Revision of Non-consolidated and Consolidated Financial Forecasts for the Interim**Period ending September 30, 2005**

UFJ Holdings, Inc. (UFJ) hereby gives notice that UFJ has revised its non-consolidated and consolidated financial forecasts for the interim period ending September 30, 2005, which was announced on May 25, 2005. Revised forecasts are as follows:

1. Non-consolidated forecast :

<u>Billions of Yen</u>	<u>Operating Income</u>	<u>Ordinary Profit</u>	<u>Net Income</u>
Prior Forecast	16.0	9.0	9.0
(May 25, 2005)			
Revised Forecast	16.0	9.0	375.0
(Change)	()	()	(+366.0)
% Change			+4,066.7%

Reason for the revision

Due to the recovery in the profitability of UFJ Bank Limited (UFJ Bank), the value of the UFJ Bank shares that UFJ holds has increased. As a result, UFJ is expected to post an extraordinary gain as the amount in the reserves for investment losses related to UFJ Bank shares is reversed. Accordingly, UFJ revises its non-consolidated net income forecast as above.

2. Consolidated forecast :

<u>Billions of Yen</u>	<u>Operating Income</u>	<u>Ordinary Profit</u>	<u>Net Income</u>
Prior Forecast	1,080.0	260.0	140.0
(May 25, 2005)			
Revised Forecast	1,080.0	290.0	335.0
(Change)	()	(+30.0)	(+195.0)

% Change	+11.5%	+139.3%
----------	--------	---------

Reason for the revision

Ordinary profit and net income of UFJ Bank and UFJ Trust Bank Limited (UFJ Trust) are upwardly revised from the prior forecasts because of the larger than expected reversal of credit-related expenses. Accordingly, UFJ revises its consolidated ordinary profit and net income forecast as above.

Please refer to the Appendix regarding the financial forecasts of UFJ Bank and UFJ Trust.

Notes to tables:

*1 Figures of UFJ Bank Combined include UFJ Bank, UFJ Strategic Partner, Co., Ltd. (UFJSP) and UFJ Equity Investments, Co., Ltd. (UFJEI). Figures of UFJ Trust Combined include UFJ Trust and UFJ Trust Equity, Co., Ltd. (UFJTE).

In the past, UFJ disclosed the combined figures as simple aggregate of UFJ Bank (or UFJ Trust) and their subsidiaries mentioned above. However, at the liquidation of UFJEI, UFJEI transferred stocks to UFJ Bank and paid liquidation dividend to UFJ Bank. Therefore, in these revised forecasts, UFJ discloses combined figures excluding the internal transactions between UFJ Bank and UFJEI. (Internal transactions between UFJ Trust and UFJTE are also excluded from figures of UFJ Trust Combined)

*2 Positive figures of Credit-related Expenses (including collection of written-off claims) mean that gains from reversal are posted.

(1) *Business Profit Before Net Transfer to General Reserve*

Business profit before net transfer to general reserve of UFJ Bank and UFJ Trust combined (non-consolidated basis) is expected to be Yen 346.0 billion, which is revised from Yen 315.0 billion because UFJ Bank received a liquidation dividend from UFJEI. Excluding internal transactions, business profit before net transfer to general reserve of UFJ Bank and UFJ Trust combined (subsidiaries combined basis) will be approximately the same level (Yen 316.0 billion) as the prior forecast (Yen 315.0 billion).

(2) *Credit-related Expenses*

Credit-related expenses of UFJ Bank and UFJ Trust combined (subsidiaries combined basis) are revised to a reversal of Yen 246.0 billion from the previously forecast Yen 55.0 billion reversal. The reversal from reserves for large borrowers will be frontloaded as UFJ accelerated the improvement of its loan portfolio in the first half of fiscal 2005.

(3) *Ordinary Profit, Net Income*

Ordinary profit and net income of UFJ Bank and UFJ Trust combined (subsidiaries combined basis) are revised to Yen 201.0 billion and Yen 333.0 billion from Yen 195.0 billion and Yen 135.0 billion respectively, mainly due to the increase in reversal of credit-related expenses. The increase in the forecast of ordinary profit is larger than that of net income mainly due to the larger reversal from the reserves for credit losses, which will be posted as extraordinary gains.

2. BIS Risk Adjusted Capital Ratio

	Revised Forecasts *1	Prior Forecasts (August 8, 2005) *2
UFJ Holdings (consolidated)	Appx. 11.0%	Appx. 10.5%
UFJ Bank (consolidated)	11.0% to 11.5%	10.5% to 11.0%

Edgar Filing: MITSUBISHI TOKYO FINANCIAL GROUP INC - Form 6-K

UFJ Trust (consolidated)	12.5% to 13.0%	12.0% to 12.5%
--------------------------	----------------	----------------

Notes to table

- *1 The impact of redemption of Yen 100,000 million perpetual unsecured subordinated bonds subscribed by the Resolution and Collection Corporation, which is announced today, has been reflected.
- *2 The prior forecasts were announced in the consolidated financial information for the 1st quarter of the fiscal year ending March 31, 2006.
