JOINT PROXY STATEMENT

FOR

JOINT ANNUAL MEETING OF SHAREHOLDERS

To be Held August 26, 2015

INTRODUCTION

This Joint Proxy Statement is being furnished in connection with the solicitation of proxies by the Boards of Trustees (the Board) of each fund listed above (the Funds). The proxies are to be voted at a Joint Annual Meeting of Shareholders of the Funds, and all adjournments thereof (the Meeting), to be held at 1555 Peachtree Street, N.E., Atlanta, Georgia 30309, on August 26, 2015, at 11:00 a.m. Eastern Daylight Time. The Meeting will be an annual meeting for each Fund. The approximate mailing date of this Joint Proxy Statement and accompanying proxy cards is on or about July 8, 2015.

Participating in the Meeting are holders of common shares of beneficial interest (the Common Shares) and, where applicable, the holders of preferred shares of beneficial interest (the Preferred Shares) of each Fund as set forth in Annex A to this Joint Proxy Statement. The Common Shares and the Preferred Shares of the Funds are sometimes referred to herein collectively as the Shares. The Board has fixed June 30, 2015 as the record date (the Record Date) for the determination of holders of Shares of each Fund entitled to vote at the Meeting.

The Common Shares of each of the Funds are listed on the New York Stock Exchange (the NYSE). The NYSE ticker symbol of each Fund and the amount of Common Shares and Preferred Shares outstanding as of the Record Date are shown in Annex A to this Joint Proxy Statement. Each of the Funds is a closed-end fund organized as a Delaware statutory trust.

The Meeting is scheduled as a joint meeting because the shareholders of the Funds are expected to consider and vote on similar matters. The Board has determined that the use of a joint proxy statement for the Meeting is in the best interest of the shareholders of each Fund. In the event that a shareholder of any Fund present at the Meeting objects to the holding of a joint meeting and moves for an adjournment of the meeting of such Fund to a time immediately after the Meeting so that such Fund's meeting may be held separately, the persons named as proxies will vote in favor of the adjournment.

If you have any questions about the information set forth in this Joint Proxy Statement, please contact us at the 24-hour Automated Investor Line at 1-800-341-2929, Option 1 or online at www.invesco.com/us.

Important Notice Regarding the Availability of Proxy Materials for the Meeting

This Joint Proxy Statement and a copy of the Proxy Cards (together, the Proxy Materials) are available at www.proxy-direct.com/INV-26688. The Proxy Materials will be available on the internet through the day of the Meeting.

Each Fund will furnish, without charge, a copy of its most recent annual report (and the most recent semiannual report succeeding the annual report, if any) to any shareholder upon request. Any such request should be directed to the Secretary of the respective Fund by calling 1-800-341-2929, or by writing to the Secretary of the respective Fund at 1555 Peachtree Street, N.E., Atlanta, Georgia 30309.

Only one copy of this proxy statement will be delivered to multiple shareholders sharing an address unless we have received contrary instructions from one or more of the shareholders. Upon request, we will deliver a separate copy of this proxy statement to a

shareholder at a shared address to which a single copy of this proxy statement was delivered. Any shareholder who wishes to receive a separate proxy statement should contact their Fund at 1-866-209-2450.

The Proposals

The following summarizes the proposals that will be presented at the Meeting and that the shareholders are entitled to vote upon (collectively, Proposals). The Board unanimously approved the Proposals and has determined that the Proposals are in the best interests of your Fund.

Proposal: Election of Trustees

The following table summarizes the proposals concerning trustee elections to be presented at the Meeting and the shareholders entitled to vote (the Election Proposal).

