M&T BANK CORPORATION

PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of M&T Bank Corporation of proxies in the accompanying form for use at the 2005 Annual Meeting of Stockholders or any adjournment or adjournments thereof.

The Annual Meeting of Stockholders of M&T Bank Corporation will be held on the 10th floor of One M&T Plaza in Buffalo, New York on Tuesday, April 19, 2005, at 11:00 a.m., Eastern Daylight Time.

M&T Bank Corporation's mailing address is One M&T Plaza, Buffalo, New York 14203, and its telephone number is (716) 842-5445.

This Proxy Statement and the accompanying form of proxy are first being sent to stockholders of record on or about March 4, 2005. A copy of M&T Bank Corporation's Annual Report for 2004, including financial statements, has either previously been delivered or accompanies this Proxy Statement, but is not part of the proxy solicitation materials.

VOTING RIGHTS

Stockholders of record at 5:00 p.m., Eastern Standard Time, on February 28, 2005 are entitled to vote at the Annual Meeting. At that time, M&T Bank Corporation had outstanding 114,352,841 shares of common stock, \$0.50 par value per share (Common Stock). Each share of Common Stock is entitled to one vote. Shares may not be voted at the meeting unless the owner is present or represented by proxy. A stockholder can be represented through the return of a physical proxy or by utilizing the telephone or Internet voting procedures. The telephone and Internet voting procedures are designed to authenticate stockholders by use of a control number and allow stockholders to confirm that their instructions have been properly recorded. The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. A stockholder giving a proxy may revoke it at any time before it is exercised by giving written notice of such revocation or by delivering a later dated proxy, in either case, to Marie King, Corporate Secretary, at the address set forth above, or by the vote of the stockholder in person at the Annual Meeting.

Proxies will be voted in accordance with the stockholder's direction, if any. Unless otherwise directed, proxies will be voted in favor of the election as directors of the persons named under the caption NOMINEES FOR DIRECTOR, in favor of the approval of the M&T Bank Corporation 2005 Incentive Compensation Plan (the 2005 Incentive Compensation Plan), and in favor of ratifying the appointment of PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation for the year ending December 31, 2005.

The presence in person or by proxy of the holders of a majority of the outstanding Common Stock will constitute a quorum for the transaction of business at the meeting. Broker non-votes will be counted as being present or represented at the meeting for purposes of establishing a quorum.

The vote of a plurality of the shares of Common Stock present or represented at the meeting is required for the election of directors, assuming a

Table of Contents

quorum is present or represented at the meeting.

The vote of a majority of the votes cast at the meeting is required to approve the 2005 Incentive Compensation Plan and to ratify the appointment of PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation for the year ending December 31, 2005, assuming a quorum is present or represented at the meeting. An abstention with respect to the approval of the 2005 Incentive Compensation Plan and the ratification of PricewaterhouseCoopers LLP as the independent public accountant for M&T Bank Corporation will not constitute a vote cast and therefore will not affect the outcome of the vote on the approval of the 2005 Incentive Compensation Plan and the ratification of Pricewaterhouse-Coopers LLP as the independent public accountant for M&T Bank Corporation.

Broker non-votes will not constitute votes cast for purposes of determining, and therefore will have no effect on, the outcome of the vote for the election of directors, the approval of the 2005 Incentive Compensation Plan or the ratification of PricewaterhouseCoopers LLP as the independent public accountant for M&T Bank Corporation.

PROPOSAL TO APPROVE THE M&T BANK CORPORATION 2005 INCENTIVE COMPENSATION PLAN

On February 15, 2005, the Board of Directors unanimously approved the 2005 Incentive Compensation Plan, subject to the stockholder approval solicited hereby, and authorized its submission to stockholders for approval at the 2005 Annual Meeting of Stockholders.

Stockholder approval also satisfies certain requirements of the New York Stock Exchange, and the provisions of the Internal Revenue Code of 1986, as amended (the Code) relating to incentive stock options. A copy of the 2005 Incentive Compensation Plan is attached to this Proxy Statement as APPENDIX A.

Reasons for the 2005 Incentive Compensation Plan. The Board of Directors and management believe that the ability to make awards under the 1983 Stock Option Plan and the 2001 Stock Option Plan has enhanced M&T Bank Corporation's ability to attract and retain qualified employees. They further believe that it is in the best interests of M&T Bank Corporation and its stockholders to recognize the contributions of its employees in the success of M&T Bank Corporation by providing an incentive to the continued service of such employees. As a part of M&T Bank Corporation's compensation policy, the base salaries of its executive officers are targeted at or below the median of a comparative group of banks, as described below under COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS Nomination, Compensation and Governance Committee Report on Executive Compensation. Accordingly, stock options are an important component of an executive officer's total compensation.

In light of the success of the 1983 Stock Option Plan and the 2001 Stock Option Plan to date and in order to ensure that the Board of Directors retains the ability to continue to attract and retain key employees, the Board of Directors believes it is in the best interests of M&T Bank Corporation that additional shares of Common Stock be made available for option grants and to additionally provide for awards of restricted stock and performance shares. The Board of Directors believes that the additional flexibility to award restricted stock and performance shares will allow M&T Bank Corporation to remain competitive with other major corporations in attracting and retaining qualified employees, while continuing to provide long-term incentive opportunities to motivate and more closely align the interests of those employees with the stockholders. Accordingly, the Board of Directors has adopted the 2005 Incentive Compensation Plan.

The 2005 Incentive Compensation Plan is intended to replace the 2001 Stock Option Plan. The shares of Common Stock to be made available for award under the 2005 Incentive Compensation Plan will be in addition to the shares remaining available for grant under the 2001 Stock Option Plan. Upon stockholder approval of the 2005 Incentive Compensation Plan, the 2001 Stock Option Plan will terminate and no further grants will be made, but the shares remaining available for grant will become available for award under the 2005 Incentive Compensation Plan.

Description of the 2005 Incentive Compensation Plan. The following summary is a brief description of the significant provisions of the 2005 Incentive Compensation Plan and does not purport to be a complete statement of the terms and conditions of the 2005 Incentive Compensation Plan, a copy of which is attached to this Proxy Statement as APPENDIX A. Each stockholder is urged to review the 2005 Incentive Compensation Plan in its entirety.

Shares Available for Issuance. The 2005 Incentive Compensation Plan provides that the total number of shares of Common Stock which may be issued pursuant to the award of options, restricted stock and performance shares may not

Table of Contents

exceed 6,000,000, plus any shares that have already been authorized and previously approved by the stockholders and are available for issuance under the 2001 Stock Option Plan as of the date the 2005 Incentive Compensation Plan is approved by the stockholders, plus any shares underlying awards made under the 2001 Stock Option Plan which are subsequently forfeited or otherwise become available for issuance under the terms of the 2001 Stock Option Plan. As of February 28, 2005, a total of 2,646,499 shares of Common Stock remained available for grant under the 2001 Stock Option Plan. Therefore, based on this information, if the 2005 Incentive Compensation Plan is approved, a total of approximately 8,646,499 shares will be available for award under the 2005 Incentive Compensation Plan, representing approximately 7.56% of the outstanding shares of Common Stock as of February 28, 2005. In addition, as of February 28, 2005, a total of 7,073,526 previously granted options are outstanding and unexercised under the 2001 Stock Option Plan.

To the extent that shares of Common Stock subject to an outstanding award under the 2005 Incentive Compensation Plan or the 2001 Stock Option Plan are not issued by reason of forfeiture, termination, surrender, cancellation, or expiration while unexercised of such an award, by reason of the tendering or withholding of shares to pay all or a portion of the exercise price or to satisfy all or a portion of the tax withholding obligations relating to the award, by reason of being settled in cash in lieu of shares or settled in a manner that some or all of the shares covered by the award are not issued to the participant, then such shares shall immediately again be available for issuance under the 2005 Incentive Compensation Plan. The Nomination, Compensation and Governance Committee may from time to time adopt and observe such procedures concerning the counting of shares against the maximum available for issuance under the 2005 Incentive Compensation Plan as it may deem appropriate.

Shares of Common Stock issued in connection with awards that are assumed, converted or substituted pursuant to a merger, acquisition or similar transaction entered into by M&T Bank Corporation or any of its subsidiaries shall not reduce the number of shares available to be issued under the 2005 Incentive Compensation Plan.

Of the shares of Common Stock authorized for issuance under the 2005 Incentive Compensation Plan, up to 25% may be issued with respect to awards which are not options, and up to 3,000,000 may be issued pursuant to options which are incentive stock options under the Code. In addition, as required by Code Section 162(m), the Plan includes a limit of 200,000 shares of Common Stock as the maximum number of shares that may be subject to awards made to any one individual in any one calendar year.

M&T Bank Corporation intends to issue new shares, use treasury shares, or acquire, as necessary, Common Stock in the open market to fulfill its obligations under the 2005 Incentive Compensation Plan upon the exercise of options or the award of restricted stock and performance shares. In the event there is a change in the capital structure of M&T Bank Corporation as a result of any stock dividend or split, recapitalization, merger, consolidation or spin-off or other corporate change affecting the Common Stock, the number of shares of Common Stock authorized for issuance, available for issuance or covered by any outstanding award and the price per share of any such award, and the various limitations described above, will be proportionately adjusted. Fractional shares will not be issued under the 2005 Incentive Compensation Plan.

Administration. The 2005 Incentive Compensation Plan will be administered by the Nomination, Compensation and Governance Committee of the Board of Directors. The Nomination, Compensation and Governance Committee is composed of three or more directors who are independent under applicable

New York Stock Exchange listing rules and will, to the extent required by Rule 16b-3 promulgated under Section 16(b) of the Exchange Act or Section 162(m) of the Code, qualify as non-employee directors and outside directors, respectively. The present members of the Nomination, Compensation and Governance Committee, are Messrs. Pereira (Chairman), Baird, Brady and Buckley.

Subject to the provisions of the 2005 Incentive Compensation Plan, the Nomination, Compensation and Governance Committee has broad discretion and authority to, among other things, select the officers and employees to whom awards may be granted, to determine the terms, conditions, form and amount of the awards, to establish, where deemed applicable, performance goals with respect to awards and to measure and certify the achievement thereof, and to establish guidelines and procedures relating to awards. The Nomination, Compensation and Governance Committee will have full power to administer and interpret the 2005 Incentive Compensation Plan and to adopt or establish, and to modify or waive, such rules and procedures which it may deem necessary and appropriate for the proper administration and operation thereof.

The Nomination, Compensation and Governance Committee may delegate its authority under the 2005 Incentive Compensation Plan to the Chief Executive Officer, to other officers, or to the M&T Bank Employee Benefits Plan Committee (or any similar or successor committee), including but not limited to the right to grant awards in connection with the hiring of employees in an amount representing not more than 2,000 shares of Common Stock for any individual employee, provided that such delegation will not extend to action with respect to awards made to covered employees, as defined in Code Section 162(m), or to officers for purposes of Rule 16b-3 under the Exchange Act, or to correct errors, omissions or inconsistencies in the 2005 Incentive Compensation Plan.

Term, Amendment and Termination. If approved by the stockholders, the 2005 Incentive Compensation Plan will become effective as of the date of such approval and will remain in effect until all shares subject to it have been issued according to the provisions thereof, provided, however, that no awards may be granted on or after the tenth anniversary of such date. M&T Bank Corporation's Board of Directors may terminate the 2005 Incentive Compensation Plan at any time and may amend it in any respect without stockholder approval, unless such approval is required by applicable law or regulations or the requirements of the New York Stock Exchange or other exchange or quotation system on which the Common Stock is listed or quoted.

