**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

As previously reported, on November 17, 2014 and April 6, 2015, Marrone Bio Innovations, Inc. (the Company ) received letters from The NASDAQ Stock Market LLC ( NASDAQ ) indicating that the Company is not in compliance with the filing requirements for continued listing under NASDAQ Listing Rule 5250(c)(1) as a result of the Company s delay in filing its Quarterly Report on Form 10-Q for the quarter ended September 30, 2014 (the Form 10-Q ) and its Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (the Form 10-K ). In connection with the letters, the Company has submitted a plan to file any delinquent reports as soon as practicable and to regain compliance with NASDAQ s filing requirements for continued listing, but subsequently confirmed that it did not expect to regain compliance by May 13, 2015, the termination of the exception period granted by NASDAQ s Listing Qualifications Staff (the Staff ).

On May 6, 2015, the Company received a determination letter from the Staff indicating that the Company s common stock was subject to delisting unless the Company timely requested a hearing before the NASDAQ Listing Qualifications Panel (the Panel ). The letter, which the Company anticipated, was issued in accordance with standard NASDAQ procedures as a result of the Company s failure to timely file the Form 10-Q and the Form 10-K with the U.S. Securities and Exchange Commission (the SEC ), as required by NASDAQ Listing Rule 5250(c)(1), the uncertainty of the Company s time frame to file the periodic reports, and its confirmation that it would not meet the terms of the extension.

The Company intends to request a hearing before the Panel, which request will stay any delisting action by the Staff. At the hearing, the Company will request that the Panel grant it a further extension to file its delinquent periodic reports with the SEC. In accordance with the NASDAQ Listing Rules, the Panel has the authority to continue the Company s listing on NASDAQ, pursuant to an exception to NASDAQ s filing requirement, through as late as November 2, 2015. The Company s common stock will continue to trade on NASDAQ under the symbol MBII at least pending the completion of the hearing process and the expiration of any extension period granted by the Panel.