	Funds	Trustee Nominees for Election	Shareholders Entitled to Vote
Proposal 1(a)	VGM, VTA, VTN, VKQ, VMO, VVR, VKI, VCV, VPV, IQI, and IIM	James T. Bunch, Bruce L. Crockett, Rodney F. Dammeyer, Jack M. Fields, and Martin L. Flanagan	Common Shareholders and Preferred Shareholders, voting together
Proposal 1(b)	VGM, VTA, VTN, VKQ, VMO, VVR, VKI, VCV, VPV, IQI, and IIM	David C. Arch	Preferred Shareholders, voting separately
Proposal 1(c)	VBF, VLT, OIA	James T. Bunch, Bruce L. Crockett, Rodney F. Dammeyer, Jack M. Fields and Martin L. Flanagan	Common Shareholders

Proposal: Fundamental Restriction

In addition, shareholders of the Invesco Bond Fund, Invesco Municipal Income Opportunities Trust, and Invesco Quality Municipal Income Trust are being asked to approve the elimination of the fundamental restriction in each Fund prohibiting the investment in investment companies. More specifically,

the shareholders of the Invesco Bond Fund are being asked to eliminate the fundamental restriction that states the Fund may not [i]invest in securities of any other investment company or investment trust;

the shareholders of the Invesco Municipal Income Opportunities Trust are being asked to eliminate the fundamental restriction that states that the Fund may not [p]urchase securities of other investment companies, except in connection with a merger, consolidation, reorganization or acquisition of assets; and

the shareholders of the Invesco Quality Municipal Income Trust are being asked to eliminate the fundamental restriction that states that the Fund may not [p]urchase the securities of any other investment company, except in connection with a merger, consolidation, reorganization or acquisition of assets, or by purchase in the open market of securities of closed-end investment companies where no underwriter's or dealer's commission or profit, other than customary broker's commissions, is involved and only if immediately thereafter not more than (i) 5% of the Fund's total assets, taken at market value, would be invested in any one such company and (ii) 10% of the Fund's total assets would be invested in such securities (Fundamental Restriction Proposal). The elimination of the fundamental restriction will provide additional diversified investment opportunities to meet investment objectives and create certain operational efficiencies. It is not anticipated that the Fundamental Restriction Proposal will materially change the manner in which the Invesco Bond Fund, Invesco Municipal Income Opportunities Trust, and Invesco Quality Municipal Income Trust currently are managed and operated, or the material risks currently associated with investing in the Funds. The Board of each such Fund approved the Fundamental Restriction Proposal and recommended your affirmative vote.

Voting at the Meeting

Shareholders of a Fund on the Record Date are entitled to one vote per Share, and a proportional vote for each fractional Share, with respect to each Proposal for which they are entitled to vote, with no Share having cumulative voting rights. The voting requirement for passage of a particular Proposal depends on the nature of the Proposal. The voting requirement for each Proposal is described below. A majority of the outstanding Shares of a Fund entitled to vote at the Meeting must be present in person or by proxy to have a quorum for such Fund to conduct business at the Meeting.

If you intend to attend the Meeting in person and you are a record holder of a Fund's Shares, in order to gain admission you must show photographic identification, such as your driver's license. If you intend to attend the Meeting in person and you hold your Shares through a bank, broker or other custodian (*i.e.*, in street name), in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of Shares of a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date.

If you hold your Shares in street name , you will not be able to vote your Shares in person at the Meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the Meeting.

Edgar Filing: Invesco Dynamic Credit Opportunities Fund - Form PRE 14A

You may contact the Funds at 1-800-341-2929, Option 2 to obtain directions to the site of the Meeting.

The Funds do not know of any business other than the Proposals that will, or is proposed to be presented for consideration at the Meeting. If any other matters are properly presented, the persons named on the enclosed proxy cards shall vote proxies in accordance with their best judgment.

Required Vote

With respect to Proposal 1(a), holders of Common Shares and holders of Preferred Shares of each applicable Fund will vote together as a single class for the respective Nominees. The affirmative vote of a majority of the outstanding Shares present in person or by proxy and entitled to vote is required to elect each Nominee for Trustee of such Fund designated to be elected by the holders of the Common Shares and the holders of Preferred Shares of such Fund, voting together as a single class.

With respect to Proposal 1(b), holders of Preferred Shares will vote as a separate class for the respective Nominees. The affirmative vote of a majority of the outstanding Preferred Shares present in person or by proxy and entitled to vote is required to elect each Nominee for Trustee of such Fund designated to be elected by the holders of Preferred Shares of such Fund, voting as a separate class.

With respect to Proposal 1(c), holders of Common Shares will vote for the respective Nominees. The affirmative vote of a majority of the outstanding Common Shares present in person or by proxy and entitled to vote is required to elect each Nominee for Trustee of such Fund designated to be elected by the holders of the Common Shares.

