Adjusted Operating Income (Loss)

is defined as Operating Income (Loss) excluding the impact of noncash impairments of goodwill, intangible and fixed assets; gains and losses on operating assets (other than deferred gains on sale-leasebacks); gains and losses recognized in connection with pension and other postretirement benefit plan curtailments or settlements; external costs related to mergers, acquisitions, dispositions, as well as contingent consideration related to such transactions, to the extent such costs are expensed; amounts related to securities litigation and government investigations; and the foreign currency loss during 2014, related to the translation of net income denominated in Venezuelan currency resulting from the Company's change to begin using the SICAD 2 exchange rate.

Adjusted
Divisional
Pre-Tax
Income
is
defined
as
Adjusted

For
periods
ending
on
or
after
July
1,
2012,

Free

Cash
Flow
is
defined
as
Cash
Provided
by
Operations
from
Continuing
Operations
plus

payments related to securities litigation and government investigations (net of any insurance recoveries), external costs related to acquisitions, investments or dispositions, to the extent such costs are expensed, contingent consideration payments made in connection with acquisitions, and excess tax benefits from equity instruments, less capital expenditures, principal payments on capital leases and distributions,

if any.

For
periods
ending
prior
to
that
date,

Free

Cash
Flow
is
defined
as
Cash
Provided
by
Operations
from
Continuing
Operations plus payments related to securities litigation and government investigations (net of any insurance recoveries), external

mergers, acquisitions, investments or dispositions, to the extent such costs are expensed, and excess tax benefits from equity in capital expenditures, principal payments on capital leases and partnership distributions, if any. A change to the definition of Free Cash Flow for periods prior to July 1, 2012 to adjust for contingent consideration payments made in connection with acquisitions would have no effect on the reported Free Cash Flow for such periods.

On June 6, 2014, the Company completed the legal and structural separation of Time Inc. from the Company. Accordingly, the 2012 and 2013 financial information presented in this Appendix has been recast to present the financial position and results of the Company's former Time Inc. segment as discontinued operations.
