to 18 months or until Mr. Roeder ceases to be eligible for COBRA coverage. If Mr. Roeder becomes eligible to receive comparable coverage through another employer, then the COBRA payment will cease. We will also continue to provide Mr. Roeder with his long-term disability policy for a period of 24 months commencing on the termination date. Mr. Roeder would also receive additional service and compensation credit under the SERP until he reaches age 65, and continued payment of financial planning services through the severance period, plus all other amounts in which he is vested or otherwise entitled under our retirement and employee benefit plans. This includes retiree medical insurance coverage as described above for Mr. Roeder and his spouse, at the time such amounts are normally payable. Our employment agreement with Mr. Roeder defines disability as Mr. Roeder's inability to perform his duties due to illness or mental infirmity for a period of more than 180 consecutive days. Good reason is defined as a diminution in Mr. Roeder's title and authority, relocation of our principal office without his consent, our failure to pay his salary or any other material breach by us, or the failure of Mr. Roeder to be elected to our Board or be appointed Chairman of our Board during the employment term.

Upon the effective date of a qualifying termination due to a change in control, we have agreed to continue to pay Mr. Roeder any accrued obligations and a lump-sum payment equal to three times his annual base salary then in effect. We have also agreed to pay Mr. Roeder a lump-sum cash payment equal to three times the greater of the highest annual bonus paid by us in the prior three fiscal years or his annual bonus target for the fiscal year of termination. Mr. Roeder would also receive continuation of health and welfare benefits for three years (subject to termination if Mr. Roeder obtains employment that offers substantially similar benefits) as well as three additional years of service and compensation credit under our SERP. In the event any of the payments in connection with a change in control cause an excise tax to be imposed upon Mr. Roeder under Section 4999 of the Code, we have agreed to pay Mr. Roeder, in cash, an additional amount so that the net amount retained by Mr. Roeder after deduction for any tax and payments made by us will be equal to the amount Mr. Roeder would have retained had no such tax been imposed.

Finally, our employment agreement with Mr. Roeder contains a covenant that Mr. Roeder agrees not to compete with us during the term and for the longer of 12 months following the expiration of his employment agreement or any period during which he is paid under such agreement. His employment agreement also provides that for a period of 12 months following its expiration, Mr. Roeder will not attempt to induce our other employees to terminate employment with us or to interfere in a similar manner with our business.

ITEM 2 PROPOSAL TO APPROVE THE SMART & FINAL INC. LONG-TERM

EQUITY COMPENSATION PLAN FOR NON-EMPLOYEE DIRECTORS

At the Annual Meeting, stockholders will be requested to approve the proposed Smart & Final Inc. Long-Term Equity Compensation Plan for Non-Employee Directors, or the 2005 Non-Employee Directors Plan, which is attached hereto as Appendix B. We do not have a currently effective stock plan under which our Board can grant awards of equity compensation to our non-employee directors because our 1996 Non-Employee Director Stock Plan expired on February 22, 2005, the proposed 2005 Non-Employee Directors Plan is an omnibus stock plan similar to the current Smart & Final Inc. Long-Term Equity Compensation Plan under which our employees are eligible to receive equity compensation. The 2005 Non-Employee Directors Plan, if approved by stockholders, will be effective as of May 20, 2005 and will expire on May 19, 2015. The 2005 Non-Employee Directors Plan allows the Board to grant awards of our common stock, stock options, restricted stock, restricted stock units, stock appreciation rights and tandem stock appreciation rights. We are proposing that 375,000 shares of our common stock be authorized for issuance under the 2005 Non-Employee Directors Plan.