With respect to Proposal 2, holders of Common Shares and holders of Preferred Shares will vote together as a single class. The affirmative vote of the lesser of (a) 67% or more of the shares present at the meeting, if the holders of more than 50% of the Fund's outstanding shares are present or represented by proxy; or (b) more than 50% of the Fund's outstanding shares is required to eliminate the Fundamental Restriction for a Fund.

A quorum, which is required for each Fund, is a majority of the outstanding Shares of a Fund, present in person or by proxy, entitled to vote at the Meeting.

All Shares represented by properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon. Proxies on which no vote is indicated will be voted FOR each Proposal as to which they are entitled to be voted. Proxies marked WITHHOLD will not be voted FOR each Proposal, but will be counted for purposes of determining whether a quorum is present, and will therefore have the same effect as a vote against.

An unfavorable vote on a Proposal by the shareholders of one Fund will not affect the implementation of such Proposal by another Fund if the Proposal is approved by the shareholders of the other Fund. An unfavorable vote on a Proposal by the shareholders of a Fund will not affect such Fund's implementation of other Proposals that receive a favorable vote. There is no cumulative voting with respect to the election of Trustees.

Abstentions and Broker Non-Votes

Abstentions and broker non-votes will not count as votes in favor of the Proposal, but will be deemed to be present at the Meeting for purposes of determining a quorum. Broker non-votes arise when shares are held by brokers or nominees, typically in street name, and (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter.

With respect to the Election Proposal, under the rules of the NYSE, brokers may vote in their discretion on the election of trustees of a closed-end fund. As a result, beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by their brokers in favor of the Election Proposal. Abstentions will have the same effect as a vote against a Trustee Nominee. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction.

With respect to the Fundamental Restriction Proposal, abstentions and broker non-votes will have the same effect as a vote against. Abstentions and broker non-votes will be deemed present for quorum purposes.

We urge you to provide instructions to your broker or nominee to ensure that your votes may be counted.

Revoking a Proxy

Shareholders who execute proxies may revoke them at any time before they are voted by filing a written notice of revocation with the respective Fund, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person. Shareholders who wish to vote at the Meeting and who hold their shares in street name through a brokerage or similar account should obtain a legal proxy from their broker in order to vote at the Meeting.

Adjourning the Meeting

If a quorum is not present at the Meeting, or a quorum is present at the Meeting but sufficient votes to approve any Proposal described in the original notice of the Meeting is not obtained, then the affirmative vote of a majority of Shares present in person or by proxy and entitled to vote at the meeting (even though not constituting a quorum), or the Chairman of the Board in her or her discretion, will have the power to adjourn the Meeting without notice other than announcement at the Meeting. Provided a quorum is present, any business may be transacted at such adjourned meeting that might have been transacted at the Meeting as originally notified. A meeting may be adjourned from time to time without further notice to shareholders to a date not more than 120 days after the original meeting date. In voting for the adjournment, the persons named as proxies may vote their proxies in favor of one or more adjournments of the meeting, or the Chairman of the Board may call an adjournment, provided such persons determine that such adjournment is reasonable and in the best interests of shareholders and the Funds, based on a consideration of such factors as they may deem relevant, including, without limitation, by voting proxies for or against adjournment consistent with the votes for and against the proposal for which the required vote has not been obtained.

THE BOARD OF EACH FUND RECOMMENDS THAT YOU CAST YOUR VOTE FOR ALL OF THE NOMINEES IN THE ELECTION PROPOSAL AND FOR THE FUNDAMENTAL RESTRICTION PROPOSAL.

With respect to each of Invesco Advantage Municipal Income Trust II, Invesco California Value Municipal Income Trust, Invesco Dynamic Credit Opportunities Fund, Invesco Municipal Opportunity Trust, Invesco Municipal Trust, Invesco Pennsylvania Value Municipal Income Trust, Invesco Quality Municipal Income Trust, Invesco Senior Income Trust, Invesco Trust for Investment Grade Municipals, Invesco Trust for Investment Grade New York

Edgar Filing: Invesco Dynamic Credit Opportunities Fund - Form PRE 14A

Municipals and Invesco Value Municipal Income Trust, holders of Preferred Shares, voting as a separate class, will vote with respect to the election of David C. Arch. Holders of Common Shares and holders of Preferred Shares of each of these Funds will vote together with respect to James T. Bunch, Bruce L. Crockett, Rodney F. Dammeyer, Jack M. Fields and Martin L. Flanagan.

