PROXY STATEMENT

Annual Meeting of Stockholders

to be held on May 31, 2007

To Stockholders of Silgan Holdings Inc.:

This Proxy Statement and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors of Silgan Holdings Inc., or Silgan Holdings or the Company, for use at our annual meeting of stockholders, or the Meeting, to be held at the Courtyard by Marriott Stamford Downtown, 275 Summer Street, Stamford, Connecticut 06901, on Thursday, May 31, 2007, at 9:00 a.m., and at any postponements or adjournments of the Meeting. This Proxy Statement and the accompanying proxy card will first be mailed to stockholders on or about April 26, 2007.

Only holders of record of our Common Stock as of the close of business on April 11, 2007, the Record Date, will be entitled to notice of and to vote at the Meeting. As of the Record Date, we had 37,629,745 shares of our Common Stock outstanding. Each share of our Common Stock is entitled to one vote. We have no other class of voting securities issued and outstanding. The presence in person or by proxy of the holders of a majority of the outstanding shares of our Common Stock will be necessary to constitute a quorum for the transaction of business at the Meeting.

All shares of our Common Stock represented by properly executed proxies will be voted in accordance with the instructions indicated on such proxies unless such proxies previously have been revoked. If any proxies do not contain voting instructions, the shares of our Common Stock represented by such proxies will be voted **FOR** the election of the nominees for director listed below to serve until our annual meeting of stockholders in 2010 and until their successors are duly elected and qualified and **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007. We do not anticipate that any other matters will be brought before the Meeting. If any other matters properly come before the Meeting, the shares of our Common Stock represented by all properly executed proxies will be voted in accordance with the judgment of the persons named on such proxies. Shares of our Common Stock abstaining, and shares of our Common Stock held in street name as to which a broker has not voted on some matters but has voted on other matters, or Broker Shares, will be included in determining whether a quorum exists at the Meeting. Approval of each matter specified in the Notice of Meeting requires the affirmative vote of a majority of shares of our Common Stock, assuming that a quorum exists at the Meeting. Stockholders may not cumulate their votes. Abstentions and Broker Shares that have not been voted with respect to a particular proposal will not be counted in determining the total number of votes cast or in determining whether such proposal has received the requisite number of affirmative votes.

You may revoke your proxy at any time before it is exercised at the Meeting by: (1) delivering to the Secretary of the Company a duly executed proxy bearing a later date; (2) filing a written notice of revocation with the Secretary of the Company; or (3) appearing at the Meeting and voting in person.

In addition to solicitations by mail, some of our directors, officers and employees may solicit proxies for the Meeting personally or by telephone without extra remuneration. We will also provide persons, banks, brokerage firms, custodians, nominees, fiduciaries and corporations holding shares in their names or in the names of

nominees, which in either case are beneficially owned by others, with proxy materials for transmittal to such beneficial owners and will reimburse such record owners for their expenses in doing so. The Company will bear the costs of soliciting proxies.

THE COMPANY HEREBY UNDERTAKES TO PROVIDE WITHOUT CHARGE TO EACH PERSON TO WHOM A COPY OF THIS PROXY STATEMENT HAS BEEN DELIVERED, UPON THE WRITTEN REQUEST OF ANY SUCH PERSON, A COPY OF OUR ANNUAL REPORT ON FORM 10-K, INCLUDING THE FINANCIAL STATEMENTS AND THE FINANCIAL STATEMENT SCHEDULES THERETO, THAT HAS BEEN FILED WITH THE SECURITIES AND EXCHANGE COMMISSION PURSUANT TO RULE 13a-1 UNDER THE SECURITIES EXCHANGE ACT OF 1934 FOR THE FISCAL YEAR ENDED DECEMBER 31, 2006. REQUESTS FOR SUCH COPIES SHOULD BE DIRECTED TO SILGAN HOLDINGS INC., 4 LANDMARK SQUARE, STAMFORD, CONNECTICUT 06901 (TELEPHONE NUMBER: (203) 975-7110), ATTENTION: GENERAL COUNSEL.

ELECTION OF DIRECTORS

Nominees

Our Board of Directors is currently composed of seven members, divided into three classes designated as Class I, Class II and Class III. We have two Class I Directors, two Class II Directors and three Class III Directors, with each class of directors serving staggered three-year terms. At each annual meeting of stockholders, the term of office of one class of directors of the Company expires, and directors nominated to the class of directors whose term is expiring at such annual meeting will be elected for a term of three years. Our remaining directors continue in office until their respective terms expire and until their successors are duly elected and qualified. Accordingly, at each annual meeting of stockholders of the Company one class of our directors will be elected, and each of our directors will be required to stand for election once every three years. At the Meeting, the term of office for our Class I Directors expires.

Our Class I Directors currently are Messrs. R. Philip Silver and William C. Jennings. Pursuant to the Amended and Restated Stockholders Agreement dated as of November 6, 2001, or the Stockholders Agreement, among R. Philip Silver, D. Greg Horrigan and the Company, each of Messrs. Silver and Jennings was nominated for re-election at the Meeting as Class I Directors of the Company, to serve until our annual meeting of stockholders in 2010 and until his successor has been duly elected and qualified. You should read the section in this Proxy Statement titled "Certain Relationships and Related Transactions - Stockholders Agreement" for a description of the material provisions of the Stockholders Agreement.

Each nominee for Class I Director of the Company has consented to be named in this Proxy Statement and to serve on our Board of Directors if elected. If, prior to the Meeting, any nominee should become unavailable to serve on our Board of Directors for any reason, the shares of our Common Stock represented by all properly executed proxies will be voted for such alternate individual as shall be nominated pursuant to the Stockholders Agreement.

We provide below certain information regarding each nominee for Class I Director of the Company and each Director of the Company whose term of office continues after the Meeting, including the individual's age (as of December 31, 2006), principal occupation and business experience during at least the last five years, other directorships currently held and the year in which such individual was first elected a director of the Company.

Nominees for election as Directors (Class I) term expiring 2010

Prior to that, Mr. Jennings served as a senior audit partner at Coopers & Lybrand, as a Senior Executive Vice President at Shearson Lehman Brothers responsible for quality assurance, internal audit and compliance, and as an Executive Vice President and Chief Financial Officer of Bankers Trust Company. Since retiring from PricewaterhouseCoopers LLP, Mr. Jennings provided independent consulting services to a number of companies, and he currently serves as a director of Axcelis Technologies, Inc. and NYFIX, Inc.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR BOTH NOMINEES FOR DIRECTOR (CLASS I) OF THE COMPANY.

Until his retirement in 2000, Mr. Alden was Vice Chairman of UPS since 1996 and a director of UPS since 1988. Mr. Alden is also a director of Barnes Group Inc., The D & B Corporation and Arkansas Best Corporation.

Incumbent Directors (Class III) term expiring 2009

Anthony J. Allott, age 42, has been one of our Directors since June 2006 and has been our Chief Executive Officer since March 2006 and our President since August 2004. Mr. Allott was also our Chief Operating Officer from May 2005 until March 2006. From May 2002 until August 2004, Mr. Allott was our Executive Vice President and Chief Financial Officer. Prior to joining us, Mr. Allott was Senior Vice President and Chief Financial Officer of Applied Extrusion Technologies, Inc., or AET, since July 1996. From July 1994 until July 1996, Mr. Allott was Vice President and Treasurer of AET. Prior to that, Mr. Allott was a certified public accountant with Deloitte & Touche LLP.