Based upon the recommendation of the Corporate Governance Committee, the Board unanimously approved the 2005 Non-Employee Directors Plan, subject to stockholder approval at the Annual Meeting. The 2005 Non-Employee Directors Plan is designed to align the interests of the non-employee directors with our stockholders and to create a greater incentive among members of the Board to promote our success and profitability. In addition, the Board is aware that the additional scrutiny and responsibility placed on the boards of public companies makes the attraction and retention of independent members to our Board challenging. Thus, the ability to provide equity compensation as part of the compensation package offered to our non-employee directors should help us in attracting and retaining members for our Board. At present, the Board intends to maintain the current level of compensation to our non-employee directors and to only provide equity compensation to those non-employee directors that are not affiliated with Groupe Casino. There are currently five directors that receive equity compensation: Messrs. Crull, Gold, McLaughlin, Plaskett and Watson. If all the directors that are standing for election in this proxy statement are elected to our Board, then after the election of directors at our Annual Meeting, only four directors will receive this equity compensation: Messrs. Crull, McLaughlin, Roeder and Watson. During fiscal 2004, the non-employee, non-Groupe Casino affiliated directors' compensation (for each such director) under the 1996 Non-Employee Director Stock Plan consisted of: (1) an award of common stock equal to \$20,000 as valued on the date of grant; and (2) a stock option grant of 4,000 shares awarded in May of each year and valued at the closing price of our common stock on the date of grant; or, alternatively, an initial grant of 22,500 stock options given to a non-employee director upon his or her initial election or appointment to the Board.

Under the 1996 Non-Employee Director Stock Plan, 328,377 shares of common stock, restricted stock and/or stock options were awarded during the lifetime of the plan from February 21, 1997 through February 22, 2005. At the end of the 2004 fiscal year, the 1996 Non-Employee Director Stock Plan had a total of 70,000 shares available to grant. In May 2004, four of our non-employee and non-Groupe Casino affiliated directors, Messrs. Crull, Gold, McLaughlin and Plaskett, were each awarded 1,680 shares of common stock and 4,000 stock options, for a total of 6,720 shares of common stock and 16,000 stock option awards. Other than these awards, plus the award to Mr. Watson upon his appointment to our Board, no other stock awards have been made to our directors since May 2004.

New Plan Benefits

As described above, each non-employee director that is not affiliated with Groupe Casino, under our prior plan, was eligible for the following compensation: (1) an award of common stock equal to \$20,000 as valued on the date of the grant, and (2) a stock option grant of 4,000 shares awarded in May of each year and valued at the closing price of our common stock on the date of grant; or, alternatively, an initial grant of 22,500 stock options given to a non-employee director upon his or her initial election or appointment to the Board.

Only our non-employee directors are eligible to participate in the 2005 Non-Employee Directors Plan and, pursuant to current Board practice, equity compensation is only provided to those non-employee directors that are

not affiliated with Groupe Casino. Under the 2005 Non-Employee Directors Plan, and pursuant to current Board practice, each non-employee, non-Groupe Casino affiliated director would be eligible to receive the following compensation: (1) an award of common stock equal to \$20,000 as valued on the date of grant; and (2) a stock option grant of 4,000 shares awarded in May of each year and valued at the closing price of our common stock on the date of grant; or, alternatively, an initial grant of 22,500 stock options given to a non-employee director upon his or her initial election or appointment to the Board. In addition, our Board has the discretion under the 2005 Non-Employee Directors Plan to grant a non-employee director any of the awards described below. Executive officers and employees will not be eligible to participate in the 2005 Non-Employee Directors Plan.

Summary of 2005 Non-Employee Directors Plan

The following summary of certain principal features of the 2005 Non-Employee Directors Plan is qualified in its entirety by the complete text of the 2005 Non-Employee Directors Plan attached hereto as Appendix B. Capitalized terms used herein and not otherwise defined shall have the same meaning as such capitalized terms contained in the 2005 Non-Employee Directors Plan. As of March 31, 2005, the closing price of a share of our common stock as reported on the NYSE composite transactions report was \$12.16.

Purpose. The 2005 Non-Employee Directors Plan is intended to promote our interests and the interests of our stockholders by (i) providing an incentive to our directors who are not our employees or employees of Groupe Casino, and (ii) linking the personal interests of our independent directors with the interests of our stockholders in our continuing financial success.

General. The 2005 Non-Employee Directors Plan permits the granting of stock options, stock appreciation rights, restricted stock or restricted stock units to eligible participants. The total number of shares of our common stock available for awards to be granted under the 2005 Non-Employee Directors Plan is 375,000 shares. In the event that options granted under the 2005 Non-Employee Directors Plan terminate or expire without being exercised, shares not purchased under such lapsed options will again become generally available to be issued on the exercise of additional options granted under the 2005 Non-Employee Directors Plan. In addition, the 2005 Non-Employee Directors Plan provides for an automatic increase in the number of stock options, stock appreciations rights or restricted stock awards available for award to eligible participants in an amount equal to the number of such grants of stock options being exercised and/or restricted stock vesting in any given fiscal year, and also provides for an automatic increase in the number of shares available for such grants (subject to restrictions on the maximum number of shares reserved for grant).