All Nominees have consented to being named in this Joint Proxy Statement and have agreed to serve if elected.

If elected, each Trustee will serve until the later of such Fund's Annual Meeting of Shareholders in 2018 or until his or her successor has been duly elected and qualified. As in the past, only one class of Trustees is being submitted to shareholders of each Fund for election at the Meeting. Each Fund's Declaration of Trust provides that the Board shall be divided into three classes, which must be as nearly equal in number as possible. For each Fund, only one class of Trustees is elected at each annual meeting, so that the regular term of only one class of Trustees will expire annually and any particular Trustee stands for election only once in each three-year period. This type of classification may prevent replacement of a majority of Trustees of a Fund for up to a two-year period. The foregoing is subject to the provisions of the Investment Company Act of 1940, as amended (the 1940 Act), applicable state law based on the state of organization of each Fund, each Fund's Declaration of Trust and each Fund's Bylaws.

In the case of any vacancy on the Board, each Fund's Declaration of Trust provides that the remaining Trustees may fill such vacancy by appointing a replacement to serve for the remainder of the term or reduce the size of the Board. In the case of a vacancy of a Preferred Shares Trustee, the remaining Trustees may designate a Trustee to serve as a Preferred Shares Trustee for the remainder of the term.

With the exception of the Preferred Shares Trustee, the class of Trustees up for election in any given year is the same for each Fund. The following table indicates the Trustees in each such class and the period for which each class currently serves:

Class I¹	Class II²	Class III³
Albert R. Dowden	David C. Arch	James T. Bunch
Prema Mathai-Davis	Larry Soll	Bruce L. Crockett
Hugo F. Sonnenschein ⁴	Philip A. Taylor	Rodney F. Dammeyer ⁴
Raymond Stickel, Jr.	Suzanne H. Woolsey	Jack M. Fields
		Martin L. Flanagan

¹ Serving until the 2016 Annual Meeting or until their successors have been duly elected and qualified.

² Serving until the 2017 Annual Meeting or until their successors have been duly elected and qualified.

³ Currently up for election at the Meeting.

⁴ Scheduled to retire December 31, 2015.

Although each Fund votes on the same Trustees at the same time, the classification by which each Fund refers to such class is different.

Information Regarding the Trustees

The business and affairs of the Funds are managed under the direction of the Board. This section of this Joint Proxy Statement provides you with information regarding each incumbent Trustee and Nominee that is proposed to serve on the Board. Trustees of the Funds generally serve three-year terms or until their successors are duly elected and qualified. The tables below list the incumbent Trustees and nominees for Trustee, their principal occupations, other directorships held by them during the past five years, and any affiliations with the Adviser or its affiliates. The Board will be composed of thirteen Trustees, including eleven Trustees who are not interested persons of the Funds, as that term is defined in the 1940 Act (collectively, the Independent Trustees and each an Independent Trustee).

The term Invesco Fund Complex includes each of the open-end and closed-end registered investment companies advised primarily by the Adviser as of the Record Date. As of the date of this Joint Proxy Statement, there were 144 funds in the Invesco Fund Complex.

The mailing address of each Trustee is 1555 Peachtree Street, N.E., Atlanta, Georgia 30309.

Board Role in Risk Oversight

The Board considers risk management issues as part of its general oversight responsibilities throughout the year at regular meetings of each of the Investments, Audit, Compliance and Valuation, Distribution and Proxy Oversight committees (as further

described below) (the Committees). These Committees in turn report to the full Board and recommend actions and approvals for the full Board to take.

The Adviser, or its affiliates, prepares regular reports that address certain investment, valuation and compliance matters, and the Board as a whole or the Committees may also receive special written reports or presentations on a variety of risk issues at the request of the Board, a Committee or the Senior Officer. In addition, the Audit Committee meets regularly with Invesco Ltd.'s internal audit group to review reports on their examinations of functions and processes within the Adviser that affect the Funds.

