**Item 8.01. Other Matters.**

On August 21, 2008, OMNI Energy Services Corp. (the Company) announced that it had been awarded a contract with a leading seismic data acquisition company to perform a major seismic drilling project in the north Louisiana Haynesville Shale area. The contract will generate approximately \$5 million in revenue and is expected to commence during the first quarter of 2009.

The Company also announced that it has finalized an operating agreement with US Liquids of LA, L.P. ( USLL ) for the use of expanded facilities in Fourchon, La. The USLL facility will provide access to over 500 feet of dock space and will give the Company the capability to service larger deepwater vessels.

A copy of the press release announcing the contract award and operating agreement is attached hereto as Exhibit 99.1 and is incorporated herein by reference. The press release should be read in conjunction with the note regarding forward-looking statements, which is included in the text of the press release.