Jeffrey C. Crowe, age 60, has been one of our Directors since May 1997. Mr. Crowe has been Chairman of the Board of Landstar System, Inc., or Landstar, since April 1991. Mr. Crowe was Chief Executive Officer of Landstar from April 1991 through June 2004 and President of Landstar from April 1991 through December 2001. Mr. Crowe was also Chairman of the Board of Landstar System Holdings, Inc., or LSHI, from March 1991 through June 2004 and Chief Executive Officer of LSHI from June 1989 through June 2004. Mr. Lapekas was Chairman of the Board and Chief Executive Officer of Nexpak Corporation from November 2002 until March 2003. From October 2000 until June 2001, Mr. Lapekas was Executive Chairman of Packtion Corporation, an e-commerce packaging venture. From May 1996 until July 2000, Mr. Lapekas was employed by American National Can Group, Inc., last serving as Chairman and Chief Executive Officer. Prior to that, Mr. Lapekas served as Deputy Chairman and Chief Operating Officer of Schmalbach-Lubeca AG. From 1971 until 1991, Mr. Lapekas was employed by Continental Can Company where he served in various strategy, planning, operating and marketing capacities. Mr. Lapekas has been a Director of Pliant Corporation since June 2006.

Messrs. Silver and Jennings were elected as Directors of the Company at our annual meeting of stockholders in 2004. Messrs. Horrigan and Alden were elected as Directors of the Company at our annual meeting of stockholders in 2005. Messrs. Crowe and Lapekas were elected as Directors of the Company at our annual meeting of stockholders in 2006. Following the approval by the stockholders of the Company at last year's annual meeting of stockholders of the Amended and Restated Certificate of Incorporation of the Company,

which, among other things, increased the size of the Company's Board of Directors from six directors to seven directors, Mr. Allott was elected as a Director of the Company in June 2006 by the unanimous vote of the other Directors pursuant to the Company's Amended and Restated Certificate of Incorporation to fill the Class III Director vacancy created by such increase.

Each of John W. Alden, Jeffrey C. Crowe, William C. Jennings and Edward A. Lapekas is an independent director, as defined in Rule 4200(a)(15) of the listing standards of the Nasdaq Stock Market. The independent directors held four meetings during 2006 following regularly scheduled quarterly meetings of the Board of Directors, without the presence of management or any inside directors.

Our Board of Directors met five times and acted by written consent thirteen times during 2006. Each of our Directors attended more than 75 percent of the aggregate of: (1) the total number of meetings of the Board of Directors held in 2006 during which he was a Director and (2) the total number of meetings held in 2006 by all committees of the Board of Directors on which he served during which he was a Director.

The Company does not have a policy with regard to director attendance at annual meetings of stockholders. Two of our directors attended last year's annual meeting of stockholders.

Committees of the Board of Directors

Our Board of Directors has two standing committees. The principal responsibilities of each of the standing committees and the members of such committees are set forth below.

1. *Audit Committee.* The Audit Committee has the responsibility of overseeing the Company's financial reporting process on behalf of our Board of Directors. The functions performed by the Audit Committee are described in the section of this Proxy Statement titled "Report of the Audit Committee." During 2006, the Audit Committee held ten meetings and acted by written consent two times. The Audit Committee consists of Messrs. Jennings, Alden, Crowe and Lapekas, each of whom our Board of Directors has determined is independent as required by the written charter of the Audit Committee and the applicable listing standards of the Nasdaq Stock Market. All of our independent directors are members of the Audit Committee. Mr. Jennings is the Chairperson of the Audit Committee. The Board of Directors has determined that Mr. Jennings meets the criteria of an audit committee financial expert under applicable rules of the Securities and Exchange Commission, or the SEC. Mr. Jennings' extensive background and experience includes leading the risk management and internal control consulting practice of PricewaterhouseCoopers LLP, serving as senior audit partner at Coopers & Lybrand and serving as Chief Financial Officer of Bankers Trust Company.

2. *Compensation Committee.* The Board of Directors of the Company established the Compensation Committee and conferred upon it through resolutions the responsibility of reviewing and approving matters relating to the compensation of all executive officers of the Company. The Compensation Committee does not have a charter. Pursuant to the terms of the Silgan Holdings Inc. 2004 Stock Incentive Plan, or the 2004 Stock Incentive Plan, the Compensation Committee also is responsible for administering the 2004 Stock Incentive Plan, making awards and grants under the 2004 Stock Incentive Plan to officers and other key employees of the Company and its subsidiaries and setting performance goals and certifying performance levels in respect of performance awards made under the 2004 Stock Incentive Plan. Historically, the Compensation Committee in its discretion has periodically consulted with outside consultants (such as Frederic W. Cook & Co., Inc.) for certain matters regarding director and executive officer compensation, including in setting up the 2004 Stock Incentive Plan. The Compensation Committee held four meetings and acted by written consent three times during 2006. The Compensation Committee consists of Messrs. Crowe, Alden, Jennings and Lapekas, each of whom is an independent director under the applicable listing standards of the Nasdaq Stock Market. All of our independent directors are members of the Compensation Committee. Mr. Crowe is the Chairperson of the Compensation Committee.

In November 2001, the Company and Messrs. Silver and Horrigan, our Co-Chairmen of the Board, entered into the Stockholders Agreement. You should read the section in this Proxy Statement titled "Certain Relationships and Related Transactions - Stockholders Agreement" for a description of the material terms of the Stockholders Agreement. Under the Stockholders Agreement, Messrs. Silver and Horrigan have the contractual right to nominate for election all directors of the Company so long as Messrs. Silver and Horrigan beneficially own an aggregate of at least 7,153,090 shares of our Common Stock (as adjusted for the stock split effected on September 15, 2005). As of the date of this Proxy Statement, Messrs. Silver and Horrigan beneficially own an aggregate of 12,552,131 shares (or approximately 33.4%) of our Common Stock. In the very unlikely event that either of Messrs. Silver or Horrigan notifies our Board of Directors that they cannot agree on an individual for any nominee for director or if at least 45 days prior to our annual meeting of stockholders they fail to nominate for election at such annual meeting the requisite number of individuals to stand for election, then our Board of Directors has the right to nominate for director the number of individuals that Messrs. Silver and Horrigan could not agree on as nominees or failed to nominate timely.

Accordingly, our Board of Directors does not have a nominating committee because the right to nominate all directors has been contractually granted to Messrs. Silver and Horrigan, and our Board of Directors deems it very unlikely at this time that they would have to nominate for election any director. As a result, the Company does not have a nominating committee charter, does not have a policy to consider director candidates recommended by stockholders and does not have a process for identifying or evaluating nominees for director. Both nominees for Class I Director of the Company to be elected at the Meeting were nominated by Messrs. Silver and Horrigan pursuant to the Stockholders Agreement.

Stockholder Communications with the Board of Directors

The Company's Board of Directors has a formal process for security holders to send communications to it. Security holders may send written communications addressed to the Board of Directors or to any specified Director of the Company by mail to the Company's office in Stamford, Connecticut. If the Company receives at its office in Stamford, Connecticut any such written communications, the Company will forward such written communications directly to all members of the Board of Directors or to such specified Director of the Company, as the case may be.

