***Election of New Director, Change in Audit Committee Membership***

Effective as of December 1, 2006, the Company's board of directors expanded the number of directors of the Company to six, and elected Mr. Paul E. Weaver to the board of directors. The board of directors then named Mr. Weaver as chairman of the Audit Committee of the board of directors, and accepted the resignation of Mr. John Mueller from the Audit Committee. Mr. Mueller remains on the board of directors and serves as the Chairman of the Board.

The board of directors determined that Mr. Weaver meets the independence requirements of the New York Stock Exchange and Rule 10A-3 of the Securities Exchange Act of 1934. The board of directors also determined that Mr. Weaver is financially literate.

Mr. Weaver is a retired global partner of PricewaterhouseCoopers, LLP, where he was chairman of the firm's global technology practice group for a number of years, focusing on technology, infocomm, entertainment, and media. During his more than 30 years at PricewaterhouseCoopers, Weaver served as the lead partner on a number of the firm's largest global clients and he held various management positions, including the managing partner of the firm's Dallas/Ft. Worth office and as vice chairman, based in New York, responsible for all firm-wide revenue related activities. Mr. Weaver has a BS from Elizabethtown College and an MBA from the University of Michigan. He currently serves on the boards of Gateway Inc. and AMN Healthcare Services Inc. Mr. Weaver is also a board member of the Ellis Island/Statue of Liberty Foundation and serves on the corporate advisory board of the University of Michigan Business School.

There is no arrangement or understanding between Mr. Weaver and any other person to which Mr. Weaver has an interest requiring disclosure under Item 404(a) of Regulation S-K.

The Company will compensate Mr. Weaver in a manner consistent with a director compensation program covering all directors. The Company expects to establish such a director compensation program comparable to that of companies of similar size and complexity. The specific provisions of such a director compensation program have not yet been determined. A committee of the board of directors will recommend director compensation levels to the full board of directors, which will set the compensation based on those recommendations. The Company also expects that Mr. Weaver will participate in the Company's Long-Term Incentive Plan, which is Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

The Company also expects to enter into an indemnification agreement with Mr. Weaver that is intended to assure that Mr. Weaver is indemnified to the maximum extent permitted under applicable law. This indemnification agreement will be in substantially the form of Exhibit 10.2 to this Current Report on Form 8-K, which is incorporated herein by reference.
