On May 18, 2007 the Company dismissed Michael T. Raymond ( Raymond ) and his law firm Dickinson Wright PLLC ( Dickinson ) a law firm based in Detroit, Michigan as our legal counsel. Prior to the dismissal of Raymond and Dickinson, at some time unknown to the Company, Dickinson represented the Company's majority-owned subsidiary Ohio Funding Group, Inc. ( Ohio ) as a defendant in a lawsuit involving financing of automobiles in Florida Northern District Court (Case Number 3:2007cv00209). Other defendants in this lawsuit include Credit Acceptance Corporation (Nasdaq:CACC), CACC chairman Donald Foss ( Foss ), Horvath Holdings, LLC and Mark Horvath ( Horvath ). Dickinson also represented Horvath and Foss in another Florida Northern District Court case (Case Number 07-30419), and appears to have served as counsel to Ohio without the Company's knowledge. Dickinson has since withdrawn as counsel to Ohio.

The Company believes and is presently investigating the circumstances under which Raymond and Dickinson while representing Ohio, Horvath, Foss and the Company, acting without authority or permission from the Company, negotiated for, prepared transaction documents and closed a transaction that served to deplete Ohio's assets to the detriment of the Company and betterment of Raymond and Dickinson's other clients. The Company discovered the activity through due diligence subsequent to Raymond and Dickinson's dismissal. Raymond and Horvath endeavored to disclose this transaction twelve days after receiving notice of the Company's receipt of this knowledge and one month subsequent to closing this matter by including transaction documents as exhibits in their June 12, 2007 13-D/A filing included herein by reference.

On June 18, 2007 concurrent with the Company's success against Horvath and Foss attempt to block the replacement of Ohio's management in U.S. District Court for the Southern District of Florida (Case Number 0:07-cv-60816), Ohio's prior management accrued more than \$18,000 in legal fees due from Ohio to Dickinson presumably for representation in the above referenced matters. The Company replaced Ohio management on June 20, 2007 subsequent to the Courts denial of all Horvath and Foss motions. Newly appointed Ohio management recently replaced Ohio counsel and is further assessing the circumstances.

As a result of these events, the Company was not able, without unreasonable effort or expense, to conclude all of the processes and procedures necessary for it to complete the preparation of its consolidated financial statements and to file its Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2007 within the period prescribed for the filing of such report. The Company anticipates that it will complete such processes within the five day period prescribed by Rule 12b-25.

The information provided in this Form 12b-25 may contain forward looking statements. Statements that are not historical facts, including statements about the Company's beliefs and expectations, are forward-looking statements. These statements are based on beliefs and assumptions by the Company's management, and on information currently available to such management. The forward-looking statements are intended to be subject to the safe harbor protection provided by Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements include statements preceded by, followed by or that include the words intends, believes, and expects, or similar expressions or future conditional verbs such as may or will. Forward-looking statements speak only as of the date they are made, and the Company undertakes no obligation to update publicly any of them in light of new information or future events. Forward-looking statements involve inherent risks and uncertainties. Management cautions that a number of important factors could cause actual results to differ materially from those contained in any forward-looking statement.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).  Yes  No

n/a

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company anticipates a significant change in results of operations from the corresponding period for the last fiscal year will be reflected in the earnings statements to be included in the Company's Quarterly Report on Form 10-Q for the following reasons:

On May 15, 2006 the Company converted from a business development company (BDC) to an operating company. As a result, and in accordance with FAS 154, Accounting for Changes and Error Corrections, the Company is required to retrospectively restate all prior periods in its consolidated financial statements on an operating and consolidated basis retrospectively without regard to a BDC method of accounting.

On June 7, 2005, the Company acquired a 100% member interest in Aventura Networks, LLC ( Networks ) in exchange for 880,000,000 shares of the Company's previously unissued common stock. This transaction resulted in a reverse acquisition for accounting purposes because the owners of Networks held a majority of the Company's common stock immediately following the transaction. In accordance with BDC accounting, the Company carried the Networks investment at market value. Since FAS 154 requires a retrospective restatement due to the conversion from a BDC to an operating company, the Company will be recognizing Networks as the Company's historical registrant and retrospectively consolidate with Networks as its wholly owned subsidiary. All operating activity (other than that of Networks) prior to June 7, 2005 will be eliminated and equity restated to reflect the new structure. Further, the Company divested its interest in Networks on June 29, 2006. Accordingly, Networks will be reflected in consolidated financial statements of the Company as discontinued operations.

On October 5, 2006, the Company filed a Form 8-K reporting, among other things, that it had, through the exercise of a Warrant, acquired a majority interest in Ohio Funding Group, Inc. Therefore, the majority owned subsidiary's operations will be reflected in the consolidated financial statements of the Company.

The Company expects its June 30, 2007 quarterly results of operations to include financing revenues of \$18,519 from the majority owned subsidiary and a consolidated net loss of \$159,199 or (nil) per share.