COMPENSATION OF DIRECTORS

Each of Messrs. Silver and Horrigan, our non-executive Co-Chairmen of the Board, are paid an annual retainer fee of \$100,000 (which was pro-rated in 2006 to cover the period after they ceased to serve as officers of the Company) for their service on our Board of Directors, plus reimbursement for business related travel and other reasonable out-of-pocket expenses. Additionally, the Company maintains an office for each of Messrs. Silver and Horrigan and provides them with access to a shared assistant. Each of Messrs. Alden, Crowe, Jennings and Lapekas, none of whom are officers or employees of the Company or any of its affiliates, are paid an annual retainer fee of \$36,000 for their service on our Board of Directors and a fee of \$2,000 for each meeting of our Board of Directors or committee thereof that they attend, plus reimbursement for business related travel and other reasonable out-of-pocket expenses. Additionally, all Directors (including our Co-Chairmen of the Board) who do not receive compensation as officers or employees of the Company or any of our affiliates receive annual director awards, on the first business day after our annual meeting of stockholders, having an aggregate fair market value of \$50,000 as of the date of grant. These awards are made in the form of restricted shares of our Common Stock or restricted stock units related to shares of our Common Stock, in the discretion of the Board of Directors, under the 2004 Stock Incentive Plan. Members of the Audit Committee of our Board of Directors are also paid an annual retainer fee of \$12,000 for their service on the Audit Committee, and the chairpersons of each of the Audit and Compensation Committees of our Board of Directors are also paid an annual retainer fee of \$10,000 for their service as chairperson of such committee.

Mr. Allott, who is an officer and an employee of the Company, does not receive any annual retainer or meeting fees or any director awards under the 2004 Stock Incentive Plan.

The following table provides information concerning the compensation of Directors of the Company for the fiscal year ended December 31, 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Stockholders Agreement

In November 2001, Messrs. Silver and Horrigan and the Company entered into the Stockholders Agreement. The Stockholders Agreement replaced in its entirety the Stockholders Agreement dated as of February 14, 1997, or the 1997 Stockholders Agreement, among Messrs. Silver and Horrigan and The Morgan Stanley Leveraged Equity Fund II, L.P., or MSLEF II, a former stockholder of the Company and an affiliate of Morgan Stanley & Co. Incorporated.

Under the Stockholders Agreement, the Group (as defined in the Stockholders Agreement) has the right to nominate for election all directors of the Company until the Group holds less than one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997. The Group generally includes Messrs. Silver and Horrigan and their affiliates and related family transferees and estates. At least one of the Group's nominees must be either Mr. Silver or Mr. Horrigan during the three year period covering the staggered terms of our three classes of directors. On February 14, 1997, the Group held 14,306,180 shares of our Common Stock in the aggregate (as adjusted for the stock split effected on September 15, 2005). Additionally, the Group has the right to nominate for election either Mr. Silver or Mr. Horrigan as a member of our Board of Directors when the Group no longer holds at least one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997 but beneficially owns 5% of our Common Stock. The Stockholders Agreement continues until the death or disability of both of Messrs. Silver and Horrigan.

If either Mr. Silver or Mr. Horrigan notifies our Board of Directors that the Group cannot agree on an individual for any of its nominees under the Stockholders Agreement or if at least 45 days prior to our annual meeting of stockholders the Group fails to nominate for election at such annual meeting the requisite number of individuals to stand for election to our Board of Directors at such annual meeting, then our Board of Directors has the right to nominate for election to our Board of Directors the number of individuals that Messrs. Silver and Horrigan could not agree on as nominees or that the Group failed to nominate timely.

The provisions of the Stockholders Agreement could have the effect of delaying, deferring or preventing a change of control of the Company and preventing our stockholders from receiving a premium for their shares of our Common Stock in any proposed acquisition of the Company.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Committee

The Board of Directors of the Company has established a Compensation Committee and has empowered the Compensation Committee to review and approve matters relating to the compensation of all executive officers of the Company. The Board of Directors of the Company has also given the Compensation Committee responsibility for administering the 2004 Stock Incentive Plan of the Company (as well as the prior equity compensation plans of the Company under which stock options previously granted are still outstanding), making awards and grants under the 2004 Stock Incentive Plan to all officers and other key employees of the Company and its subsidiaries and setting performance goals and certifying performance levels in respect of performance awards made under the 2004 Stock Incentive Plan. The Compensation Committee may not delegate any responsibility or authority conferred upon it by the Board of Directors of the Company.

The Compensation Committee is comprised of four members, Messrs. Jeffrey C. Crowe, John W. Alden, William C. Jennings and Edward A. Lapekas. Mr. Crowe serves as the Chairperson of the Compensation Committee. All members of the Compensation Committee are independent directors as required under the applicable rules of the Nasdaq Stock Market.

Compensation Philosophy

The Compensation Committee strives to establish a compensation program for the executive officers of the Company that meets the following objectives:

1. attracts and retains executive officers and provides fair compensation, taking into account responsibilities and the employment markets in which the Company and its subsidiaries compete;
2. rewards executive officers for achieving the Company's short-term business goals and long-term creation of shareholder value; and
3. aligns the interests of the Company's executive officers and stockholders.

The components of the compensation program for executive officers of the Company are base salary, annual cash incentive bonus, equity-based compensation and, for all executive officers of the Company other than the Chief Executive Officer, or CEO, and Chief Financial Officer, or CFO, other benefits typically provided to officers (such as pension, 401(k) and other retirement benefits, medical benefits and life insurance benefits).

Base Salary

The Compensation Committee endeavors to set base salaries for executive officers that enable the Company to attract and retain such officers and provide fair compensation taking into account relevant employment markets. The base salary for an individual executive officer is targeted at a competitive salary level for individuals with similar responsibilities at manufacturing companies of a similar size, including packaging companies, and, as relevant, in the applicable geographic area.

Generally, each executive officer's salary is reviewed on an annual basis by the Compensation Committee, and executive officer salaries may be adjusted based on: (i) a general increase in the cost of living; (ii) a change in the individual's responsibilities over the preceding years; and (iii) changes in competitive pay levels. In making such determinations, the Compensation Committee reviews recommendations of the CEO of the Company in respect of the other executive officers and other information available to the Compensation Committee.

Annual Cash Bonuses under Incentive Programs

All executive officers of the Company are eligible to receive annual cash bonuses, which are provided to enable the Company to attract and retain such officers and provide fair compensation taking into account responsibilities and relevant employment markets. Additionally, the Compensation Committee uses annual cash bonuses for executive officers to reward them for achieving the Company's financial and non-financial goals. Executive officers of the Company are eligible for an annual cash bonus based on a percentage of their annual base salary, and that percentage is determined generally based on the person's responsibilities.

Annual cash bonuses are paid to Mr. Allott under the Company's Senior Executive Performance Plan. Currently, Mr. Allott is the only person that is a participant in the Senior Executive Performance Plan. Pursuant to the Senior Executive Performance Plan, Mr. Allott could be eligible for an annual cash bonus of up to 200% of his annual base salary, with such maximum amount of Mr. Allott's annual cash bonus being set annually by the Compensation Committee. For 2006, the Compensation Committee evaluated competitive data and approved a maximum annual cash bonus for Mr. Allott of up to 100% of his annual base salary. In setting the maximum amount of the annual cash bonus for Mr. Allott, the Compensation Committee bases its determination on its objective of retaining Mr. Allott and providing him with fair overall annual cash compensation taking into account his responsibilities and relevant employment markets.

During 2006, Messrs. Silver and Horrigan were also participants under the Senior Executive Performance Plan while they served as Co-CEOs of the Company. For 2006, the Compensation Committee approved a maximum cash bonus for each of Messrs. Silver and Horrigan of up to \$278,282, which amount is a pro rated amount, based on the period of time that they served as Co-CEOs of the Company, of the maximum annual amount approved by the Compensation Committee.

