Item 8.01. Other Events.

On February 12, 2010, Craig R. Smith, President and Chief Executive Officer of Owens & Minor, Inc. (the Company), adopted a stock trading plan designed to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. Mr. Smith's 10b5-1 plan provides for the sale of shares of Company common stock to be acquired through the exercise of stock options scheduled to expire in early 2011. Under the terms of the plan, Mr. Smith will exercise and sell an aggregate of 50,000 optioned shares. Shares will be sold under Mr. Smith's plan on the open market at prevailing prices on specified dates (subject to minimum price thresholds set forth in his plan). The number of optioned shares covered by the plan will be adjusted for the previously announced three-for-two stock split of the Company to be effected on March 31, 2010 to shareholders of record on March 15, 2010.

The purpose of Mr. Smith's 10b5-1 plan is to allow him to spread stock trades relating to expiring options over an extended period of time on pre-arranged dates to reduce market impact and avoid concerns about transactions occurring at times when he could possess material non-public information. Transactions under the plan will be reported to the Securities and Exchange Commission in accordance with applicable securities laws, rules and regulations.

Except to the extent required by law, the Company does not undertake to report Rule 10b5-1 plans that may be adopted by any officers or directors in the future or to report any modifications or termination of any publicly announced trading plan.
