SAFE HARBOUR STATEMENT

In connection with the proposed business combination transaction between NYSE Euronext and Deutsche Boerse AG, Alpha Euronext Holding company, has filed, and the SEC has declared effective on May 3, 2011, a Registration Statement on Form F-4 with the U.S. Securities and Exchange Commission (SEC) for the proxy statement of NYSE Euronext that will also constitute a prospectus for Holding and (2) an offering prospectus of Holding

Boerse AG shares held by U.S. holders. Holding has also filed an offer document with the German Federal Financial Supervisory Authority (BaFin), which was approved by the BaFin for publication pursuant to the German Takeover Act (Wertpapiererwerbs- und Übernahmegesetz). Investors and security holders are urged to read the definitive proxy statement/prospectus, the offering prospectus and the offer memorandum for the proposed business combination transaction because they contain important information. You may obtain a free copy of the definitive proxy statement/prospectus, the offering prospectus and the offer memorandum from NYSE Euronext and Holding with the SEC on the SEC's Web site at www.sec.gov. The definitive proxy statement/prospectus, the offering prospectus and the offer memorandum may also be obtained by accessing NYSE Euronext's Web site at www.nyse.com. The offer document is available at Holding's Web site at www.globe.com. This document is neither an offer to purchase nor a solicitation of an offer to sell shares of Holding, Deutsche Boerse AG or NYSE Euronext. No public offer or public offer are disclosed in the offer document that has been approved by the BaFin and in documents that have been filed with the SEC. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the U.S. Securities Act of 1933 and the SEC's regulations. Subject to certain exceptions to be approved by the relevant regulators or certain facts to be ascertained, the public offering of securities in any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction, or by use of the mails or by any means of interstate commerce (including telephone and the internet) of interstate or foreign commerce, or any facility of a national securities exchange, of any such jurisdiction. This announcement and related materials do not constitute in France an offer for ordinary shares in Holding. The relevant financial information is disclosed in the information documents reviewed by the competent European market authorities.

PARTICIPANTS IN THE SOLICITATION

NYSE Euronext, Deutsche Boerse AG, Holding and their respective directors and executive officers and other members of management are soliciting proxies from NYSE Euronext stockholders in respect of the proposed business combination transaction. Additional information regarding the solicitation will be included in the definitive proxy statement/prospectus and the other relevant documents filed with the SEC.

FORWARD-LOOKING STATEMENTS

This document includes forward-looking statements about NYSE Euronext, Deutsche Boerse AG, Holding, the enlarged group and the proposed business combination, the likelihood that such transaction could be consummated, the effects of any transaction on the financial performance of NYSE Euronext, Deutsche Boerse AG and Holding, and other statements that are not historical facts. By their nature, forward-looking statements involve risks and uncertainties because they relate to events or financial results that may or may not occur in the future. Forward-looking statements are not guarantees of future performance and actual results of operations, financial results or other events, which NYSE Euronext and Deutsche Boerse AG operate may differ materially from those made in or suggested by the forward-looking statements speak only as at the date of this document. Except as required by applicable law, none of NYSE Euronext, Deutsche Boerse AG or Holding will revise publicly any forward-looking statement, whether as a result of new information, future events or otherwise.

4

Moving Forward from a Position of Strength

Executing our strategy to grow the business, realize efficiencies, build a global capital markets community, and drive out costs

Proposed combination with Deutsche Börse further accelerates this successful strategy

Positions the new company to lead the evolution in

the industry

Creates deeper, liquid and more transparent markets

All leading equity and fixed income derivatives on a single platform, simplifying global connectivity

Deeper liquidity and increased trading opportunities from creation of truly pan-

Euro regulated exchange market

Single clearing house rather than 2, simplifying operations

Customer Benefits
10
Significant cost savings
Projected
savings
for
Tier

1
banks
of
up
to
1.8
million
per
customer
annually,
including:
SLE fees
Connectivity software
Connectivity infrastructure
Software maintenance costs (est. 15%)
LCH Clearnet connectivity costs
Membership fees for clearing of Cash business
Connectivity fees via BT Radianz
Wider scope of asset classes
Greater SLP opportunities
Wider

of
members

the
liquidity
of
the
combined
market
would
be
enhanced
through
the
interaction of the respective member bases in a single order book

Client Cost Savings from the Proposed NYX/DB Merger

11

Primary Benefits

Eliminate redundant market connectivity

Customers

can

eliminate

non-SFTI
point-to-point
carrier
circuits.
Assuming
that
customers
have
the
necessary bandwidth, they can use SFTI to access 30+ destinations
On
average,
we
estimate,
savings
could
be
anywhere
from
\$1,500/month
(low
speed)
to
upwards
of
\$15,000/month
(10
GB)
for
two
connections
per
customer
Leverage existing Mahwah co-lo services
Customers can use their existing co-lo infrastructure (hardware + network)
We
anticipate
that
an
average
client
savings
could
be
in
the
range
of
\$4,000
-

\$7,000/month

Decreased development expenditure if ISE is migrated to UTP

Cost
efficiencies

will
allow

clients

to

repurpose

broker

support

staff

and

resources

to

core

business

projects

Other Benefits

Simpler client interface

Once groups are integrated, clients will benefit from a more harmonized customer experience on several levels

Relationship management => savings in Exchange relationship teams

Single communication process

Real time support (market surveillance and technical help desk) => one number to call instead of two

ISE clients that are not currently on SFTI can gain access to our wide range of products/services

Cash Trading
and Listings
Technology

12

Single technical connection for all markets

Single co-location set up

Single matching engine technology

One global network

More harmonized customer experience (single communication process for support and relationship management)

Clearing

13

One clearing house and clearing system: Eurex clearing

Eliminate duplicating clearing infrastructure

Eliminate duplicating direct memberships of CCPs

Operational efficiencies

Single clearing interface, standardized business practices and policies/procedures eliminate

risk/complexity, and reduce direct and indirect cost

Common, consistent service model to improve customer experience

More efficient capital management

Reduce the need to move capital among multiple Clearing Houses

Achieve netting effects and capital efficiencies through structured products

Customer margin savings

Customer default fund savings towards Clearing Houses

Migration path

To be determined, but will be designed to minimize impact and cost on customers

Opportunities to develop new services

OTC services and cross margining benefits with listed products
