Item 1.01 Entry into a Material Definitive Agreement

On February 7, 2011, HUGHES Telematics, Inc. (the Company) completed a private placement of 1,428,572 shares of its common stock, par value \$0.0001, to a group of accredited investors who are not affiliated with the Company (the Purchasers) at a per share price of \$3.50, pursuant to the terms of a Stock Purchase Agreement, dated February 7, 2011, by and among the Company and each of the Purchasers (the Stock Purchase Agreement). The aggregate purchase price for the common stock sold in the private placement was approximately \$5.0 million. The Company intends to use the net proceeds from the private placement for general corporate purposes. In connection with the private placement, the Company entered into an amendment to its Amended and Restated Credit Agreement dated as of March 31, 2008 with Morgan Stanley Senior Funding, Inc. as administrative agent, Morgan Stanley & Co. Incorporated, as collateral agent, and the lenders from time to time party thereto (the First Lien Credit Agreement) providing for the waiver of the requirement to use 25% of the net cash proceeds from the private placement for the repayment of senior secured term indebtedness.

The sale of the common stock in the private placement was not registered under the Securities Act of 1933 (the Securities Act), and the shares may not be sold in the United States absent a registration statement or an applicable exemption from registration requirements. The shares were offered and sold pursuant to the exemption from registration afforded by Rule 506 under the Securities Act and/or Section 4(2) of the Securities Act.

Concurrent with the private placement, the Company entered into an incremental loan commitment agreement with the Purchasers pursuant to which the Purchasers made loans in the aggregate principal amount of approximately \$5.0 million under the terms of the credit agreement with PLASE HT, LLC, as administrative agent, collateral agent and original lender (the Second Lien Credit Agreement). The loans under the Second Lien Credit Agreement bear interest at 9.0% per annum, payable-in-kind, and are guaranteed by all of the Company's existing and future domestic subsidiaries. The loans are secured by a second priority lien on substantially all of the Company's tangible and intangible assets, including the equity interests of the Company's subsidiaries. The liens granted in connection with the Second Lien Credit Agreement are expressly subject and subordinated to the liens securing the Company's obligations under the First Lien Credit Agreement. The Second Lien Credit Agreement was previously filed as Exhibit 99.2 to the Company's Current Report on Form 8-K filed on December 22, 2009. In addition, the Company entered into an amendment to the Second Lien Credit Agreement (the Amendment) pursuant to which, among other things, the Second Lien Credit Agreement was amended to provide that, in the event of certain defaults under the Second Lien Credit Agreement, notice from either the majority of all lenders or a majority of the incremental loan lenders is required for the Administrative Agent to enforce the lenders' claims against the Company.

In connection with the issuance of the loans under the Second Lien Credit Agreement, the Company issued warrants (the Warrants) to purchase an aggregate of 1,000,000 shares of the Company's common stock at an exercise price of \$5.99 per share, subject to certain customary anti-dilution provisions.

In connection with the private placement and the issuance of the Warrants, the Company entered into a Registration Rights Agreement, dated February 7, 2011 (the Registration Rights Agreement) with the Purchasers requiring that, among other things, the Company register the resale of the shares of common stock sold in the private placement and the shares of common stock issuable upon exercise of the Warrants. If the Company does not meet certain deadlines with respect to making a registration statement covering such resale effective, then cash penalties of 1% of the purchase price per month of up to twelve months may apply.

The foregoing is a summary of the terms of the Stock Purchase Agreement, the Amendment, the Warrants and the Registration Rights Agreement and does not purport to be complete and is qualified in its entirety by reference to the full text of the Stock Purchase Agreement, the Amendment, the form of the Warrants and the Registration Rights Agreement, copies of which are attached hereto and are incorporated by reference herein.
