Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 10, 2012, ION Geophysical Corporation (the Company) filed a Certificate of Elimination (the Certificate of Elimination) to eliminate all references in the Company's Restated Certificate of Incorporation to its Series A Junior Participating Preferred Stock (the Preferred Stock). The Preferred Stock had been previously authorized for issuance in order to be available upon exercise of certain rights (the Rights) to purchase shares of the Preferred Stock under a shareholder rights plan adopted by the Company in December 2008. As previously disclosed, the shareholder rights plan had been scheduled to expire by its terms on December 29, 2011, and on that date the plan expired and was terminated. The Rights had accompanied shares of the Company's common stock and had been granted pursuant to a Rights Agreement dated December 30, 2008 between the Company and Computershare Trust Company, N.A., as rights agent, which also terminated pursuant to its terms on December 29, 2011.

As a result of the expiration of the Rights, the Rights have no further force or effect. All shares of Preferred Stock that had been reserved for issuance under the Rights Plan resumed the status of authorized and unissued shares of the Company's preferred stock. A copy of the Certificate of Elimination as filed with the Secretary of State of the State of Delaware is attached hereto as Exhibit 3.1 and incorporated herein by reference.

Item 9.01 Financial Statement and Exhibits.
