On July 18, 2005, Peach State Health Plan, Inc., a subsidiary of Centene, entered into a contract with the Georgia Department of Community Health (DCH) to provide healthcare benefits and services to Medicaid and SCHIP recipients in the Atlanta and Central Regions of the State of Georgia. Membership operations commence January 1, 2006. The initial contract runs through June 30, 2006, and is subject to six, one-year renewal options. The agreement may be terminated by DCH under the terms specified in the contract.

The contract is included as Exhibit 10.1 to this current report. The above description is qualified in its entirety by reference to such exhibit.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On July 20, 2005, in connection with our acquisition of AirLogix, Inc. (AirLogix) discussed under Item 8.01, we borrowed \$35 million from our \$100 million revolving credit agreement with various financial institutions and LaSalle Bank National Association as administrative agent and arranger. The borrowed funds may be repaid at any time before the expiration date of the credit agreement, which is September 14, 2009. We currently have \$75 million in borrowings outstanding under the agreement. For a description of the material terms of our revolving credit agreement see the Form 8-K filed with the Securities and Exchange Commission on September 16, 2004.

Item 8.01. Other Events

On July 21, 2005, we acquired AirLogix, a respiratory disease management provider. Under the terms of the agreement, we paid approximately \$35 million in cash. If certain performance criteria are achieved, additional consideration of up to \$5 million may be paid. AirLogix will be managed by our wholly-owned specialty services subsidiary, CenCorp Health Solutions.