Administration of the 2005 Non-Employee Directors Plan. The 2005 Non-Employee Directors Plan will be administered by the Corporate Governance Committee. The 2005 Non-Employee Directors Plan does not require that (i) Corporate Governance Committee members qualify as disinterested persons under Rule 16b-3 of the Exchange Act (Rule 16b-3), or as outside directors under Section 162(m) of the Code, unless the Corporate Governance Committee determines that such compliance is desired with respect to any award, and (ii) with respect to Insiders, transactions under the 2005 Non-Employee Directors Plan comply with all applicable conditions of Rule 16b-3. Subject to the terms of the 2005 Non-Employee Directors Plan, the Corporate Governance Committee has the full power to select the eligible directors to participate in the 2005 Non-Employee Directors Plan, determine the sizes and types of awards, determine the terms and conditions of awards, construe and interpret the 2005 Non-Employee Directors Plan and any agreement entered into under this plan, establish, amend or waive any rules and regulations for the 2005 Non-Employee Directors Plan's administration, and amend the terms and conditions of any outstanding award to the extent such terms and conditions are within the discretion of the Corporate Governance Committee. The Corporate Governance Committee also has the discretion for making any adjustments in awards, the shares available for awards and the numerical limitation for awards to reflect any transactions such as stock splits or any merger or reorganization. Our Board may amend or terminate the 2005 Non-Employee Directors Plan at any time and for any reason but, as required under Rule 16b-3, certain material amendments to the 2005 Non-Employee Directors Plan must be approved by stockholders.

Eligibility to Receive Awards. All of our non-employee directors that are not affiliated with Groupe Casino are eligible to receive awards under the 2005 Non-Employee Directors Plan.

Options. The Corporate Governance Committee may grant nonqualified stock options to our eligible directors in such number, and upon such terms, and at any time and from time to time as they shall determine. Each option grant shall be evidenced by an award agreement specifying the option price, the duration of the option, the number of shares to which the option pertains, and such other provisions the Corporate Governance Committee may determine. The award agreement shall also specify that the option is intended to be a nonqualified stock option whose grant is not intended to fall under the provisions of Section 422 of the Code. The option price for each grant of an option under the 2005 Non-Employee Directors Plan shall be at least equal to one hundred percent (100%) of the fair market value of a share on the award date. The option price of each option must be paid in full at the time of exercise. The Corporate Governance Committee may permit the option price to be paid in cash or through the tender of shares of our common stock which are owned by the eligible director or by a combination of cash and shares. The Corporate Governance Committee may also allow any other means of exercising options that they determine is consistent with the 2005 Non-Employee Directors Plan's purposes, including but not limited to cashless exercises, and is consistent with applicable law. Options become exercisable and terminate at the times and on the terms established by the Corporate Governance Committee, but options generally shall not be exercisable later than the tenth anniversary of the date of grant.

Restricted Stock Awards. Restricted stock awards are shares of our common stock which vest in accordance with terms established by our Board in its discretion. Each restricted stock grant shall be evidenced by a restricted stock award agreement that shall specify the period of restriction, the number of shares of restricted stock granted, and such other provisions as the Governance Committee shall determine. For example, the Governance Committee may provide that the restricted stock will vest only if one or more performance goals are satisfied and/or if the eligible director remains as our director for a specified period of time. Any performance measures may be applied to our entire Company or to individual units within our Company, as deemed appropriate in light of the eligible director's specific responsibilities. During the period of restriction, the eligible director holding shares of restricted stock may exercise full voting rights with respect to the shares and may be credited with regular cash dividends paid with respect to these shares.

Stock Appreciation Rights. Stock appreciation rights, or SARs, may be granted as a separate award or together with an option to our eligible directors. Upon exercise of a SAR, the eligible director will receive a payment from us equal to (i) the difference between the fair market value of a share on the date of exercise over the grant price multiplied by (ii) the number of shares underlying each SAR exercised. The grant price of a free standing SAR equals the fair market value of a share on the date of grant of the SAR. The grant price of a Tandem SAR equals the option price of the related option. SARs may be paid in cash or shares of our common stock, as determined by the Corporate Governance Committee. The number of shares covered by each SAR will be determined by the Corporate Governance Committee and the Corporate Governance Committee will also determine any other terms and conditions of each SAR. The SAR will expire at the same times established by the Corporate Governance Committee, subject to the maximum time limits applicable to options granted under the 2005 Non-Employee Directors Plan.

