**Item 7.01. Regulation FD Disclosure.**

On April 26, 2006, during a conference call concerning first quarter 2006 earnings and forward-looking statements for the first six months and fiscal year 2006 of K2 Inc. ( K2 ), and in connection with filing its earnings release on April 26, 2006 on a current report on Form 8-K, K2 provided the following information in response to questions from investors and analysts:

Management believes that in respect of its previously provided guidance ranges for the first six months and fiscal year 2006 for net sales, GAAP diluted earnings per share and Adjusted diluted earnings per share, respectively, that K2 would achieve financial performance at the higher end of the applicable ranges.

The above statements include forward-looking statements. K2 cautions that these statements are qualified by important factors that could cause actual results to differ materially from those in the forward-looking statements, including but not limited to K2's ability to successfully execute its acquisition plans and growth strategy, integration of acquired businesses, weather conditions, consumer spending, continued success of manufacturing in China, global economic conditions, product demand, financial market performance, and other risks described in the Company's most recent annual report on Form 10-K, subsequent quarterly reports on Form 10-Q, and current reports on Form 8-K, each as filed with the Securities and Exchange Commission. The Company cautions that the foregoing list of important factors is not exclusive, any forward-looking statements included in this news release is made as of the date of the statement, and the Company does not undertake to update any forward-looking statement.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
