**EXHIBIT B**

**List of Assumed Executory Contracts and Unexpired Leases and Proposed Cure Claims**

**Assumed Executory Contracts and Unexpired Leases<sup>1</sup>**

Neither the inclusion nor exclusion of any contract or lease on the attached Schedule shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease capable of assumption or that any Reorganized Debtor has any liability thereunder. Further, the Debtors expressly reserve the right to remove any Executory Contract or Unexpired Lease from the attached Schedule and reject such Executory Contract or Unexpired Lease pursuant to the terms of the Plan, up until the Effective Date.

The Debtors may have entered into various confidentiality agreements prepetition and postpetition, as well as other agreements postpetition in the ordinary course of their business affairs. Notwithstanding the fact that such documents may not be separately set forth on the attached Schedule, such documents are deemed assumed as of the Effective Date.

The Debtors have also previously assumed contracts or leases pursuant to separate stipulations and orders previously approved by the Court. To the extent that the assumption of such contracts and leases has already become effective, and the related cure amounts have already been satisfied, such contracts and leases may not be separately set forth on the attached Schedule.

Where the attached Schedule lists multiple Executory Contracts or Unexpired Leases to be assumed by each Debtor and/or multiple related Counterparties, the Cure Amount is listed on the first line corresponding to the parent company related to such contracts, represents the aggregate cure amount and has not been allocated among each of the Counterparties or the contracts listed.

The Debtors and their financial advisors calculated proposed cure amounts in connection with assumption of the Executory Contracts and Unexpired Leases listed on the attached Schedule at the federal judgment interest rate as of the Petition Date. Any counterparty who wishes to substantiate that its respective Executory Contract or Unexpired Lease specifies the rate of interest that should be used to calculate postpetition interest with respect to a cure amount shall:

- a) identify the Executory Contract or Unexpired Lease and the contractual rate of interest applicable to such Executory Contract or Unexpired Lease; and
- b) provide the Debtors with a copy of the Executory Contract or Unexpired Lease relating to such cure claim.

The Debtors must receive the above information as a part of the counterparty's objection to the assumption of its Executory Contract or Unexpired Lease and/or proposed cure amounts related thereto, as noted in the *Notice of (A) Executory Contracts and Unexpired Leases to Be Assumed by the Debtors Pursuant to the Plan; (B) Cure Amounts, If Any; and (C) Related Procedures in Connection Therewith*. Any objection must: (a) be in writing; (b) conform to the Bankruptcy Rules, the Local Bankruptcy Rules and any orders of the Court; (c) state the name and address of the objecting party and the amount and nature of the Claim or Interest of such entity; (d) state, with particularity, the basis and nature of any objection; and (e) be filed, contemporaneously with a proof of service, with the Court and served so that it is actually received by the parties listed in the Notice no later than the Assumption Objection Deadline of September 13, 2010 at 4:00 p.m. (Eastern Daylight Time).

<sup>1</sup> This Exhibit B Assumed Executory Contracts and Unexpired Leases remains subject to further revision. The Debtors expressly reserve the right to alter, modify, amend, remove, augment or supplement this Exhibit at any time in accordance with the Plan.