Eligibility. Awards may be granted under the 2005 Incentive Compensation Plan only to officers and other employees of M&T Bank Corporation and its subsidiaries and to certain former trustees of The East New York Savings Bank (East New York), a subsidiary of M&T Bank Corporation that was merged with and into M&T Bank on May 24, 1997. Other directors who are not officers or employees, including members of the Nomination, Compensation and Governance Committee, are not eligible to receive awards. As of February 28, 2005 there were approximately 13,228 employees of M&T Bank Corporation and its subsidiaries and 4 former trustees of East New York potentially eligible to receive awards under the 2005 Incentive Compensation Plan. The selection of participants and the nature and size of awards is subject to the discretion of the Nomination, Compensation and Governance Committee.

Types of Awards. A participant in the 2005 Incentive Compensation Plan is permitted to receive multiple grants of awards. The terms and provisions of a type of award with respect to any participant need not be the same with respect to any other participant of such award. Following is a brief description of the types of awards that may be granted under the 2005 Incentive Compensation Plan.

Table of Contents

Stock Options. Stock options may be nonqualified stock options or incentive stock options that comply with Code Section 422 that permit recipients to purchase shares of Common Stock from M&T Bank Corporation at an exercise price of not less than 100% of the fair market value of a share of Common Stock on the date of grant. Each stock option generally becomes exercisable in installments during the term of the option. The 2005 Incentive Compensation Plan limits the term of any stock option to 10 years and prohibits the Nomination, Compensation and Governance Committee from repricing options. The 2005 Incentive Compensation Plan does not permit the granting of stock appreciation rights, either in tandem with options or as stand-alone grants.

The 2005 Incentive Compensation Plan permits payment of the exercise price otherwise than in cash, including by actual or constructive delivery of shares of Common Stock, valued at fair market value on the date of exercise, or by a combination of both cash and Common Stock, provided such shares of Common Stock have been held by the optionee for at least six months prior to the date of exercise.

Restricted Stock. An award of restricted stock is an award of shares of Common Stock that may not be sold or otherwise disposed of during a period of restriction determined by the Nomination, Compensation and Governance Committee. The Nomination, Compensation and Governance Committee will either legend certificates representing restricted stock or record stop transfer orders with respect to uncertificated or book-entry shares during the period of restriction to give appropriate notice of such restriction. During the period of restriction, restricted stock may be voted by the recipient, and except as otherwise provided by the Nomination, Compensation and Governance Committee, the recipient will be entitled to receive dividends payable on the restricted stock.

Performance Shares. Performance shares are awards of a fixed or variable number of shares of Common Stock that are earned by achievement of performance goals established by the Nomination, Compensation and Governance Committee. If the applicable performance criteria are met, the performance shares are earned and become unrestricted. The Nomination, Compensation and Governance Committee may provide that a certain percentage of the number of performance shares originally awarded may be earned based upon the attainment of the performance goals. During the applicable performance period for an award, the shares may be voted by the recipient and the recipient may be entitled to receive dividends on those shares, at the discretion of the Nomination, Compensation and Governance Committee.

Annual Incentive Awards. Participants in the 2005 Incentive Compensation Plan may receive annual incentive awards. If the 2005 Incentive Compensation Plan is approved by the stockholders, the Nomination, Compensation and Governance Committee may make annual incentive awards under the 2005 Incentive Compensation Plan in lieu of awards under the M&T Bank Corporation Annual Executive Incentive Plan. Under an annual incentive award, the participant may receive a cash payment based on the achievement of performance goals established by the Nomination, Compensation and Governance Committee. The 2005 Incentive Compensation Plan provides an annual limit of \$2,000,000 that a single participant may earn under an annual incentive award for any calendar year in accordance with Section 162(m) of the Code.

Performance Goals. Section 162(m) of the Code disallows federal income tax deductions for certain compensation in excess of \$1,000,000 per year paid to the chief executive officer and the other four most highly compensated executive officers of M&T Bank Corporation (the Named Executive Officers). Compensation that constitutes qualified performance-based compensation under Section 162(m) of the Code is not subject to the \$1,000,000 deduction limit. In addition to the annual limitations on awards

Table of Contents

described above, another condition necessary to qualify certain incentive awards (other than stock options, which are deemed to be qualified performance-based compensation) as qualified performance-based compensation is that the material criteria relating to the performance goals under which the award is made must be disclosed to, and approved by, the stockholders of M&T Bank Corporation before the incentive compensation is paid.

For those types of awards under the 2005 Incentive Compensation Plan intended to meet the definition of qualified performance-based compensation the Nomination, Compensation and Governance Committee will establish performance goals with respect to an award based upon one or more of the following performance criteria: earnings, earnings growth, earnings per share, stock price (including growth measures and total stockholder return), improvement of financial ratings, internal rate of return, market share, cash flow, operating income, operating margin, net profit after tax, EBIT, EBITA, EBITDA, OBIT, OBITDA, gross profit, operating profit, cash generation, revenues, asset quality, return on equity, return on assets, return on operating assets, cost saving levels, operating income, marketing-spending efficiency, core non-interest income, change in working capital, return on capital, or stockholder return. These performance goals may be measured for achievement or satisfaction during the performance period established by the Nomination, Compensation and Governance Committee and may be in absolute terms or measured against, or in relationship to, other companies comparably, similarly or otherwise situated or other external or internal measure and may be based on, or adjusted for, other objective goals, events, or occurrences established by the Nomination, Compensation and Governance Committee for a performance period.

These performance goals may be particular to a participant or the department, branch, subsidiary or line of business in which the participant works, or may be based upon the performance of M&T Bank Corporation, one of more of its subsidiaries or a particular line of business, generally, and may, but need not be, based upon a change or an increase or positive result. Performance goals may include or exclude extraordinary charges, losses from discontinued operations, restatements and accounting changes and other unplanned special charges such as restructuring expenses, acquisitions, acquisition expenses, including expenses related to goodwill and other intangible assets, stock offerings, stock repurchases and loan loss provisions. The performance goal related to an award must be established by the Nomination, Compensation and Governance Committee prior to the completion of 25% of the performance period or such earlier date as may be required by Section 162(m) of the Code.

As required by Section 162(m) of the Code, the Nomination, Compensation and Governance Committee will, after completion of any performance period, determine and certify the extent to which the performance goals established for the performance period has been achieved and determine the amount to be paid as a result thereof, provided the Nomination, Compensation and Governance Committee may, in its sole discretion, reduce or eliminate such amount to the extent permitted under the 2005 Incentive Compensation Plan and applicable law.

Termination of Employment. The 2005 Incentive Compensation Plan provides for the disposition of each award held by a participant upon the termination of his or her employment by resignation, retirement, cause, death or disability, but gives the Nomination, Compensation and Governance Committee the authority to otherwise determine and set forth in the agreement applicable to any such award or in an amendment or modification thereof the disposition of the award.

Effect of Change in Control. Unless otherwise provided by the Nomination, Compensation and Governance Committee in the agreement applicable to an award (including any

Table of Contents

amendment or modification thereof), upon a change in control of M&T Bank Corporation, all outstanding awards based on Common Stock which are not then exercisable and vested shall immediately become fully exercisable and vested, and all performance-based awards shall immediately be paid out in an amount based upon the extent, as determined by the Nomination, Compensation and Governance Committee, to which the performance goals for the performance period then in progress have been met up through the end of the month immediately preceding the date of the change in control. Change in control is generally defined in the 2005 Incentive Compensation Plan to mean (i) the acquisition by any person (except M&T Bank Corporation or any of its affiliates' employee benefit plans) of 20% or more of the Common Stock, unless acquired directly from M&T Bank Corporation or the Board of Directors approves an acquisition of between 20% and 40% of such Common Stock, (ii) any time at which individuals who constituted the Board of Directors as of the date of stockholder approval, or individuals elected or nominated for election by a majority of the directors then comprising the Board of Directors, cease to constitute at least a majority of the board, (iii) the consummation of a reorganization, merger, statutory share exchange or consolidation, or other similar corporate transaction involving M&T Bank Corporation or any of its subsidiaries, or a sale or other disposition of all or substantially all of the assets of M&T Bank Corporation, in which less than 50% of the then outstanding Common Stock continues to represent the voting securities of the surviving entity, no person acquires 20% or more of the Common Stock and at least a majority of the members of the board of directors of the surviving entity were members of the Board of Directors at the time of the execution of the initial agreement or of the action of the Board of Directors providing for such transaction, or (iv) stockholder approval of a plan of complete liquidation or dissolution of M&T Bank Corporation.

Summary of Certain Federal Income Tax Consequences. The following discussion is a summary of certain federal income tax consequences to participants who may receive grants of awards under the 2005 Incentive Compensation Plan. The rules governing the federal income tax treatment of awards under the 2005 Incentive Compensation Plan are quite technical, so that the following discussion is necessarily general in nature and does not purport to be complete. Moreover, statutory provisions are, of course, subject to change, as are their interpretations, and their application may vary in individual circumstances. Finally, the consequences under applicable state, local or foreign income tax laws may not be the same as under the federal income tax laws.

Incentive Stock Options. In general, an optionee will not recognize income at the time of the grant or exercise of an incentive stock option. However, the difference between the aggregate exercise price and the fair market value of the shares of Common Stock received upon exercise of an incentive stock option is an adjustment item for purposes of the alternative minimum tax. If an optionee does not exercise an incentive stock option within a certain specified period after termination of employment, an incentive stock option will be treated for tax purposes as a nonqualified stock option, as described below under the caption *Nonqualified Stock Options*. In general, gain or loss from the sale or exchange of shares acquired upon an exercise of an incentive stock option will be taxed as capital gain or loss and M&T Bank Corporation will not be entitled to a deduction, provided that the shares have been held by the optionee at the time of the sale or exchange for at least two years after the date of grant and one year after the date of exercise.

However, if these holding period requirements with respect to the shares acquired upon exercise of an incentive stock option are not satisfied, a sale or exchange is considered a *disqualifying disposition* under the Code and the optionee will be required to recognize ordinary income at the

Table of Contents

time of disposition in an amount equal to the excess, if any, of the fair market value of the shares at the time of exercise over the exercise price. Any gain recognized on a disqualifying disposition in excess of the ordinary income resulting therefrom will be capital gain, and any loss recognized will be a capital loss. If an optionee recognizes ordinary income upon exercise of an incentive stock option as the result of a disqualifying disposition, M&T Bank Corporation will be entitled to a deduction in the same amount.

Nonqualified Stock Options. In general, an optionee will not recognize income on the grant of a nonqualified stock option, but generally will recognize ordinary income on exercise. The amount of income recognized on exercise of a nonqualified stock option generally will be measured by the excess, if any, of the fair market value of the shares at the time of exercise over the exercise price, regardless of whether the exercise price is paid in cash or shares of Common Stock. Where ordinary income is recognized by an optionee in connection with the exercise of a nonqualified stock option, M&T Bank Corporation will be entitled to a deduction in the amount of ordinary income so recognized, subject to satisfying tax withholding requirements. A subsequent sale or exchange of shares acquired upon an optionee's exercise of a nonqualified stock option will be taxed as either short-term or long-term capital gain or loss depending on whether the shares have been held for more than one year in an amount measured by the difference between the exercise price, increased by any compensation reported upon exercise, and the amount realized on such sale or exchange.

