CAUTIONARY STATEMENTS REGARDING FORWARD-LOOKING INFORMATION

This document contains statements, estimates or projections that constitute forward-looking statements as defined under U.S. federal securities laws. In some cases, one can identify forward-looking statements by words such as will, expect, estimate, think, forecast, guidance, outlook, plan, lead, project or comparable words. Forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from our historical experience and our present expectations or projections. These risks include, but are not limited to: (i) legislative and regulatory initiatives or changes in regulations affecting the electric industry; (ii) changes in, or changes in the application of, environmental or other laws and regulations; (iii) failure of our generating facilities to perform as expected, including due to outages for unscheduled maintenance or repair; (iv) changes in market conditions or the entry of additional competition in our markets; and (v) those factors contained in our periodic reports filed with the Securities and Exchange Commission, including in the Risk Factors section of our most recent Annual Report on Form 10-K. The forward-looking information in this document is given as of the date of the particular statement, and we assume no duty to update this information. Our filings and other important information are also available on the Investor Relations page of our web site at www.genon.com.
