Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 23, 2012, the Compensation Committee of our Board of Directors approved a revised annual incentive plan for our executive officers and 2012 corporate goals.

Annual Incentive Plan

Under the Annual Incentive Plan, each participant is assigned an incentive target that is expressed as a percentage of annual base salary, and the participant's incentive award, if any, is based on the achievement of pre-established corporate and, in the discretion of the Compensation Committee, individual goals. All participants have the same corporate goals. Each of the goals is approved by the Compensation Committee.

Individual incentive awards are to be determined at the end of applicable fiscal year based upon the level of goal achievement, the quality of achievement, the participant's role in goal achievement and the weighting of each goal. If individual goals are assigned to a participant, the relative weighting of the individual goals will not exceed 40% of the participant's overall incentive target. The Compensation Committee and the Board can change or waive any provision in the incentive plan at any time, including, without limitation, its award formula, performance measures and payout schedule. The Compensation Committee and the Board can also exclude participants and exercise discretion, including canceling the plan or any earned awards, and the Compensation Committee may modify or adjust any participant's annual incentive award from zero to 150% of the formulaic goal achievement. Eligible participants must be actively employed with us on the last day of the applicable fiscal year to receive an incentive award, and participation in the incentive plan is not a guarantee of continued employment.

All of our executive officers participate in the plan. The following table lists the named executive officers and their incentive target expressed as a percentage of their base salary:

Individual	Incentive Target
Jack Lief, President and Chief Executive Officer	55%
Dominic P. Behan, Ph.D., Senior Vice President and Chief Scientific Officer	40%
Robert E. Hoffman, Vice President, Finance and Chief Financial Officer	40%
William R. Shanahan, Jr., M.D., Senior Vice President and Chief Medical Officer	40%
Steven W. Spector, Senior Vice President, General Counsel and Secretary	40%

2012 Goals

The Compensation Committee, in consultation with the Board, approved specific corporate goals for 2012, which relate to the following categories: (i) plans and progress relating to research and development and, if applicable, commercialization; (ii) licensing and collaboration efforts; and (iii) budget and finance. No individual goals were approved for purposes of the Annual Incentive Plan in 2012.

The above description is qualified in its entirety by reference to the Annual Incentive Plan attached hereto as Exhibit 10.1 and incorporated herein by reference.
