SETTING THE RECORD STRAIGHT ON JEC/RATIO'S MISLEADING STATEMENTS AND QUESTIONABLE MOTIVES

o

JEC/Ratio is **seeking to displace the new CEO and disrupt the positive momentum** generated by the Four Pillar business strategy

o

JEC/Ratio **has not offered any constructive alternative business plan** or new ideas to create sustainable stockholder value

o

The JEC/Ratio **nominees lack the public company board level experience** and qualifications of the Synacor nominees

o

Current Directors have not sold a single share of Synacor since our new CEO joined the Company. In fact,

Directors

and

Senior

Management

have

purchased

over

100,000

additional

shares
of
Synacor
during
this
time

o
Current Board and executive officers, together with their affiliates, **own 24.8% of the Company's stock**, so
stockholder interests are well represented on the Board

o
Synacor's current **Management has reached out to JEC/Ratio and remains open to constructive ideas** from all
stockholders

o
The current Board is committed to doing what is in **the best interests of all Synacor stockholders**

o
JEC/Ratio

appears
to
have
questionable
motives

waging
a

public
