**Item 1.01 Entry into a Material Definitive Agreement.**

On July 25, 2010, Cell Therapeutics, Inc. (the Company) entered into agreements in connection with (i) a private offering of 4,060 shares of Series 6 preferred stock, no par value per share, together with warrants to purchase an aggregate of 5.8 million shares of the Company's common stock, no par value (the Series 6 Financing) and (ii) an exchange of certain existing warrants for new warrants. The transactions are scheduled to close on or about July 27, 2010, subject to the satisfaction of customary closing conditions.

***Series 6 Financing***

On July 25, 2010, the Company entered into a privately negotiated Securities Purchase Agreement (the Series 6 Purchase Agreement) with the purchaser thereunder (the Series 6 Purchaser). Pursuant to the Series 6 Purchase Agreement, the Company agreed to issue to the Series 6 Purchaser, in a private offering pursuant to Section 4(2) of the Securities Act of 1933, as amended (the Securities Act), (i) 4,060 shares of Series 6 preferred stock and (ii) warrants to purchase an aggregate of 5.8 million shares of common stock, for an aggregate offering price of \$4.06 million.

The Series 6 preferred stock will be convertible initially into 11.6 million shares of common stock at a conversion price of \$0.35 per share. The Series 6 preferred stock will be convertible by the holder at any time following July 27, 2009, the record date for the 2010 annual meeting of shareholders of the Company. The Series 6 preferred stock will convert automatically if 1,000 or less shares are outstanding or if the Board of Directors of the Company determines to do a reverse stock split with respect to shares of common stock for good faith business reasons. The Series 6 preferred stock will not be redeemable and will vote with the common stock on an as-converted basis. Except to the extent of dividends on the common stock and certain other securities, no dividends will be paid on the Series 6 preferred stock. The Series 6 preferred stock will have a liquidation preference equal to its initial stated value of \$1,000 per share plus the amount of accrued and unpaid dividends, if any.

The warrants will be exercisable at any time on or after the six month and one day anniversary of the date of initial issuance and on or before the four year, six month and one day anniversary of the date of initial issuance, provided that the warrants will not be exercisable unless and until (i) the Company amends its amended and restated articles of incorporation to increase the authorized shares of common stock available for issuance thereunder by 400 million shares after receiving shareholder approval thereof or (ii) the Company notifies the holders of the warrants that shares of common stock have otherwise become available and are reserved for issuance upon exercise of the warrants. In the event that shares of common stock otherwise become available for reservation following the date of initial issuance of the warrants, the Company will reserve all or a portion of such shares for issuance upon exercise of the warrants, provided that (i) the foregoing obligation does not apply to shares of common stock reserved pursuant to the Company's equity incentive plans, (ii) if shares of common stock must be reserved pursuant to the terms of any outstanding warrants to purchase common stock issued on or about May 27, 2010, shares must be reserved for issuance upon the exercise of those warrants in priority to the reservation of shares for issuance upon the exercise of the warrants issued pursuant to the Series 6 Financing and (iii) any such shares that become available shall be reserved pro rata among all warrants originally issued on or about July 27, 2010 (or in exchange or substitution therefor) and any other warrants that otherwise have a substantially similar reservation provision. The initial exercise price for the warrants will be \$0.42 per share.

Pursuant to the Series 6 Purchase Agreement, the Series 6 Purchaser agreed not to transfer its Series 6 preferred stock until after July 27, 2009, the record date for the annual meeting of shareholders of the Company scheduled to be held on September 16, 2010.

In connection with such exchange, the Holder will give up the requirement in its existing warrants that the Company reserve shares underlying its warrants. The exchange will be exempt from the registration requirements of the Securities Act pursuant to Section 4(2) thereof.

The new warrants to be issued pursuant to the Exchange Agreement will be in substantially the same form as the warrants that the Company agreed to issue pursuant to the Series 6 Purchase Agreement.
