EXPLANATORY NOTE

Xinyuan Real Estate Co., Ltd. is filing this Amendment No. 1 to its Annual Report on Form 20-F for the year ended December 31, 2009, which was originally filed with the Securities and Exchange Commission (SEC) on March 31, 2010. This Amendment No. 1 solely corrects a typographical error in Item 15 Controls and Procedures as to the year for which Ernst & Young Hua Ming audited the effectiveness of our internal control over financial reporting. The text should have read that the effectiveness of our internal control over financial reporting as of December 31, 2009 has been audited by Ernst & Young Hua Ming, an independent registered public accounting firm, as stated in their attestation report thereon which appears herein. The only change to Item 15 is the change in the date in that sentence. However, pursuant to Rule 12b-15 under the Securities Exchange Act of 1934, this Amendment No. 1 includes all of the disclosures required by Item 15 of Form 20-F.

Except as described above, this Amendment No. 1 does not amend any other item of our original filing on Form 20-F and does not reflect events occurring after the original filing date or modify or update in any way the disclosures contained in our original filing on Form 20-F. Accordingly, this Amendment No.1 should be read in conjunction with our original filing on Form 20-F and our subsequent filings with the SEC.

In addition, as required by Rule 12b-15 under the Securities Exchange Act of 1934, new certifications of our principal executive officer and principal financial officer are filed as exhibits to this Amendment No. 1 under Item 19 hereof.

ITEM 15. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our chief executive officer and chief financial officer, has performed an evaluation of the effectiveness of our disclosure controls and procedures within the meaning of Rules 13a-15(e) and 15d-15(e) of the Exchange Act as of the end of the period covered by this report. Based on such evaluation, our management has concluded that, as of the end of the period covered by this annual report, our disclosure controls and procedures were effective, to ensure that information required to be disclosed by our company in reports that we file or submit under the Exchange Act is (i) recorded, processed, summarized and reported within the time period specified in the Securities and Exchange Commission rules and forms, and (ii) accumulated and communicated to our management, including our chief executive officer and chief financial officer, as appropriate, to allow timely decisions regarding required disclosure.

Changes in Internal Control over Financial Reporting

During the year ended December 31, 2009, we implemented certain changes to our internal controls that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting. To remediate the material weakness in our internal controls over financial reporting that existed at the end of 2008, we have made several improvements starting with implementing multi-level and cross-departmental review procedures on percentage of completion, taxes, debt covenant compliance and other critical accounting issues. We replaced and added personnel with sufficient U.S. GAAP competence to improve our finance and accounting department and the quality of our U.S. GAAP accounting books and records, primarily in the area of revenue recognition and deferred tax. We also provided additional training and cross-training to our existing personnel, including areas of new and emerging accounting standards. In addition, we enhanced our accounting and finance policy and procedure manuals to provide guidance to our finance and accounting department, and a level of competence and continuity in the event of future employee turnover.

Report of Management on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as defined under Rule 13a-15 and 15d-15 of the Securities Exchange Act of 1934. Our internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reports and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Our internal control over financial reporting includes those policies and procedures that: (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions our assets; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that our receipts and expenditures are being made only in accordance with authorizations of our management and directors; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of our assets that could have a material effect on the financials.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. Management, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, conducted an evaluation of the effectiveness of our internal control over financial reporting based on the framework in *Internal Control-Integrated Framework* issued by the Committee on Sponsoring Organizations of the Treadway Commission. Based on our evaluation under the framework in *Internal Control-Integrated Framework*, our management concluded that, as of December 31, 2009, our internal control over financial reporting was effective to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with U.S. GAAP.

The effectiveness of our internal control over financial reporting as of December 31, 2009 has been audited by Ernst & Young Hua Ming, an independent registered public accounting firm, as stated in their attestation report thereon which appears herein.

Report of Independent Registered Public Accounting Firm

Board of Directors and Shareholders of Xinyuan Real Estate Co., Ltd.

We have audited Xinyuan Real Estate Co., Ltd. and subsidiaries (the Company) internal control over financial reporting as of December 31, 2009, based on criteria established in Internal Control Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (the COSO criteria). The Company's management is responsible for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Report of Management on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, Xinyuan Real Estate Co, Ltd. and subsidiaries maintained, in all material respects, effective internal control over financial reporting as of December 31, 2009, based on the COSO criteria.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheets of Xinyuan Real Estate Co., Ltd and subsidiaries as of December 31, 2009 and 2008, and the related consolidated statements of operations, changes in shareholders' equity, and cash flows for each of the three years in the period ended December 31, 2009 and our report dated March 31, 2010 expressed an unqualified opinion thereon.
