**Item 1.01 Entry into a Material Definitive Agreement.**

*Purchase Agreement*

On April 29, 2015, Cleveland BioLabs, Inc. (the Company) entered into a Master Purchase Agreement (the Purchase Agreement) with (i) Incuron LLC, a limited liability company formed under the laws of the Russian Federation and a joint venture of the Company (Incuron) and (ii) Dr. Mikhail Mogutov (Mogutov), an individual and beneficial owner of approximately 7% of the Company's outstanding common stock. Pursuant to the Purchase Agreement, Mogutov purchased 75% of the Company's participation interests in Incuron (the Initial LLC Interests), which represents 35.22% of the total participation interests in Incuron.

As consideration for the Initial LLC Interests, at the closing of the transaction on April 29, 2015 Mogutov paid to the Company \$2,000,000 in cash. As additional consideration for the Initial LLC Interests, Mogutov has also agreed to pay an amount of cash equal to the lesser of (i) \$1,000,000 and (ii) the aggregate proceeds received by Mogutov from the sale of 264,318 shares of the Company's common stock (the Mogutov Shares) which Mogutov purchased pursuant to that certain Securities Purchase Agreement, dated June 17, 2014, by and between the Company, Mogutov and the other purchasers party thereto. Mogutov has delivered the Mogutov Shares to an escrow account and has instructed the escrow agent to sell such shares and deliver the proceeds therefrom no later than June 30, 2015 to the Company in accordance with the foregoing. The amount of consideration payable to the Company in connection with the sale of the Initial LLC Interests was determined by arms-lengths negotiations between the Company and Mogutov, and not pursuant to any specific formula or principle.

The foregoing description of the Purchase Agreement is only a summary and is qualified in its entirety by reference to the Purchase Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K, and is incorporated herein by reference.

*Option Agreement*

In connection with the entry into the Purchase Agreement, on April 29, 2015 the Company entered into an Option Agreement with Mogutov (the Option Agreement), pursuant to which the Company granted to Mogutov an exclusive, irrevocable option (the Option) to purchase the remaining 25% of the Company's participation interests in Incuron (the Remaining LLC Interests), which represents 11.74% of the total participation interests in Incuron. Pursuant to the Option Agreement, at any time prior to December 31, 2015, Mogutov may purchase the Remaining LLC Interests for an amount of cash ranging from \$1,000,000 to \$1,300,000 depending on the time of exercise. The amount of consideration payable to the Company pursuant to the Option Agreement was determined by arms-lengths negotiations between the Company and Mogutov, and not pursuant to any specific formula or principle.

Pursuant to the Royalty Agreement, the Company agreed to assign to Incuron all of the Company's interest in certain patents and patent applications covering CBL0137. In exchange for this assignment, Incuron agreed to pay the Company a 2% royalty on (a) Incuron's and its affiliate's sales of products incorporating, utilizing or made with technology related to CBL0137 and any products that perform a similar function or would not have been made but for the use of such technology (Royalty-Bearing Products), (b) consideration received by Incuron from a licensee or sublicensee in consideration for rights to a Royalty-Bearing Product and (c) consideration received in connection with the first change of control of Incuron. Incuron's royalty obligations

continue until April 29, 2025; however, Incuron has the right, exercisable any time before December 31, 2017, to buy-out its royalty obligations for a pre-agreed amount ranging from \$1,500,000 to \$6,000,000 depending on the time of exercise. In addition, Incuron's obligation to pay royalties with respect to sublicensing consideration shall terminate upon a change of control of Incuron.
