- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act

**Item 1.01. Entry Into a Material Definitive Agreement.**

On June 27, 2011, Carpenter Technology Corporation (the Company) executed and delivered an underwriting agreement (the Underwriting Agreement), by and among the Company and J.P. Morgan Securities LLC and Merrill Lynch, Pierce Fenner & Smith Incorporated as Representatives of the several Underwriters listed in Schedule 1 thereto (the Underwriters), relating to the issuance and sale of \$250,000,000 in aggregate principal amount of the Company's 5.20% Senior Notes due 2021 (the Senior Notes). The offering and sale of the Senior Notes are expected to be completed on June 30, 2011. Under the terms of the Underwriting Agreement, the Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the Securities Act), or to contribute payments that the Underwriters may be required to make because of any of those liabilities. The Underwriting Agreement contains customary representations and covenants.

The offering of the Senior Notes was registered under the Securities Act pursuant to a registration statement on Form S-3 (File No. 333-175150) filed with the Securities and Exchange Commission (the Commission) on June 27, 2011. The terms of the Senior Notes are described in the Company's prospectus dated June 27, 2011, as supplemented by a final prospectus supplement dated June 27, 2011, as filed with the Commission on June 28, 2011. A copy of the Underwriting Agreement is filed herewith as Exhibit 1.1 and incorporated by reference into the Registration Statement.

The Senior Notes will be issued pursuant to a base indenture dated as of January 12, 1994, between the Company and U.S. Bank National Association as successor trustee, as supplemented by a first supplemental indenture dated May 22, 2003 and a second supplemental indenture expected to be dated as of June 30, 2011.

The Company intends to use the net proceeds from the issuance of the Senior Notes to repay its \$100 million in principal amount of its medium term notes, Series C at 7.625% due August 2011. The Company intends to use the remaining net proceeds from the issuance of the Senior Notes for general corporate purposes, which may include additions to working capital, capital expenditures, repayment of debt, the financing of acquisitions, joint ventures and other business combination opportunities or stock repurchases.

The foregoing is not a complete discussion of the Underwriting Agreement and is qualified in its entirety by reference to the full text of the Underwriting Agreement attached to this Current Report on Form 8-K as Exhibit 1.1, which is incorporated herein by reference.

**Item 7.01. Regulation FD Disclosure.**

On June 28, 2011, the Company issued a press release announcing the pricing of its offering of the Senior Notes, a copy of which is furnished as Exhibit 99.1 hereto.

**Item 9.01. Financial Statements and Exhibits.**