At the beginning of each year, the Compensation Committee establishes a performance goal and a performance goal target for the Company for that year pursuant to the Senior Executive Performance Plan. Following such year, the Compensation Committee certifies the extent to which the performance goal target for such year was met. If the performance goal target was met, then the participants under the Senior Executive Performance Plan would receive the maximum amount of their annual bonus for which they were eligible for that year. If the performance goal target was not met, then the participants would receive a pro rata amount of the maximum amount of their annual bonus for which they were eligible for that year. For 2006, the performance goal established by the Compensation Committee under the Senior Executive Performance Plan was the earnings before interest, taxes, depreciation and amortization (EBITDA) of the Company and the performance goal target for the maximum amount of their annual bonus was the achievement of the EBITDA level of the Company for 2005. In setting the performance goal under the Senior Executive Performance Plan, the Compensation Committee chose the EBITDA of the Company because it believes that it is an important and accepted measure of Company performance.

Annual cash bonuses are paid to Mr. Lewis pursuant to his employment agreement on the same basis that they are paid to Mr. Allott under the Senior Executive Performance Plan. Pursuant to his employment agreement, Mr. Lewis is eligible for a maximum annual cash bonus of up to 30% of his annual base salary.

The Compensation Committee has established annual bonus programs applicable to Messrs. Allott and Lewis that are different from the annual bonus programs applicable to the other executive officers of the Company because Messrs. Allott and Lewis, as CEO and CFO of the Company, respectively, assist the Compensation Committee in establishing the annual bonus programs for the other executive officers of the Company, including setting financial and non-financial goals under such programs and determining whether goals were met under such programs. The Compensation Committee believes it is important that it receive an unbiased view from top management in establishing such programs, and believes that the best way to accomplish this objective is to not have those assessing such programs participate in them so that these individuals have no conflict of interest. The objectives of the annual cash bonus programs for Messrs. Allott and Lewis are to retain such individuals and provide them with fair overall annual cash compensation taking into account relevant

employment markets, and such programs are not meant primarily as an award for short-term financial performance. Accordingly, the Compensation Committee establishes a performance goal target with respect to annual bonuses payable to Messrs. Allott and Lewis that, although not certain, should be attainable.

Annual cash bonuses are paid to participants in the incentive programs of the Company's business segments based upon the achievement of certain financial goals and, in most years, certain non-financial goals. Managers of each business segment, including those deemed to be executive officers of the Company, are viewed on a team basis for purposes of annual cash bonuses and establishing financial and non-financial goals for each business segment.

The financial goals for each business segment for a given year are established at the beginning of such year by the Company's CEO and CFO, subject to approval of the Compensation Committee. Budgeted earnings before interest and taxes (EBIT) of each business segment are used as the financial goal for such business segment. Based on the recommendations of the Company's CEO and CFO, the Compensation Committee determines the portion of annual cash bonuses that would be payable to managers of the business segments of the Company based on the financial goal. For 2006, 70%, 67%, 80% and 60% of the annual cash bonuses for managers of our metal food container business, plastic container business, domestic closures operations and international closures operations, respectively, was payable based on the financial goal.

Non-financial goals for each business segment for a given year are established at the beginning of the year by the Company's CEO and CFO, subject to approval of the Compensation Committee. For 2006, the non-financial goals for our metal food container business were management development, market leadership, operating cost leadership, working capital management, selling, general and administrative cost management and financial reporting and controls, the non-financial goal for our plastic container business was working capital management, and the non-financial goals for our closures segment were capital and facility growth plan, market leadership, operating leadership, working capital management, selling, general and administrative cost management and financial reporting and controls for the domestic closures operations and working capital management, safety achievement and certain individual goals for the international closures operations acquired during 2006.

If applicable goals are met, managers of the Company's business segments are eligible for an annual target bonus ranging from 20% to 40% of their annual salary, with such percentage for any particular manager being largely based on such person's responsibilities. The amount of the bonus of each such manager is determined by a formula which calculates such bonus based on the percentage that the actual applicable financial level achieved represents of the applicable financial goal and, when applicable, based on whether non-financial goals were met, and such managers can receive up to two times their target bonus amount if financial and non-financial goals of the applicable business segment are far exceeded.

The officers of Silgan Holdings, all of whom are executive officers of the Company, are also eligible to receive annual cash bonuses pursuant to an incentive program in which they (other than Messrs. Allott and Lewis) participate in. Bonuses under such program are calculated on the basis of a weighted average of the levels of bonuses paid to the managers of the Company's business segments (including the international closures operations acquired during 2006), using each business segment's percentage of the overall EBIT of the Company's business segments as the basis for weighting. Such officers are eligible for an annual target bonus ranging from 30% to 40% of their annual salary, and they can receive up to two times their target bonus amount if the Company's business segments far exceed their applicable financial and non-financial goals.

Equity Based Compensation

The Compensation Committee provides equity-based compensation to executive officers of the Company and its subsidiaries through awards under the 2004 Stock Incentive Plan that meet the Compensation Committee's objectives of attracting and retaining officers and aligning the interests of officers with those of the

stockholders of the Company. The purpose of the 2004 Stock Incentive Plan is to promote the long-term success of the Company and the creation of stockholder value by (i) encouraging the attraction and retention of directors and officers and other key employees and (ii) linking directors and officers and other key employees of the Company directly to stockholder interests through stock ownership and appreciation. Although the Company encourages stock ownership by its officers and directors, the Company does not have any requirements or guidelines for stock ownership by its officers and directors.

The Compensation Committee is responsible for administering the 2004 Stock Incentive Plan. The Compensation Committee determines recipients of awards under the 2004 Stock Incentive Plan, approves awards, sets the terms and conditions of awards and interprets and prescribes rules for administering the 2004 Stock Incentive Plan. The 2004 Stock Incentive Plan provides for awards of stock options, stock appreciation rights, restricted stock, restricted stock units and performance awards.

Since the adoption of the 2004 Stock Incentive Plan, the Compensation Committee has granted mostly restricted stock units and performance awards for restricted stock units. The Compensation Committee has determined to grant primarily restricted stock units and performance awards for restricted stock units under the 2004 Stock Incentive Plan because it believes that restricted stock units are more closely linked to ownership of stock as compared to stock options and stock appreciation rights, thereby aligning the interests of award recipients more closely with stockholders.

The Compensation Committee's practice of granting restricted stock units and stock options under the 2004 Stock Incentive Plan is generally to make grants to newly hired individuals and to individuals who are promoted and to grant performance awards annually to current officers and other key employees, all as described below. In addition, the Compensation Committee may make awards under the 2004 Stock Incentive Plan to officers and other key employees of the Company and its subsidiaries at other times and for other purposes, consistent with the terms of the 2004 Stock Incentive Plan.

In order to attract new officers and other key employees, the Compensation Committee will make grants during the course of the year of restricted stock units to such new individuals, which generally will vest ratably over a five year period. In limited cases, the Compensation Committee may grant stock options to such new individuals, which generally will vest ratably over a four year period and have a term of seven years. The number of restricted stock units and stock options that are granted to an individual will be determined by the Compensation Committee generally on the basis of what it believes is necessary to hire such individual, taking into account the salary and bonus offered to such individual and the total nominal value of such restricted stock units and stock options. Additionally, the Compensation Committee may make grants of restricted stock units during the course of the year to officers who are promoted, largely on the basis of the nominal value of unvested restricted stock units and stock options of such individuals as compared to a targeted multiple of such individual's new annual base salary. The primary purpose of all equity awards is retention of the individual, and, for the most part, these restricted stock units will vest ratably over a five year period. However, in 2006 the Compensation Committee granted a performance award for 100,000 restricted stock units to Mr. Allott upon his promotion to CEO which vest all at once five years from the date of grant. Typically, the Compensation Committee makes grants to newly hired individuals and persons who are promoted on only one business day during each fiscal quarter following the issuance by the Company of its quarterly earnings release. As a result, the practice of the Compensation Committee generally is to make grants on up to four dates during each year.

