ITEM 2.05. Costs Associated with Exit or Disposal Activities

On May 18, 2012, American Eagle Outfitters, Inc. (the Company) announced plans to exit 77kids by American Eagle (77kids), including all 22 stores and the online business. Management determined that it is in the best interest of the Company and its shareholders to prioritize and focus its efforts on businesses with the highest return potential.

Management is currently exploring strategic alternatives for the 77kids business, which include a full or partial disposition of assets to a third party. Pre-tax, non-cash asset impairment charges are estimated to be \$16 million. At this time, the Company is unable to make a good faith estimate of additional exit charges. The Company anticipates these charges to be taken primarily in the second and third quarters, which will be disclosed as plans are finalized, as an amendment of this Form 8-K.

In fiscal 2011, 77kids generated an after-tax loss of approximately \$24 million.
