Record Dates:	February 1 and August 1
First Interest Payment Date:	February 15, 2015

Optional Redemption:

On or after August 15, 2017, the Issuers may redeem all or part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date (subject to the rights of Holders of Notes on any relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on August 15 of the years indicated below:

Year	Percentage
2017	104.500%
2018	103.000%
2019	101.500%
2020 and thereafter	100.000%

Optional Redemption with Equity Proceeds:

At any time prior to August 15, 2017, the Issuers may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture at a redemption price of 106.000% of the principal amount, plus accrued and unpaid interest, if any, to the redemption date.

Make-Whole Redemption:

At any time prior to August 15, 2017 the Issuers may also redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of the date of redemption, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders of Notes on any relevant record date to receive interest due on the relevant interest payment date.

Applicable Premium means, with respect to any Note on any applicable redemption date, the greater of:

(1) 1.0% of the then outstanding principal amount of such Note; and

(2) the excess, if any, of:

(A) the present value at such redemption date of (i) the redemption price of the Note at August 15, 2017 *plus* (ii) all required interest payments due on the Note through August 15, 2017 (excluding accrued but unpaid interest to the

date of redemption), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 50 basis points; over

(B) the then outstanding principal amount of the Note.

Treasury Rate means, as of the applicable redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days prior to such redemption date or, in the case of a satisfaction and discharge or defeasance, at least two Business Days prior to the date on which the Issuers deposit the amounts required under the Indenture (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to August 15, 2017; *provided, however*, that if the period from such redemption date to August 15, 2017 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

Change of Control Offer	101%, plus accrued and unpaid interest, if any, to, but not including, the date of payment.