Nontransferability of Awards. Awards granted under the 2005 Non-Employee Directors Plan may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than (except in the case of restricted stock) by will or by the applicable laws of descent and distribution, provided that in the discretion of the Corporate Governance Committee, an eligible director's award agreement may in its discretion provide otherwise.

Change in Control. Upon the occurrence of a change in control, all options and SARs granted become immediately exercisable, any period of restriction and restrictions imposed on restricted stock lapse and all target payout opportunities attainable under all outstanding awards of restricted stock shall be deemed to have been fully earned for the entire performance period as of the effective date of a change in control. In addition, the

vesting of all awards denominated in shares shall accelerate as of the effective date of the change in control and certain cash payments shall be made to eligible directors with respect to the assumed achievement of any performance goals on a pro rata basis. For purposes of the 2005 Non-Employee Directors Plan, a change in control means, generally, when either (i) any person acquires beneficial ownership of more than thirty-five percent (35%) of our voting power, (ii) during any two (2) consecutive year periods there is a change in persons constituting a majority of our Board at the beginning of such period, or (iii) a plan of complete liquidation, an agreement for the sale of substantially all of our assets or a merger, consolidation or reorganization of the Company involving current stockholders obtaining at least sixty-five percent (65%) of our voting power (or the surviving entity's voting power) becomes effective.

Tax Aspects. Based on management's understanding of the current federal income tax laws, the tax consequences of the grant of awards under the 2005 Non-Employee Directors Plan are as follows:

An eligible director who receives an award of shares of our common stock will recognize as taxable ordinary income an amount equal to the fair market value of the shares on the award date.

An eligible director who receives an option or SAR granted under the 2005 Non-Employee Directors Plan will not have taxable income at the time of the grant. Upon exercise of a nonqualified stock option or SAR, the eligible director generally must recognize as taxable ordinary income an amount equal to the fair market value on the date of exercise of the shares exercised minus the option price. Any gain or loss recognized upon any later sale or other disposition of the acquired shares generally will be a capital gain or loss.

An eligible director who receives restricted stock will not recognize taxable income upon receipt, but instead will recognize ordinary income when the shares vest. Alternatively, the eligible director may elect under Section 83(b) of the Code to be taxed at the time of receipt of the restricted stock. If the restricted stock is subsequently forfeited, the eligible director is not entitled to a deduction for the loss. However, if he or she holds the restricted stock until after the shares vest and subsequently sells the shares upon vesting, the gain will be taxed as a capital gain as opposed to ordinary income. In all cases, the amount of ordinary income recognized by the eligible director will be equal to the fair market value of the shares at the time income is recognized, minus the amount, if any, paid for the shares.

Any taxes required to be withheld must be paid by the eligible director at the time of exercise. With respect to withholding required upon exercise of options, eligible directors may elect, subject to approval by the Corporate Governance Committee, to satisfy tax withholding requirements in whole or in part by having us withhold shares having a fair market value on the date that the tax is determined equal to the minimum statutory total tax which could be imposed on the transaction.

We generally will be entitled to a tax deduction in connection with an award made under the 2005 Non-Employee Directors Plan only to the extent that the eligible director recognizes ordinary income from the award.

Vote Required and Recommendation of the Board. The affirmative vote of a majority of all outstanding shares of our common stock entitled to vote at the Annual Meeting will be required for approval of this proposal. An abstention on this proposal is not an affirmative vote and therefore will have the same effect as a negative vote on this proposal. Thus, it is important that you vote your shares either at the meeting or by proxy. Provided that this proposal is routine under the NYSE's rules, then a nominee holding shares in street name may vote for the proposal without voting instructions from the owner.

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSED 2005 NON-EMPLOYEE DIRECTORS PLAN.