The Investments Committee and its sub-committees receive regular written reports describing and analyzing the investment performance of the Funds. In addition, the portfolio managers of the Funds meet regularly with the sub-committees of the Investment Committee to discuss portfolio performance, including investment risk, such as the impact on the Funds of the investment in particular securities or instruments, such as derivatives. To the extent that a Fund changes a particular investment strategy that could have a material impact on the Fund's risk profile, the Board generally is consulted in advance with respect to such change.

The Adviser provides regular written reports to the Valuation, Distribution and Proxy Oversight Committee that enable the Committee to monitor the valuation of securities in a particular portfolio, the reasons for the fair valuation and the methodology used to arrive at the fair value. Such reports also include information concerning illiquid securities within a Fund's portfolio.

The Audit Committee reviews valuation procedures and pricing results with the Fund's independent auditors in connection with such Committee's review of the results of the audit of the Fund's year-end financial statements. In addition, the Audit Committee meets regularly with Invesco Ltd.'s internal audit group to review reports on their examinations of functions and processes within the Adviser that affect the Funds.

The Compliance Committee receives regular compliance reports prepared by the Adviser's compliance group and meets regularly with each Fund's Chief Compliance Officer (the CCO) to discuss compliance issues, including compliance risks. The Compliance Committee recommends and the Board adopts compliance policies and procedures for the Funds and approves such procedures for the Funds' service providers. The compliance policies and procedures are specifically designed to detect, prevent and correct violations of the federal securities laws.

Compensation of Trustees

Each Trustee who is not an employee or officer of the Adviser is compensated for his or her services according to a fee schedule that recognizes the fact that such trustee also serves as a trustee of other Invesco Funds. Each such trustee receives a fee, allocated among the Invesco Funds, for which he or she serves as a trustee, that consists of an annual retainer component and a meeting fee component. The Chair of the Board and Chairs and Vice Chairs of certain Committees receive additional compensation for their services. Compensation received by the Trustees of the Funds as of fiscal year ended February 28, 2015 is shown on Annex B hereto.

Pre-Amendment Retirement Plan for Trustees. The Trustees have adopted a retirement plan for the Trustees who are not affiliated with the Adviser. The Trustees also have adopted a retirement policy that permits each non-Invesco-affiliated Trustee to serve until December 31 of the year in which the Trustee turns 75. A majority of the Trustees may extend from time to time the retirement date of a Trustee.

Annual retirement benefits are available from the Funds and/or the other funds in the Invesco Fund Complex, for which a Trustee serves (each, a Covered Fund), for each Trustee who is not an employee or officer of the Adviser, who became a Trustee prior to December 1, 2008, and who has at least five years of credited service as a Trustee (including service to a predecessor fund) of a Covered Fund. Effective January 1, 2006, for retirements after

December 31, 2005, the retirement benefits will equal 75% of the Trustee's annual retainer paid to or accrued by any Covered Fund with respect to such Trustee during the twelve-month period prior to retirement, including the amount of any retainer deferred under a separate deferred compensation agreement between the Covered Fund and the Trustee. The amount of the annual retirement benefit does not include additional compensation paid for Board meeting fees or compensation paid to the Chair of the Board and the Chairs and Vice Chairs of certain Committees, whether such amounts are paid directly to the Trustee or deferred. The annual retirement benefit is payable in quarterly installments for a number of years equal to the lesser of (i) sixteen years or (ii) the number of such Trustee's credited years of service. If a Trustee dies prior to receiving the full amount of retirement benefits, the remaining payments will be made to the deceased Trustee's designated beneficiary for the same length of time that the Trustee would have received the payments based on his or her service or, if the Trustee has elected, in a discounted lump sum payment. A Trustee must have attained the age of 65 (60 in the event of disability) to receive any retirement benefit. A Trustee may make an irrevocable election to commence payment of retirement benefits upon retirement from the Board before age 72; in such a case, the annual retirement benefit is subject to a reduction for early payment.

