**Item 8.01 Other Events**

On July 24, 2014, Neogen Corporation issued a press release advising market analysts that future forecasts of its potential revenue from new rodenticide research were premature. The company made these comments because of market reactions to published research on Wednesday that drove up both the price of the stock and volume. A copy of the press release is attached as Exhibit 99.1 to this report.

This Form 8-K and the attached exhibit shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and are not incorporated by reference into any filing of the Registrant, whether made before or after the date of this report, regardless of any general incorporation language in the filing.
