Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective November 23, 2015, the Board of Directors (the Board) of Esterline Technologies Corporation (Esterline) increased the size of the Board from eight (8) to nine (9) directors and elected Michael J. Cave to serve as a director of Esterline. Mr. Cave was classified into the class of directors whose term expires at the 2017 annual stockholders meeting, and accordingly, was also nominated for election as director at Esterline's 2016 annual stockholders meeting for an initial one-year term expiring at the 2017 annual stockholders meeting. Mr. Cave has not initially been appointed to any Board committees, but consistent with its customary practice, the Board will consider Board committee assignments for Mr. Cave and potentially make additional changes to the composition of Esterline's Board committees at its regular meeting following the 2016 annual stockholders meeting.

For his service as a non-employee director, Mr. Cave will be entitled to receive the standard compensation for non-employee directors of Esterline. Esterline will also reimburse Mr. Cave for out-of-pocket expenses incurred in connection with attendance or participation at meetings. The non-employee director compensation program is described in further detail in Esterline's proxy statement for its 2015 Annual Meeting filed with the Securities and Exchange Commission on January 29, 2015.

Item 7.01. Regulation FD Disclosure.

On November 30, 2015, Esterline issued a press announcing the election of Mr. Cave as a director, which is furnished as Exhibit 99.1 to this report.