Amendment of Retirement Plan and Conversion to Defined Contribution Plan. The Trustees approved an amendment to the Retirement Plan to convert it to a defined contribution plan for active Trustees (the Amended Plan). Under the Amended Plan, the

benefit amount was amended for each active Trustee to the present value of the Trustee's existing retirement plan benefit as of December 31, 2013 (the Existing Plan Benefit) plus the present value of retirement benefits expected to be earned under the Retirement Plan through the end of the calendar year in which the Trustee attained age 75 (the Expected Future Benefit) and, together with the Existing Plan Benefit, the Accrued Benefit). On the conversion date, the Covered Funds established bookkeeping accounts in the amount of their pro rata share of the Accrued Benefit, which is deemed to be invested in one or more Invesco Funds selected by the participating Trustees. Such accounts will be adjusted from time to time to reflect deemed investment earnings and losses. Each Trustee's Accrued Benefit is not funded and, with respect to the payments of amounts held in the accounts, the participating Trustees have the status of unsecured creditors of the Covered Funds. Trustees will be paid the adjusted account balance under the Amended Plan in quarterly installments for the same period as described above.

Deferred Compensation Agreements. Edward K. Dunn and Carl Frischling (former Trustees of funds in the Invesco Fund Complex), Messrs. Bunch, Crockett, Fields, and Drs. Mathai-Davis and Soll (for purposes of this paragraph only, the Deferring Trustees) have each executed a Deferred Compensation Agreement (collectively, the Compensation Agreements). Pursuant to the Compensation Agreements, the Deferring Trustees have the option to elect to defer receipt of up to 100% of their compensation payable by the Funds, and such amounts are placed into a deferral account and deemed to be invested in one or more Invesco Funds selected by the Deferring Trustees. Distributions from these deferral accounts will be paid in cash, generally in equal quarterly installments over a period of up to ten (10) years (depending on the Compensation Agreement) beginning on the date selected under the Compensation Agreement. If a Deferring Trustee dies prior to the distribution of amounts in his or her deferral account, the balance of the deferral account will be distributed to his or her designated beneficiary. The Compensation Agreements are not funded and, with respect to the payments of amounts held in the deferral accounts, the Deferring Trustees have the status of unsecured creditors of the Funds and of each other fund in the Invesco Fund Complex from which they are deferring compensation.

Shareholder Communications

Shareholders may send communications to each Fund's Board. Shareholders should send communications intended for the Board or for a Trustee by addressing the communication directly to the Board or individual Trustee and/or otherwise clearly indicating that the communication is for the Board or individual Trustee and by sending the communication to either the office of the Secretary of the applicable Fund or directly to such Trustee at the address specified for such Trustee above. Other shareholder communications received by any Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

THE BOARD RECOMMENDS A VOTE FOR ALL OF THE NOMINEES.

FUNDAMENTAL RESTRICTION PROPOSAL

Shareholders of the Invesco Bond Fund, Invesco Municipal Income Opportunities Trust, and Invesco Quality Municipal Income Trust will vote to eliminate the fundamental restriction in each Fund prohibiting the investment in investment companies.

The shareholders of the Invesco Bond Fund are being asked to eliminate the fundamental restriction that states the Fund may not [i]nvest in securities of any other investment company or investment trust.

The shareholders of the Invesco Municipal Income Opportunities Trust are being asked to eliminate the fundamental restriction that states that the Fund may not [p]urchase securities of other investment companies, except in connection with a merger, consolidation, reorganization or acquisition of assets.

The shareholders of the Invesco Quality Municipal Income Trust are being asked to eliminate the fundamental restriction that states the Fund may not [p]urchase the securities of any other investment company, except in connection with a merger, consolidation, reorganization or acquisition of assets, or by purchase in the open market of securities of closed-end investment companies where no underwriter's or dealer's commission or profit, other than customary broker's commissions, is involved and only if immediately thereafter not more than (i) 5% of the Fund's total assets, taken at market value, would be invested in any one such company and (ii) 10% of the Fund's total assets would be invested in such securities