Restricted Stock. A participant who is awarded restricted stock will not recognize income and M&T Bank Corporation will not be allowed a deduction at the time the award is made. Upon becoming entitled to receive shares at the end of the applicable restriction period without a risk of forfeiture, the recipient will recognize ordinary income in an amount equal to the fair market value of the shares at that time. However, a recipient who elects under Section 83(b) of the Code within 30 days of the award of restricted stock will have ordinary taxable income on the date of the award equal to the fair market value of the shares of restricted stock as if the shares were unrestricted and could be sold immediately. If the shares subject to such election are forfeited, the participant will not be entitled to any deduction, refund or loss for tax purposes with respect to the forfeited shares. Upon sale of the restricted stock after the forfeiture period has expired, the holding period to determine whether the recipient has short-term or long-term capital gain or loss begins when the restriction period expires, and the tax basis will be equal to the fair market value of the shares when the restriction period expires. However, if the recipient timely elects to be taxed as of the date of the award, the holding period commences on the date of the award and the tax basis will be equal to the fair market value of the shares on the date of the award as if the shares were then unrestricted and could be sold immediately. M&T Bank Corporation generally will be entitled to a deduction equal to the amount that is taxable as ordinary compensation income to the participant.

Performance Shares. A participant who is awarded performance shares will not recognize income and M&T Bank Corporation will not be allowed a deduction at the time the award is made. When a participant receives payment for performance shares in shares of Common Stock, the fair market value of the shares received will be ordinary income to the participant and will be allowed as a deduction for federal income tax purposes to M&T Bank Corporation. However, if there is a substantial risk that any shares used to pay out earned performance shares will be forfeited (for example, because the Nomination, Compensation and Governance Committee conditions such shares on the performance of future services), the taxable event is postponed until the risk of forfeiture lapses. In this case, the recipient can elect to make a Section 83(b) election under the Code as described above. M&T Bank Corporation would then be entitled

Table of Contents

to take the deduction attributable to such shares at the time ordinary income is recognized by the participant.

Annual Incentive Award. A participant will recognize ordinary income upon receipt of cash pursuant to annual incentive award and M&T Bank Corporation will generally be entitled to a deduction equal to the amount of the ordinary income realized by the recipient.

Parachute Payments. Where payments to an employee that are contingent on a change in control of M&T Bank Corporation exceed limits specified in the Code, the employee generally is liable for a 20% excise tax on, and M&T Bank Corporation generally is not entitled to any deduction for, a specified portion of such payments. If a change in control of M&T Bank Corporation were to occur, an acceleration of vesting of an award pursuant to a change in control would be relevant in determining whether the excise tax and deduction disallowance rules would be triggered.

Transferability of Awards. In general, except to the extent provided by the Nomination, Compensation and Governance Committee in the specific terms of an award or with respect to certain transfers of nonqualified stock options to certain family members for no value or other consideration, no award will be assignable or transferable except by will or by the laws of descent and distribution.

New Plan Benefits. No determination has yet been made as to the amount or terms of any stock-based awards or any future cash awards under the 2005 Incentive Compensation Plan.

Accounting Treatment. In accordance with Statement of Financial Accounting Standards No. 123, Accounting for Stock-Based Compensation, as amended, which was adopted by M&T Bank Corporation effective January 1, 2003, the grant of awards under the 2005 Incentive Compensation Plan will result in a charge against net income and earnings per share for M&T Bank Corporation based on the estimated award date fair value of awards that are expected to vest.

Certain Other Information. For information concerning the compensation of directors and executive officers of M&T Bank Corporation, please refer to the information under the caption COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS. Neither cash nor Common Stock received upon exercise of an option or vesting of restricted stock or performance shares under the 2005 Incentive Compensation Plan will be treated as compensation under any employee benefit plan of M&T Bank Corporation.

The Board of Directors recommends a vote FOR the approval of the M&T Bank Corporation 2005 Incentive Compensation Plan.

The voting requirements with respect to this proposal are specified under the caption VOTING RIGHTS.

PricewaterhouseCoopers LLP billed a total of \$360,058 for the year ended December 31, 2003 primarily related to operational risk consulting and internal audit software licensing fees. All services in this classification billed for the year ended December 31, 2003 were pre-approved by the Audit Committee.

In addition to the above services, PricewaterhouseCoopers LLP directly billed certain common trust funds sponsored by M&T Bank Corporation a total of \$120,500 and \$97,500 for the years ended December 31, 2004 and 2003, respectively, primarily for audits of annual

common trust fund financial statements. The Audit Committee has determined that PricewaterhouseCoopers LLP's provision of professional services is compatible with maintaining its independence. No fees were billed and no services were provided by PricewaterhouseCoopers LLP during 2004 and 2003 for financial information systems design and implementation.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Public Accountant. Beginning for the year ended December 31, 2003, M&T Bank Corporation instituted a policy that the Audit Committee pre-approve all audit and permissible non-audit services provided by the independent public accountant. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally detailed as to the particular service or category of services and is generally subject to a specific budget range. The independent public accountant and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent public accountant in accordance with this pre-approval policy, and the fees for the services performed to date. The Audit Committee may also pre-approve additional services on a case-by-case basis. In the period between meetings of the Audit Committee, the Chair of Audit Committee is authorized to pre-approve such services on behalf of the Audit Committee provided that such pre-approval is reported to the Audit Committee at its next regularly scheduled meeting.

Before selecting PricewaterhouseCoopers LLP, the Audit Committee considered PricewaterhouseCoopers LLP's qualifications as independent public accountants. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, any issues raised by the most recent quality control review of the firm, as well as its reputations for integrity and competence in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that the auditor's independence will not be impaired. The Audit Committee has considered and determined that PricewaterhouseCoopers LLP's provision of non-audit services to M&T Bank Corporation during 2004 is compatible with and did not impair PricewaterhouseCoopers LLP's independence.

The Board of Directors recommends a vote FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the independent public accountant of M&T Bank Corporation for the year ending December 31, 2005.

The voting requirements with respect to this proposal are specified under the caption VOTING RIGHTS.

M&T Bank Corporation believes that these filing requirements were satisfied by its directors and officers, except that John H. Zachau, Jr. was late in filing one report in 2004 relating to a transaction in the Retirement Savings Plan. In making the foregoing statement, M&T Bank Corporation has relied on copies of the reporting forms received by it or on the written representations from such reporting persons that no forms were required to be filed under the applicable rules of the SEC.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Nomination, Compensation and Governance Committee Report on Executive Compensation

Overview of Executive Compensation Policy. A key objective of M&T Bank Corporation is to attract, develop and retain strong executive officers who are capable of maximizing M&T Bank Corporation's performance for the benefit of its stockholders. In furtherance of this objective, the Nomination, Compensation and Governance Committee has adopted a compensation strategy for executive officers which utilizes reasonable salaries, while placing heavy emphasis on the use of variable incentives, such as awards of cash bonuses and grants of stock options, in order to reward longer-term contributions to M&T Bank Corporation's success.

M&T Bank Corporation periodically compares its compensation levels, practices and financial performance to a select group of commercial banking institutions of similar size, geographic market and business makeup. The Nomination, Compensation and Governance Committee considered thirteen commercial banking companies which it believed were reasonably comparable to M&T Bank Corporation's asset size and performance and which were generally located in the northeast or midwest (the comparative group of banks). All thirteen of the commercial banking companies forming the comparative group of banks considered by the Nomination, Compensation and Governance Committee were included in the KBW 50 Index compiled by Keefe, Bruyette & Woods, Inc.

During 2004, M&T Bank Corporation retained the services of Mercer Human Resources Consulting LLC, a human resources consulting firm, to perform a competitive compensation review of its executive officers and certain other senior management employees.

The Nomination, Compensation and Governance Committee meets in January of each year to consider salary determinations, stock option grants and annual incentive awards on account of the prior year's performance.

Salaries. Base salaries of M&T Bank Corporation's executive officers are determined by competitive, market-based pay practices, performance evaluations and expected future contributions. In line with its strategy of emphasizing variable pay, the Nomination, Compensation and Governance Committee generally targets the salaries of M&T Bank Corporation's executive officers at or below the median of the comparative group of banks, while also considering the unique responsibilities and performance of each executive officer. Overall, the Nomination, Compensation and Governance Committee targets the total cash compensation of M&T Bank Corporation's executive officers above the median of the comparative group of banks, commensurate with M&T Bank Corporation's overall performance and the executive officers' attainment of individual objectives.

Annual Executive Incentive Plan. M&T Bank Corporation's executive officers participate in the M&T Bank Corporation Annual Executive Incentive Plan (the Annual Executive Incentive Plan), which was adopted by the Nomination, Compensation and Governance Committee, effective January 1, 1993. The Annual Executive Incentive Plan provides for discretionary grants of cash awards to executive officers out of a fund established annually by the Nomination, Compensation and Governance Committee. In establishing this fund, the Nomination, Compensation and Governance Committee considers M&T Bank Corporation's profitability, as well as the number of participants in the Annual Executive Incentive Plan, and may establish a minimum threshold of net operating earnings after taxes below which no fund will be created. At the end of the year, the Nomination, Compensation and Governance Committee may, in its discretion, increase the size of the

Table of Contents

established fund by no more than 50% to take into account its subjective assessment of management's contribution to M&T Bank Corporation's profitability. Awards under the Annual Executive Incentive Plan are determined on a discretionary basis by the Nomination, Compensation and Governance Committee taking into account M&T Bank Corporation's overall performance, the performance of the strategic business units for which the executive officers are responsible and their individual performance.

Stock Option Awards. Consistent with its objective of attracting, developing and retaining strong executive management, M&T Bank Corporation provides potentially significant long-term incentive opportunities to its executive officers through discretionary grants of stock options under its stock option plan, thereby emphasizing the potential creation of long-term stockholder value and more closely aligning the interests of M&T Bank Corporation's executive officers with those of its stockholders. Stock options are considered effective long-term incentives by the Nomination, Compensation and Governance Committee, because an executive can profit only if the value of the Common Stock increases. In making these grants, the Nomination, Compensation and Governance Committee considers its subjective assessment of M&T Bank Corporation's past financial performance and future prospects, an executive officer's current level of ownership of Common Stock and the number of stock options already held by the executive officer, the period during which an executive officer has been in a key position with M&T Bank Corporation, dilution, the number of shares of Common Stock outstanding, the market value of the Common Stock on the date of grant, individual performance and competitive practices within the comparative group of banks.

2004 Executive Compensation Determinations. At its January 20, 2004 meeting, the Nomination, Compensation and Governance Committee made 2004 salary determinations and stock option grants and annual incentive awards to M&T Bank Corporation's executive officers on account of 2003 performance. The performance factors considered by the Nomination, Compensation and Governance Committee in its 2004 compensation determinations for M&T Bank Corporation's executive officers exceeded predetermined objectives or, where no predetermined level had been set, were deemed to be above industry averages or otherwise exceeded the Nomination, Compensation and Governance Committee's expectations.

The Nomination, Compensation and Governance Committee considered, but did not formally weight, the following factors in connection with the number of stock options granted to each executive officer: the competitive practices within the comparative group of banks; the individual executive officer's position and potential within M&T Bank Corporation; the market value of the Common Stock on the date of grant; the level of past awards of stock options made to each executive officer and their current level of ownership of Common Stock, dilution, the number of shares of Common Stock outstanding and the overall performance of M&T Bank Corporation during the preceding year. At the request of Messrs. Sadler and Wilmers, the Nomination, Compensation and Governance Committee did not award any stock options to either of them in January of 2004. During 2004, the number of stock options grants approved by the Nomination, Compensation and Governance Committee totaled 2,073,118, or 1.80% of the outstanding Common Stock as of December 31, 2004.