INDEPENDENT AUDITORS

At our Audit Committee meeting in May 2005, it is anticipated that the Audit Committee will unanimously recommend that we retain Ernst & Young LLP, or E&Y, as our independent auditors for the fiscal year ending January 1, 2006. E&Y became our independent auditors effective June 7, 2002 upon the recommendation of the Audit Committee and after unanimous approval by the Board. E&Y has now audited all of our financial statements for fiscal years 2001 through 2004, inclusive.

We expect a representative of E&Y to appear at the Annual Meeting and be available to respond to appropriate questions from our stockholders.

The following fees were paid to E&Y for services rendered for each of the last two fiscal years:

	Fiscal Year Ending	
	2003	2004
Audit Fees	\$ 820,000	\$ 1,333,000
Audit-Related Fees	91,000	136,000
Tax Fees	172,000	153,000
All Other Fees	-0-	-0-
Total E&Y Fees	\$ 1,083,000	\$ 1,622,000

Audit Fees represent amounts paid for the audit of our consolidated annual financial statements and internal control over financial reporting, reviews of quarterly financial information and accounting consultations. Included in the 2004 Audit Fees is approximately \$896,000 related to the audit of internal control over financial reporting. Included in the 2003 Audit Fees is approximately \$280,000 related to the audit of our consolidated financial statements for the 2001 fiscal year.

Audit-Related Fees for 2004 represent amounts primarily related to consulting services regarding internal control over financial reporting. Audit-Related Fees for 2003 represent amounts primarily attributable to agreed-upon procedures on our credit facility borrowing base and audits in connection with the divestiture of our Florida operations.

Tax fees represent amounts for tax return assistance and other tax consulting services.

All of the fees paid to E&Y in fiscal 2004 and 2003 were pre-approved by the Audit Committee. Our Audit Committee has considered whether the provision of services other than those described above under the heading **Audit Fees** are compatible with maintaining the independence of E&Y.

Audit Committee Pre-Approval Policies

Rules adopted by the SEC in order to implement requirements of the Sarbanes-Oxley Act of 2002 require public company audit committees to pre-approve audit and non-audit services. Our Audit Committee has adopted detailed pre-approval policies and procedures pursuant to which audit, audit-related, tax and all other services, including all permissible non-audit services, are pre-approved by category of service. The fees are budgeted, and actual fees versus the budget are monitored throughout the year. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, we will obtain the specific pre-approval of the Audit Committee before engaging the independent auditor. The policies require the Audit Committee to be informed of each service, and the policies also require the Audit Committee to be informed of all services provided by the independent auditor.

As permitted by law, the Committee may delegate its authority as identified herein.

3.3. *Decisions Binding.* All determinations and decisions made by the Committee pursuant to the provisions of the Plan and all related orders and resolutions of the Board shall be final, conclusive and binding on all Persons, including the Company, its stockholders, Employees, Participants, and their estates and beneficiaries.

ARTICLE 4.

SHARES SUBJECT TO THE PLAN AND MAXIMUM AWARDS

4.1. *Number of Shares Available for Grant.* Subject to adjustment as provided in Article 4.2 herein, the number of Shares hereby authorized for issuance to Participants under the Plan shall be Three Hundred Seventy-Five Thousand (375,000). Effective as of May 30 of each year, there shall be an automatic increase in the number of Shares, Options, Restricted Stock, SARs, Tandem SARs and Restricted Stock Units available for Awards to eligible Participants in an amount equal to the number of Shares issued by reason of such Awards being exercised and/or, in the case of restricted stock, vesting during such fiscal year, provided that the maximum aggregate number of Shares available for Awards under the Plan during any fiscal year of the Company shall not exceed one and three-tenths percent (1.3%) of the adjusted average of the outstanding Common Stock, as that number is determined by the Company to calculate fully diluted earnings per share for the preceding fiscal year. The Committee shall determine the appropriate methodology for calculating the number of shares issued pursuant to the Plan.

4.2. *Adjustments in Authorized Shares.* In the event of any change in corporate capitalization, such as a stock split, or a corporate transaction, such as any merger, consolidation, separation, including a spin-off, or other distribution of stock or property of the Company, any reorganization (whether or not such reorganization comes within the definition of such term in Code Section 368) or any partial or complete liquidation of the Company, such adjustment shall be made in the number and class of Shares which may be delivered under Article 4.1, in the number and class of and/or price of Shares subject to outstanding Awards granted under the Plan as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights; provided, however, that the number of Shares subject to any Award shall always be a whole number.