Additionally, in order to retain current officers and other key employees, the Compensation Committee annually reviews the nominal value of unvested restricted stock units and stock options of such persons. For each officer and other key employee of the Company, the Compensation Committee targets a multiple of such person's annual base salary as the level of the nominal value of unvested restricted stock units and stock options for each such person. The multiple for each individual is determined on the basis of the individual's anticipated long-term contribution to the Company. Within the first ninety days of each year, the Compensation Committee will fix and establish performance criteria for that year for potential grants of performance awards of restricted

stock units in the following year. The minimum level of performance required to be attained for grants to be made in the following year is set by the Compensation Committee at a level that, although not certain, should be attainable because the primary purpose of these grants is retention. At the time the performance criteria is set for a particular year, the Compensation Committee approves a maximum number of restricted stock units that may be granted to each individual in the following year if the minimum level of performance is attained. Then, following the end of a particular year if the minimum level of performance for that year is attained, the Compensation Committee will review the nominal value of the unvested restricted stock units and stock options previously granted to an individual and compare this to the individual's target multiple of salary. Generally, the Compensation Committee will then consider performance awards of restricted stock units to individuals whose aggregate unvested restricted stock units and stock options nominal value is less than their target multiple of salary so that the total nominal value of unvested restricted stock units and stock options approximates their target multiple of salary.

Beginning with grants made on March 1, 2006, restricted stock units granted under the 2004 Stock Incentive Plan carry with them the right to receive dividend equivalents in an amount equal to all cash dividends paid on one share of Common Stock of the Company for each restricted stock unit while such restricted stock unit is outstanding and until such restricted stock unit vests. Such dividend equivalents for a restricted stock unit are accrued as dividends are paid on the Common Stock of the Company, and are paid to the individual upon the vesting of such restricted stock unit. The Compensation Committee added dividend equivalent rights to restricted stock units to further align the interests of officers of the Company and its subsidiaries with those of the stockholders of the Company.

Retirement and Other Benefits

The Company also provides retirement and other benefits to most of its executive officers for purposes of retention. Such benefits include pension, 401(k), supplemental retirement, medical and group life insurance benefits.

The Company does not provide retirement and other benefits to Messrs. Allott and Lewis, although they can make contributions to the 401(k) plan without any matching contributions by the Company and they can participate in the medical benefits provided they pay 100% of their premiums. This approach allows Messrs. Allott and Lewis to assist the Compensation Committee in an unbiased manner in its oversight and review of these benefits.

The other officers of the Company and the officers of Silgan Containers participate in (i) the Silgan Containers Corporation Pension Plan for Salaried Employees (a defined benefit plan intended to be qualified as a pension plan under Section 401(a) of the Internal Revenue Code of 1986, or the Code), (ii) the Silgan Containers Corporation Retirement Savings Plan, or the Containers Savings Plan (a 401(k) plan which individuals can elect to participate in and which provides for matching contributions and in the case of certain individuals includes a potential profit sharing contribution), (iii) the Silgan Containers Corporation Supplemental Executive Retirement Plan, or the Containers Supplemental Plan (a non-qualified defined contribution plan that provides for contributions on behalf of participating individuals that are intended to make up for benefits not payable under the pension and 401(k) plans because of limits imposed by the Code), and (iv) medical benefits and group life insurance benefits generally available to all salaried employees on the same basis as they are available to all other salaried employees. Benefits under the Silgan Containers pension plan are based on the participant's average base pay (or salary) over the final three years of employment, with increases to salary following January 1, 2007 capped at 3% per year for purposes of the Silgan Containers pension plan. The amount of average base pay taken into account for any year is limited by Section 401(a)(17) of the Code, which imposes a cap of \$220,000 (to be indexed for inflation) on compensation taken into account for 2006. Benefits under the Silgan Containers pension plan are not subject to any deduction for social security or other offset amounts. The Silgan Containers pension plan was amended in 2006 to provide that salaried employees hired after 2006 are no longer eligible to participate in the Silgan Containers pension plan.

Officers of Silgan Plastics participate in (i) the Silgan Plastics Corporation Pension Plan for Salaried Employees (a defined benefit plan intended to be qualified as a pension plan under Section 401(a) of the Code), (ii) the Silgan Plastics Corporation Compensation Investment Plan (a 401(k) plan which individuals can elect to participate in and which provides for matching contributions), (iii) the Silgan Plastics Corporation Supplemental Savings and Pension Plan, or the Plastics Supplemental Plan (a non-qualified defined contribution plan that provides for contributions on behalf of such individuals that are intended to make up for benefits not payable under the pension and 401(k) plans because of limits imposed by the Code), and (iv) medical benefits and group life insurance benefits generally available to all salaried employees on the same basis as they are available to all other salaried employees. Benefits under the Silgan Plastics pension plan are based on the participant's average total cash compensation (salary and bonus) over the final 36 months of employment or over the highest three of the final five calendar years of employment, whichever produces the greater average compensation. In computing this average, compensation for any year cannot exceed 125% of base pay. Compensation used in determining benefits is also limited by Section 401(a) (17) of the Code, which imposes the cap indicated above. Benefits under the Silgan Plastics pension plan are determined based on two methods. Under the first method, the Silgan Plastics pension plan provides for benefits based on a formula without any offset for social security. Most of Silgan Plastics' officers are eligible participants under the Silgan Plastics pension plan based on this first method. Under the second method, benefits under the Silgan Plastics pension plan are based on one of three formulas, one of which provides for an offset for social security. The Silgan Plastics pension plan was amended in 2006 to provide that salaried employees hired after 2006 are no longer eligible to participate in the Silgan Plastics pension plan.

Perquisites and Other Personal Benefits

The Company does not provide its executive officers with any perquisites or other personal benefits, except that Messrs. Beam and Gervais are reimbursed for country club dues at one country club so that they have an appropriate entertainment forum for customers. Messrs. Beam and Gervais are also reimbursed country club fees to the extent incurred in connection with business related matters. For 2006, amounts reimbursed to each of Messrs. Beam and Gervais for country club dues and fees did not exceed \$10,000 individually.

Employments Agreements

Mr. Allott, President and Chief Executive Officer of the Company, entered into an employment agreement with the Company in April 2004. Mr. Allott's employment agreement provides for, among other things, a severance benefit if Mr. Allott is terminated by the Company without cause in an amount equal to the sum of (i) his then current annual salary plus (ii) his annual bonus, calculated at the then current maximum amount payable pursuant to the Senior Executive Performance Plan as previously approved by the Compensation Committee (for 2007, 100% of his then current salary).

Mr. Lewis, Executive Vice President and Chief Financial Officer of the Company, is entitled to a severance benefit, as provided in an employment letter from the Company dated June 30, 2004, if Mr. Lewis is terminated by the Company without cause in an amount equal to the sum of (i) his then current salary plus (ii) his annual bonus, calculated at 30% of his then current salary.

