SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS

Item 1.01. Entry into a Material Definitive Agreement.

On December 17, 2014, Visteon Corporation and its wholly owned subsidiary, VIHI, LLC (collectively, "Visteon") entered into a Share Purchase Agreement (the "Purchase Agreement") with Hahn & Co. Auto Holdings Co., Ltd. ("Hahn") and Hankook Tire Co., Ltd. ("Hankook") and, together with Hahn, the "Purchasers"). Pursuant to the Purchase Agreement, Visteon has agreed to sell to Purchasers all of its shares of Halla Visteon Climate Control Corporation, a Korean corporation ("HVCC"), which equal approximately 70% of the outstanding shares of HVCC (the "Sale"), for KRW52,000 per share. The Purchase Price will be reduced by the amount of the 2014 dividend payable on the HVCC shares to be transferred, which dividend will be retained by Visteon.

The closing of the Sale, which Visteon expects will occur in the first half of 2015, is subject to various conditions, including without limitation (i) the approval by the holders of at least a majority of the outstanding shares of Visteon common stock entitled to vote on the Sale ("Requisite Stockholder Approval"), (ii) regulatory and antitrust approvals and (iii) the absence of any law or order restraining, enjoining, rendering illegal or otherwise prohibiting the Sale. Moreover, each party's obligation to consummate the Sale is subject to certain other conditions, including without limitation (a) the accuracy of each other party's representations and warranties (subject to certain qualifications) and (b) each other party's material compliance with its covenants and agreements contained in the Purchase Agreement. In addition, Purchasers' obligations to consummate the Sale are subject to a Material Adverse Effect (as defined in the Purchase Agreement) not occurring from the date of the Purchase Agreement. Consummation of the Sale is not subject to a financing condition.

Visteon has made customary representations and warranties in the Purchase Agreement and has agreed to customary covenants regarding the operation of the business of HVCC and its subsidiaries prior to the closing. Each party has agreed to indemnify the other for breaches of representations and warranties, breaches of covenants, transaction-related taxes and certain other matters, subject to certain exceptions. Under the Purchase Agreement, Visteon is also subject to the "go-shop" covenant described below.

During the period beginning on the date of the Purchase Agreement and continuing until 11:59 p.m. New York time on January 31, 2015 (the "Go-Shop Period"), Visteon may solicit, initiate, encourage and facilitate any competing proposal from third parties, other than a Restricted Party (as defined in the Purchase Agreement), grant waivers under or terminate any "standstill" or similar obligations of any such third party in order to allow such third party to make a competing proposal, participate in discussions and negotiations with such third parties regarding such competing proposals and provide nonpublic information to such third parties pursuant to an Acceptable Confidentiality Agreement (as defined in the Purchase Agreement) with each such third party. Following expiration of the Go-Shop Period and until the earlier of the effective time of the Sale or termination of the Purchase Agreement in accordance with its terms, Visteon will be subject to customary "no-shop" restrictions on its ability to initiate, solicit, knowingly facilitate or encourage any competing proposals from third parties or participate in discussions and negotiations with any third parties regarding any competing proposals and provide nonpublic information to any third parties, except that Visteon may, for a period of fifteen (15) days following the expiration of the Go-Shop Period, continue solicitation of, or discussions or negotiations with, third parties engaged by Visteon during the Go-Shop Period with whom a written competing proposal remains pending as of and following the expiration of the Go-Shop Period and which competing proposal Visteon's Board of Directors (the "Board") determines in good faith constitutes or could reasonably be expected to lead to a Superior Proposal (as defined in the Purchase Agreement) (each such third party, an "Excluded Party"). Following expiration of the Go-Shop Period Visteon is not permitted to solicit competing proposals from third parties or take certain other actions, provided that before Visteon has obtained the Requisite Stockholder Approval, if Visteon receives a written competing proposal from a third party, Visteon may contact such third party to clarify the terms and conditions of such proposal and

may engage in negotiations or substantive discussions with, or furnish any information and other access to, such third party, subject to (i) the Board first determining in good faith (after consultation with its financial advisors and legal counsel) that (a) such competing proposal either constitutes, or could reasonably be expected to lead to, a Superior Proposal and (b) the failure to take such action would be inconsistent with the directors' fiduciary duties under applicable law and (ii) if Visteon will provide nonpublic information, (a) Visteon provides any such nonpublic information to such third party pursuant to an Acceptable Confidentiality Agreement and (b) if any such nonpublic information has not previously been provided to Purchasers, Visteon provides such nonpublic information prior to or substantially concurrently to Purchasers.

Prior to Visteon obtaining the Requisite Stockholder Approval, the no-shop restrictions above are subject to a fiduciary out provision, which permits the Board, subject to Visteon's compliance with certain obligations described below, to (i) change its recommendation to Visteon's stockholders regarding the Sale or take certain other related adverse actions (each such action, an Adverse Recommendation Change) and/or (ii) adopt, approve or recommend an alternative agreement with respect to a competing proposal from a third party. With respect to certain Adverse Recommendation Changes, the Board may take such actions if the failure to take such action would be expected to be inconsistent with the directors' fiduciary duties under applicable law. With respect to (i) or (ii), the Board may take any such actions with respect to a competing proposal from a third party if the Board determines in good faith (after consultation with its financial advisors and outside legal counsel) that such competing proposal constitutes a Superior Proposal and that the failure to take such action would be expected to be inconsistent with the directors' fiduciary duties under applicable law. Visteon would be permitted to enter an alternative agreement with respect to such Superior Proposal only if it terminated the Purchase Agreement and paid certain fees owed to Purchasers as described further below. However, before the Board may make any Adverse Recommendation Change or Visteon may terminate the Purchase Agreement in light of a Superior Proposal, Visteon must comply with certain notice obligations with respect to Purchasers.