ARTICLE 5.

ELIGIBILITY AND PARTICIPATION

5.1. *Eligibility.* Persons eligible to participate in this Plan include all Non-Employee Directors.

5.2. *Actual Participation.* Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible Persons, those to whom Awards shall be granted and shall determine the nature and amount of each Award.

ARTICLE 6.

STOCK OPTIONS

6.1. *Eligibility; Grant of Options.* Subject to the terms and provisions of the Plan, Options may be granted to eligible Persons in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee.

B-4

6.2. *Award Agreement.* Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, and such other provisions as the Committee shall determine. The Award Agreement also shall specify that the Option is a nonqualified stock option that is intended not to fall under the provisions of Code Section 422.

6.3. *Option Price.* The Option Price for each grant of an Option under this Plan shall be at least equal to one hundred percent (100%) of the Fair Market Value of a Share on the date the Option is granted.

6.4. *Duration of Options.* Each Option granted to an Employee shall expire at such time as the Committee shall determine at the time of grant; provided, however, that no Option shall be exercisable later than the tenth (10th) anniversary date of its grant.

6.5. *Exercise of Options.* Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.

6.6. *Payment.* Options granted under this Article 6 shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

The Option Price upon exercise of any Option shall be payable to the Company in full either: (a) in cash or its equivalent, or (b) subject to applicable securities law restrictions, by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the Shares which are tendered must have been held by the Participant for at least six (6) months prior to their tender to satisfy the Option Price, or any shorter period determined by the Company to be sufficient to avoid a charge to the Company's earnings for financial reporting purposes), or (c) by a combination of (a) and (b), as the Committee may specify in the Award Agreement entered into with each Participant.

The Committee also may allow cashless exercise as permitted under Federal Reserve Board's Regulation T, to the extent permitted by law and subject to applicable securities law restrictions, or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law. Subject to any governing rules or regulations, as soon as practicable after receipt of a written notification of exercise and full payment, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

6.7. *Restrictions on Share Transferability.* The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares.

6.8. *Termination of Directorship.* Each Participant's Option Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's service as a director of the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination service as a director of the Company.

6.9. *Non-transferability of Options.* Except as otherwise provided in a Participant's Award Agreement, no Stock Options granted under this Article 6 may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all Stock Options granted to a Participant under this Article 6 shall be exercisable during his or her lifetime only by such Participant.

ARTICLE 7.

STOCK APPRECIATION RIGHTS

7.1. *Eligibility; Grant of SARs.* Subject to the terms and conditions of the Plan, SARs may be granted to eligible Persons at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SAR. Tandem SARs may be granted only concurrently with the grant of the related Option.

The Committee shall have complete discretion in determining the number of SARs granted to each Participant (subject to Article 4 herein) and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs. The grant price of a Freestanding SAR shall equal the Fair Market Value of a Share on the date of grant of the SAR. The grant price of Tandem SARs shall equal the Option Price of the related Option.

7.2. *Exercise of Tandem SARs.* Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

7.3. *Exercise of Freestanding SARs.* Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon them.

7.4. *SAR Agreement.* Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, and such other provisions as the Committee shall determine.

7.5. *Term of SARs.* The term of a SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided, however, that such term shall not exceed ten (10) years.

7.6. *Payment of SAR Amount.* Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the grant price; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

7.7. *Termination of Service as a Director.* Each SAR Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's service as a director of the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of service as a director of the Company.

7.8. *Non-transferability of SARs.* Except as otherwise provided in a Participant's Award Agreement, no SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all SARs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant.

ARTICLE 8.

STOCK AWARDS, RESTRICTED STOCK AND RESTRICTED STOCK UNITS

8.1. *Eligibility; Grant.* Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Stock Awards, Shares of Restricted Stock and Restricted Stock Units to eligible Persons in such amounts as the Committee shall determine. Without limiting the generality of the foregoing, Stock Awards, Shares of Restricted Stock and Restricted Stock Units may be granted in connection with payouts under other compensation programs of the Company.

8.2. *Restricted Stock and Restricted Stock Unit Agreement.* Each Restricted Stock and Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock or Restricted Stock Units granted, and such other provisions as the Committee shall determine.