At its January 18, 2005 meeting, the Nomination, Compensation and Governance Committee determined that M&T Bank Corporation's net operating earnings after taxes for 2004 exceeded the minimum threshold of profitability which had been previously established by the Nomination, Compensation and Governance Committee, thereby initiating the payment of cash bonuses to its executive officers in February of 2005 under

Table of Contents

the Annual Executive Incentive Plan, but the Nomination, Compensation and Governance Committee did not exercise its discretion to increase the aggregate size of the fund above the predetermined level.

The aggregate amount of the Annual Executive Incentive Plan pool for 2004 and awards to M&T Bank Corporation's executive officers thereunder were reviewed and approved by the Nomination, Compensation and Governance Committee at its January 18, 2005 meeting. The Nomination, Compensation and Governance Committee considered, but did not formally weight, a number of quantitative and qualitative performance factors to evaluate the 2004 performance of executive officers and other employees under the Annual Executive Incentive Plan. The performance factors considered were: growth and composition of earnings; achieving business plans; asset quality; market share; and responsiveness to the economic environment. In determining its discretionary evaluation of the chief executive officer's performance, the Nomination, Compensation and Governance Committee considered, but did not formally weight, certain performance objectives that it established for 2004 related to M&T Bank Corporation's financial plan, including return on assets and return on equity, which were determined to have been substantially met. The Nomination, Compensation and Governance Committee also considered, but did not formally weight, the following performance factors: M&T Bank Corporation's earnings growth and cumulative stockholder return; its asset quality relative to the banking industry as a whole; and market share in key markets and service niches.

The Nomination, Compensation and Governance Committee believes that the total compensation provided to M&T Bank Corporation's executive officers is competitive and reflects M&T Bank Corporation's performance. Also, the Nomination, Compensation and Governance Committee believes that M&T Bank Corporation's compensation programs have helped to focus M&T Bank Corporation's executive officers on increasing M&T Bank Corporation's performance and stockholder value.

Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code) generally denies a deduction to any publicly held corporation for compensation paid to its chief executive officer and its four other highest-paid executive officers to the extent that any such individual's compensation exceeds \$1 million, subject to certain exceptions, including one for performance-based compensation. Generally, the Nomination, Compensation and Governance Committee seeks to maximize executive compensation deductions for federal income tax purposes. However, the Nomination, Compensation and Governance Committee believes that there may be circumstances in which the provision of compensation that is not fully deductible may be more consistent with the compensation philosophy and objectives of M&T Bank Corporation. In 2004, Messrs. Sadler and Wilmers received compensation of approximately \$34,000 and \$67,000, respectively, which was nondeductible under Section 162(m) of the Internal Revenue Code.

This report was prepared by the Nomination, Compensation and Governance Committee of the Board of Directors:

Brent D. Baird

(1) The information presented reflects stock options granted under the 2001 Stock Option Plan.

(2) The stock options granted under the 2001 Stock Option Plan are exercisable in installments that provide vesting of 10% of the optioned stock after the first anniversary of the grant, an additional 20% after the second anniversary, 30% more after the third anniversary, and the remaining 40% after the fourth anniversary. The stock options are subject to

accelerated vesting upon the occurrence of certain defined change in control events that result in either (a) the termination of a Named Executive Officer's employment for any reason other than cause or (b) the substantial reduction of a Named Executive Officer's title, responsibilities or compensation from those in effect prior to the change in control. The acquisition of Allfirst by M&T Bank Corporation did not constitute a change in control event with respect to the stock options granted to the Named Executive Officers or those granted to any other participants under the 1983 Stock Option Plan or the 2001 Stock Option Plan.

(3) Excludes shares of Common Stock subject to stock options granted to directors who are not employees of M&T Bank Corporation. See the discussion under the caption M&T Bank Corporation Directors Fees.

(4) M&T Bank Corporation used a binomial option pricing model to determine the grant date present value of stock options granted in 2004 upon the belief that such model is a reasonable method of estimating the value of the stock options. The estimated value per option was \$22.64 for stock options granted under the 2001 Stock Option Plan on January 20, 2004. Such value was calculated through the use of the following assumptions that apply to each of the respective stock option grants: an option term, based on historical data since inception of the 1983 Stock Option Plan and the 2001 Stock Option Plan, of 6.5 years, representing the estimated period between the grant dates of the options and their exercise dates; an interest rate that represents the yield on a zero-coupon U.S. Treasury security with a maturity date corresponding to that of the adjusted option term; volatility calculated using weekly stock prices for the three-year (156-week) period prior to the grant date; and an estimated dividend yield of 1.31%, calculated using the annualized cash dividend paid on December 31, 2003, and the closing price of the Common Stock on the date the options were granted. M&T Bank Corporation also deducted 8% to reflect an estimate of the probability of forfeiture prior to vesting, based on historical data since the inception of the 1983 Stock Option Plan and the 2001 Stock Option Plan. The actual value an executive may realize will depend upon the excess of the price of the Common Stock over the exercise price on the date the option is exercised. Accordingly, there is no assurance that the value ultimately realized by an executive officer, if any, will approximate the value estimated by the model.

Stock Options Exercised in 2004 and Year-End Values. The following table reflects the number of stock options exercised by the Named Executive Officers in 2004, the total gain realized upon exercise, the number of stock options held at the end of the year, and the realizable gain of the stock options that are in-the-money. In-the-money stock options are stock options with exercise prices that are below the year-end stock price because the stock value increased since the date of the grant. No stand-alone stock appreciation rights are outstanding under any of the stock option plans maintained or administered by M&T Bank Corporation.

(1) The table assumes a straight-life annuity form of payment. The retirement benefits provided under the regular benefit formula of the Pension Plan, as depicted in the table, are not subject to any reduction for Social Security or other offset amounts.

(2) The amounts in the table have not been restricted to those within the maximum annual retirement benefit which is currently permissible under the Code. That limit (the IRS Benefit Limit) is \$170,000 for 2005. Also, in calculating a participant's benefit, annual compensation in excess of a limit set annually by the Secretary of the Treasury may not be considered. That limit (the IRS Compensation Limit) is \$210,000 for 2005.

(3) The amounts shown in the Remuneration column of the table are intended to approximate the average of an employee's highest base annual salary paid during any five consecutive calendar year period in the ten calendar years preceding the employee's retirement.

Compensation taken into account under the Pension Plan for the year ended December 31, 2004 for each of the Named Executive Officers was as follows: Mr. Wilmers \$542,194; Mr. Sadler - \$517,061;; Mr. Brumback \$445,571; Mr. Pinto \$398,044; and Mr. Sheehy \$347,101. For purposes of the Pension Plan, the following Named Executive Officers had the following years of service at year-end 2004: Mr. Wilmers 21 years; Mr. Sadler 20 years; Mr. Brumback 6 years; and Mr. Pinto 19 years. With respect to Mr. Sheehy, his retirement benefit under the Pension Plan is comprised of an accrued benefit of \$1,471 for his 1 year of service with Allfirst and an accrued benefit of \$6,384 for his 2 years of service with M&T Bank Corporation.

Supplemental Retirement Benefits. In addition to retirement benefits under the Pension Plan, M&T Bank has agreed, on an unfunded basis, to pay a supplemental retirement benefit to Mr. Sadler in an amount equal to the difference between 55% of his average annual compensation, as defined in the Pension Plan, but without regard to the IRS Benefit and Compensation Limits, and the amount, if any, payable to him from such plan. The supplemental retirement benefit to be paid to Mr. Sadler is not dependent upon his entitlement to retirement benefits under the Pension Plan; however, the supplemental benefit to be paid to him is reduced by payments which he will receive from the retirement plan of his previous employer. Based on current actuarial assumptions associated with his participation in the Pension Plan, \$215,276 would be payable to Mr. Sadler annually as a supplemental retirement benefit commencing at age 65. An actuarially reduced amount would be payable to him if he elects early retirement.

The M&T Bank Corporation Supplemental Pension Plan (the Supplemental Pension Plan) provides for the payment of supplemental retirement benefits based on a maximum compensation level of \$235,840 to select management and highly compensated employees of certain of M&T Bank Corporation's affiliates whose benefits payable under the Pension Plan are limited by the IRS Compensation Limit. The supplemental benefits are dependent upon a participant's entitlement to benefits under the Pension Plan. A participant's supplemental benefit is equal to the excess of (a) the payment he would have received under the Pension Plan had compensation under that plan been capped at \$235,840 rather than at the IRS Compensation Limit, over (b) the payment actually received under the Pension Plan. Each of the Named Executive Officers is eligible to participate in the Supplemental Pension Plan and, in accordance with the terms of the Supplemental Pension Plan, M&T Bank has agreed, on an unfunded basis, to pay retirement benefits under the Supplemental Pension Plan to each of such Named Executive Officers. With respect to Mr. Sadler, the supplemental benefit under the Supplemental Pension Plan is reduced by the supplemental retirement benefit which M&T Bank has agreed to pay to him in accordance with the preceding paragraph. Based on current actuarial assumptions associated with their participation in the Pension Plan, Mr. Wilmers would have received \$4,832 annually if he had retired as of December 31, 2004, Messrs. Brumback, Pinto and Sheehy would receive annual benefits under the Pension Plan of \$7,907, \$13,178 and \$7,468, respectively, if they retire at age 65, and Mr. Sadler would receive no benefits under the Supplemental Pension Plan. An actuarially increased amount will be payable to Mr. Wilmers when he elects retirement, and an actuarially reduced amount would be payable to Messrs. Pinto, Brumback or Sheehy if any one of them elects early retirement.

Mr. Sheehy was also a participant in the Allfirst Financial Inc. Excess Benefit Plan (the Allfirst Excess Benefit Plan), which was terminated on April 1, 2003 when M&T Bank Corporation acquired Allfirst. The Allfirst Excess Benefit Plan provided for the payment of supplemental retirement benefits to select management and highly compensated employees of Allfirst whose benefits payable under the Allfirst Financial Inc. Pension Plan and Trust (the Allfirst Pension Plan) were limited by the IRS Compensation Limit. The supplemental benefits were dependent upon a participant's entitlement to benefits under the Allfirst Pension Plan. A participant's supplemental benefit was equal to the excess of (a) the payment the participant would have received under the Allfirst Pension Plan had compensation not been capped at the IRS Compensation Limit over (b) the payment actually received under the Allfirst Pension Plan. At the time the Allfirst Excess Benefit Plan was terminated, Mr. Sheehy had earned an annual benefit of \$2,623, payable at age 65. An actuarially reduced amount would be payable to Mr. Sheehy if he elects early retirement.

Effective April 1, 2004, the annual retainer for directors of M&T Bank Corporation who are not also salaried officers of M&T Bank Corporation or its subsidiaries was increased from \$15,000 to \$20,000, and the attendance fee for each meeting of the Board of Directors attended was increased from \$1,000 to \$2,000. Also effective April 1, 2004, the Board of Directors determined that members of the Audit Committee (other than the chair) should receive an additional annual retainer of \$5,000, and that the chair of the Audit Committee should receive an additional annual retainer of \$15,000. The attendance fee for committee meetings of the Board of Directors of M&T Bank Corporation was also increased as of April 1, 2004 from \$750 to \$1,000, except for the Audit Committee, for which its attendance fee was increased from \$1,000 to \$3,000. All directors of M&T Bank Corporation are entitled to reimbursement for travel expenses incidental to their attendance at meetings.