The Purchase Agreement contains certain termination rights for Visteon and Purchasers. The Purchase Agreement may be terminated under certain circumstances, including (i) by mutual written agreement, (ii) the uncured failure of the other party's breach or failure to perform any of its representations, warranties, covenants or other agreements contained in the Purchase Agreement, which breach or failure to perform would result in the failure of a closing condition, (iii) if the Sale is not consummated on or before June 30, 2015, (iv) if the Sale becomes subject to a final, non-appealable law or order restraining, enjoining or otherwise prohibiting or making illegal the Sale, (v) if the Requisite Stockholder Approval is not obtained following a vote of stockholders taken thereon, (vi) if, prior to the receipt of the Requisite Stockholder Approval, the Board makes an Adverse Recommendation Change, (vii) if Visteon enters into a definitive agreement with respect to a Superior Proposal, or (viii) if Purchasers have failed to consummate the Sale pursuant to the Purchase Agreement notwithstanding the satisfaction or waiver of the conditions to Purchasers' obligations to do so and confirmation from Visteon that they are ready, willing and able to consummate the closing. In addition, the Purchase Agreement includes the following termination rights:

If the Purchase Agreement is terminated by either Visteon or Purchasers in connection with Visteon's entry into a definitive agreement with respect to a Superior Proposal with a third party that is an Excluded Party, and such termination occurs within fifteen (15) days after the end of the Go-Shop Period, then Visteon will be required to pay Purchasers a termination fee equal to \$71,500,000.

If the Purchase Agreement is terminated by either Visteon or Purchasers in connection with the Board's Adverse Recommendation Change or Visteon's entry into a definitive agreement with a third party that is not an Excluded Party, or if an Excluded Party, such termination occurs more than fifteen (15) days after the end of the Go-Shop Period, then Visteon will be required to pay Purchasers a termination fee equal to

\$107,300,000.

If (i) a third party has made a public competing proposal not yet withdrawn, (ii) the Purchase Agreement is terminated by (a) Purchasers because Visteon has breached its representations, warranties, covenants or other agreements in the Purchase Agreement in certain circumstances and has failed to cure such breach within a certain period or (b) by either Visteon or Purchasers in connection with not having obtained the Requisite Stockholder Approval at a stockholder vote thereon and (iii) within twelve (12) months of such termination, Visteon consummates a competing proposal with a third party, then Visteon will be required to pay Purchasers a termination fee equal to \$107,300,000.

If the Purchase Agreement is terminated by Visteon (i) because Purchasers breached their respective representations, warranties, covenants or other agreements in the Purchase Agreement in certain circumstances and have failed to cure such breach within a certain period or (ii) because Purchasers have failed to consummate the Sale pursuant to the Purchase Agreement notwithstanding the satisfaction or waiver of the conditions to Purchasers obligations to do so and certain notice of such failure from Visteon to Purchasers, then Purchasers will be required to pay Visteon a reverse termination fee equal to \$178,800,000.

Purchasers have secured committed financing, consisting of a combination of (i) equity to be provided by Hahn & Company I L.P., Hahn & Company II L.P., Hahn & Company II-A L.P. and HCPE II, LP and (ii) debt financing to be provided by Korea Exchange Bank, Shinhan Bank and Woori Investment & Securities Co., Ltd. Purchasers are responsible for any out-of-pocket expenses incurred in connection with obtaining financing and any expenses incurred by Visteon will be reimbursed by Purchasers. The Purchase Agreement also provides that either party may specifically enforce the other party's obligations under the Purchase Agreement, provided that Visteon may only cause Purchasers to fund the equity financing if certain conditions are satisfied, including the funding of the debt financing or such funding being required to be funded at the closing pursuant to the debt financing commitments if the equity financing is funded at the closing.

In connection with the closing of the Sale, Visteon and Purchasers and/or HVCC will enter into certain other agreements, including a transition services agreement, pursuant to which, for a specified period following the Closing, Visteon will provide certain services to HVCC and HVCC will provide certain services to Visteon.

The representations, warranties and covenants of Visteon contained in the Purchase Agreement have been made solely for the benefit of Purchasers. In addition, such representations, warranties and covenants (i) have been made only for purposes of the Purchase Agreement, (ii) have been qualified by (a) matters specifically disclosed in certain of Visteon's filings with the Securities and Exchange Commission (the "SEC") and the Financial Services Commission of South Korea prior to the date of the Purchase Agreement and (b) confidential disclosures made to Purchasers in the disclosure letter delivered in connection with the Purchase Agreement, (iii) are subject to materiality qualifications contained in the Purchase Agreement which may differ from what may be viewed as material by investors, (iv) were made only as of the date of the Purchase Agreement or, in the event the closing occurs, as of the date of the closing, or such other date as is specified in the Purchase Agreement and (v) have been included in the Purchase Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as fact. Accordingly, the Purchase Agreement is included with this filing only to provide investors with information regarding the terms of the Purchase Agreement, and not to provide investors with any other factual information regarding Visteon or its business.

Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Visteon or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in Visteon's public disclosures. The Purchase Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Visteon that is or will be contained in, or incorporated by reference into, the Annual Reports on

Form 10-K, Quarterly Reports on Form 10-Q and other documents that Visteon files with the SEC.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Purchase Agreement attached hereto as Exhibit 2.1, which is incorporated herein by reference.
