As consideration for the exchange of the shares of Preferred Stock, we will issue shares of our common stock. We will record as a decrease to stockholders' equity the fair value of the fees and expenses incurred by Chesapeake in connection with the exchange offer, which we estimate will be \$350,000. The excess of the fair value of our common shares exchanged over the fair value of common shares issuable pursuant to the original conversion terms, which we estimate to be approximately \$7.7 million, will be subtracted from net earnings to arrive at net earnings available to common shareholders in the calculation of earnings per share.
