**SECTION 5 CORPORATE GOVERNANCE AND MANAGEMENT**

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On and effective as of February 28, 2012, the Board of Directors of Visteon Corporation (the "Company") amended and restated the Company's Second Amended and Restated Bylaws (the "Bylaws") to provide for a majority voting standard in uncontested director elections (except as otherwise required by law or provided in the Bylaws or the Company's Second Amended and Restated Certificate of Incorporation), instead of the previous plurality voting standard (the "Bylaw Amendment"). Under the new majority voting standard, a director must be elected by the vote of the majority of votes cast, which means that the number of shares voted for the nominee's election must exceed the number of shares voted against the nominee's election. Any incumbent director that fails to receive the required majority vote in an uncontested election will be required to submit an offer of resignation for consideration by the Corporate Governance and Nominating Committee of the Board of Directors, which committee shall recommend to the Board of Directors that it accept that person's resignation unless a compelling reason exists for concluding that it is in the best interests of the Company for an unsuccessful incumbent to remain as a director. The plurality voting standard will continue to apply to contested director elections pursuant to the Bylaw Amendment. A copy of the Bylaws, as amended and restated, is attached hereto as Exhibit 3.1.

In conjunction with the Bylaw Amendment, the Board of Directors also approved changes to the Company's Corporate Governance Guidelines (the "Guidelines Amendment"). The Guidelines Amendment makes conforming changes to the guidelines to make them consistent with the voting standards provided for in the Bylaw Amendment.