The proposed elimination of the fundamental restriction of each Fund will provide additional diversified investment opportunities to meet investment objectives by permitting the Funds to invest in investment companies. For instance, upon shareholder approval, the Funds may invest overnight cash balances in money market funds and may use a mutual fund meeting the investment criteria as a diversified investment opportunity. The Adviser has contractually agreed, through at least June 30, 2016, to waive the advisory fee payable by each Fund in an amount equal to 100% of the net advisory fees the Adviser receives from the affiliated money market funds on investments by the Fund of uninvested cash in such affiliated money market funds. Each Fund will nevertheless remain subject to the restrictions under Section 12(d) of the 1940 Act, and rules thereunder, relating to the Fund's ability to invest in other investment companies, including open-end and closed-end investment companies. Additionally, as the other Invesco-branded open-end and closed-end funds do not have the fundamental restriction, the Funds may achieve certain operational efficiencies across the Invesco Fund Complex. Finally, each Fund historically and voluntarily adopted the fundamental restriction. The fundamental restrictions are not required by the Investment Company Act of 1940, as amended (1940 Act), or any other state or federal law. The fundamental restrictions are unneeded and unduly burdensome on the Funds.

Importantly, the investment objectives and principal investment strategies of each Fund will not change; therefore, it is not anticipated that the Fundamental Restriction Proposal will materially change the manner in which the Fund currently is managed and operated, or the material risks currently associated with investing in the Fund.

THE BOARD RECOMMENDS A VOTE FOR THE FUNDAMENTAL RESTRICTION PROPOSAL.

Principal Shareholders of the Funds

Edgar Filing: Invesco Dynamic Credit Opportunities Fund - Form PRE 14A

The persons who as of the Record Date, according to publicly available filings made with the SEC, held of record more than 5% of the Common Shares or Preferred Shares of a Fund are set forth in Annex C. To the knowledge of each Fund, no other persons owns, directly or beneficially, 5% or more of the Common Shares or Preferred Shares of any Fund.

Trustee Ownership of Fund Shares

As of December 31, 2014, Trustee(s) owned, directly or beneficially, Common Shares or Preferred Shares of a Fund and beneficially owned equity securities of other funds in the Invesco Fund Complex overseen by the Trustees in the dollar range amounts as specified in Annex D.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 30(f) of the 1940 Act and Section 16(a) of the Exchange Act require each of the Funds' Trustees, officers, investment advisers, affiliated persons of the investment advisers and persons who own more than 10% of a registered class of a Fund's equity securities to file forms with the SEC and the New York Stock Exchange (on which the Common Shares are listed), reporting their affiliation with the Fund and reports of ownership and changes in ownership of Shares. Based on a review of these forms furnished to each Fund, each Fund believes, to the best of its knowledge, that during its last fiscal year, its Trustees, officers, the Adviser and affiliated persons of the Adviser complied with the applicable filing requirements.

Independent Registered Public Accounting Firm

PricewaterhouseCoopers, LLP (PwC) has been selected as each Fund's independent registered public accounting firm by the Audit Committee and ratified by unanimous approval of each Fund's Board, including a majority of the Independent Trustees, to audit the accounts of the Funds for and during the fiscal year ending February 28, 2016. The Funds do not know of any direct or indirect financial interest of PwC in the Funds.

It is not expected that representatives of PwC will attend the Meeting. In the event representatives of PwC do attend the Meeting, they will have the opportunity to make a statement if they desire to do so and will be available to answer appropriate questions.

In accordance with the adopted pre-approval policies and procedures, the Audit Committee has preapproved all audit and non-audit services provided to each Fund by its independent registered public accounting firm. Pre-approval by the Audit Committee of any permissible non-audit services is not, however, required so long as: (i) the aggregate amount of all such permissible non-audit services provided to a Fund constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by a Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee.

The Audit Committee of each Fund reviewed and discussed the last audited financial statements of each Fund with management and with PwC. In the course of its discussions, the Audit Committee discussed with PwC any relevant matters required to be discussed under Statement on Auditing Standards No. 16 (Communications with Audit Committees). Based on this review, the Audit Committee recommended to the Board of each Fund that each Fund's audited financial statements be included in each Fund's Annual Report to Shareholders for the most recent fiscal year for filing with the SEC. The Audit Committee received the written disclosures and the letter from PwC required under Public Company Accounting Oversight Board's Ethics & Independence Rule 3526 and has discussed with PwC its independence with respect to each Fund.

Audit Fees

For each Fund's two most recently completed fiscal years, the aggregate fees billed to each Fund by PwC for professional services rendered for the audit of such Fund's annual financial statements are set forth on Annex E. All of the audit services for the fiscal years ended February 28, 2015 and February 28, 2014 were approved by the Audit

Committee in accordance with its pre-approval policies and procedures.

