**INDENTURE SECURITIES**

**8. Analysis of Indenture Provisions**

The New Notes will be issued under the Indenture to be dated as of the consummation of the Exchange Offer and entered into between the Company and U.S. Bank National Association, as trustee (the *Trustee*). The following analysis is not a complete description of the Indenture provisions discussed and is qualified in its entirety by reference to the terms of the Indenture, a form of which is attached as Exhibit T3C hereto and incorporated by reference herein. Capitalized terms used below but not defined herein have the meanings assigned to them in the Indenture.

**(a) Events of Default**

The following will be Events of Default under the Indenture:

- (1) the Company fails to pay principal of or premium, if any, on any of the New Notes when due, whether or not prohibited by the subordination provisions of the Indenture;
- (2) the Company fails to pay any interest on any of the New Notes when due, which failure continues for 30 days, whether or not prohibited by the subordination provisions of the Indenture;

(3) the Company fails to provide notice of a change in control, whether or not such payment is prohibited by the subordination provisions of the Indenture;

(4) the Company fails to perform any other covenant in the Indenture, which failure continues for 60 days after written notice as provided in the Indenture;

(5) any indebtedness under any bonds, debentures, notes or other evidences of indebtedness for money borrowed (or any guarantee thereof) by the Company in an aggregate principal amount in excess of \$20,000,000 is not paid when due either at its stated maturity or upon acceleration thereof, and such indebtedness is not discharged, or such acceleration is not rescinded or annulled, within a period of 60 days after notice as provided in the Indenture; and

(6) certain events of bankruptcy, insolvency or reorganization involving the Company, whether through (i) the entry of such events by a court of proper jurisdiction or (ii) the commencement of such events by the Company itself.

If an Event of Default, other than an Event of Default described in clause (6) above, occurs and is continuing, either the Trustee or the holders of at least 25% in aggregate principal amount of the outstanding New Notes may declare the principal amount of the New Notes to be due and payable immediately. However, after such an acceleration, but before a judgment or decree based on the acceleration, the holders of a majority in aggregate principal amount of the outstanding new notes may, under certain circumstances, rescind and annul the acceleration if all Events of Default, other than the non-payment of principal of the New Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in the Indenture. If an Event of Default described in clause (6) above occurs, the principal amount of the New Notes will automatically become immediately due and payable.

If a default or an Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee must mail to each holder notice of the default or Event of Default within 90 days after the occurrence of the default. However, the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a trust committee of directors or certain responsible officers of the Trustee determines that withholding notice is in the interests of holders, except in the case of a default or an Event of Default in payment of the principal of or interest on any New Notes.

Subject to the Trustee's duties in the case of an Event of Default, the Trustee will not be obligated to exercise any of its rights or powers at the request of the holders, unless the holders have offered to the Trustee reasonable indemnity. Subject to the Indenture, applicable law and the Trustee's indemnification, the holders of a majority in aggregate principal amount of the outstanding New Notes will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the New Notes.

No holder will have any right to institute any proceeding under the Indenture, or for any other remedy under the Indenture unless:

- (1) the holder has previously given the Trustee written notice of a continuing Event of Default;
- (2) the holders of at least 25% in aggregate principal amount of the New Notes then outstanding have made a written request and have offered reasonable indemnity to the Trustee to institute such proceeding as Trustee; and
- (3) the Trustee has failed to institute such proceeding within 60 days after such notice, request and offer, and has not received from the holders of a majority in aggregate principal amount of the New Notes then outstanding a direction inconsistent with such request within 60 days after such notice, request and offer.

***(b) Authentication and Delivery of New Notes; Use of Proceeds***

The New Notes to be issued under the Indenture may be executed by manual or facsimile signature on behalf of the Company by its Chairman of the Board, its Vice Chairman of the Board, its Chief Executive Officer, its President, one of its Executive Vice Presidents or one of its Vice Presidents.

The Trustee will authenticate and make available for delivery New Notes for original issue, upon receipt of a written order or orders of the Company signed on behalf of the Company by (i) its Chairman of the Board, its Vice Chairman of the Board, its Chief Executive Officer, its President, one of its Executive Vice Presidents or one of its Vice Presidents and (ii) its principal financial officer, its Treasurer, one of its Assistant Treasurers, its Secretary or one of its Assistant Secretaries. Such order of the Company must specify the amount of New Notes to be authenticated and the date on which the original issue of New Notes is to be authenticated.

The New Notes will not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the New Notes. The signature will be conclusive evidence that the New Notes have been authenticated under the Indenture.

The Company will not receive any proceeds from the issuance of the New Notes because the New Notes are being issued in exchange for the Old Notes.

***(c) Release and Substitution of Property Subject to the Lien of the Indenture***

The New Notes are unsecured obligations of the Company. As such, the New Notes are not secured by any lien on any property.

***(d) Satisfaction and Discharge of the Indenture***

The Company may discharge its obligations under the Indenture while New Notes remain outstanding if (i) either (a) all delivered and authenticated New Notes (other than those held in trust, destroyed, lost or stolen) have been delivered to the Trustee for cancellation or (b) all outstanding New Notes have or will become due and payable at their scheduled maturity within one year and the Company has deposited with the Trustee an amount sufficient to pay and discharge all outstanding New Notes on the date of their scheduled maturity, (ii) the Company has paid or caused to be paid all other sums payable by the Company under the Indenture and (iii) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent for discharge of the Indenture have been complied with.

***(e) Evidence Required to be Furnished by the Company to the Trustee as to Compliance with the Conditions and Covenants Provided for in the Indenture***

The Company is required to deliver to the Trustee, within 90 days after the end of each fiscal year of the Company, an officer's certificate, signed by the principal executive officer, principal financial officer, treasurer or principal accounting officer and one other officer, stating the signer's knowledge of the Company's compliance with all conditions and covenants on its part contained in the Indenture and stating whether or not the signer knows of any default or Event of Default. If such signer knows of such a default or Event of Default, the officer's certificate must describe the default or Event of Default and the efforts to remedy the same.
