Edgar Filing: American Homes 4 Rent - Form SC 13D

ITEM 1. SECURITY AND ISSUER.

This Schedule 13D (the "Schedule 13D") relates to the Class A common shares of beneficial interest, \$0.01 par value per share (the "Class A common shares") of American Homes 4 Rent, a Maryland real estate investment trust (the "Issuer") and the Class A units, Series C units, Series D units and Series E units (collectively "OP units") of the operating partnership of the Issuer, American Homes 4 Rent, L.P., a Delaware limited partnership (the "Operating Partnership"). After one year following the date of the initial issuance of the OP units, the Reporting Persons may redeem the OP units at a redemption amount per unit based on the market value of the Class A common shares at the time of redemption. The Issuer, as general partner of the Operating Partnership, has sole discretion to elect whether the redemption right will be satisfied in cash or Class A common shares. The principal executive office of the Issuer is located at 30601 West Agoura Road, Suite 200, Agoura Hills, California 91301.

ITEM 2. IDENTITY AND BACKGROUND.

(a) This Schedule 13D is being filed by American Homes 4 Rent, LLC ("AH LLC") and David P. Singelyn (together with AH LLC, the "Reporting Persons").

(b) The address of the Reporting Persons is 30601 West Agoura Road, Suite 200, Agoura Hills, California 91301.

(c) AH LLC is a Delaware limited liability company, which was formed in 2011 to acquire, own, renovate, lease and manage single family residential properties. Following the contribution of substantially all its properties to the Issuer and the acquisition by the Issuer of AH LLC's advisor and property management subsidiaries, AH LLC is primarily engaged in providing property acquisition and renovation services to the Issuer. Mr. Singelyn is the sole manager of AH LLC and has voting and investment control over the securities held by AH LLC. In addition, Mr. Singelyn is Chief Executive Officer and a trustee of the Issuer. Mr. Singelyn disclaims beneficial ownership of the securities held by AH LLC except to the extent of his pecuniary interest therein.

(d) (e) During the last five years, neither Reporting Person nor any other person identified in response to this Item 2 was convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Mr. Singelyn is a citizen of the United States.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

In October 2012, AH LLC contributed \$15,000 cash to acquire 1,000 Class A common shares when the Issuer was formed. In December 2012, pursuant to the terms of a contribution agreement dated as of December 28, 2012, AH LLC received 3,300,000 Class A common shares and 667 Class B common shares of beneficial interest, \$0.01 par value per share (the "Class B common shares") and 32,667 Class A OP units in exchange for 367 single family properties. In February 2013, pursuant to the terms of a contribution agreement between AH LLC and the Issuer, AH LLC received 634,408 Class B common shares and 31,085,974 Series C OP units in exchange for 2,770 single-family properties.

Under the terms of a contribution agreement entered into in December 2012, AH LLC received 653,492 Class A OP units in exchange for 653,492 3.5% convertible perpetual preferred units of the Issuer held by AH LLC. In June 2013, pursuant to the terms of a contribution agreement dated as of May 28, 2013, AH LLC received 4,375,000 Series D OP units and 4,375,000 Series E OP units as consideration for the acquisition by the Issuer of its former manager and former property manager (the "Management Internalization"). In June 2013, pursuant to the terms of a contribution agreement dated as of June 11, 2013, AH LLC also received 12,395,965 Class A OP units in exchange for AH LLC's interest in a joint venture that held approximately 4,778 single-family properties. Under the terms of a contribution agreement entered into in June 2013, AH LLC received 705,167 Class A OP units from the Operating Partnership in exchange for AH LLC's equity and promoted interest in a joint venture.

Holders of Class B common shares are generally entitled to 50 votes per share on matters as to which holders of Class A common shares are entitled to vote. In the event a holder of Class B common shares transfers its OP units to a transferee, other than a "qualified transferee", which includes family members and affiliates of or other entities controlled by such holder, then one Class B common share held by such holder automatically converts into one Class A common share for every 49 OP units transferred by the holder. If the holder of Class B common shares transfers any OP units to a qualified trustee, and then such

qualified trustee in turn transfers the same OP units to another qualified trustee of the original transferor, then one Class B common share held by the first qualified transferee will automatically convert into one Class A common share for every 49 OP units transferred by the first qualified transferee. In such case, if the first qualified transferee does not own a sufficient number of Class B common shares, then the initial transferor will be responsible for the deficiency in Class B common shares, and a number of Class A common shares equal to such deficiency held by the initial transferor (or, if the initial transferor does not own sufficient Class B common shares, then one or more other qualified transferees of such initial transferor) will automatically convert into one Class A common share for every 49 OP units. Notwithstanding the foregoing, any Class B common shares transferred to a transferee other than a qualified transferee will automatically convert into an equal number of Class A common shares.

The Class A OP units are redeemable for cash or, at the Issuer's election, Class A common shares on a one-for-one basis beginning one year after the date of issuance (subject to certain limitations set forth in the Agreement of Limited Partnership of the Operating Partnership, as amended (the "Operating Partnership Agreement"). The Series C OP units are convertible at any time into Class A OP units. If holders of Series C OP units have not exercised such conversion right by the earlier of (i) the third anniversary of the date of original issuance of the Series C OP units or (ii) the date of commencement of the dissolution, liquidation or winding up of the Operating Partnership, then the Series C OP units will automatically convert into Class A OP units. The number of Class A OP units into which the Series C OP units will convert is set forth in the Operating Partnership Agreement. The Series D OP units are automatically convertible into Class A OP units on a one-for-one basis only after the later of (1) 30 months after the date of issuance and (2) the earlier of (i) the date on which adjusted funds from operations per Class A common share aggregates \$0.80 or more over four consecutive quarters following the closing of the Management Internalization on June 10, 2013 or (ii) the date on which the daily closing price of the Class A common shares on the New York Stock Exchange averages \$18.00 or more for two consecutive quarters following the closing of the Management Internalization on June 10, 2013. The Series E OP units will automatically convert into Series D OP units, or if the Series D OP units have previously converted into Class A OP units, into Class A OP units, on February 29, 2016, in an amount based on a performance-based earn-out formula set forth in the Operating Partnership Agreement.

In November 2012, AH LLC entered into a subscription agreement with the Issuer for an option to purchase \$50 million of Class A shares for cash at \$15.00 per share. On April 16, 2013, the subscription agreement was amended to provide for net share settlement of the option. AH LLC exercised the option in April 2013 and received 434,783 Class A common shares upon the exercise of the option.

Pursuant to a share purchase agreement dated as of July 18, 2013, AH LLC agreed to purchase \$50 million of the Issuer's Class A common shares in a private placement concurrently with the completion of the Issuer's IPO. The shares were priced at the initial public offering price set forth on the cover of the Issuer's IPO prospectus, which was \$16.00 per Class A common share. Accordingly, on August 6, 2013, AH LLC purchased 3,125,000 Class A common shares from the Issuer for \$50 million in cash. AH LLC funded the acquisition of the Class A common shares with available cash on hand.

The Reporting Persons reserve the right to acquire additional securities of the Issuer in the open market, in privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise, to dispose of all or a portion of their holdings of securities of the Operating Partnership or to change their intention with respect to any or all of the matters referred to in this Item 4.
