**Forward-Looking Statements**

Certain statements in this report relate to future events and expectations, and as such constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements also include those containing such words as anticipates, believes, estimates, expects, targets, should, will, will likely result, forecast, outlook, projects or similar expressions. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements of Alcoa to be different from those expressed or implied in the forward-looking statements. Alcoa disclaims any intention or obligation, other than as required by applicable law, to update or revise any forward-looking statements, whether in response to new information, future events or otherwise. Important factors that could cause actual results to differ materially from those in the forward-looking statements include: (a) material adverse changes in economic or aluminum industry conditions generally, including global supply and demand conditions and fluctuations in London Metal Exchange-based prices for primary aluminum and other products; (b) material adverse changes in the markets served by Alcoa, including the transportation, aerospace, building and construction, distribution, packaging, industrial gas turbine and other markets; (c) Alcoa's inability to mitigate impacts from energy supply interruptions or from unfavorable currency fluctuations or from increased energy, transportation and raw materials costs or other cost inflation; (d) continued volatility and further deterioration in the financial markets, including severe disruptions in the commercial paper, capital and credit markets; (e) Alcoa's inability to achieve the level of cash generation or conservation, return on capital improvement, cost reductions, or earnings or revenue growth anticipated by management; (f) Alcoa's inability to complete its growth projects or achieve efficiency improvements at newly constructed or acquired facilities as planned and by targeted completion dates; (g) unfavorable changes in laws, governmental regulations or policies, foreign currency exchange rates or competitive factors in the countries in which Alcoa operates; (h) significant legal proceedings or investigations adverse to Alcoa, including environmental, product liability, safety and health and other claims; and (i) the other risk factors summarized in Alcoa's Form 10-K for the year ended December 31, 2007, Forms 10-Q for the quarters ended March 31, 2008 and June 30, 2008, and other reports filed with the Securities and Exchange Commission.