The Board of Directors determined, effective April 1, 2004, to eliminate its prior limitation on total compensation of \$40,000 per year for services as a director or advisory director of M&T Bank Corporation and its subsidiaries. Pursuant to the terms of the Directors Stock Plan, each director must elect to have either 50 or 100 percent of his or her annual compensation for services as a director or advisory director of M&T Bank Corporation and its subsidiaries paid in the form of Common Stock. The number of shares of Common Stock paid is determined by dividing the amount of such compensation payable in shares of Common Stock by the closing price of a share of Common Stock on the New York Stock Exchange on the business day immediately preceding the day the compensation is payable.

In connection with its acquisition of Allfirst on April 1, 2003, the Boards of Directors of M&T Bank Corporation and M&T Bank determined that the fees (retainer, attendance or otherwise) of any director who serves as a designee of AIB on the Boards of Directors of M&T Bank Corporation or M&T Bank shall be paid to AIB if such director is a salaried officer or employee of AIB or any of its subsidiaries or affiliates, and that all such fees shall be paid in the form of cash notwithstanding the terms of the Directors Stock Plan. As a result, the directors fees (retainer, attendance or otherwise) attributable to Messrs. Buckley s and Kennedy s service as directors are paid in cash to AIB.

In connection with its acquisition of East New York on December 24, 1987, M&T Bank Corporation agreed, pursuant to the terms of the acquisition agreement with East New York, to grant to persons who became directors of M&T Bank Corporation and its subsidiaries upon M&T Bank Corporation s acquisition of East New York, on an annual basis, nonqualified stock options to purchase shares of the Common Stock having an aggregate fair market value on the date of grant equal to the aggregate amount of the director s current annual retainer and board and committee meeting fees in the last full calendar year preceding the date of grant, which aggregate amount was limited to \$40,000 per year. Effective April 1, 2004, Mr. Callan was given the option of choosing between being compensated for his service as a director of M&T Bank Corporation and its subsidiaries under the terms of the acquisition agreement between M&T Bank Corporation and East New York or pursuant to the director fee structure adopted as of April 1, 2004. Mr. Callan elected to be compensated under the new director fee structure, but he remains entitled to stock option grants on account of the any annual retainer and board and committee meeting fees earned prior to such election. As a result, during 2004, Mr. Callan was granted an option covering 435 shares with an exercise price of \$91.75 per share. M&T Bank Corporation has also agreed, subject to its fiduciary duties, to cause each East New York director to become a member of the Directors Advisory Council of the New York City Division of M&T Bank until the earlier of such director s 75th birthday or resignation and to ensure that each such member would receive compensation equivalent to the compensation received as a

director of East New York. Mr. Callan served as a member of the Directors Advisory Council of the New York City Division of M&T Bank under such agreement and received an annual retainer of \$18,000 and a fee of \$1,250 for each council meeting and each Mortgage Investment Committee meeting attended.

In connection with the execution of the merger agreement with Premier, M&T Bank Corporation entered into a five-year consulting agreement with Mr. Cunningham that was effective on February 9, 2001 pursuant to which he receives a payment of \$125,000 per year, the use of an office and a company-owned automobile, life insurance coverage substantially equivalent to that provided to executive officers of M&T Bank Corporation, and the reimbursement of expenses incurred in connection with the performance of his services. Mr. Cunningham's agreement also provides for the establishment of a retirement benefit determined using the same formula used by M&T Bank Corporation under the Pension Plan. The total amount received by Mr. Cunningham in 2004 pursuant to his consulting agreement was \$133,344.

M&T Bank Directors Fees. Directors of M&T Bank Corporation who also serve as directors of M&T Bank or its subsidiaries, if not salaried officers of M&T Bank Corporation or its subsidiaries, receive attendance fees for each board, council or committee meeting attended, unless any such meeting is held concurrently with board or committee meetings of M&T Bank Corporation. Except as described below, such attendance fees are identical to the schedule of fees paid to directors of M&T Bank Corporation for board and committee meetings attended.

Mr. Baird, as a member of the Directors Advisory Council of the New York City Division of M&T Bank, receives an annual retainer of \$10,000 and a fee of \$1,250 for each such meeting attended by him; Mr. Bennett, as a member of the Directors Advisory Council of the Syracuse Division of M&T Bank, receives an annual retainer of \$11,000 and a fee of \$600 for each such meeting attended by him; Mr. Carballada, as the chairman of the Directors Advisory Council of the Rochester Division of M&T Bank, receives a fee of \$2,000 for each such meeting attended by him; and Mr. Cunningham, as the chairman of the Directors Advisory Council of the Hudson Valley Division of M&T Bank, receives an annual retainer of \$3,000 and a fee of \$500 for each such meeting attended by him. All such directors of M&T Bank and its subsidiaries are entitled to reimbursement for travel expenses incidental to their attendance at meetings.

M&T Bank has entered into an arrangement with Mr. Carballada pursuant to which Mr. Carballada provides consulting services with respect to a variety of matters affecting its business in the Rochester, New York area. Mr. Carballada receives a payment of \$2,625 per month for such services, the payment by M&T Bank of certain club membership dues and fees, and reimbursement of expenses incurred in connection with the performance of his services. The total amount received by Mr. Carballada in 2004 pursuant to this arrangement was \$45,109.

TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

M&T Bank leases its Altoona, Pennsylvania operations buildings at an aggregate annual rental of \$519,534 from a limited partnership in which Mr. Devorris has a 50 percent interest. These leases generally terminate on or after March 17, 2005. These leases are believed to be on comparable terms for agreements for similar space similarly situated.

Mr. Wilmers is the beneficial owner of a 50 percent interest in certain entities that are unaffiliated with M&T Bank Corporation that own commercial aircraft which are leased to a commercial aviation service. From time to time, M&T Bank charters planes from the aviation service for business use by Mr. Wilmers. M&T Bank paid \$372,945 to the aviation service for use of the aircraft in 2004. M&T Bank has

determined that the fees paid to the aviation service for such business use of the aircraft are fair and competitive.

Directors and executive officers of M&T Bank Corporation and their associates are, as they have been in the past, customers of, and have had transactions with, the banking and other operating subsidiaries of M&T Bank Corporation, and additional transactions may be expected to take place in the future between such persons and subsidiaries. Any loans from M&T Bank Corporation's subsidiary banks to such persons and their associates outstanding at any time since the beginning of 2004 were made in the ordinary course of business of the banks or other subsidiaries on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than normal risk of collectibility or present other unfavorable features.

CORPORATE GOVERNANCE OF M&T BANK CORPORATION

The Board of Directors believes that the purpose of corporate governance is to ensure that stockholder value be maximized in a manner consistent with legal requirements and the highest standards of ethics and integrity. Recognizing the importance of corporate governance, the Board of Directors adopted corporate governance standards in July 1997 and has consistently adhered to corporate governance practices that the Board of Directors and executive management believe promotes this purpose. The Board of Directors has evaluated and approved its corporate governance standards on an annual basis since their adoption, and in October 2003, adopted new Corporate Governance Standards as a result of new SEC and New York Stock Exchange requirements.

In February 2004, the Board of Directors enhanced its Corporate Governance Standards by, among other things, establishing a policy with regard to directors' attendance at annual meetings of stockholders and a process for stockholders to send communications to the Board of Directors. The current Corporate Governance Standards are available on the Investor Relations section of M&T Bank Corporation's website at ir.mandtbank.com/corpgov.cfm. The Corporate Governance Standards address the qualifications and responsibilities of directors, board committee charters, a corporate disclosure policy, controls and procedures regarding financial reporting and disclosure, and separate codes of ethics for all employees and the chief executive officer and senior financial officers.

The Board of Directors has designated the Nomination, Compensation and Governance Committee to discharge the Board of Directors' responsibilities with respect to compensation, director nominations and corporate governance matters.

BOARD OF DIRECTORS, COMMITTEES OF THE BOARD AND ATTENDANCE

Board of Directors, Determination of Independence and Attendance. Pursuant to the Corporate Governance Standards, the Board of Directors undertook a review of director independence in February 2004. As a result of that review, the Board of Directors determined that 20 of its 26 members met the New York Stock Exchange standard for independence and continue to do so. Of the 24 nominees standing for election as directors at the 2005 Annual Meeting of Stockholders, all of whom are currently serving as such, 18 of them meet the New York Stock Exchange standard for independence. In making determinations of independence, the Board of Directors uses categorical standards to assist it in making independence determinations. Under these standards, absent other material relationships with M&T Bank Corporation that the Board of Directors believes to jeopardize a director's independence from management, a director will be independent unless the director or any of his or her immediate family members had any of the following relationships with M&T Bank

Table of Contents

Corporation: employment during any of the past three years (as an executive officer in the case of family members); the receipt of more than \$100,000 per year in direct compensation (other than director fees and pension or other forms of deferred compensation for prior service not contingent upon continued service) during any of the past three years; affiliation or employment with a present or former internal or external auditor during any of the past three years; employment with another company where any executive officers of M&T Bank Corporation serve on that company's compensation committee during any of the past three years; being an executive officer of a charitable organization to which M&T Bank Corporation contributed the greater of \$1 million or 2% of such charitable organization's consolidated gross revenues in any single fiscal year during the preceding three years; or being an executive officer of a company that makes payments to, or receives payments from, M&T Bank Corporation for property or services in a fiscal year in an amount in excess of the greater of \$1 million or two percent (2%) of such other company's consolidated gross revenues. In addition, if any business relationship described in the last clause of the preceding sentence is a lending relationship, deposit relationship, or other banking or commercial relationship between M&T Bank Corporation, on the one hand, and an entity with which the director or family member is affiliated by reason of being a director, officer or a significant shareholder thereof, on the other hand, such relationships must meet the following criteria: (1) it must be in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons; and (2) with respect to extensions of credit by M&T Bank Corporation to such entity: (a) such extensions of credit have been made in compliance with applicable law, including Regulation O of the Board of Governors of the Federal Reserve and Section 13(k) of the Exchange Act and (b) no event of default has occurred and is continuing beyond any period of cure.

The Board of Directors considers all relevant facts and circumstances and the application of the categorical standards and, based on its review of this information, affirmatively determined that the directors identified below as independent do not have any material relationships with M&T Bank Corporation.

Following are the names of each current member of the Board of Directors for whom an affirmative determination of independence has been made:

William F. Allyn	James V. Glynn
Brent D. Baird	Derek C. Hathaway
Robert J. Bennett	Daniel R. Hawbaker
C. Angela Bontempo	Patrick W.E. Hodgson
Robert T. Brady	Gary Kennedy
Michael D. Buckley	Richard G. King
Patrick J. Callan	Reginald B. Newman, II

The Board of Directors held four meetings during 2004. Each of the directors attended at least 75% of the total number of meetings of the Board of Directors and of the committees on which the director served that were held during the time such individual served as a director or a committee member.

It is the policy of M&T Bank Corporation that all members of the Board of Directors attend its Annual Meetings of Stockholders, absent exigent circumstances where they are not available. Of the 24 nominees standing for election as directors at the 2005 Annual Meeting of Stockholders, all but two attended last year's annual meeting of stockholders.

Audit Committee. In addition to selecting the independent public accountant, the Audit Committee serves as the examining committee for M&T Bank, N.A. and reviews the activities of the Examining Committee of M&T Bank, the audit plan and scope of work of M&T Bank Corporation's independent public accountant, the results of the annual audit and the limited reviews of quarterly financial information, the recommendations of the independent public accountant with respect to internal controls and accounting procedures, and any other matters it deems appropriate. Ms. Bontempo (Chair) and Messrs. Allyn, Glynn, Hathaway and Hodgson served as members of the Audit Committee throughout 2004, and all of them are currently serving as such. From time to time, Audit Committee meetings may be attended by other members of the Board of Directors, employees of M&T Bank Corporation, representatives of the independent public accountant or other outside advisors as the Audit Committee requests or deems necessary, useful or appropriate in its sole discretion.