Mr. Beam, President of Silgan Containers, has entered into an employment agreement with Silgan Containers. The initial term of his employment agreement was three years from its effective date, and the term has been, and is expected to be, automatically extended for successive one year periods unless terminated pursuant to the terms of his employment agreement. Mr. Beam's employment agreement provides for, among other things, a severance benefit equal to his then current base salary and benefits for a period of one year following termination if (i) Mr. Beam is terminated by Silgan Containers for any reason other than death, disability or for cause as specified in his employment agreement or (ii) Mr. Beam voluntarily terminates his employment due to a demotion, all as specified in his employment agreement.

Mr. Gervais, President of Silgan Plastics, has entered into an employment agreement with Silgan Plastics. The initial term of his employment agreement was five years, and the term has been, and is expected to be, automatically extended for successive one year periods unless terminated pursuant to the terms of his employment agreement. Mr. Gervais' employment agreement provides for, among other things, a severance benefit equal to his then current salary and benefits for a period of one year following termination if (i) Mr. Gervais is terminated by Silgan Plastics for any reason other than death, disability or for cause as specified in his employment agreement or (ii) Mr. Gervais voluntarily terminates his employment due to a demotion, all as specified in his employment agreement.

Mr. Paulson, Executive Vice President of the Company, is also a party to an employment agreement with the Company. The initial term of such employment agreement was one year from its effective date, and the term has been, and is expected to be, automatically extended for successive one year periods unless terminated pursuant to the terms of such agreement. Mr. Paulson's employment agreement provides for, among other things, the payment of his base salary and target bonus for a period of one year following termination if Mr. Paulson is terminated without cause, as specified in his employment agreement.

Tax Deductibility

Section 162(m) of the Code disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1 million in any taxable year to an individual who is the chief executive officer or any of the four most highly compensated executive officers (other than the chief executive officer) employed by such corporation (or a member of its affiliated group) on the last day of such taxable year, but does allow a deduction for performance-based compensation in excess of \$1 million the material terms of which are disclosed to and approved by stockholders. The Company's intention is to maximize the tax deductibility of its compensation programs. However, because the Company believes that the use of prudent judgment in determining compensation levels is in the best interests of the Company and its stockholders, under some circumstances it may determine to pay amounts of compensation that may not be fully deductible. The Company reserves the right to use prudent judgment in establishing compensation policies to attract and retain qualified executives to manage the Company and to reward such executives for outstanding performance, while taking into consideration the financial impact of such actions on the Company.

Based on such review and discussion, the Compensation Committee recommended to the Board of Directors of the Company that the Compensation Discussion and Analysis be included in the Proxy Statement of the Company for its 2007 annual meeting of stockholders.

- (1) On March 1, 2006, the Compensation Committee approved a performance award of 100,000 restricted stock units (representing the right to receive 100,000 shares of Common Stock) for Mr. Allott. The date in column (b) is the date this award was approved by the Compensation Committee. Such award vests all at once five years from March 1, 2006. Such award was subject to the attainment by the Company of certain performance criteria for 2006 established by the Compensation Committee and was forfeitable in the event the Company did not attain such performance criteria. In accordance with SFAS No. 123(R), since the attainment of such performance criteria was probable, the Company recognized amounts in respect of this award in its financial statements for the fiscal year ended December 31, 2006, using the closing sales price of a share of our Common Stock on December 29, 2006

(the last business day of 2006) for the fair value of this award. Accordingly, the grant date fair value reflected in column (l) is based on a price per share of our Common Stock of \$43.92, the closing sales price of a share of our Common Stock on December 29, 2006 as quoted by the Nasdaq Global Select Market. On February 19, 2007, the Compensation Committee certified that the performance criteria for this award was attained. In accordance with SFAS No. 123(R), the fair value of this award was then adjusted to \$5,070,000 based on a price per share of our Common Stock of \$50.70, the average of the high and low sales prices for a share of our Common Stock on February 20, 2007 (February 19, 2007 was a holiday and the markets were not open) as quoted by the Nasdaq Global Select Market.

In the event that a Named Executive Officer's employment is terminated for any reason, such person is entitled to receive amounts earned through the date of termination, including salary, amounts contributed under the applicable 401(k) plan (including, to the extent applicable, contributions made by the Company or a subsidiary of the Company that are vested), unused vacation pay, and, in the case of Messrs. Beam, Gervais and Paulson, amounts accrued and vested under and pursuant to the applicable pension plan and supplemental executive retirement plan.

Additionally, if such termination is not voluntary, a Named Executive Officer may exercise any stock options granted to him under the 1989 Stock Option Plan or the 2004 Stock Incentive Plan (but only if such

involuntary termination was without cause) that had become exercisable as of the date of termination for a period up to 90 days after the date of termination, or in the event of death or disability, for a period of up to one year after the date of termination. Upon termination of employment for any reason, all stock options and restricted stock units of a Named Executive Officer that are unvested are forfeited except as described in the section below titled Potential Payments Upon Change of Control .

In addition to the foregoing, in the event that his employment is terminated without cause or, in the case of Messrs. Beam and Gervais, voluntarily due to a demotion, each of the named executive officers is entitled to the following:

Mr. Allott is entitled to a lump sum severance benefit equal to his then current annual salary plus his annual bonus (calculated at then current maximum amount payable as previously approved by the Compensation Committee).

Mr. Lewis is entitled to a lump sum severance benefit equal to his then current annual salary plus his annual bonus calculated at 30% of his then current salary.

Mr. Beam is entitled to a severance benefit equal to his then current annual salary payable over one year and to receive medical benefits for a period of one year as provided to other employees of Silgan Containers.

Mr. Gervais is entitled to a severance benefit equal to his then current annual salary payable over one year and to receive medical benefits for a period of one year as provided to other employees of Silgan Plastics.

Mr. Paulson is entitled to a severance benefit equal to his then current annual salary plus his annual target bonus payable over one year.

The following table sets forth the potential payments to each Named Executive Officer if such officer had been terminated without cause on December 31, 2006. In the case of Messrs. Beam and Gervais, the amounts set forth below for them would also have been payable to them if they had voluntarily terminated their employment on such date due to a demotion.

(a) Name	(b) Severance Payment\$(1)	(c) Other Benefits \$(2)
Anthony J. Allott	\$ 1,526,254	\$ 0
Robert B. Lewis	\$ 543,253	\$ 0
James D. Beam	\$ 548,730	\$9,980
Russell F. Gervais	\$ 371,900	\$7,104
Glenn A. Paulson	\$ 402,188	\$ 0
R. Philip Silver	\$ 0	\$ 0
D. Greg Horrigan	\$ 0	\$ 0

(1) The amounts in column (b) consist of salary at each person's annual salary rate for 2006 plus in the case of Messrs. Allott and Lewis bonus for 2006 at the maximum amount payable and in the case of Mr. Paulson bonus at his annual target.

(2) The amounts in column (c) consist of the estimated cost of continued medical benefits for a period of 12 months.

Potential Payments Upon Change of Control

The Company does not have any agreement or other arrangement with any of the Named Executive Officers in the event of a change of control involving the Company, other than in respect of outstanding stock options and restricted stock units granted under the 1989 Stock Option and the 2004 Stock Incentive Plan. For stock options granted under the 1989 Stock Option Plan, upon a change of control involving the Company, the Compensation Committee, at its discretion, may declare all outstanding stock options vested on or prior to the date of such change of control, in which case all holders thereof would be entitled to exercise such stock options prior to or at the time of such change of control. For stock options and restricted stock units granted under the 2004 Stock Incentive Plan, upon a change of control all such stock options shall become exercisable and all such restricted stock units shall become vested unless the acquiring or surviving corporation assumes such stock options and/or restricted stock units. In such case, if the employment of a holder of any such assumed stock option or restricted stock unit, including a named executive officer, is terminated without cause within 24 months of such change of control, then all such assumed stock options of such holder shall become immediately exercisable and all such assumed restricted stock units of such holders shall become immediately vested.

