Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard: Transfer of Listing

UnumProvident Corporation's corporate governance principles state that the Chairman of the Board presides at all executive sessions of the non-management directors and that the non-management directors will meet in executive session at all regularly scheduled meetings of the Board of Directors. The Company's 2006 proxy statement for its 2006 annual meeting of stockholders included references to the Company's corporate governance principles and stated that they are available at its webpage, www.unumprovident.com.

The Commentary to Section 303A.03 of the New York Stock Exchange (NYSE) Listed Company Manual requires each listed company to disclose in its proxy statement the name of the director chosen to preside at executive sessions of non-management directors or the procedure by which a presiding director is selected for each executive session. On September 20, 2006, the NYSE notified the Company that it was considered deficient in meeting the above requirement and provided until September 27, 2006 to cure the deficiency. The NYSE's notice states that the disclosure deficiency may be cured by including the required disclosure in a Current Report on Form 8-K. Accordingly, concurrent with the filing of this Current Report on Form 8-K, the Company believes that it has cured this deficiency.