The Board of Directors has determined that the members of the Audit Committee have no financial or personal ties to M&T Bank Corporation (other than director compensation, equity ownership and transactions made in the ordinary course of business with its banking and other operating subsidiaries as described in this Proxy Statement) and meet both the New York Stock Exchange and Exchange Act standards for independence. In addition, the Board of Directors has determined that each member of the Audit Committee is financially literate, and that at least one member of the Audit Committee meets the New York Stock Exchange standard of having accounting or related financial management expertise. In addition, the Board of Directors has determined that Ms. Bontempo and Messrs. Hathaway and Hodgson are each an audit committee financial expert and as described in the preceding sentence, are independent of management.

The Audit Committee operates pursuant to a written charter, a current copy of which was an appendix to the last year's proxy statement. The Audit Committee Charter can also be viewed on M&T Bank Corporation's website at ir.mandtbank.com/corpgov.cfm. The Audit Committee Charter gives the Audit Committee the authority and responsibility for the appointment, retention, compensation and oversight of the independent public accountant, including pre-approval of all audit and non-audit services to be performed by the independent public accountant. The Audit Committee Charter also gives the committee authority to fulfill its obligations under SEC and New York Stock Exchange requirements.

The Audit Committee has reexamined and again approved the adequacy of its charter, a copy of which was an appendix to the proxy statement issued by M&T Bank Corporation relating to its 2004

The Nomination, Compensation and Governance Committee is responsible for, among other things, evaluating the efforts of M&T Bank Corporation and of the Board of Directors to maintain effective corporate governance practices and identifying candidates for election to the Board of Directors. Nominations from stockholders, properly submitted in writing to M&T Bank Corporation's Corporate Secretary at One M&T Plaza, Buffalo, New York 14203, and received no later than 120 days prior to the anniversary of the date on which M&T Bank Corporation first mailed its proxy materials for the preceding year's annual meeting of stockholders, will be referred to the Nomination, Compensation and Governance Committee for consideration. For next year's annual meeting of stockholders, M&T Bank Corporation must receive this notice on or before November 4, 2005.

In considering nominees for director, including those recommended by stockholders, the Nomination, Compensation and Governance Committee reviews the qualifications and independence of the potential nominee in light of the current members of the Board of Directors and its various committees as well as the composition of the Board of Directors as a whole. This assessment includes the potential nominee's qualification as independent, as well as consideration of diversity, age, skills, and experience in the context of the needs of the Board of Directors.

The current Board of Directors of M&T Bank Corporation is comprised of persons who were identified as being qualified director candidates by management and the Board of Directors. The Nomination, Compensation and Governance Committee considers nominees for director that are recommended by various persons or entities, including, but not limited to, non-management directors, the chief executive officer and other executive officers of M&T Bank Corporation, and stockholders. In addition, the Nomination, Compensation and Governance Committee

must take into account any contractual rights that persons or entities have with respect to nominees

for director. In evaluating all nominees for director, including those recommended by stockholders, the Nomination, Compensation and Governance Committee considers whether each nominee has all the requisite experience, attributes and qualifications for board membership and not just certain specific qualities or skills.

The Nomination, Compensation and Governance Committee also is responsible for administering M&T Bank Corporation's stock option plans, including the 2005 Incentive Compensation Plan, if approved by the stockholders, and awarding new grants thereunder, for administering the Annual Executive Incentive Plan, the Directors' Stock Plan, the M&T Bank Corporation Employee Stock Purchase Plan and, in addition, for making such determinations and recommendations as the Nomination, Compensation and Governance Committee deems necessary or appropriate regarding the remuneration and benefits of employees of M&T Bank Corporation and its subsidiaries. Pereira (Chairman), Baird, Brady and Buckley served as members of the Nomination, Compensation and Governance Committee throughout 2004, and all of them are currently serving as such.

The Board of Directors has determined that the members of the Nomination, Compensation and Governance Committee have no financial or personal ties to M&T Bank Corporation (other than director compensation, equity ownership and transactions made in the ordinary course of business with its banking and other operating subsidiaries as described in this Proxy Statement) and meet the New York Stock Exchange standard for independence.

The Nomination, Compensation and Governance Committee operates pursuant to a written charter that was enhanced by the Board of Directors in February 2004 to establish a policy with regard to its consideration of nominees for director that are recommended by stockholders. The Nomination, Compensation and Governance Committee Charter is available on the Investor Relations section of M&T Bank Corporation's website at ir.mandtbank.com/corpgov.cfm.

3.2 **Decisions Binding.** Subject to the provisions of this Plan, the Committee shall have plenary authority to interpret this Plan and Award Agreements, prescribe, amend and rescind rules and regulations relating to them, and make all other determinations deemed necessary or advisable for the administration of this Plan and Awards granted hereunder. All determinations and decisions made by the Committee pursuant to the provisions of the Plan or by an appropriately delegated officer pursuant to delegated authority under the provisions of the Plan and all related orders or resolutions of the Board of Directors shall be final, conclusive and binding on all persons, including the Company and its Affiliates, its stockholders, employees, and Participants, Eligible Persons, and their estates and beneficiaries, and such determinations and decisions shall not be reviewable. In addition to such other rights of indemnification as they may have as members of the Board or Committee, the Company shall indemnify members of the Committee against all reasonable expenses, including attorneys' fees, actually and reasonably incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with this Plan or any Award granted hereunder, and against all amounts reasonably paid by them in settlement thereof or paid by them in satisfaction of a judgment in any such action, suit or proceeding, if such members acted in good faith and in a manner which they believed to be in, and not opposed to, the best interests of the Company.

Article 4
Common Stock Subject to Plan

4.1 Number of Shares.

(a) Subject to adjustment as provided in Section 4.2, the aggregate number of Shares that may be delivered under this Plan shall not exceed (i) 6,000,000 Shares, plus (ii) the number of Shares that remain available for issuance under the M&T Bank Corporation 2001 Stock Option Plan as of the Effective Date (increased by any Shares subject to any award (or portion thereof) outstanding under the M&T Bank Corporation 2001 Stock Option Plan (the Predecessor Plan) on the Effective Date which are not issued upon or due to the subsequent exercise, termination, expiration, forfeiture or lapse of such award). Shares issued under the Plan may consist, in whole or in part, of authorized and unissued Shares or Shares that shall have been, or may be, reacquired by the Company in the open market, in private transactions, or otherwise. To the extent that Shares subject to an outstanding Award or an award under the Predecessor Plan are not issued by reason of the forfeiture, termination, surrender, cancellation or expiration while unexercised of such award, by reason of the tendering or withholding of Shares (by either actual delivery or by attestation) to pay all or a portion of the purchase price or to satisfy all or a portion of the tax withholding obligations relating to an Award or an award under the Predecessor Plan, by reason of being settled in cash in lieu of Common Stock or settled in a manner such that some or all of the Shares covered by the Award or an award under the Predecessor Plan are not issued to a Participant, then such Shares shall immediately again be available for issuance under this Plan. The Committee may from time to time adopt and observe such procedures concerning the counting of Shares against the Plan maximum as it may deem appropriate.

Table of Contents

(b) Shares issued in connection with awards that are assumed, converted or substituted pursuant to a merger, acquisition or similar transaction entered into by the Company or any of its Affiliates shall not reduce the number of Shares available for issuance under this Plan.

(c) Subject to adjustment as provided in Section 4.2, the following limitations shall apply to Awards under the Plan:

(i) All of the Shares that may be issued under this Plan may be issued pursuant to Options granted hereunder, provided that the number of Shares that may be issued under this Plan pursuant to Options which are Incentive Stock Options shall be limited to 3,000,000 Shares.

(ii) With respect to Awards other than Options, not more than 25% of the total number of Shares that may be issued under this Plan may be issued pursuant to such other Awards.

(iii) The maximum number of Shares with respect to which a single Participant may be granted Awards under this Plan during any calendar year is 200,000 Shares. The maximum number of Shares with respect to which an Employee has been granted Awards shall be determined in accordance with Section 162(m) of the Code.

4.2 Capital Events and Adjustments. In the event of (i) a stock dividend, stock split, reverse stock split, share combination, or recapitalization or similar event affecting the capital structure of the Company (each, a Share Change), or (ii) a merger, consolidation, acquisition of property or shares, separation, spin-off, reorganization, stock rights offering, liquidation, Disaffiliation, or similar event affecting the Company or any of its Subsidiaries (each, a Corporate Transaction), the Committee or the Board may in its discretion make such substitutions or adjustments as it deems appropriate and equitable to (A) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (B) the various maximum limitations set forth in Article 4 upon certain types of Awards and upon the grants to individuals of certain types of Awards, (C) the number and kind of Shares or other securities subject to outstanding Awards; and (D) the exercise price of outstanding Stock Options. In the case of Corporate Transactions, such adjustments may include, without limitation, (1) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion (it being understood that in the case of a Corporate Transaction with respect to which substantially all stockholders of Shares receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of an Option shall for this purpose be deemed to equal the excess, *if any*, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the exercise price of such Option shall conclusively be equitable and appropriate); (2) the substitution of other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards; and (3) in connection with any Disaffiliation, arranging for the assumption of Awards, or replacement of Awards with new awards based on other property or other securities (including, without limitation, other securities of the Company and securities of entities other than the Company), by the affected Affiliate, or division or by the entity that controls such Affiliate or division following such

Disaffiliation (as well as any corresponding adjustments to Awards that remain based upon Company securities).

Article 5
Eligibility and Participation

5.1 Eligibility. Awards may be granted only to Eligible Persons.

5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may from time to time select those Eligible Persons to whom Awards shall be granted and determine the nature and amount of each Award. No Eligible Person shall have any right to be granted a subsequent Award under this Plan if previously granted an Award.

Article 6
Options

6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Eligible Persons at any time and from time to time as shall be determined by the Committee. The Committee shall have the sole discretion, subject to the terms of the Plan, to determine the actual number of Shares subject to Options granted to any Participant. The Committee may grant any type of Option to purchase Common Stock that is permitted by law at the time of grant including, but not limited to, ISOs and NQSOs; provided, however, that ISOs may only be granted to Eligible Persons who are Section 422 Employees on the Date of Grant. The Committee may, in its discretion, condition the grant or vesting of an Option upon the achievement of one or more specified Performance Goals.

6.2 Option Agreement. Each Option granted under this Plan shall be evidenced by an Award Agreement that identifies the Option as either a NQSO or an ISO, and specifies the terms and conditions of the Option. Options shall be subject to the terms and conditions set forth in this Article 6 and such other terms and conditions not inconsistent with this Plan as the Committee may specify. Unless the Award Agreement specifies that the Option is intended to be an ISO within the meaning of Section 422 of the Code, the Option shall be a NQSO the grant of which is not intended to be subject to the provisions of Code Section 422.

6.3 Option Price. The Exercise Price of an Option granted under this Plan shall be determined by the Committee but shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant. Notwithstanding the authority granted to the Committee pursuant to Section 3.1 of the Plan, once an Option is granted, the Committee shall have no authority to reduce the Exercise Price, nor may any Option granted under the Plan be surrendered to the Company as consideration for the grant of a new Option with a lower exercise price without the approval of the Company's stockholders, except pursuant to Section 4.2 of the Plan related to an adjustment in the number of Shares.