Based upon a price per share of \$43.92 (the closing sales price of a share of our Common Stock on December 29, 2006, the last business day of 2006) and the number of stock options and restricted stock units held by the Named Executive Officers that were unvested as of December 29, 2006 (information concerning such unvested stock options and restricted stock units is provided in the Outstanding Equity Awards at Fiscal Year-End table), we estimate the value related to the immediate vesting of these unvested stock options and restricted stock units held by each of the Named Executive Officers upon a change of control involving the Company (assuming the Compensation Committee declared all outstanding stock options under the 1989 Plan vested and the acquiring or surviving corporation did not assume the outstanding stock options and restricted stock units under the 2004 Stock Incentive Plan) to be as follows:

(a)	(b)
Name	Value Related to Immediate Vesting of Unvested Stock Options and Restricted Stock Units (\$)
Anthony J. Allott	\$6,740,400
Robert B. Lewis	\$1,808,280
James D. Beam	\$ 232,730
Russell F. Gervais	\$ 164,280
Glenn A. Paulson	\$ 154,238
R. Philip Silver(1)	\$ 57,667
D. Greg Horrigan(1)	\$ 57,667

- (1) Messrs. Silver and Horrigan are included in this table because they served as Co-Chief Executive Officers of the Company until March 1, 2006. The amount in column (b) for each of Messrs. Silver and Horrigan relates to 1,313 restricted stock units granted to each of them on June 8, 2006 as non-employee Directors pursuant to the 2004 Stock Incentive Plan.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is governed by a written charter approved by the Company's Board of Directors. A copy of such written charter is included in this Proxy Statement as Appendix A. In accordance with the written charter of the Audit Committee and applicable listing standards of the Nasdaq Stock Market, all members of the Audit Committee are independent. The Audit Committee held ten meetings during 2006.

The Audit Committee provides assistance to the Board of Directors of the Company in fulfilling its oversight responsibility relating to the Company's consolidated financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit activities and compliance with legal and regulatory requirements relating to accounting and financial reporting matters and the annual independent audits of the Company's consolidated financial statements and the effectiveness of the Company's internal control over financial reporting. Management of the Company is responsible for the consolidated financial statements and reporting process of the Company, including maintaining effective internal control over financial reporting and assessing the effectiveness of the Company's internal control over financial reporting. Ernst & Young LLP, the independent registered public accounting firm of the Company, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The independent registered public accounting firm is also responsible for auditing management's assessment that the Company maintained effective internal control over financial reporting and the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to oversee these audits and the financial reporting process of the Company.

In fulfilling its oversight responsibilities, the Audit Committee discussed with management, the Company's internal auditors and the Company's independent registered public accounting firm the overall scope and plans for the Company's audits. The Audit Committee met with the Company's internal auditors and independent registered public accounting firm, with and without management present, to discuss the Company's audits, the Company's consolidated financial statements and the Company's internal control over financial reporting. The Audit Committee also reviewed and discussed with management and the Company's independent registered public accounting firm the audited consolidated financial statements of the Company included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006. Additionally, the Audit Committee reviewed with management its report on its assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's report on management's assessment and the effectiveness of the Company's internal control over financial reporting.

The Audit Committee also discussed with the Company's independent registered public accounting firm its independence from management and the Company, including the matters in the written disclosures and the letter required by the Independence Standards Board, and considered the compatibility of nonaudit services with such firm's independence. Additionally, in assessing such firm's independence, the Audit Committee reviewed the amount of fees paid to Ernst & Young LLP for audit and nonaudit services.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors of the Company that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the SEC.

The Audit Committee is also directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm of the Company. Accordingly, the Audit Committee has approved, subject to stockholder ratification, the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2007.

The Audit Committee has adopted a formal policy, consistent with its written charter, that requires its approval in advance for any audit, audit-related, tax and other services to be performed by the Company's independent registered public accounting firm. Pursuant to its formal policy, the Audit Committee approved in advance all audit, audit-related, tax and other services performed by the Company's independent registered public accounting firm in 2006. This policy provides that the Audit Committee may delegate to any of its members the authority to approve in advance any audit and nonaudit services to be performed by the Company's independent registered public accounting firm, and, in such case, requires such member to report any decisions to the Audit Committee at its next scheduled meeting.

SILGAN HOLDINGS INC.**CHARTER OF THE****AUDIT COMMITTEE****OF THE****BOARD OF DIRECTORS***Organization*

This Charter governs the operations of the Audit Committee (the "Audit Committee") of the Board of Directors of Silgan Holdings Inc. (the "Company"). The Audit Committee shall review and reassess this Charter at least annually and shall submit any proposed changes to the Board of Directors of the Company for approval. Additionally, the Audit Committee shall cause this Charter to be filed with the Securities and Exchange Commission (the "SEC") in accordance with, and when and as required by, the rules and regulations of the SEC.

The Audit Committee shall be appointed by the Board of Directors of the Company and shall assist the Board of Directors in fulfilling its oversight of (1) the integrity of the financial statements of the Company, (2) the independent auditor's qualifications and independence, (3) the performance of the Company's internal audit activities and independent auditor, and (4) the Company's compliance with legal and regulatory requirements relating to accounting and financial reporting matters. The Audit Committee shall be comprised of at least three Directors, each of whom (x) shall be independent as provided in the applicable rules of the National Association of Securities Dealers Inc. (the "NASD") and the Securities and Exchange Commission as in effect from time to time and (y) shall not have participated in the preparation of the financial statements of the Company or any of its current subsidiaries at any time during the past three years. Each member of the Audit Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, statement of income and statement of cash flow. At least one member of the Audit Committee shall have the requisite financial sophistication under applicable NASD rules in the judgment of the Board of Directors. The Chairperson of the Audit Committee shall be designated by the Board of Directors, or, if not so designated, by a majority vote of the members of the Audit Committee. If a member of the Audit Committee shall at any time serve simultaneously on the audit committee of more than two other public companies, such member shall promptly inform the Board of Directors thereof.

Statement of Policy

The Audit Committee shall provide assistance to the Board of Directors of the Company in fulfilling its oversight responsibility to the stockholders of the Company and others relating to the Company's financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit activities and compliance with legal and regulatory requirements relating to accounting and financial reporting matters and the annual independent audit of the Company's financial statements. The Audit Committee shall also be directly responsible for the appointment (subject, if applicable, to ratification by the stockholders), compensation, retention and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) engaged for the purpose of preparing and/or issuing an audit report or related work or performing other audit, review or attest services for the Company, and the independent auditor shall report directly to the Audit Committee. While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are presented fairly in all material respects in accordance with generally accepted accounting principles. These are the responsibility of management and the independent auditor of the Company. In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the independent auditor, the internal auditors, management and the Board of Directors. In discharging its oversight role, the Audit Committee has authority to conduct any investigation appropriate to fulfilling its responsibilities, with full access

to the independent auditor and to all books, records, facilities and personnel of the Company. Additionally, for this purpose the Audit Committee may retain, at the Company's expense, outside legal counsel or other consultants and experts.

