#### PART 1. FINANCIAL INFORMATION

#### ITEM 1. FINANCIAL STATEMENTS

The accompanying unaudited condensed consolidated interim financial statements do not include all information and footnotes required by International Financial Reporting Standards as issued by the IASB (IFRS), for a complete set of annual financial statements. However, in the opinion of management, all adjustments (which consist only of normal recurring adjustments) necessary for a fair presentation of the results of operations for the relevant periods have been made. Results for the interim periods are not necessarily indicative of the results to be expected for the year or any other period. These financial statements should be read in conjunction with the summary of accounting policies and the notes to the consolidated financial statements included in the Company s Annual Report on Form 40-F for the fiscal year ended December 31, 2011, a copy of which has been filed with the U.S. Securities and Exchange Commission. These policies have been applied on a consistent basis.