6.4 Option Period. The Committee shall determine the Option Period for an Option, which shall be specifically set forth in the Award Agreement; provided, however, that no Option shall be exercisable after ten years (five years in the case of an Incentive Stock Option granted to a Ten-Percent Stockholder on the Date of Grant) from its Date of Grant.

Table of Contents

6.5 Exercise of Options. To the extent exercisable and not expired, forfeited, cancelled or otherwise terminated, Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as provided in the Award Agreement, which need not be the same for all Participants. The Committee may at any time accelerate the exercisability of any Option.

6.6 Payment of Exercise Price. To the extent exercisable and not expired or forfeited, cancelled or otherwise terminated, Options shall be exercised by the delivery of a written notice to the Company setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment of the Exercise Price for the Options. The Exercise Price upon exercise of any Option shall be payable to the Company in full either (a) in cash or its equivalent, including, but not limited to, to the extent permitted by applicable law, delivery of a properly completed exercise notice, together with irrevocable instructions to a broker to promptly deliver to the Company the amount of sale proceeds from the sale of the Shares subject to the Option exercise or to deliver loan proceeds from such broker to pay the exercise price and any withholding taxes due, (b) by delivery or deemed delivery through attestation of Previously-Acquired Shares having a Fair Market Value at the time of exercise equal to the total Exercise Price, (c) by a combination of (a) and (b), or (d) such other methods as the Committee deems appropriate. The proceeds from such a payment shall be added to the general funds of the Company and shall be used for general corporate purposes. As soon as practicable after receipt of written notification and payment, the Company shall deliver to the Participant stock certificates in an appropriate amount based upon the number of Options exercised, issued in the Participant's name. No Shares shall be delivered pursuant to the exercise of an Option until the Exercise Price therefor has been fully paid and applicable taxes have been withheld. Except as otherwise provided in Section 6.9 below, the applicable Participant shall have all of the rights of a stockholder of the Company holding the class or series of Shares that is subject to the Option (including, if applicable, the right to vote the applicable Shares and the right to receive dividends), when the Participant (i) has given written notice of exercise, (ii) if requested, has given the representation described in Section 16.7, and (iii) has paid in full for such Shares.

6.7 Special Provisions Applicable to Incentive Stock Options. To the extent provided or required under Section 422 of the Code or regulations thereunder (or any successor Section or regulations) the Award of Incentive Stock Options shall be subject to the following:

(a) In the event that the aggregate Fair Market Value of the Common Stock (determined at the time the Options are granted) subject to ISOs held by a Participant that first becomes exercisable during any calendar year exceeds \$100,000 then the portion of such ISOs equal to such excess shall be NQSOs.

(b) An Incentive Stock Option granted to an Employee who, on the Date of Grant is a Ten-Percent Stockholder, shall have an Exercise Price which is not less than 110% of the Fair Market Value of a Share on the Date of Grant.

(c) No ISO granted to an employee who, at the time of grant, has (within the meaning of Section 424(d) of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, shall be exercisable later than the fifth (5th) anniversary date of its grant.

Table of Contents

6.8 Nontransferability of Options. No Option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than (i) by will or by the laws of descent and distribution or (ii) in the case of a Nonqualified Stock Option, as otherwise expressly permitted by the Committee including, if so permitted, pursuant to a transfer to the Participant's family members, whether directly or indirectly or by means of a trust or partnership or otherwise. For purposes of this Plan, unless otherwise determined by the Committee, family member shall have the meaning given to such term in General Instructions A.1(a)(5) to Form S-8 under the Securities Act of 1933, as amended, and any successor thereto. Any Option shall be exercisable, subject to the terms of this Plan, only by the applicable Participant, the guardian or legal representative of such Participant, or any person to whom such Option is permissibly transferred pursuant to this Section 6.8, it being understood that the term Participant includes such guardian, legal representative and other transferee; provided, however, that the term Termination of Employment shall continue to refer to the Termination of Employment of the original Participant.

Article 7
Restricted Stock

7.1. Grant of Restricted Stock. Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Restricted Stock under the Plan to such Eligible Persons and in such amounts and on such terms and conditions as it shall determine.

7.2. Nature of Awards. Shares of Restricted Stock are actual Shares issued to a Participant, and shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates. Any certificate issued in respect of Shares of Restricted Stock shall be registered in the name of the applicable Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award.

7.3. Restricted Stock Agreement. Each grant of Restricted Stock under this Plan shall be subject to an Award Agreement specifying the terms and conditions of the Award. The terms and conditions may provide, in the discretion of the Committee, for the lapse of transfer restrictions or forfeiture provisions to be contingent upon the continued performance of services and/or the achievement of one or more specified Performance Goals. The Period of Restriction applicable to shares of Restricted Stock shall be at least three years following the date of grant; provided, however, that a Period of Restriction of at least one year following the date of grant is permissible if vesting is conditioned upon the achievement of Performance Goals, and provided, further that an award of Restricted Stock may vest in part prior to the expiration of any Period of Restriction.

7.4. Transferability. Shares of Restricted Stock granted under the Plan may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the termination of the applicable Period of Restriction.

7.5. Other Restrictions. The Committee shall impose such other restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable and the Committee may legend certificates representing Restricted Stock or record stop transfer orders with respect to uncertificated Shares to give appropriate notice of such restrictions.

Table of Contents

7.6. End of Period of Restriction. Except as otherwise provided in this Article 7, after the last day of the Period of Restriction, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant. Once the Shares are released from the restrictions, the Participant shall be entitled to have the legend or stop transfer order removed. If delivery of Shares is to be made on a deferred basis, the Committee may provide for the crediting or payment of interest during the deferral period.

7.7. Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless otherwise specified in the applicable Award Agreement.

7.8. Dividends and Other Distributions. Except as otherwise provided by the Committee and subject to the provisions of Section 4.2, during the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder shall be entitled to receive all dividends and other distributions paid with respect to such Shares. Except as otherwise provided by the Committee, all dividends and other distributions described in this Section 7.8 shall be subject to the same restrictions on transferability and forfeiture as the Shares of Restricted Stock with respect to which they were paid.

Article 8
Performance Shares

8.1. Grant of Performance Shares. Subject to the terms and conditions of the Plan, Performance Shares may be granted to Eligible Persons at any time and from time to time as shall be determined by the Committee. The Committee shall have complete discretion in determining the number of Performance Shares granted to each Participant and the terms and conditions thereof.

8.2. Value of Performance Shares. The Committee shall set Performance Goals over certain periods to be determined in advance by the Committee (Performance Periods). Prior to each grant of Performance Shares, the Committee shall establish an initial number of Shares for each Performance Share granted to each Participant for that Performance Period. Prior to each grant of Performance Shares, the Committee also shall set the Performance Goals that will be used to determine the extent to which the Participant receives a number of Shares for the Performance Shares awarded for such Performance Period. With respect to the Performance Goals utilized during a Performance Period, the Committee may assign percentages to various levels of performance which shall be applied to determine the extent to which the Participant shall receive a distribution of Shares in respect of Performance Shares awarded.

8.3. Payment of Performance Shares. After a Performance Period has ended, the holder of a Performance Share shall be entitled to receive a distribution of Shares in respect of Performance Shares awarded, at the level and on the terms and conditions determined by the Committee. In addition, with respect to Performance Shares granted to any Covered Employee, no distribution of Shares shall be made hereunder except upon the Committee's written certification of the extent to which the applicable Performance Goal or Goals have been satisfied.

8.4. Committee Discretion to Adjust Awards. Subject to limitations applicable to payments to Covered Employees, the Committee shall have the authority to modify, amend or adjust

the terms and conditions of any Performance Share award, at any time or from time to time, including but not limited to the Performance Goals.

8.5. Nontransferability. No Performance Shares granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, otherwise than by will or by the laws of descent and distribution until the termination of the applicable Performance Period.

Article 9

Annual Incentive Awards

The Committee may from time to time, subject to the provisions of the Plan and such other terms and conditions as the Committee may determine, grant Annual Incentive Awards to Employees, including, but not limited to, Covered Employees. Each such Award shall provide that:

(a) Amounts earned by and paid to Participants under Annual Incentive Awards will be based upon achievement of Performance Goals over a one-year Performance Period or such shorter period as established by the Committee, which for a Covered Employee shall not be inconsistent with Section 162(m) of the Code, subject to the Committee's authority to reduce, but not increase, such amount.

(b) The maximum amount any Participant may earn under an Annual Incentive Award for any calendar year shall not exceed \$2,000,000.

(c) Annual Incentive Awards shall be paid in cash, subject to the Committee providing that all or a portion of any such amount may be paid in Shares.

Article 10

Termination of Employment or Services as a Participant

10.1. Termination of Employment or Service Other Than Due to Death, Disability, Cause or Retirement. Subject to Section 10.4 below, if the employment or service of a Participant shall terminate for any reason other than death, Disability, Cause or Retirement :

(a) Each vested Option held by the Participant may be exercised on or before the earlier of (i) the expiration date of the Option or (ii) a period of 90 days following the date of termination, except for a Resignation where such period shall be 30 days following the date of termination. Any Option that is unvested as of the date of termination that is held by the Participant shall be immediately cancelled and terminated;

(b) Any unvested shares of Restricted Stock, still subject to restrictions as of the date of such termination, shall automatically be forfeited and returned to the Company or cancelled, as applicable;

(c) All Performance Shares shall be forfeited and no payment shall be made with respect thereto; and

(d) No amounts shall be earned or payable under any Annual Incentive Award, except as may be otherwise determined by the Committee.

Table of Contents

10.2. Termination Due to Death, Disability or Retirement. Subject to Section 10.4 below, in the event the employment or service of a Participant is terminated by reason of death, Disability or Retirement:

(a) Each Option held by the Participant (whether or not exercisable prior to the date of termination) may be exercised on or before the earlier of (i) the expiration date of the Option or (ii) one year following the date of termination due to death, Disability or Retirement;

(b) Any remaining Period of Restriction applicable to Restricted Stock, where vesting is not conditioned upon the achievement of Performance Goals, shall automatically terminate and the Shares of Restricted Stock shall thereby be free of restrictions and be fully transferable;

(c) Each Restricted Stock Award where vesting is conditioned upon the achievement of Performance Goals and each Performance Share Award held by the Participant shall be deemed earned on a prorated basis based on the Participant's number of full months of service during the Performance Period and the achievement of the Performance Goals during the Performance Period, as determined by the Committee. The Period of Restriction applicable to each such Restricted Stock Award shall terminate and such Shares of Restricted Stock shall become free of restrictions and be freely transferable when the Period of Restriction applicable to Participants who did not terminate service during the Performance Period terminates, and each such Performance Share Award shall be settled at the time payments of Shares are made to Participants who did not terminate service during the Performance Period; and

(d) No amounts shall be earned or payable under any Annual Incentive Award, except as may be otherwise determined by the Committee.

10.3. Termination for Cause. Subject to Section 10.4, in the event of a Termination of Employment of a Participant by the Company for Cause, any Awards then held by a Participant shall be immediately forfeited by the Participant and cancelled.

10.4. Effect of Termination of Employment or Service. The consequences on each Award held by a Participant in the event of Termination of Employment shall be as determined by the Committee and set forth in the applicable Award Agreement and any amendment or modification thereof, which consequences may differ from the provisions of Sections 10.1, 10.2 and 10.3 above. To the extent the applicable Award Agreement or an amendment or modification thereof does not expressly provide for such disposition, the disposition of the Award shall be determined in accordance with Sections 10.1, 10.2 or 10.3.

