PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is issued in connection with the solicitation of the enclosed proxy by the Board of Directors (the Board) of Northrop Grumman Corporation (the Company or Northrop Grumman) for use at the Company's 2009 Annual Meeting of Stockholders (the Annual Meeting). The Company's principal office is located at 1840 Century Park East, Los Angeles, California, 90067. This Proxy Statement and accompanying materials will be sent to stockholders beginning approximately April 17, 2009.

Outstanding Voting Securities

On March 24, 2009 there were 325,632,763 shares of the Company's common stock, par value \$1.00 per share (Common Stock), outstanding. Holders of record at the close of business on that date are entitled to vote at the Annual Meeting. Each share is entitled to one vote.

Voting at the Meeting or by Proxy

Shares represented by a properly executed proxy in the accompanying form will be voted at the meeting in accordance with the stockholder's instructions. If no instructions are given, the shares will be voted according to the Board of Directors' recommendations. Therefore, if no instructions are given, the persons named on the card will vote FOR Proposal One to elect the twelve director nominees listed under Election of Directors, FOR Proposal Two to ratify the appointment of Deloitte & Touche LLP as auditor of the Company for the year ending December 31, 2009, AGAINST Proposal Three, the stockholder proposal concerning a report on weapons in space, AGAINST Proposal Four, the stockholder proposal regarding a vote on executive compensation, and AGAINST Proposal Five, the stockholder proposal regarding the right to call a special meeting. If shares are held on an individual's behalf under any of the Company Savings Plans, the proxy serves to provide confidential instructions to the plan Trustee or Voting Manager who then votes the shares. In addition, the instructions given by plan participants who return their proxies will serve as instructions to the Trustee or Voting Manager with respect to shares held on behalf of those participants from whom no proxies are received. Under these instructions, the applicable Trustee or Voting Manager will vote the respective plan shares in the same proportion as shares held under the plan for which voting directions have been received, unless contrary to ERISA. Participants are treated as named fiduciaries under ERISA when directing the Trustee or Voting Manager concerning the voting of shares.

A stockholder who executes a proxy may revoke it at any time before its exercise by delivering a written notice of revocation to the Corporate Secretary or by signing and delivering another proxy that is dated later. A stockholder attending the meeting in person may revoke the proxy by giving notice of revocation to the Inspector of Election at the meeting or voting at the meeting. If any other matters are properly brought before the meeting, the enclosed proxy card gives discretionary authority to the persons named on the card to vote the shares in their best judgment.

Voting instructions from plan participants must be received by the plan Trustee or Voting Manager by May 17, 2009 to be included in the tabulation. For plan shares represented by proxies not received by this date, the plan Trustee or Voting Manager will treat the received proxies as instructions to vote the respective shares in the same proportion as shares held under the plan for which voting instructions have been received, unless contrary to ERISA.

With respect to the election of directors, stockholders may vote for, against, or abstain in regards to each nominee. With respect to each other proposal, stockholders may vote in favor of the proposal, against the proposal or abstain from voting.

Table of Contents

For the election of directors, a nominee shall be elected if the votes cast for his or her election exceed the votes cast against his or her election. For each other proposal submitted for stockholder action at the meeting, a proposal will be adopted by the stockholders only if the votes cast for the proposal exceed the votes cast against the proposal. Abstentions will not have any effect on the outcome of a nominee's election as director or on the outcome of any other proposal submitted for stockholder approval at the meeting.

Brokers who hold shares of Common Stock for the accounts of their clients may vote such shares either as directed by their clients or in their own discretion if permitted by the stock exchange or other organization of which they are members. Members of the New York Stock Exchange (NYSE) are permitted to vote their clients' proxies in their own discretion as to the election of directors if the clients have not furnished voting instructions within ten days of the meeting. Certain proposals other than the election of directors are non-discretionary and brokers who have received no instructions from their clients do not have discretion to vote on those items. When a broker votes a client's shares on some but not all of the proposals at a meeting, the missing votes are referred to as broker non-votes. There are no broker non-votes on the election of directors (Proposal One). Broker non-votes will not have an effect on the ratification of independent auditor (Proposal Two) or any of the stockholder proposals (Proposals Three, Four, or Five).

The presence in person or by proxy of stockholders entitled to cast at least a majority of the votes that all stockholders are entitled to cast shall constitute a quorum at the Annual Meeting. Both abstentions and broker non-votes will be counted as present for purposes of determining the presence of a quorum.

Voting by Telephone or on the Internet

Registered stockholders and participants in the Company Savings Plans may grant a proxy for their shares over the telephone or on the Internet. The law of Delaware, under which the Company is incorporated, specifically permits electronically transmitted proxies, provided that each such proxy contains or is submitted with information from which the inspectors of election can determine that such proxy was authorized by the stockholder. The procedures available to registered stockholders to permit them to grant proxies for voting at the Annual Meeting are designed to authenticate each stockholder, to allow stockholders to vote their shares, and to confirm that their instructions have been properly recorded.

Registered stockholders and plan participants may go to www.edocumentview.com/noc to view the Proxy Statement and Annual Report on the Internet. Registered stockholders and plan participants may vote on the Internet, as well as view the documents, by logging on to www.envisionreports.com/noc and following the instructions given. Any registered stockholder or plan participant using a touch-tone telephone may also grant a proxy by calling 800-652-VOTE (800-652-8683) (toll-free) and following the recorded instructions.

Most beneficial owners whose stock is held in street name receive voting instruction forms from their banks, brokers or other agents, rather than the Company's proxy/voting instruction card. Beneficial owners may also be able to grant a proxy by telephone or the Internet. They should follow the instructions on the form they receive from their bank, broker, or other agent. Beneficial owners may view the Proxy Statement and Annual Report on the Internet by logging on to [http:// www.edocumentview.com/noc](http://www.edocumentview.com/noc).

The method used to grant a proxy will not limit a stockholder's right to attend or vote at the Annual Meeting.

PROPOSAL ONE: ELECTION OF DIRECTORS

At the 2009 Annual Meeting of Stockholders all directors will be elected for a term expiring at the next annual meeting held after their election to that term.

Unless instructed otherwise, the persons named in the accompanying proxy will vote the shares represented by such proxy for the election of the twelve director nominees listed in the table below. Each of the twelve director nominees has consented to serve, and the Board does not know of any reason why any of them would be unable to serve. If a nominee becomes unavailable or unable to serve before the Annual Meeting (for example, due to serious illness), the Board can either reduce its size or designate a substitute nominee. If any nominee becomes unavailable for election to the Board of Directors, an event which is not anticipated, the persons named as proxies have full discretion and authority to vote or refrain from voting for any other nominee in accordance with their judgment.

The following information, furnished with respect to each of the twelve nominees for election, is obtained from the Company's records or from information furnished directly by the individual to the Company. All the nominees are presently serving on the Board of Directors and all nominees will be elected for a one year term. Pursuant to the Company's mandatory retirement policy for directors, Dr. Frost and Admiral Larson will retire at the 2009 Annual Meeting.

The Governance Committee engaged an independent search firm to assist the Committee in identifying and evaluating additional candidates for the Board. The search firm evaluated a number of possible candidates and presented them to the Governance Committee. Two of these candidates were Mr. Gordon and Mr. Krapek. Ms. Kleiner was initially brought to the attention of the Committee by a non-management member of the Board. Based on the Governance Committee's evaluation of the candidates and its recommendation to the Board, the Board elected Mr. Krapek in September 2008 and Mr. Gordon and Ms. Kleiner in October 2008. The search firm received a fee for its services.