Audit-Related Fees

For each Fund's two most recently completed fiscal years, the aggregate fees billed to each Fund by PwC for professional services rendered for audit-related services are set forth on Annex E. All of the audit-related services, which include assurance and related services by PwC that are reasonably related to the performance of the audit of a Fund, for the fiscal years ended February 28, 2015 and February 28, 2014 were approved by the Audit Committee in accordance with its pre-approval policies and procedures.

Tax Fees

For each Fund's two most recently completed fiscal years, the aggregate fees billed by PwC and approved by the Audit Committee of each Fund for professional services rendered for tax compliance, tax advice, and tax planning are set forth on Annex E. All of the tax services for the fiscal years ended February 28, 2015 and February 28, 2014 were approved by the Audit Committee in accordance with its pre-approval policies and procedures.

All Other Fees

For each Fund's two most recently completed fiscal years, the aggregate fees billed by PwC and approved by the audit committee of each Fund for professional services rendered for all other services are set forth on Annex E. All of the other services for the two most recently completed fiscal years were approved by the Audit Committee in accordance with its pre-approval policies and procedures.

Covered Entities

For each Fund's two most recently completed fiscal years, the aggregate non-audit fees billed to the Adviser or any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Funds (the Covered Entities) are set forth on Annex E. The Audit Committee is required to pre-approve services to Covered Entities to the extent that the services are determined to have a direct impact on the operations of financial reporting of the Funds. The Audit Committee also has considered whether the provision of non-audit services, if any, performed by PwC to the Funds and Covered Entities is compatible with maintaining PwC's independence in performing audit services.

Proxy Solicitation Expenses

The expenses of preparing, printing and mailing these proxy solicitation materials and all other costs in connection with the solicitation of proxies for the Election of Trustees Proposal will be borne by the Funds. To the extent the expenses are not billed by a Fund, they will be allocated among the Funds. The Funds will also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of the Funds. In order to obtain the necessary quorum at the Meeting, additional solicitation may be made by mail, telephone, facsimile or personal interview by representatives of the Funds, the Adviser or its affiliates, by the transfer agent of the Funds and by dealers or their representatives. The Funds have also retained Computershare Fund Services (Computershare), a professional proxy solicitation firm, to assist in any additional proxy solicitation. The estimated cost of solicitation by Computershare is approximately \$1,200 per Fund.

Additional proxy solicitation expenses associated with the Fundamental Restriction Proposal will be borne by the Adviser.

Shareholder Proposals

Shareholder proposals intended to be presented at the year 2016 annual meeting of shareholders for a Fund pursuant to Rule 14a-8 under the Exchange Act must be received by the Fund's Secretary at the Fund's principal executive offices by March 10, 2016, in order to be considered for inclusion in the Fund's proxy statement and proxy card relating to that meeting. Timely submission of a proposal does not necessarily mean that such proposal will be included in the Fund's proxy statement. If a shareholder wishes to make a proposal at the year 2016 annual meeting of shareholders without having the proposal included in a Fund's proxy statement, then such proposal must be received by the Fund's Secretary at the Fund's principal executive offices not earlier than April 28, 2016 and not later than May 28, 2016. Notwithstanding the foregoing, if notice of a shareholder proposal is received on or after May 28, 2016, the persons named as proxies may vote proxies held by them in their discretion on such proposal. Any shareholder who wishes to submit a proposal for consideration at a meeting of such shareholder's Fund should send such proposal to the respective Fund's Secretary at 1555 Peachtree Street, N.E., Atlanta, Georgia 30309, Attn: Secretary.

General

Management of each Fund does not intend to present, and does not have reason to believe that others will present, any other items of business at the Meeting. However, if other matters are properly presented to the Meeting for a vote, the

proxies will be voted upon such matters in accordance with the judgment of the persons acting under the proxies.

Failure of a quorum to be present at the Meeting for any Fund may necessitate adjournment and may subject such Fund to additional expense.

If you cannot be present in person, you are requested to fill in, sign and return the enclosed proxy card(s), for which no postage is required if mailed in the United States, or record your voting instructions by telephone or via the internet promptly.
