Re: Amendment to section 4 of Corporate Bylaws

This letter is to inform you that on July 25, 2007 we received from the National Securities Commission evidence of the filing with the Superintendency of Corporations (*Inspección General de Justicia*) of the amendment to section 4 - Purpose of YPF S.A. With the abovementioned amendment, section 4 - Purpose of YPF S.A. Bylaws reads as follows:

**Section 4 Purpose:** The Corporation shall perform, on its own, through third parties or jointly with third parties, the survey, exploration and exploitation of liquid and/or gaseous hydrocarbon fields and other minerals, as well as the industrialization, transportation and commercialization of these products and their direct or indirect by-products, including petrochemical products, chemical products derived from hydrocarbons or not, and non-fossil fuels, biofuels and their components, as well as the generation of electrical power through the use of hydrocarbons, to which effect it may manufacture, use, purchase, sell, exchange, import or export them. It shall also be the Corporation's purpose the rendering, on its own, through a controlled company or jointly with third parties, of telecommunications services in all forms and modalities authorized by the laws in force after applying for the relevant licenses as required by the applicable regulations, the production, industrialization, processing, commercialization, conditioning, transportation and stockpiling of grains and products derived from grains, as well as any other activity complementary to its industrial and commercial business or any activity which may be necessary to attain its object. To better achieve these purposes, it may set up, become associated with or have an interest in any public or private entity domiciled in the country or abroad, within the limits set forth in these By-laws.

Yours truly,
