Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

At the 2013 Annual Meeting of Shareholders (the Annual Meeting) of Cass Information Systems, Inc. (the Company) on April 15, 2013, the Company's shareholders approved amendments to the Company's 2007 Omnibus Incentive Stock Plan (the Plan).

The shareholders first approved the Plan on April 16, 2007. The purpose of the Plan is to provide stock compensation and other incentive opportunities for non-employee directors and key employees to align their personal financial interest with the Company's shareholders. As amended, the Plan includes provisions for stock options, stock appreciation rights, restricted stock, restricted stock units, phantom stock and performance related awards. If not sooner terminated by the Board of Directors, the Plan shall terminate on April 17, 2023.

The following is a summary of the material amendments to the Plan approved by shareholders at the Annual Meeting:

A change in the title of the Plan to the Amended and Restated Omnibus Stock and Performance Compensation Plan (the Amended and Restated Plan);

Expanded criteria to evaluate Company performance with respect to incentive awards;

Addition of phantom stock as an award eligible for issuance;

Increase in the maximum authorized shares for issuance pursuant to the Amended and Restated Plan to 1,500,000;

Increase in the individual annual limit for stock-based awards to 150,000;

Decrease in the cash limit of annual performance awards to an individual subject to Section 162(m) of the Internal Revenue Code of 1986, as amended, to \$1,500,000;

Clarification of share counting procedures with respect to awards issued under the Amended and Restated Plan;

Revision of certain vesting and exercise provisions to provide that such terms and conditions shall be set forth in respective award agreements, which allows the Company to offer certain participants opportunities to defer compensation;

Revision of certain termination provisions for consistency among the types of awards and how each are treated upon a participant's termination; and

Clarification that the Company may retain dividends earned on restricted stock awards during the restriction period.

This summary of the Amended and Restated Plan is not complete and is qualified in its entirety by reference to the full text of the Amended and Restated Plan, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference. A more detailed summary of the Amended and Restated Plan can be found in the Company's Proxy Statement for the 2013 Annual Meeting filed with the Securities and Exchange Commission on March 8, 2013.
