On May 4, 2010, the Compensation Committee of the Board of Directors of QuickLogic Corporation (the "Company") established the target bonuses and performance objectives under the Company's 2005 Executive Bonus Plan (the "Plan") for the second half of 2010. The Plan, as amended, was filed in a current report on Form 8-K filed with the Securities and Exchange Commission on March 12, 2007. Target bonus compensation is dependent upon the Company's achievement of the total revenue and new product revenue objectives for the second half of the year as set forth in the Company's Annual Operating Plan for participants to be eligible for any bonus. In the event both of these objectives are met, bonuses for the second half of the year can be earned based on the Company's successful additional execution against strategically significant, project-based objectives, as measured at the close of fiscal year 2010. Bonuses may range from 0% to 100% of the target annual bonus amounts. The Chief Executive Officer's target bonus for the second half of 2010 is currently 22% of his annual base salary and each of the other participants has a target bonus for the second half of 2010 currently equal to 13% to 22% of his/her annual base salary.