Article 11
Change in Control

11.1. Stock-Based Awards. Notwithstanding any other provisions of the Plan, and except as otherwise provided in the Award Agreement, in the event of a Change in Control, any Options outstanding which are not then exercisable and vested shall become fully exercisable and vested, the restrictions and deferral limitations applicable to any Restricted Stock shall lapse, and such Restricted Stock shall become free of all restrictions and become fully vested and transferable.

Table of Contents

11.2. Performance-Based Awards. Notwithstanding any other provisions of the Plan, and except as otherwise provided in the Award Agreement, in the event of a Change in Control, all Awards granted under this Plan which are subject to Performance Goals shall be immediately paid out, including Performance Shares. The amount of the payout shall be based on the extent, as determined by the Committee, to which Performance Goals, established for the Performance Period then in progress have been met up through the end of the month immediately preceding the effective date of the Change in Control. Notwithstanding the foregoing, no amounts shall be earned or payable under any Annual Incentive Award, except as may be otherwise determined by the Committee.

11.3 Special Change in Control Post-Termination Exercise Rights. Unless otherwise provided in the applicable Award Agreement, notwithstanding any other provision of this Plan to the contrary, upon the Termination of Employment of a Participant by the Company or an Affiliate, other than for Cause, during the one-year period following a Change in Control, any Option held by the Participant as of the date of the Change in Control that remains outstanding as of the date of such Termination of Employment may thereafter be exercised, until the earlier of (i) the expiration date of such Option, or (ii) one year after the date of such Termination of Employment.

Article 12

Amendment, Modification, Substitution and Termination

12.1. Amendment, Modification and Termination of Plan. The Board may terminate the Plan or any portion thereof at any time, and may amend or modify the Plan from time to time in such respects as the Board may deem advisable in order that any Awards thereunder shall conform to any change in applicable laws or regulations or in any other respect the Board may deem to be in the best interests of the Company; provided, however, that, after the stockholders of the Company have approved this Plan, the Board shall not amend this Plan without approval of (a) the Company's stockholders to the extent applicable law or regulations or the requirements of the principal exchange or interdealer quotation system on which the Common Stock is listed or quoted, if any, requires stockholder approval of the amendment, and (b) a Participant who is affected by such amendment if the amendment would materially and adversely affect the Participant's rights or obligations under any Award granted prior to the date of the amendment.

12.2. Amendment or Modification of Awards. Subject to the terms and conditions of this Plan, the Committee may amend or modify the terms of any outstanding Awards in any manner to the extent that the Committee would have had the authority under the Plan initially to make such Award as so modified or amended, including to change the date or dates as of which Awards may be exercised, to remove the restrictions on Awards, or to modify the manner in which Awards are determined and paid; provided, that no amendment or modification of an Award shall, without the consent of the Participant, materially and adversely alter or impair any of the Participant's rights or obligations under the Award.

12.3. Substitution of Awards. Anything contained herein to the contrary notwithstanding, Awards may, in the Committee's discretion, be granted under this Plan in substitution for stock options and other awards covering capital stock of another corporation which is merged into, consolidated with, or all or a substantial portion of the property or stock of which is acquired by, the Company or one of its Affiliates. The terms and conditions of the substitute Awards so granted may vary from the terms and conditions set forth in this Plan to such extent as the Committee may deem

Table of Contents

appropriate to conform, in whole or part, to the provisions of the awards in substitution for which they are granted. Substitute Awards granted hereunder shall not be counted toward the Share limit imposed by Section 4.1, except to the extent the Committee determines that counting such Awards is required for Awards granted hereunder to be eligible to qualify as performance-based compensation within the meaning of Section 162(m) of the Code.

12.4. Effect on Outstanding Awards. No such amendment, modification or termination of the Plan pursuant to Section 12.1 above, amendment or modification of an Award pursuant to Section 12.2 above, or substitution of awards pursuant to Section 12.3 above shall materially adversely alter or impair any outstanding Awards without the consent of the Participant affected thereby.

Article 13

Foreign Employees

Without amendment of the Plan, the Committee may grant Awards to Eligible Persons who are subject to the laws of foreign countries or jurisdictions on such terms and conditions different from those specified in the Plan as may in the judgement of the Committee be necessary or desirable to foster and promote achievement of the purposes of the Plan. The Committee may make such modifications, amendments, procedures, sub-plans and the like as may be necessary or advisable to comply with provisions of laws of other countries or jurisdictions in which the Company or any of its Affiliates operates or has employees.

Article 14

Stockholder Approval

The Plan, and any amendments hereto requiring stockholder approval pursuant to Article 12, are subject to approval by vote of the stockholders of the Company at the next annual or special meeting of stockholders following adoption by the Board.

Article 15

Withholding

Notwithstanding any other provision of this Plan to the contrary, the Company's obligation to issue or deliver Shares or pay any amount pursuant to the terms of any Award granted hereunder shall be subject to satisfaction of applicable federal, state, local and foreign tax withholding requirements (including the Participant's FICA obligation), and the Company and any of its Affiliates shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company or any of its Affiliates, an amount sufficient to satisfy such federal, state, local and foreign taxes required by law to be withheld with respect to any grant, exercise, or payment made under or as a result of this Plan. No later than the date as of which an amount first becomes includible in the gross income of a Participant for federal income tax purposes with respect to any Award under the Plan, such Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by the Company, withholding obligations may be settled with Common Stock, including Common Stock that is part of the Award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company

and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to such Participant. The Committee may establish such procedures as it deems appropriate, including making irrevocable elections, for the settlement of withholding obligations with Common Stock. To the extent provided in the applicable Award Agreement and in accordance with such rules as the Committee may prescribe, a Participant may satisfy any withholding tax requirements by one or any combination of the following means: tendering a cash payment; authorizing the Company to withhold Shares otherwise issuable to the Participant; or delivering to the Company Previously-Acquired Shares.

Article 16
General Provisions.

16.1. The establishment of this Plan shall not confer upon any Eligible Person any legal or equitable right against the Company, any Affiliate or the Committee, except as expressly provided in this Plan. Except as expressly provided in this Plan, neither the Company nor any of its Affiliates shall be required or be liable to make any payment under the Plan. Participation in this Plan shall not give an Eligible Person any right to be retained in the service of the Company or any Affiliate.

16.2. Neither the adoption of this Plan nor its submission to the Company's stockholders shall be taken to impose any limitations on the powers of the Company or its Affiliates to issue, grant, or assume options, warrants, rights, or restricted stock, or other awards otherwise than under this Plan, or to adopt other stock option, restricted stock, or other plans, or to impose any requirement of stockholder approval upon the same.

16.3. The interests of any Eligible Person under this Plan or Awards granted hereunder are not subject to the claims of creditors and may not, in any way, be transferred, assigned, alienated or encumbered, except to the extent provided in an Award Agreement.

16.4. Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively and who may include a trustee under a will or living trust) to whom any benefit under the Plan is to be paid in case of his death before he receives any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Committee during his lifetime. In the absence of any such designation or if all designated beneficiaries predecease the Participant, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

16.5. Except as otherwise provided under the Plan, a Participant or beneficiary thereof shall have no rights as a holder of Shares with respect to Awards hereunder, unless and until Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company).

16.6. This Plan shall be governed, construed and administered in accordance with the laws of the State of New York without giving effect to the conflict of laws principles. The captions of this Plan are not part of the provisions hereof and shall have no force or effect.

16.7. The Committee may require each person acquiring Shares pursuant to Awards granted hereunder to represent to and agree with the Company in writing that the person is acquiring

Table of Contents

the Shares without a view to distribution thereof. The certificates for the Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. All certificates for Shares issued pursuant to this Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the U.S. Securities and Exchange Commission, the New York Stock Exchange (or such other stock exchange upon which the Common Stock is then listed or interdealer quotation system upon which the Common Stock is then quoted), and any applicable federal or state securities laws. The Committee may place a legend or legends on certificates for Shares to make appropriate reference to the restrictions.

16.8. The Company shall not be required to issue any certificate or certificates for Shares with respect to Awards granted under this Plan, or record any person as a holder of record of Shares, without obtaining, to the complete satisfaction of the Committee, the approval of all regulatory bodies the Committee deems necessary, and without complying to the Board's or Committee's complete satisfaction, with all rules and regulations, under federal, state or local law the Committee deems applicable.

16.9. To the extent that this Plan provides for issuance of stock certificates to reflect the issuance of Shares, the issuance may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of the New York Stock Exchange (or such other stock exchange or automated dealer quotation system on which the Shares are traded). No fractional Shares shall be issued or delivered pursuant to this Plan or any award. The Committee shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of any fractional Shares or whether any fractional Shares or any rights thereto shall be rounded down, forfeited or otherwise eliminated.

16.10. All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business and/or assets of the Company.

16.11. It is presently intended that the Plan constitute an unfunded plan for incentive and deferred compensation. The Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Common Stock or make payments; provided, however, that unless the Committee otherwise determines, the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan.

16.12. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting other or additional compensation arrangements for its employees.

16.13. The Plan shall not constitute a contract of employment, and adoption of the Plan shall not confer upon any employee any right to continued employment, nor shall it interfere in any way with the right of the Company or any Affiliate to terminate the employment of any employee at any time.

APPENDIX A

Change in Control shall be deemed to have occurred if the conditions set forth in any one of the following paragraphs shall have been satisfied:

(a) The acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) (a Person) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of either (A) the then-outstanding shares of common stock of the Company (the Outstanding Company Common Stock) or (B) the combined voting power of the then-outstanding voting securities of the Company entitled to vote generally in the election of directors (the Outstanding Company Voting Securities); *provided, however*, that, for purposes of this Appendix A, the following acquisitions shall not constitute a Change in Control: (i) any acquisition directly from the Company, (ii) any acquisition of between 20% and 40%, inclusive, of the Outstanding Company Common Stock or the Outstanding Company Voting Securities if the Board approves such acquisition either prior to or immediately after its occurrence, (iii) any acquisition by the Company, (iv) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Affiliate or (v) any acquisition by any corporation pursuant to a transaction that complies with clause (c)(A), (c)(B) and (c)(C) of this Appendix A; or

(b) Any time at which individuals who, as of the Effective Date, constitute the Board (the Incumbent Board) cease for any reason to constitute at least a majority of the Board; *provided, however*, that any individual becoming a director subsequent to the Effective Date whose election, or nomination for election by the Company's stockholders was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

(c) Consummation of a reorganization, merger, statutory share exchange or consolidation or similar corporate transaction involving the Company or any of its subsidiaries, or a sale or other disposition of all or substantially all of the assets of the Company (each, a Business Combination), in each case unless, following such Business Combination, (A) all or substantially all of the individuals and entities that were the beneficial owners of the Outstanding Company Common Stock and the Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of the then-outstanding shares of common stock and the combined voting power of the then-outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination (including, without limitation, a corporation that, as a result of such transaction, owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership immediately prior to such Business Combination of the Outstanding Company Common Stock and the Outstanding Company Voting Securities, as the case may be, (B) no Person (excluding any corporation resulting from such Business Combination or any employee benefit plan (or related trust) of the Company or such corporation resulting from such Business Combination) beneficially owns, directly or indirectly, 20% or more of, respectively, the then-outstanding shares of common stock of the corporation resulting from such Business Combination or the combined voting power of

the then-outstanding voting securities of such corporation, except to the extent that such ownership existed prior to the Business Combination, and (C) at least a majority of the members of the board of directors of the corporation resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement or of the action of the Board providing for such Business Combination; or

(d) Approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

Notwithstanding anything to the contrary herein, a divestiture or spin-off of an Affiliate of the Company shall not by itself constitute a Change in Control.