The primary responsibility of the Audit Committee is to oversee, on behalf of the Board of Directors of the Company, the financial reporting process established by management and report to the Board of Directors on the results of their activities. Management is responsible for preparing the Company's financial statements, and the independent auditor is responsible for auditing those financial statements. The Audit Committee recognizes that management (including the internal audit activities), as well as the independent auditor, have more knowledge and detailed information about the Company than the members of the Audit Committee, and consequently, in carrying out its oversight responsibilities, the Audit Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work. The Audit Committee in carrying out its responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances.

Responsibilities and Processes

In carrying out its oversight responsibilities, the Audit Committee shall undertake the following activities.

Audit Responsibilities

1. The Audit Committee shall be solely responsible for the appointment (subject, if applicable, to ratification by the stockholders of the Company), compensation, retention and oversight of the work of the independent auditor of the Company. The independent auditor shall report directly to the Audit Committee. If the appointment of the independent auditor is submitted for any ratification by stockholders, the Audit Committee shall be responsible for making the recommendation of the independent auditor.
2. The Audit Committee shall review, at least annually, the qualifications and performance of the independent auditor. In conducting such review, the Audit Committee shall obtain and review at least annually a report by the independent auditor describing (1) such auditing firm's internal quality-control procedures and (2) any material issues raised by the most recent internal quality-control review, or peer review, of such auditing firm or by any formal investigation by governmental or professional authorities (including the Public Company Accounting Oversight Board) within the preceding five years with respect to any independent audit carried out by such auditing firm, and any steps taken to deal with any such issues. This evaluation shall include the review and evaluation of the lead partner of the independent auditor and shall ensure the rotation of partners of the independent auditor in accordance with applicable rules and regulations of the SEC and NASD.
3. The Audit Committee shall review the independence of the independent auditor. In connection with its review of the independence of the Company's independent auditor, the Audit Committee shall require written disclosures from the independent auditor, as required by Independence Standards Board Standard No. 1, regarding their independence and their relationships with the Company and its subsidiaries. The Audit Committee shall discuss with the independent auditor their independence from management and the Company and the matters included in the written disclosures required by the Independence Standards Board. Specifically, the Audit Committee shall review and discuss with the independent auditor, on at least an annual basis, all significant relationships they have with the Company that could impair their independence and objectivity. To the extent it deems necessary, the Audit Committee shall recommend that the Board of Directors take appropriate action on any disclosed relationships that may reasonably be thought to bear on the independence of the independent auditor and satisfy itself that the Company has engaged an independent auditor as required by applicable securities laws and regulations.
4. The Audit Committee shall discuss with management and the independent auditor the overall scope and plans for the Company's annual audit, including staffing, timing, locations and the internal audit and general

audit approach. The Audit Committee shall review the audit plans for their sufficiency. The Audit Committee shall meet separately with the independent auditor, with and without management present, to discuss the results of their examinations along with management's responses to significant matters. Also, the Audit Committee shall discuss with management and the independent auditor the integrity, adequacy and effectiveness of the Company's financial reporting processes and accounting and financial controls.

5. The Audit Committee shall review with the independent auditor audit problems or difficulties and management letters provided by the independent auditor and management's response, including, but not limited to (1) any restrictions on the scope of the independent auditor's activities, (2) any restriction on the access of the independent auditor to requested materials, (3) any significant disagreements with management and (4) any audit differences that were noted or proposed by the independent auditor but for which the Company's financial statements were not adjusted (as immaterial or otherwise). The Audit Committee will resolve any disagreements between the independent auditor and management regarding financial reporting.

6. The Audit Committee shall pre-approve any audit or permissible non-audit engagement or relationship between the Company and the independent auditor and shall also approve in advance any internal audit services to be performed by other registered public accounting firms that are not the Company's independent auditor. The Audit Committee shall establish guidelines for the retention of the independent auditor for any permissible non-audit services. In connection with the Audit Committee's approval of non-audit services, the Audit Committee shall consider whether the independent auditor's performance of any non-audit services is compatible with the independent auditor's independence. The Audit Committee hereby delegates to the Chairman of the Audit Committee the authority to pre-approve all audit or non-audit services to be provided by the independent auditor and any internal audit services to be performed by any other registered public accounting firm if presented to the Audit Committee at the next regularly scheduled meeting.

7. The Audit Committee shall recommend to the Board of Directors policies for the Company's hiring of employees or former employees of the independent auditor who participated in any capacity in the audit of the Company.

Financial Statement and Disclosure Matters

8. The Audit Committee shall review and discuss, prior to public dissemination, the annual audited and quarterly unaudited financial statements of the Company (including, without limitation, the footnotes) with management and the independent auditor, including major issues regarding accounting, disclosure and auditing procedures and practices that could materially affect the Company's financial statements. In addition, the Audit Committee shall review and discuss the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations. Based on the annual review, the Audit Committee shall determine whether to recommend to the Board of Directors inclusion of the annual audited financial statements in the Company's Annual Report on Form 10-K.

9. The Audit Committee shall discuss with the independent auditor the results of the annual audit and quarterly reviews and any other matters required to be communicated to the Audit Committee by the independent auditor under generally accepted auditing standards.

10. The Audit Committee shall discuss with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including any material changes in the selection or application of accounting principles, any major issues as to the adequacy of the internal controls and any actions taken in light of material control deficiencies.

11. The Audit Committee shall review disclosures made to the Audit Committee by the CEOs and CFO during their certification process for the Company's Form 10-Ks and Form 10-Qs.

12. The Audit Committee shall review and discuss reports from the independent auditor on:

Critical accounting policies and practices to be used (including major changes thereto).

Alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, the ramification of the use of such alternative disclosures and treatments and the treatment preferred by the independent auditor.

13. The Audit Committee shall prepare the Audit Committee report that the SEC requires to be included in the Company's annual proxy statement.

14. When and as required under applicable securities laws and rules, the Audit Committee shall obtain annually a report from the independent auditor, with attestation, regarding management's assessment of the effectiveness of the internal control structure and procedures for financial reporting.

Compliance Oversight Responsibility

15. The Audit Committee shall discuss with the independent auditor whether it has identified any issues of the type described in Section 10A of the Securities Exchange Act of 1934, as amended (concerning detection of illegal acts).

16. The Audit Committee shall establish and maintain procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters. Also, the Audit Committee shall ensure that the Company maintains an anonymous reporting hotline for the confidential anonymous submission by employees of the Company of concerns regarding questionable accounting, internal accounting controls or auditing matters.

17. The Audit Committee shall review at least annually legal matters with the Company's General Counsel that may have a material impact on the financial statements, the Company's compliance policies relating to accounting and financial reporting matters and any material reports or inquiries received from regulators or governmental agencies.

18. The Audit Committee must approve any related party transactions required to be disclosed pursuant to Item 404 of SEC Regulation S-K.

Other

19. The Audit Committee shall report to the Board of Directors any issues that arise with respect to the quality or integrity of the Company's financial statements and compliance with legal or regulatory requirements relating to accounting and financial reporting matters, the performance and independence of the Company's independent auditor or the performance of the internal audit function.

20. The Audit Committee may, from time to time, conduct such other examinations or reviews as it may deem advisable with respect to the adequacy of the systems of internal accounting controls and accounting practices of the Company and with respect to current accounting trends and developments, and take such action with respect thereto as it may deem appropriate.

21. The Audit Committee shall meet at least four times annually, or more frequently if circumstances require. An agenda for each meeting shall be developed by the Chairperson of the Audit Committee in consultation with management, consistent with this Charter. Members of management and the independent auditor shall attend such meetings as requested by the Audit Committee. Minutes of all meetings of the Audit Committee shall be kept and maintained with the Company's records.