8.3. *Transferability.* Except as provided in this Article 8, the Shares of Restricted Stock and Restricted Stock Units granted herein may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Committee and specified in the Award Agreement, or upon earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and set forth in the Award Agreement. All rights with respect to the Restricted Stock and Restricted Stock Units granted to a Participant under the Plan shall be available during his or her lifetime only to such Participant.

8.4. *Other Restrictions.* The Committee may impose such other conditions and/or restrictions on any Shares of Restricted Stock and Restricted Stock Units granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or Restricted Stock Unit, time-based restrictions on vesting, and/or restrictions under applicable Federal or state securities laws.

The Company shall retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied, or the issuance may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange. Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

8.5. *Voting Rights.* During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares.

8.6. *Dividends and Other Distributions.* During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may be credited with regular cash dividends paid with respect to the underlying Shares while they are so held. The Committee may apply any restrictions to the dividends that the Committee deems appropriate.

8.7. *Termination of Service as a Director.* Each Restricted Stock Award Agreement shall set forth the extent to which the Participant shall have the right to receive unvested Restricted Shares following termination of the Participant's service as a director of the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each

Participant, need not be uniform among all Shares of Restricted Stock issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of service as a director of the Company.

ARTICLE 9.

BENEFICIARY DESIGNATION

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

ARTICLE 10.

DEFERRALS

The Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the exercise of an Option or SAR, or the lapse or waiver of restrictions with respect to Restricted Stock, or the vesting of Restricted Stock Units. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals.

ARTICLE 11.

RIGHTS TO CONTINUED SERVICE

11.1. *Service.* Nothing in the Plan shall confer upon any Participant any right to continue in service as a director of the Company.

11.2. *Participation.* No Non-Employee Director shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

ARTICLE 12.

CHANGE IN CONTROL

Edgar Filing: SMART & FINAL INC/DE - Form DEF 14A

12.1. *Treatment of Outstanding Awards.* Upon the occurrence of a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchanges:

(a) Any and all Options and SARs granted hereunder shall become immediately exercisable, and shall remain exercisable throughout their entire term;

(b) Any restriction periods and restrictions imposed on Restricted Shares shall lapse;

(c) The target payout opportunities attainable under all outstanding Awards of Restricted Stock shall be deemed to have been fully earned for the entire Performance Period(s) as of the effective date of the Change in Control. The vesting of all Awards denominated in Shares shall be accelerated as of the effective date of the Change in Control, and there shall be paid out in cash to Participants within thirty (30) days following the effective date of the Change in Control a pro rata amount based upon an assumed achievement of all relevant performance goals and upon the length of time within the Performance Period which has elapsed prior to the Change in Control.

12.2. *Termination, Amendment, and Modifications of Change-in-Control Provisions.* Notwithstanding any other provision of this Plan or any Award Agreement provision, the provisions of this Article 14 may not be

terminated, amended, or modified on or after the date of a Change in Control to affect adversely any Award theretofore granted under the Plan without the prior written consent of the Participant with respect to said Participant's outstanding Awards; provided, however, the Board, upon recommendation of the Committee, may terminate, amend, or modify this Article 14 at any time and from time to time prior to the date of a Change in Control.

ARTICLE 13.

AMENDMENT, MODIFICATION, AND TERMINATION

13.1. *Amendment, Modification, and Termination.* The Board may at any time and from time to time, alter, amend, suspend or terminate the Plan in whole or in part; provided, however, that no amendment which requires stockholder approval in order for the Plan to continue to comply with Rule 16b-3 under the Exchange Act, including any successor to such Rule, shall be effective unless such amendment shall be approved by the requisite vote of stockholders of the Company entitled to vote thereon.

13.2. *Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events.* The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Article 4.2 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

13.3. *Awards Previously Granted.* No termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award.

ARTICLE 14.

INDEMNIFICATION

Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

ARTICLE 15.

SUCCESSORS

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

ARTICLE 16.

LEGAL CONSTRUCTION

16.1. *Gender and Number.* Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

16.2. *Severability.* In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

16.3. *Requirements of Law.* The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

16.4. *Securities Law Compliance.* With respect to Insiders, transactions under the Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Committee.

16.5. *Governing Law.* To the extent not preempted by federal law, the Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware.
