**Item 1.01 Entry into a Material Definitive Agreement.**

On August 29, 2013, Northrop Grumman Corporation (the Company) entered into a new five year senior unsecured facility in an aggregate principal amount of \$1.775 billion under a credit agreement (the Credit Agreement) among the Company, as Borrower; Northrop Grumman Systems Corporation, as Guarantor; the Lenders party thereto; JPMorgan Chase Bank, N.A., as Administrative Agent, an Issuing Bank and a Swingline Lender; and The Royal Bank of Scotland plc, Citibank, N.A., and Wells Fargo Bank, National Association, as Issuing Banks and Syndication Agents. The Credit Agreement replaces the Company's existing five-year revolving credit facility in an aggregate principal amount of \$1.5 billion entered into on September 8, 2011 (the Five-Year Credit Agreement) and its 364-day revolving credit facility in an aggregate principal amount of \$0.5 billion entered into on September 4, 2012 (the 364-Day Credit Agreement) and, together with the Five-Year Credit Agreement, the Prior Facilities).

The Credit Agreement contains customary terms and conditions, including covenants restricting the Company's ability to sell all or substantially all of its assets, merge or consolidate with another entity or undertake other fundamental changes and incur liens. The Company also cannot permit the ratio of its consolidated debt to capitalization (as set forth in the Credit Agreement) to exceed 65 percent. The Credit Agreement contains customary events of default (subject to applicable grace and notice periods), including, among others, defaults based on (1) the nonpayment of principal, interest or fees when due, (2) the failure of representations and warranties to be correct in any material respect, (3) the failure to observe or perform any other covenant or agreement contained in the Credit Agreement, (4) cross-defaults with other debt resulting in the acceleration of the maturity thereof, (5) certain bankruptcy and insolvency events, (6) certain events occurring under the Employee Retirement Income Security Act and (7) a change of control.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the Credit Agreement, which is filed as Exhibit 10.1 hereto. Some of the lenders under the Credit Agreement or their respective affiliates have from time to time performed various financial advisory, commercial banking, investment banking or hedging services for us, including repurchases of Northrop Grumman common stock, in the ordinary course of their respective businesses.

There were no outstanding borrowings under the Prior Facilities at the time of termination, and no termination penalties were paid as a result of the termination.
