The Exchange Offers were made upon the terms and subject to the conditions set forth in the prospectus, which forms part of the registration statement on Form S-4 filed by GM with the SEC on April 27, 2009, as amended by Amendment No. 1 to such registration statement filed by GM with the SEC on May 14, 2009 (including the prospectus supplement contained therein), and as supplemented by the prospectus supplement filed by GM with the SEC on May 19, 2009 pursuant to Rule 424(b)(3) under the Securities Act of 1933, as amended, and as the same may be further amended and/or supplemented from time to time, and the related letter of transmittal, each of which are exhibits to the Schedule TO.

No further tenders of convertible old notes will be accepted and any convertible old notes previously tendered pursuant to the Exchange Offers and not withdrawn will be promptly returned to the tendering holder thereof or credited to the account maintained at the depository from which such convertible old notes were tendered, as applicable.
