**SECTION 8 OTHER EVENTS**

**Item 8.01. Other Events.**

On November 30, 2011 Visteon Corporation (the Company) announced that it had entered into a non-binding memorandum of understanding with Yanfeng Visteon Automotive Trim Systems Co., Ltd. ( YFV ), the Company's existing Chinese joint venture. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference. This memorandum of understanding relates to a potential transaction that would combine the majority of the Company's global interiors business with YFV. No specific terms of the transaction have been agreed to at this stage; however, the Company believes that the memorandum of understanding represents an important step in the Company's exploration of potential avenues to consolidate certain of its global interiors operations. The memorandum of understanding indicates that the parties' shared goal is to conclude negotiations by March 31, 2012. The timing and structure of such combination would be based on the specific jurisdiction where the Company presently conducts its interiors business. The consummation of the transactions contemplated by the memorandum of understanding would be subject to, among other things, the satisfactory outcome of due diligence by YFV on the Company's interiors business, the receipt of all required governmental, union and third party consents and approvals for such transactions, arrangements to retain certain key employees of the Company, the negotiation and execution of licenses, leases and service and other agreements relating to shared facilities, intellectual property, other assets and employees, the execution of definitive agreements and the satisfaction of any other conditions precedent to such definitive agreements. Pursuant to the memorandum of understanding, the Company has agreed not to negotiate or provide information relating to the sale of its interiors business to any third party until March 31, 2012 without the written consent of YFV. There can be no assurance that definitive agreements will be entered into or that such transaction will be completed in the timetable or on the terms referred to above.
