Item 1.01 Entry into a Material Definitive Agreement.

On February 6, 2010, Chart Energy & Chemicals, Inc. ("Chart E&C"), which is a wholly owned indirect subsidiary of Chart Industries, Inc. (the "Company"), and Local Lodge 2191 of District Lodge 66 of The International Association of Machinists and Aerospace Workers (the "Union") entered into a new three-year collective bargaining agreement (the "Collective Bargaining Agreement"), which replaces the previous bargaining agreement between Chart E&C and the Union that expired on February 6, 2010. The Collective Bargaining Agreement, which presently covers approximately 210 production and maintenance workers at the Chart E&C facility in La Crosse, Wisconsin, was ratified on February 6, 2010. The three-year term will extend from February 6, 2010 to February 2, 2013. The Collective Bargaining Agreement includes terms customary in collective bargaining agreements and is substantially similar to the previous collective bargaining agreement between Chart E&C and the Union, which was previously filed with the Securities and Exchange Commission as Exhibit 10.16 to Amendment No. 1 to the Company's registration statement on Form S-1 (file no. 333-141730), with changes from the previous agreement primarily related to wages, retirement benefits and other terms customary in collective bargaining agreements.
